R.S.F.

WORDS BY JEFF BROWN

R.S.F., WHAT IS IT ABOUT YOU,
YOU'RE SMALL, YOU'RE QUIANT, UNIQUE.
R.S.F., I TRAVEL THE WIDE WORLD, OF YOUR GREAT CHARM I'LL SPEAK.
WHERE ELSE DOES NATURE'S BEAUTY CAST ITS SPELL,
AND SUNSETS SHED THEIR GLOW.
WHERE ELSE DO NEIGHBORS HATE TO SAY FAREWELL,
NO PLACE I'D RATHER GO.
THAN R.S.F., YOU'LL ALWAYS BE MY TOWN,
RIGHT HERE, I'LL STAY, CAN'T GET AWAY, FROM RANCHO SANTA FE.

R.S.F., I'LL ALWAYS REMEMBER,
THE TREES THAT TOUCH THE SKY.
R.S.F., THE ROLLING HILLS GREET US, THE WILD QUAIL RUNNING BY,
AND THEN WE HERALD THE YULETIDE JUBILEE,
WITH CAROLS AT THE INN.
NOT TILL WE LIGHT THE GRAND OLD EVERGREEN TREE,
WILL CHRISTMAS TIME BEGIN.
AT R.S.F., MY HEART ALWAYS STAYS THERE.
IT'S CHARM I'LL CHEER, ALWAYS ENDEAR,
SO UNLIKE ANYWHERE.

R.S.F., THE GREEN OF THE HILLSIDE,
JUST MEETS THE MORNING DEW.
R.S.F., THE CHURCH BELLS ON SUNDAY, BEGIN TO HUM ON CUE.
WHERE ELSE BUT RANCHO HAS SMALL SHOPS IN A ROW,
GREAT RESTAURANTS WHERE WE DINE,
THEN FRIENDLY NEIGHBORS STOP TO SAY HELLO,
AND TO THINK A SMALL PART'S MINE.
OF R.S.F., I'LL NEVER LEAVE MY TOWN,
RIGHT HERE, I'LL STAY, WON'T GET AWAY, FROM RANCHO SANTA FE.

Before you decide what to do with your savings, decide what you'd do without them.

Most people are more concerned about money lately than they've been for many years. These are unusual and uncertain times. And it's no time to be taking chances with your savings.

Savings are what you have to show for a lifetime of hard work. Properly invested, they're the basis for your peace of mind in your leisure years. They represent your financial independence.

Unless you're young enough to start all over again, you should never invest your savings in anything less than an absolute certainty.

That's why so many people trust their savings to Home, America's largest savings and loan. The security of every penny invested with us is our first priority. Proof of that is our ninety-plus year record of perfect safety.

Through years of wars, depressions and other financially threatening times, Home has guaranteed the safety of

our depositors' money. Today, money invested in a Home savings account is insured to one hundred thousand dollars by an agency of the Federal government. Additionally, it's backed by Home's unmatched assets, now over \$12 billion dollars.

But Home's safety doesn't mean you sacrifice earnings. Home has ways for you to earn interest high enough to offset inflation even in today's market. Home's 6-month T-bill account pays extremely high interest rates that were unheard of until recently. Yet there's absolutely no risk involved. And our 30-month treasury account pays rates almost as high. Again, with no risk involved.

We think there's no better place for your savings to be. It's certainly no time to take chances. You only take chances with money you can afford to lose.

"One word in education tells us that our school is great"

The Community of Rancho Santa Fe and its very involved parents, Governing Board and teachers throughout the years have worked to provide a program of quality education for the young people of their community. Just as we recognize that there are differences among children in their needs, abilities, interests and growth patterns, we recognize that we neither cannot nor should treat each child precisely the same. Home and school have worked closely together to see each child as an individual and to provide educational opportunities that will enable him or her to develop his own unique potential to the fullest.

In a world marked by accelerating social and technological change, children remain our most precious, our most important resource. They will chart the future course of our community, our nation and our world. If they are to meet successfully the many challenges placed before them, they will need both skills and confidence - and a strong sense of their individual worth as human beings. As adults, our task is to prepare them, to give them a proper foundation on which to build. In the home, in the school and in the community we can help by guiding them, listening to them, encouraging them, believing in them. The school continues to seek to maintain and provide a program of education that is academically sound, intellectually stimulating, one that both well prepares our children and reflects this most unique and supportive community in which they live.

As our school and community have grown in size over the years, we have worked to sustain that most important relationship found in the neighborhood school of the past, one in which the young people feel both a responsibility for and are responsive to the important challenges and adults in their lives; one in which the community participates so that the program of education provided is determined by the local, informed public rather than imposed by remote echelons of political structure. The kind of preparation our young people need cannot occur accidentally, for education is not a haphazard process. It takes planning, follow through and evaluation - steps in which we are constantly involved. We feel that much has been gained by the manner in which parents, staff and community have shared in shaping and developing their local school. We are grateful for this interest, this confidence, and the support so generously provided.

*"We just know that heart-felt sharing
shows itself by all your caring"*

TO JEFF FROM HIS FRIENDS AND FROM HIS SPOUSE,
YOUR SHOW IS A HIT, IT'LL BRING DOWN THE HOUSE,
JEFF, YOU'RE THE BEST, YOU'VE MADE US ALL SMILE,
IT'S EASY TO SEE YOU'VE GONE MORE THAN A MILE.

"Many good friends will make their debut. . ."

DENNIS O'DRANE - DIRECTOR

Dennis D. O'Drane graduated from Chapman College in 1965 with a major in music and a minor in drama. Dennis is the coordinator of music for the First Congregational Church of Escondido as Director of the Chancel Choir. Dennis founded and was managing director of the Community theatre group called CAAST out of north San Diego County. He has directed many Community theatre productions; some of which include "Stop the World I Want to Get Off", "Man of La Mancha", and "Lil Abner". Dennis has performed in many plays as an actor; some of which include leads in "The Fire Bugs" for San Diego State University, "The Fantastics" for Petio Playhouse in Escondido and many various character roles in plays all over San Diego County. Dennis has had many fine singing groups appearing all over Southern California, including the Main Stage of the Civic Theatre in downtown San Diego.

SUE GILSON - CHOREOGRAPHER

Sue has studied dance since the age of four and has professional credits in jazz, Polynesian, discoteque, and tap dancing from appearances in the Los Angeles area. Her position as head of the nationally known drill team, The Coronets, at Santa Monica College led her to become the advisor for Palomar College's cheerleaders and dance team. She has been staff choreographer for Palomar College's musicals since 1975 doing such shows as Cabaret, Lil Abner, the United States premiere of Jack the Ripper, Wizard of Oz, Can Can and Fiddler on the Roof. This summer she will be doing the choreography for Westside Story. Even though she has professional status as a dancer, she has continued to study with Georgia Copeland, Bob Banas, and Fred Walton. She is presently teaching for Georgia's School of Dance in Escondido.

ANN SALLET PINE - COSTUMER

Ann received her training at the Massachusetts Museum School of Art and the Lincoln Museum School of Art. She also received a degree from MIT. She has an extensive background in the theatre including everything from operas to stage shows. She has recently done two television pilots and is currently co-designer for the Old Town Opera House. Mrs. Pine has been selected for Who's Who in American Women for 1981.

ROBERT GILSON - CONDUCTOR

Mr. Gilson received his B.A. at California State University of Los Angeles, and his M.M. at Indiana University's School of Music, where he served as assistant conductor for the Opera Theatre's production of Verdi's Don Carlos. At Palomar College, he serves as Instrumental Director for the Music Department and directs the College's Community Orchestra, Concert Band, and Jazz Ensemble. He also has been musical director and conductor for the Drama Department's Musical Workshop during the summer since 1974. In 1976 and 1979, Mr. Gilson was named one of the Outstanding Young Men in America. He is continuing post-graduate study in the field of Musical Theatre, with emphasis on Opera.

We thank the volunteers, teachers and Roger too
