REGAL[®]

ELECTRONIC BREADMAKER

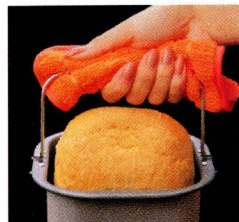

1. Measure

Personal-choice ingredients go directly into bread pan; no sticky bowls to clean. Flavor, calories and nutrition are controlled; the breadmaker does all the work.

2. Push Button

Push the Start Button; or, timer can be set, up to 13 hours in advance, to have bread ready any time—fresh dinner bread prepared when no one's home. Wake up to hot fresh bread for breakfast; or, have it ready for nutritious after-school snacks.

3. Remove Bread

Hot, crusty bread ready in just 3 hours, 40 minutes! Light signals when bread is done. Loaf can be removed hot immediately after the baking cycle, or warm-to-the-touch after cool-down cycle.

No. K6771

Deluxe Automatic Breadmaker

- Makes warm fresh homemade bread without the kneading and pounding
- Electronically preprogrammed to perform all breadmaking steps at the precise time
- Lets you control calories and nutrition for family health
- Convection fan ensures even browning, crispy crust and soft inside texture
- Lock button prevents accidental cancellation of process

1-year limited warranty; 680 watts; 110-120 volts AC only; 60 hertz; made in Japan; packed 1; full-color carton; repacked 2 per master; shipping weight 39.20 lbs.

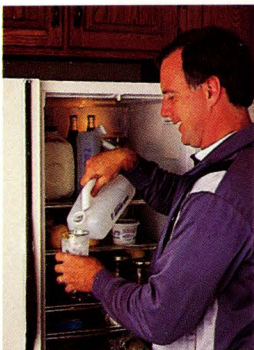

Select Crust Color and Loaf Size

Deluxe breadmaker lets you choose light, medium or dark crust, as you prefer. And, you decide if you want a small, medium or large loaf. Recipes included.

MERCHANDISING

Regal products come boldly packaged for maximum in-store impact.

More than bright, more than attractive, each is skillfully designed to showcase the quality inside—with full-color photographs supported by specific features and customer benefits. Regal packaging works hard to close the sale.

Custom Incentives

The Regal custom incentive program can spotlight your name by imprinting to your specifications on a variety of high-quality housewares. These are practical products that will keep your message visible for years to come. The Regal program is handled by incentive experts, ready to implement a successful, problem-free, customized promotion for you.

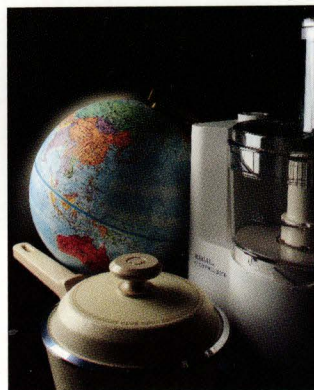

International Corporate Headquarters

The international name in housewares . . .

Regal is a proud American manufacturer serving its customers around the world with a wide spectrum of quality products and knowledgeable marketing assistance.

Although Regal's heritage lies in the metal cookware business, its manufacturing and marketing prowess far transcends traditional pots and pans. The outstanding Regal small appliance line has kept pace with changing consumer

needs and now includes several innovative home care products. Designed to enhance today's lifestyles, this total product assortment offers an exciting variety of style, color and decoration.

Regal continues to support its position as a leading single housewares source in a worldwide marketplace through ongoing research and development, and a sincere commitment to quality and service.
