Your Guide To Quality...

One of Regal's strongest contributions to the global market is our consistent, best-in-class quality. It is the basis of our business and has kept loyal buyers and consumers coming back for generations.

Quality is at the forefront of our manufacturing efforts so that each time we introduce a new line of products, you can be assured that the Regal name is behind every item.

As you begin making your selections from our catalog, you can do so with the reassurance that since 1945 our focus has been on a commitment to you — our customer. Long after your purchase, our service continues to carry through on that commitment.

Jeffrey A. Reigle
President and Chief Executive Officer

Royal Diamond®

Revolutionary Nonstick Cookware with Lifetime Warranty

Regal's revolutionary Royal Diamond® cookware with its unique arc spray interior features a lifetime warranty and heavyweight construction. The patented arc spray process bonds molten metal to the surface of each pan creating texture that makes the nonstick surface extraordinarily durable. In lab tests, it remained intact even after 408,000 scrubs with an abrasive pad - a standard of performance other nonsticks can't live up to. Heavyweight alloy construction and spiral grooved bases create 60% more surface area for fast, even heating. Nonstick exteriors resist staining and clean up in seconds. Glass covers have stainless steel rims for added safety.

PRO CUISINE®

Hard Anodized Cookware with a Lifetime Warranty

Pro Cuisine® hard anodized cookware offers a surface that is 30% harder than stainless steel and a nonstick interior that is so durable it is guaranteed for a lifetime. Heavy gauge metal and radial expansion channels in the bases ensure even heating for professional results. Tempered glass covers permit checking food without lifting the lid. Stainless steel rims on the covers increase resistance to breaking. Stay cool handles and knobs offer precision engineering and a secure grip. Heavy duty riveted handles ensure a solid bond. Eyelets provide handy hanging storage. Superior nonstick cooking surface encourages fat-free cooking.

Royal Diamond®

Revolutionary Nonstick Gourmet Pans with Lifetime Warranty

Regal's revolutionary Royal Diamond® gourmet pans with their unique arc spray interiors feature a lifetime warranty and heavyweight construction. The patented arc spray process bonds molten metal to the surface of each pan creating texture that makes the nonstick surface extraordinarily durable. In lab tests, it remained intact even after 408,000 scrubs with an abrasive pad - a standard of performance other nonsticks can't live up to. Heavyweight alloy construction and spiral grooved bases create 60% more surface area for fast, even heating. Nonstick exteriors resist staining and clean up in seconds.

K6751 Automatic Breadmaker

550 watts; 110-120 volts; AC only; 1-year limited warranty; full-color carton; individually packed/2 per master; shipping weight per master 38.70 lbs./17.53 kg.

REGAL Kitchen Pro COLLECTION

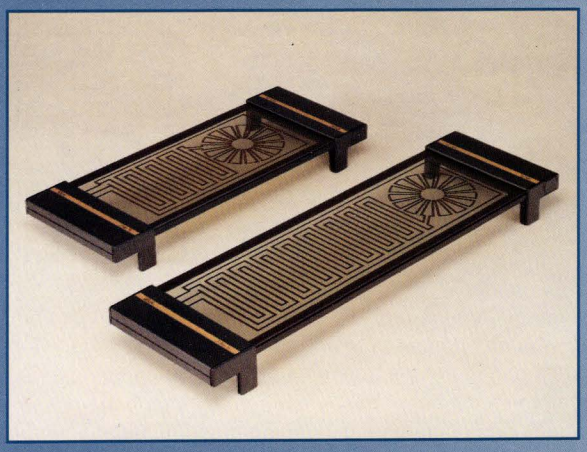

1500 Watt Deep Fryer

Full 1500 watts of power ensures faster heating and faster reheating of frozen foods. Quick heating response means foods absorb less oil. Indicator light signals when selected temperature is reached. External elevator control lowers and raises the food basket with cover in place. Locking cover guards against splattering and confines hot vapors. Disposable double filters reduce odors. Compact styling uses less counter space. Other key features include variable temperature control, frying guide on unit, roomier food basket, large viewing window and wrap-around cord storage on base.

K7901 Deep Fryer

1500 watts; 110-120 volts; AC only; 1-year limited warranty; full-color carton; individually packed/2 per master; shipping weight per master 15.80 lbs./7.16 kg.

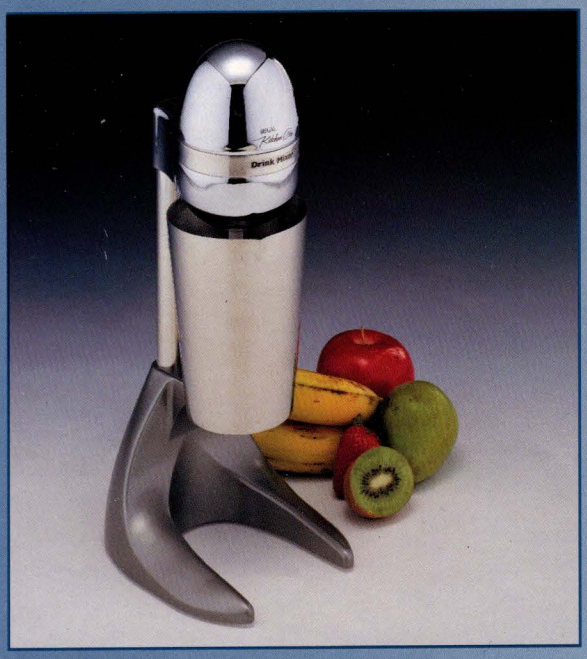

Multi-Use Warming Trays

Regal's warming trays are perfect for numerous culinary uses keeping foods and beverages at the ideal serving temperature. Rectangular shape is designed to accommodate most serving dish sizes, even odd shapes. Exclusive sunburst design marks the hot spot for maintaining temperature of coffee, tea and soup; holds beverages at about 40° F (4.44° C) higher than the rest of the surface. Smooth, hard glass surface stays looking good with minimal care. Made for tabletop and buffet service. Removable cord facilitates storage. Available in two convenient sizes: large 8½ x 29 inch and regular 8½ x 21½ inch.

Item No.	Description	Pack	Ship. Wt. (lbs.)	(kg.)
K7902	Large Warming Tray	4	39.32	17.81
K7903	Regular Warming Tray	4	29.32	13.28

275 watts (K7902), 175 watts (K7903); 120 volts; AC only; 1-year limited warranty; full-color carton; individually packed.

Classic Drink Mixer

Soda fountain styled drink mixer is ideal for mixing shakes, malts, floats, fruit drinks, nutritious beverages and more. Powerful high-speed design makes frothy beverages quickly and easily. Features automatic On/Off switch and large capacity stainless steel mixing cup. Weighted base with anti-slip feet offers maximum stability.

K7905 Drink Mixer

275 watts; 120 volts; AC only; 1-year limited warranty; full-color carton; individually packed/2 per master; shipping weight per master 9.70 lbs./4.39 kg.

Combo Steamer

Fast heating element steams foods quickly and efficiently. Water reservoir is sized right for everyday use. Drip tray catches fats and/or juices. Indicator light glows during operation. The 60-minute timer turns unit on and automatically shuts it off when cooking is completed. Tone sounds at end of selected time. Includes rice bowl for poaching foods or cooking rice and grains.

K7907 Combo Steamer

625 watts; 120 volts; AC only; 1-year limited warranty; full-color carton; individually packed/4 per master; shipping weight per master 16.32 lbs./7.39 kg.

2 Qt. Electric Kettle

High-speed heating action ensures hot water, fast! The electric kettle heats as little as 1½ cups or as much as 2 quarts in just minutes. Water gauge window shows water level without lifting the lid. Safety switch in handle stops boiling action when handle is grasped. Sensor automatically switches to Off when water boils. Boil/Re-boil switch enables starting the heating process effortlessly. Built-in safety sensor shuts off unit when water is low to guard against boiling dry.

K7910 2 Qt. (1.9 L) Electric Kettle

1500 watts; 110-120 volts; AC only; 1-year limited warranty; full-color carton; individually packed/4 per master; shipping weight per master 11.40 lbs./5.16 kg.

Carafe Warmer and Mug Warmer

Two compactly styled warming plates are sized right for mugs, carafes and casseroles to keep foods and beverages at serving temperature. For use with any flat-based, heat-proof glass, ceramic or porcelain items. Both models include a convenient On/Off switch. Designed for desktop as well as tabletop use.

K7911 Carafe Warmer

65 watts; 120 volts; AC only; 1-year limited warranty; polarized plug; full-color carton; individually packed/6 per master; shipping weight per master 9.00 lbs./4.08 kg.

K7912 Mug Warmer

15 watts; 120 volts; AC only; 1-year limited warranty; polarized plug; full-color carton; individually packed/12 per master; shipping weight per master 9.00 lbs./4.08 kg.

Food Processor with Chute

Low-profile, full-sized processor converts easily from standard work bowl processing to chute operation. Chute is ideal for processing large quantities of food directly into a bowl of your choice. Features food chute cover, food conveyor disk, clear plastic 2½ quart work bowl with generous-sized handle and a food pusher that doubles as a measuring cup. Also includes stainless steel chopping/mixing blade and a cutting disc with interchangeable slicing/shredding blades.

K7757BK Food Processor with Chute

⅓ HP; 300 watts; 110-120 volts; AC only; 1-year limited warranty; full-color carton label; individually packed/2 per master; shipping weight per master 19.26 lbs./8.72 kg.

REGAL®

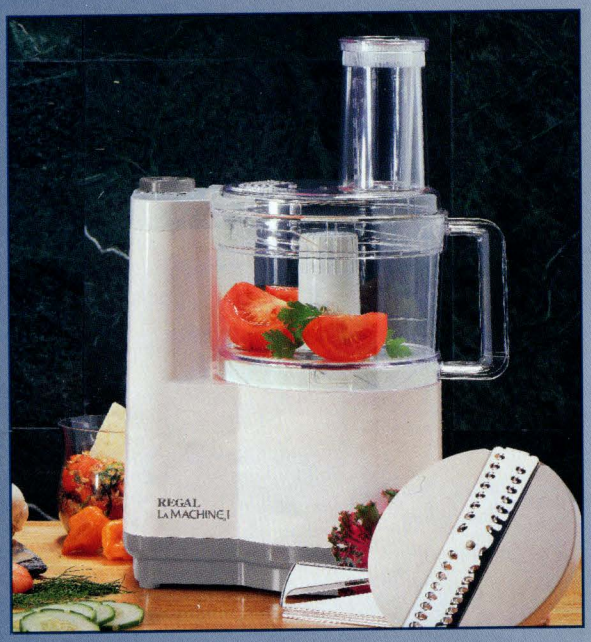

Food Processor
