The number one name in housewares is now BIG and BOLD

Regal products have made a significant impact in homes across America for years. Now Regal products are packaged to make an even greater impact, starting at the store's shelves.

The high-styled, bright white packages display big, bold full-color product photographs under the Regal name. Vibrant red and black accents throughout the packaging design and explicit features and benefits direct the shopper to the quality product inside. Effective merchandising is achieved with minimal effort at store level.

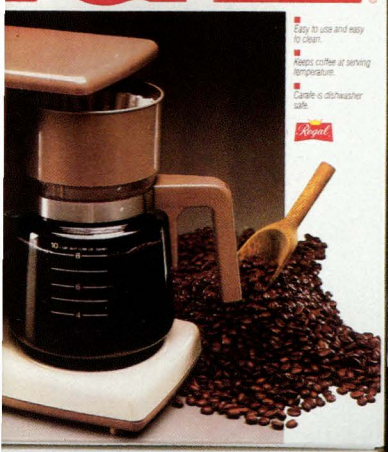

Regal Ware, Inc. is proud of its strong commitment to excellence, which is clearly stated on the packages:

The Regal Tradition

Founded in Kewaskum, Wisconsin by the Reigle family, Regal Ware, Inc. has steadily grown from manufacturing two stainless steel sauce pans in 1945 to more than 500 products today. This independent, family-owned business has consistently kept pace with changing lifestyles to become one of North America's leading housewares manufacturers. Every Regal product is designed and crafted with attention to detail . . . your assurance of the highest quality at an exceptional value. This tradition of excellence has directed Regal for three generations and is backed by its solid reputation for prompt and efficient service. When you purchase a Regal product, you join millions of consumers throughout the world who have placed their confidence in Regal Ware, the dedicated housewares company.
