1998 COOKWARE AND ELECTRICS COLLECTION

Finding New Ways to Serve You Better

Although Regal Ware has enjoyed a reputation of manufacturing and marketing best-in-class goods for more than half a century, we didn't think it was time to rest on our laurels. With the 21st Century almost upon us, we've taken significant steps to improve the way in which we can better serve buyers and consumers for the next millenium.

In 1997, Regal Ware implemented our Product Development Process, a strategy for bringing innovative products to market more quickly and cost efficiently. Using a multi-discipline, team approach, we've improved and streamlined every process — from concepting to manufacturing to shipping. Our number one goal is to optimize talent, resources and profitability to ensure product leadership, operational excellence and customer satisfaction.

With the Product Development Process firmly in place, we can now respond even more quickly to market demands and, most importantly, are better prepared to fill buyers' needs. With this new strategy, Regal Ware is a focused, reinvigorated company with the tools necessary to be a leader in innovation - a forerunner in bringing you new and exciting products.

As you page through this year's catalog, you'll find some classic brand names like Regal and Club to which we've added some new and interesting cookware pieces. You'll also find some products that you won't find anywhere else, like our Super Rapid breadmakers that make a loaf of bread in under an hour. That's less than half the time of our competitors' machines!

Clearly, we have a lot to be excited about! We're looking forward to a bright future and sincerely hope that you'll be a part of it!

Jeffrey A. Reigle
President and Chief Executive Officer

Country Inn Collection™

Heavyweight Cookware Set with Porcelain Exteriors, Riveted Handles and a 15-Year Warranty

The inspiration for this set is the acclaimed PBS series "Country Inn Cooking with Gail Greco," which Regal is co-sponsoring in 1998. Features include heavy, 8-gauge construction and riveted phenolic handles. Porcelain exteriors are available in country denim or evergreen. Glass covers feature vented knobs, which allow steam to escape and help prevent messy boil-overs. Channeled bases feature a unique "Saturn" design, which helps distribute heat quickly and more evenly. SilverStone Select® interiors provide for low-fat cooking and easy cleaning and are backed by a 15-year warranty.

Club
Professional Series™

Professional-Quality Cast Cookware with Channeled Bases and Glass Covers

This cast set features two design traits that provide superior heat distribution: First, an extra-thick cast ring along the bottom makes the base heavier, allowing for faster, more even heating. Second, channeled bases help to distribute heat and help the base resist warping. On the outside, porcelain exteriors are available in black, cobalt blue or dark green. Riveted, phenolic handles provide a secure grip. Convenient, tempered glass covers allow for viewing food without lifting the lid. Duracote® interiors promote low-fat cooking and are backed by a 10-year warranty.

Royal Diamond®

Revolutionary Nonstick Cookware with Lifetime Warranty

Regal's revolutionary Royal Diamond® cookware with its unique arc spray interior features a lifetime warranty and heavyweight construction. The patented arc spray process bonds molten metal to the surface of each pan creating texture that makes the nonstick surface extraordinarily durable. In lab tests, it remained intact even after 408,000 scrubs with an abrasive pad - a standard of performance other nonsticks can't live up to. Heavyweight alloy construction and spiral grooved bases create more surface area for fast, even heating. Nonstick exteriors resist staining and clean up in seconds. Glass covers have stainless steel rims for added safety.

Great Dishes® Cookware with Multi-Colored Bottoms and Channeled Bases

Our black pearl set features a beautiful gold, silver and black bottom design for an updated, designer look. Channeled bases provide better heat distribution and make the pans resistant to warping. On the inside, Duracote® makes the interiors perfect for low-fat cooking and easy cleaning and feature a 10-year warranty. Textured interiors in a unique "sun" design make the surface more resistant to stains and abrasions, and improve nonstick performance. Other features include durable porcelain exteriors in black pearl, tempered glass covers and special handles and knobs that are formed to fit your hand better and provide an easier, more comfortable grip.

Great Dishes® Cookware with Arc Spray Interiors and a Lifetime Warranty

This cookware set features Strataglaze® arc spray technology, Regal's finest nonstick. After an hour and 408,000 scrubs with an abrasive tool, the interior was still intact — unlike its competitors. It's so durable, it comes with a lifetime warranty. The ringed grooves in the bases promote faster, more even heating and make the pans resistant to warping and hot spots. Other features include durable porcelain exteriors in black pearl, riveted phenolic handles and tempered glass covers.

REGAL Stratabase®

Heavyweight Cookware with Stratabase® Channels and Tempered Glass Covers

These sets are a perfect mix of beauty and durability. Heavy 8- and 10-gauge construction make them durable enough for the most demanding chefs. Porcelain exteriors are available in black with a three-color base design, deep denim with a two-color base design or deep green with a two-color base design. Stratabase® channels in the base help disperse heat more quickly and evenly. The interiors are textured in a "sun" design, making them more resistant to stains and abrasions and improving nonstick performance. Other features include: Phenolic handles and knobs; tempered glass covers; and Duracote® interiors with a 10-year warranty.

REGAL Kitchen Pro COLLECTION

Hard Anodized Cookware with a Lifetime Warranty

Our Kitchen Pro® hard anodized cookware offers a surface that is 30% harder than stainless steel, and LifeCote™ nonstick interior that's so durable it is guaranteed for a lifetime. Heavy gauge metal and radial expansion channels in the bases ensure even heating for professional results. Tempered glass covers permit checking food without lifting the lid. Stainless steel rims on the covers increase resistance to breaking. Stay cool handles and knobs offer precision engineering and a secure grip. Heavy duty riveted handles ensure a solid bond. Eyelets provide handy hanging storage. Superior nonstick cooking surface encourages fat-free cooking.

Cast Open Stock with Waffled, Duracote® Interiors and a 10-Year Warranty

These open stock pieces are perfect for people who are interested in low-fat, healthy cooking. A unique interior in a "waffle" design has deep grooves that elevate food and help fat and oils drain away. Plus, the grooves improve nonstick performance and make the interior resistant to stains and abrasions. Duracote® nonstick covers the interior and is backed by a 10-year warranty. Heavyweight, cast construction also provides fast, even heating. Durable porcelain exteriors are black. The 10-inch fry pan is shrinkwrapped with a tempered glass cover.

Super Rapid Breadmaker
Makes Bread in Under An Hour - 1½ lb. Unit

This Regal Kitchen Pro® breadmaker features the Super Rapid bread cycle to make great-tasting bread in under an hour - that's 60% less time than most breadmakers! The unit is fully automatic, makes a 1- or a 1½-pound loaf, has 14 automatic cycles to choose from, has a timer for delayed baking, and makes a loaf of bread in exactly 59 minutes.

K6744S Super Rapid Breadmaker - 1½ lb.

720 watts; 110-120 volts; AC only; 1-year limited warranty; full-color carton; individually packed/2 per master; shipping weight per master 34.50 lbs./15.63 kg.

Super Rapid Breadmaker
Makes Bread in Under An Hour - 2 lb. Unit

This breadmaker has all the same great features as the previous model but offers a 2-pound capacity - and it can still make bread in exactly 59 minutes.

K6746S Super Rapid Breadmaker - 2 lb.

720 watts; 110-120 volts; AC only; 1-year limited warranty; full-color carton; individually packed/2 per master; shipping weight per master 35.75 lbs./16.19 kg.

Super Rapid Breadmaker
Makes a 2 lb. Horizontal-Shaped loaf

This breadmaker has all the same great features as the previous two models but makes a horizontal shaped loaf of bread in 69 minutes. The unit has a 1½- or 2-pound capacity.

K6745S Super Rapid Breadmaker - 2 lb. Horizontal

720 watts; 110-120 volts; AC only; 1-year limited warranty; full-color carton; individually packed/2 per master; shipping weight per master 36.75 lbs./16.65 kg.

REGAL Kitchen Pro COLLECTION

Automatic Breadmaker - Contour Design, 8 settings, 2 lb. Horizontal Loaf

This Regal Kitchen Pro® breadmaker features a unique, contour design and makes a horizontal loaf of bread. It offers 8 automatic settings — including settings for dough and jam, a 1½- to 2-pound loaf capacity, a timer to delay baking up to 13 hours, a choice of crust settings and a removable cover for easy cleaning. A large selection of recipes is included in the accompanying guide and cookbook.

K6725 Automatic Breadmaker

610 watts; 110-120 volts; AC only; 1-year limited warranty; full-color carton; individually packed/2 per master; shipping weight per master 33.40 lbs./15.13 kg.

Our Best-Selling Automatic Breadmaker

This breadmaker has a 1½- to 2-pound capacity and features an easy-to-use display. Eight different menu cycles allow for making a large variety of breads and doughs. Menu offers a choice of Large Light Crust, Large Dark Crust, Regular, French, Sweet, Rapid, Whole Wheat and Dough. Digital timer automatically displays the time left in the cycle. Fully programmable so fresh, hot bread can be ready anytime. Viewing window allows for watching bread in progress. Includes a booklet containing over 30 recipes.

K6743 Automatic Breadmaker

430 watts; 110-120 volts; AC only; 1-year limited warranty; full-color carton; individually packed/2 per master; shipping weight per master 31.40 lbs./14.22 kg.

Stainless Steel Breadmaker

Great, lavish looks and convenient features highlight this breadmaker. Brushed stainless steel construction with black accents gives it a high-tech, upscale look. A fully programmable Smart Timer™ works like an alarm clock to have bread ready at the exact time you enter. There's no confusing math work involved! The unit makes a 1-, 1½- or 2-pound loaf of bread, has 15 menu cycles, audible signal for adding fruit and nuts or for operation errors, removable cover for easy cleaning, power interruption protection, and an easy-to-follow recipe booklet.

K6780 Automatic Breadmaker

600 watts; 110-120 volts; AC only; 1-year limited warranty; full-color carton; individually packed/2 per master; shipping weight per master 40.12 lbs./18.17 kg.

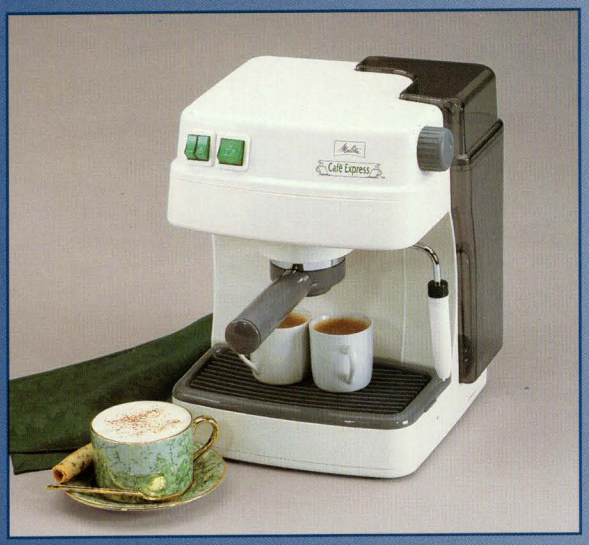

Melitta® Café Express 2000™ Professional Espresso Maker

This top-of-the-line espresso maker offers numerous professional features for convenience and quality. It has a stainless steel housing; an 84-ounce, removable water reservoir; dual ports for making two cups of espresso at once; a pump-activated system with professional 15 bars of pressure rating; a semi-pressurized porta filter that eliminates the need for tamping the coffee manually and also accepts premeasured coffee pods; and a pannarello frothing aid that eliminates the chance of scorching milk, froths milk faster with more volume and is easier to clean. Other convenient features include a cup warmer tray; a knock box for discarding spent grounds; a steam tube that swivels out of the way; a removable overflow tray for easy cleaning; a lighted On/Off switch and an internal cord storage area.

K7953 Café Express 2000™ Espresso Maker

1050 watts; 110-120 volts; AC only; 1-year limited warranty; full-color carton; individually packed/2 per master; shipping weight per master 34.00 lbs./15.40 kg.

Melitta® Café Express™ Deluxe Espresso Maker

Top-of-the-line espresso maker offers professional quality features. It has a 48-ounce, removable water reservoir; dual ports for making two cups of espresso at once; a pump-activated system with professional 15 bars of pressure rating; a semi-pressurized porta filter that eliminates the need for tamping the coffee manually and also accepts premeasured coffee pods; and a pannarello frothing aid that eliminates the chance of scorching milk, froths milk faster with more volume and is easier to clean. Other convenient features include a steam tube that swivels out of the way; a removable overflow tray for easy cleaning; a lighted On/Off switch and an internal cord storage area.

K7952 Café Express™ Espresso Maker

950 watts; 110-120 volts; AC only; 1-year limited warranty; full-color carton; individually packed/2 per master; shipping weight per master 18.00 lbs./8.15 kg.

Melitta® La Espresso Machine™ Standard Espresso Maker

A basic espresso maker with an emphasis on quality. The unit has a 36-ounce, removable water reservoir; dual ports for making two cups of espresso at once; a pump-activated system with professional 15 bars of pressure rating; and a standard porta filter. Other convenient features include a removable overflow tray for easy cleaning and a lighted On/Off switch. The unit comes with two ceramic demitasse cups and a scoop coffee measure.

K7951 La Espresso Machine™ Espresso Maker

1100 watts; 110-120 volts; AC only; 1-year limited warranty; full-color carton; individually packed/2 per master; shipping weight per master 13.50 lbs./6.12 kg.

®Reg. T.M. of a company of the Melitta Group.

Melitta® Easy Espresso™ Espresso Maker

A no-frills, yet quality espresso maker that brews a small pot of two to four servings of espresso. The unit is a steam-activated system with a 9-ounce sealed boiler and a standard porta filter. An easy-to-use, 3-way dial switches between Off, Espresso Setting or Steam Setting. Other convenient features include a removable overflow tray for easy cleaning and a lighted On/Off switch.

K7950 Easy Espresso™ Espresso Maker

750 watts; 110-120 volts; AC only; 1-year limited warranty; full-color carton; individually packed/2 per master; shipping weight per master 5.65 lbs./2.56 kg.

Melitta® Mill & Brew™ Coffeemakers

These Mill & Brew™ coffeemakers make life easy - they freshly grind coffee plus brew it for the most flavorful coffee possible! Coffee beans are measured into the top grinder portion of the unit, then automatically ground and deposited directly into the filter basket below to brew great tasting coffee. Both units are packed with features: they have pause and serve, a water level indicator, a cone-shaped, swing-out filter basket, a coffee strength selector dial, a variable temperature keep warm setting and built-in cord storage. The units brew from 2 to 10 cups of coffee with consistent results. An audible signal indicates when coffee has finished brewing. An auto shut-off turns the unit off after 4 hours. Two models offer a choice between a standard On/Off switch or a digital timer with LCD readout that allows you to set the exact time you want fresh coffee to begin brewing; a light indicator signals when it is time to clean the unit. Includes a complementary package of Melitta® coffee filters.

K7890 With Standard On/Off Switch
K7891 With Digital Timer

110-120 volts; AC only; 1-year limited warranty; full-color carton; individually packed/2 per master.

Melitta® Perfect Pulse™ 12- Cup Drip Coffeemaker with Removable Tank

This model combines Melitta's most popular features with a removable water tank, which simply lifts out for convenient filling or cleaning. Additionally, the unit features Melitta's patented Interval Brewing System (IBS), which brews more robust, flavorful coffee through a water distribution system that improves water flow over the grounds. The 2-piece removable swing-out filter basket offers easy use. Two models offer a choice between a standard On/Off switch or a digital timer with LCD readout that allows you to set the exact time you want fresh coffee to begin brewing. Other great features include pause and serve, a cord storage compartment, and heavy-duty construction with double-walled housing. The carafe features a protective, chip-resistant rim, a perfect-pour spout for safer pouring and a Sure-Grip® handle. Includes a complementary package of Melitta® coffee filters.

K7690 With Standard On/Off Switch
K7691 With Digital Timer

850 watts; 110-120 volts; AC only; 1-year limited warranty; full-color carton; individually packed/4 per master.

®Reg. T.M. of a company of the Melitta Group.

Melitta® Aroma Therm® 8-Cup Coffeemaker

This Aroma Therm® thermal carafe coffeemaker is ideal for the coffee connoisseur. It brews 8 cups of perfect coffee through Melitta's patented Interval Brewing System (IBS), which fully saturates coffee grounds to extract maximum flavor. With the IBS system, just one cup of coffee can be brewed with the same full-flavored, consistent results as a full pot. A high-quality, insulated carafe keeps coffee hot for up to 4 hours by means of a double-walled, inner glass thermal container and convenient twist-seal top. An easy-to-read water window eliminates the need for premeasuring. Attractive, full-color gift box gets maximum shelf impact. Includes a complementary package of Melitta® coffee filters.

K7880 Aroma Therm® Coffeemaker

900 watts; 110-120 volts; AC only; 1-year limited warranty; individually packed/2 per master; shipping weight per master 10.94 lbs./4.96 kg.

Melitta® Perfect Pulse® 10-Cup Drip Coffeemakers

The revolutionary Perfect Pulse® system replicates the European method of brewing coffee by hand for the fullest, richest tasting coffee. Regal even offers a 30-day Money Back Great Taste Guarantee! In addition, this model is packed with convenient features. It has pause and serve, which allows you to steal a cup of coffee before brewing is complete; a removable, swing-out filter cone for easy use; an easy-to-fill water reservoir; and a cord storage area. Models KIBS-10CT and KIBS-10CTB have the additional features of a digital timer that allows you to program the time you would like coffee to begin brewing, and automatically shuts off after 2 hours. Attractive, full-color gift box gets maximum shelf impact. Includes a complementary package of Melitta® coffee filters.

KIBS-10C Perfect Pulse® Coffeemaker - White

KIBS-10CB Perfect Pulse® Coffeemaker - Black

REGAL Kitchen Pro COLLECTION

Corner Café™ Coffeemakers

The space-saving Corner Café coffeemakers have been thoughtfully designed for convenience as well as for quality. The 12-cup units tuck into most any corner leaving valuable counter space for other uses. Two models offer a choice between a lighted On/Off switch or a digital, programmable timer that allows you to set the time you want fresh, hot coffee to begin brewing. The programmable unit also features an automatic shut-off that turns the unit off after 2 hours. Both units feature a cone-shaped brewing system that produces more rich and robust brewed coffee and swings out for easy filling. The units also have a pause and serve feature that lets you sneak a cup before brewing is complete. The smartly engineered carafe has a rubberized handle for a more secure grip and a plastic, protective perfect-pour spout to prevent chipping and provide an even flow for less spilling.

K7682 With Lighted On/Off Switch
K7683 With Digital Timer

850 watts; 110-120 volts; AC only; 1-year limited warranty; full-color carton; individually packed/4 per master.

4-Cup Automatic Drip Coffeemakers

These coffeemakers may be small, but they're loaded with deluxe features. The 4-cup capacity is perfect for traveling or for people who don't want a large pot of coffee. They feature a cone filter brewing system - the coffee lover's choice for superior coffee every time. The cone-shaped filter more evenly disperses water over coffee grounds, completely saturating them for maximum flavor extraction. Other features include: pause and serve; convenient cord storage in back; swing-out cone filter for easy filling and cleaning; and an exterior water window, which eliminates the need to premeasure. The K7896 model also features 1-hour automatic shut-off and a grounded, 3-prong cord for added safety and convenience.

K7895 Lighted On/Off Switch

800 watts; 110-120 volts; AC only; 1-year limited warranty; full-color carton; individually packed/4 per master; shipping weight per master 16.2 lbs./7.3 kg.

K7896 Automatic Shut Off — commercial and household use

800 watts; 110-120 volts; AC only; 1-year limited warranty; full-color carton; individually packed/4 per master; shipping weight per master 16.9 lbs./7.7 kg.

10-Cup Drip Coffeemakers with Pause and Serve

Handy pause and serve feature lets you grab that first cup of coffee before the pot is finished brewing. Coffee basket hooks onto water tank and is easy to fill and clean. Automatically holds coffee at the ideal serving temperature. Color coded On/Off switch lets you tell at a glance when coffeemaker is on. Replacement carafe available.

K7617 White
K7617BK Black
K7617GR Green
K7617MB Midnight Blue

800 watts; 110-120 volts; AC only; 1-year limited warranty; full-color carton label; individually packed/4 per master; shipping weight per master 16.90 lbs./7.66 kg.

REGAL.

10-Cup Programmable Drip Coffeemaker

Programmable coffeemaker has a 12 hour timer so you can have hot, fresh coffee waiting whenever you want it. Handy pause and serve feature lets you grab the first cup of coffee before the pot is finished brewing without messy dripping on the warming plate. Unit automatically shuts off after 2 hours. Thermostatically controlled warming plate holds coffee at the ideal serving temperature. Replacement carafe available.

K7618 White

800 watts; 110-120 volts; AC only; 1-year limited warranty; full-color carton label; individually packed/4 per master; shipping weight per master 16.52 lbs./7.48 kg.

12-Cup, Euro-Styled Drip Coffeemaker

Distinct Euro-styled coffeemaker features a suspended coffee basket that hooks onto water tank and is easy to fill and clean. Automatically holds coffee at the ideal serving temperature. Color coded On/Off switch lets you tell at a glance when coffeemaker is on. Replacement carafe available.

K7670 White

800 watts; 110-120 volts; AC only; 1-year limited warranty; full-color carton label; individually packed/4 per master; shipping weight per master 15.76 lbs./7.14 kg.

Compact, 10-Cup Drip Coffeemaker

Brews delicious coffee in minutes. Contemporary, compact design uses little counter space. Slide-in coffee basket is easy to fill and clean. Clear glass carafe features generous handle and removable hinged cover that can be raised with your thumb to fill with water. Thermostatically controlled warming plate holds coffee at ideal serving temperature. Color-coded On/Off switch lets you tell at a glance when coffeemaker is on. Replacement carafe available.

REGAL Kitchen Pro COLLECTION

Grain Mill

The grain mill is the perfect companion for any breadmaker to assure the freshest, best-tasting ingredients. The unit is ideal for grinding rice, wheat, rye berries, beans and more. It is compact, easy to use and priced to make fresh ground ingredients truly affordable. It features: 15 settings from coarsely cracked to finely ground; a hopper with 1½ cups input capacity; and a see-through work bowl with markings to premeasure ground ingredients. Removable parts are top shelf dishwasher safe.

K7460 Grain Mill

100 watts; 110-120 volts; AC only; 1-year limited warranty; full-color carton; individually packed/4 per master; shipping weight per master 17.0 lbs./7.7 kg.

Hand Mixer with Attachments

Versatile hand mixer offers five different speed settings and four separate attachments for whipping, folding, blending, beating and mixing. Burst of Power button shifts to maximum power immediately then returns to original setting when released. Perfectly balanced unit is easy to handle and comfortable to grip. Attractive caddy holds mixer and attachments, and has a cord storage area. Attachments include conventional chrome plated blade beaters, plastic stir paddles, wire balloon whisk and drink mixer.

K7801 Hand Mixer with Attachments

200 watts; 110-120 volts; AC only; 1-year limited warranty; full-color carton with viewing window; individually packed/4 per master; shipping weight per master 9.5 lbs./4.3 kg.

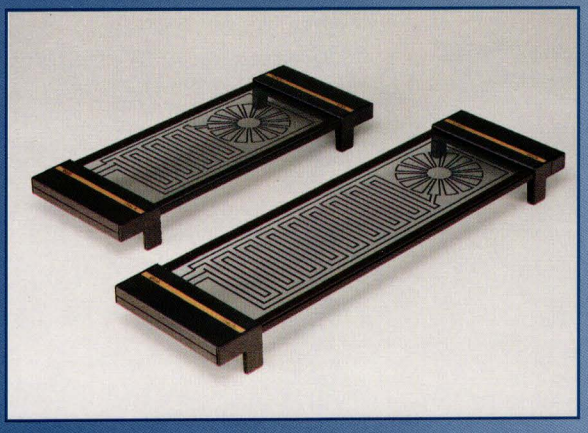

1500 Watt Deep Fryer

Full 1500 watts of power ensure faster heating and reheating of frozen foods. Quick heating response means foods absorb less oil. Indicator light signals when selected temperature is reached. External elevator lowers and raises the food basket with cover in place. Locking cover guards against splattering and confines hot vapors. Disposable double filters reduce odors. Compact styling uses less counter space. Other key features include variable temperature control, frying guide on unit, roomier food basket, large viewing window and wrap-around cord storage on base.

K7901 Deep Fryer

1500 watts; 110-120 volts; AC only; 1-year limited warranty; full-color carton; individually packed/2 per master; shipping weight per master 15.80 lbs./7.16 kg.

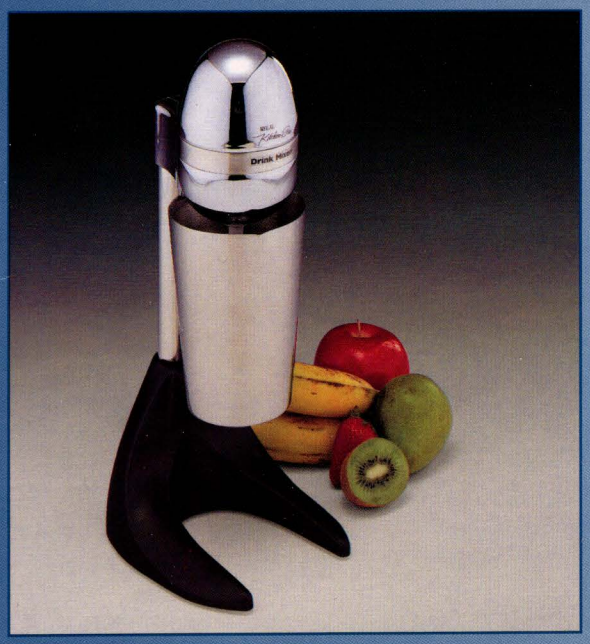

Multi-Use Warming Trays

Regal's warming trays keep foods and beverages at the ideal serving temperature. Rectangular shape is designed to accommodate most serving dish sizes, even odd shapes. Exclusive sunburst design marks the hot spot for holding items at about 40° F (4° C) higher than the rest of the surface. Smooth, hard glass surface looks great with minimal care. Made for tabletop and buffet service. Removable cord facilitates storage. Available in two convenient sizes: large 8½ x 29 inch and regular 8½ x 21½ inch.

Item	Description	Pack	Ship. Wt. (lbs.)	(kg.)
K7902	Large Warming Tray	4	38.00	17.21
K7903	Regular Warming Tray	4	28.00	12.68

275 watts (K7902), 175 watts (K7903); 120 volts; AC only; 1-year limited warranty; full-color carton; individually packed.

REGAL Kitchen Pro COLLECTION

Classic Drink Mixer

Soda fountain styled drink mixer is ideal for mixing shakes, malts, floats, fruit drinks, nutritious beverages and more. Powerful high-speed design makes frothy beverages quickly and easily. Features automatic On/Off switch and large capacity stainless steel mixing cup. Weighted base with anti-slip feet offers maximum stability.

K7905 Drink Mixer

275 watts; 120 volts; AC only; 1-year limited warranty; full-color carton; individually packed/2 per master; shipping weight per master 9.70 lbs./4.39 kg.

Combo Steamer

Fast heating element steams foods quickly and efficiently. Water reservoir is sized right for everyday use. Drip tray catches fats and/or juices. Indicator light glows during operation. The 60-minute timer automatically shuts unit off when cooking is completed. Tone sounds at end of selected time. Includes rice bowl for poaching foods or cooking rice and grains.

K7907 Combo Steamer

625 watts; 120 volts; AC only; 1-year limited warranty; full-color carton; individually packed/4 per master; shipping weight per master 16.32 lbs./7.39 kg.

VertiGrill™ Indoor Grill

The VertiGrill™ indoor grill is perfect for quickly and easily grilling meats, fish or vegetables, toasting breads and reheating left-overs. It is an ideal way to reduce fat in meals since unwanted fats drip away into the tray below and since no added fats are needed during cooking. Foods can easily be cooked to a healthy perfection. For additional ease, all parts that contact food are dishwasher safe in the top rack. The smokeless operation makes it perfect for any situation plus the adjustable grill racks will accommodate a great variety of food shapes and sizes. The compact, vertical orientation takes up far less counter space than other cooking utensils making it perfect for travel or in-home use. Setting allows you to select between Off, Defrost, or Cook. Timer automatically turns unit off when the selected time has expired.

K7916/1 VertiGrill

1300 watts; 110-120 volts; AC only; 1-year limited warranty; individually packed in plain, reshippable carton/2 per master; shipping weight per master 26.14 lbs./ 10.48 kg.

REGAL®

La Machine® Food Processor

Powerful, quiet direct drive motor gives all the power and control needed for even the most demanding food processing jobs. Convenient On/Off/Pulse switch gives accurate processing control. Sleek, compact styling takes up less valuable counter space. Includes 1⅔ qt. bowl, stainless steel chopping blade, interchangeable stainless steel slicing/shredding disc and food pusher. Optional accessories also available (see chart below).

K813BK La Machine Food Processor (black accents)
K813GY La Machine Food Processor (gray accents)

300 watts; 110-120 volts; AC only; 1-year limited warranty; full-color carton label; individually packed/4 per master; shipping weight per master 31.00 lbs./14.04 kg.

Royal Rotisserie Plus™ - Vertical Rotisserie

The Royal Rotisserie Plus™ is designed to make delicious, healthful meals with less fat than conventional cooking methods. The vertical set-up allows unwanted fat to drain off while foods cook to rotisserie tenderness. Ideal for cooking chicken, roasts, steaks, chops, fish and more. Large viewing window allows checking the progress of food without disturbing the cooking process. Two-hour timer automatically shuts unit off when time runs out. Door opens to a full 180 degrees and is removable for convenient cleaning. Includes poultry tower, meat rack, adjustable basket, kabob rack with eight skewers, nonstick drip pan and a use and care booklet.

K7820 Royal Rotisserie Plus (110-120 volts)
K7822* Royal Rotisserie Plus (220-240 volts)

700 watts; AC only; 1-year limited warranty; full-color carton; individually packed/2 per master; shipping weight per master 29.50 lbs./13.36 kg.

Full-Sized Electric Knife

Precision engineered electric knife features serrated, tempered stainless steel blades that never need sharpening. Effortlessly slices breads, meats, vegetables and fruits. Sharpened point of blades help start slicing action. Expertly balanced with an easy-grip handle, knife has a spring-loaded On/Off switch. Switch is conveniently positioned at thumb point and stops automatically when pressure is released. Blade guard is included for safe storage.

K382WT Full-Sized Electric Knife

90 watts; 110-120 volts; AC only; 1-year limited warranty; full-color carton; individually packed/4 per master; shipping weight per master 8.00 lbs./3.62 kg.

REGAL®

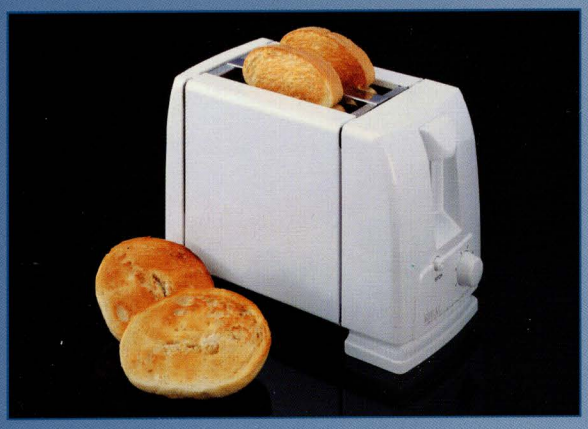

Slim-Line Electric Knife

Expertly balanced, lightweight electric knife features seven-inch serrated, stainless steel blades that never need sharpening. Knife offers years of effortless slicing of breads, meats, vegetables, fruits and more. Easy-grip design offers slip-free panel and convenient power button operation with index finger. Safety lock guards against accidentally turning unit on. Plastic blade guard is included for safe storage.

K7810 Slim-Line Electric Knife

80 watts; 110-120 volts; AC only; 1-year limited warranty; full-color carton; individually packed/4 per master; shipping weight per master 5.68 lbs./2.57 kg.

2-Slice Toaster

Provides consistent, even browning. Color setting adjustment offers a range of six toasting options from light to dark. Toasting racks automatically adjust to fit even extra-wide items. Stop button ejects toast on demand. White contemporary design.

K7811 2-Slice Toaster

160 watts; 110-120 volts; AC only; 1-year limited warranty; full-color carton; individually packed/4 per master; shipping weight per master 10.48 lbs./4.75 kg.

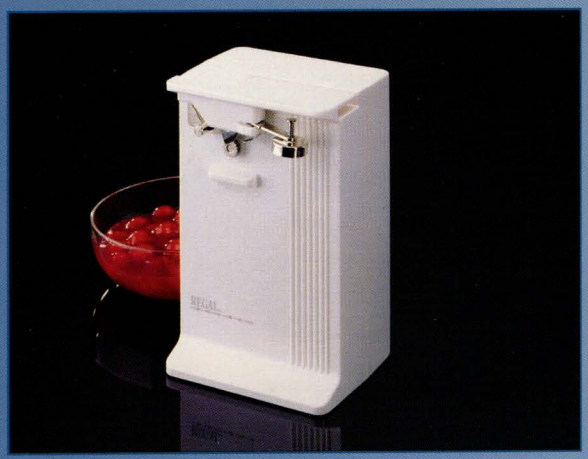

Electric Hand Mixer

Lightweight hand mixer provides five speed settings for variability. Built-in counter rest offers convenient use. Dishwasher safe beaters are easily removed with touch of release button. White contemporary styling.

K7812 5-Speed Hand Mixer

160 watts; 110-120 volts; AC only; 1-year limited warranty; full-color carton; individually packed/4 per master; shipping weight per master 8.88 lbs./4.02 kg.

Electric Can Opener

Electric can opener provides quiet, smooth operation. Secure grip and magnetic lid holder assist in preventing spills. Removable cutting blade allows for easy cleaning. Power cord tucks neatly into the base for storage. White contemporary styling.

K7813 Electric Can Opener

160 watts; 110-120 volts; AC only; 1-year limited warranty; full-color carton; individually packed/4 per master; shipping weight per master 10.44 lbs./4.73 kg.
