popcorn popper

CHOICE OF: REGULAR, AUTOMATIC AND TEFLON-FINISH MODELS

Here's a popper that puts as much fun in the "heating" as in the eating! Operation is easy and fully automatic — nothing to turn, no shaking or stirring needed. When popping is done, heat is reduced to "keep-warm" temperature. Gracefully styled in polished aluminum, it's designed for convenient serving. TEFLON-finish model is unbelievably easy to clean! Cover vents release air pressure of exploding kernels to give lighter, fluffier popcorn — yet prevent oil from spattering. Solid bakelite handle provides secure grip for easy pouring. Cover knob stays cool and easy to grasp. Operates on 120v. AC, 450 watts. Cord included.
