Production and Testing Facilities

DRAW PRESSES

Sixty mechanical, hydraulic and air presses — from 25 to 1000 ton capacity — form the many basic shapes and sizes from steel and aluminum for West Bend's cookware, giftware and appliance lines. Work moves smoothly, efficiently from press to press until drawing is complete.

PRODUCT ASSEMBLY LINE

PRODUCTS ADVANCE FROM THE DRAW PRESS LINE in successive stages of finishing, final assembly, testing and packaging.

For Better Customer Service

ONE OF SEVERAL TEST PANELS to assure high, uniform quality of the finished product.

PERFORMANCE STANDARDS of new products — and those already in production — are tested and checked in the Home Service Test Kitchen.

New Distribution and Shipping Facilities

AUTOMATIC TOW-LINE CONVEYOR FOR FAST ORDER ASSEMBLY

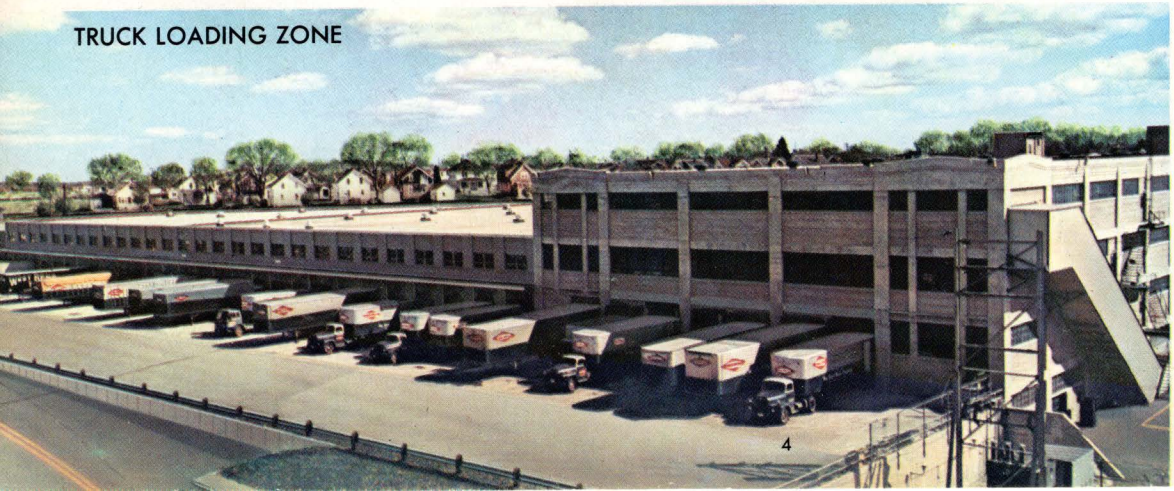

TRUCKS MOVING TO CHECK STATION

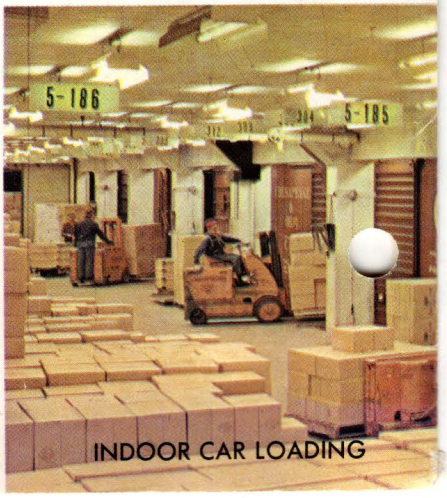

ONE OF 3 CHECK-OUT POINTS

West Bend's new 100,000 sq. ft. traffic building, shown on this page, provides convenient storage space for fast, efficient order processing. Order carts, dispatched on the automatic tow-line conveyor, are drawn along and automatically switched into position for quick, easy loading at one or more of the six assembling areas. Filled carts are automatically routed to check stations and transferred to truck and carloading docks for shipment.

Five strategically located warehouses, a fleet of 21 company-owned trucks, over-the-road haulers, air and rail transportation, combine to speed West Bend products to the firm's many customers all over the nation.

HUMIDIFIER FEATURES
(See cut-away below)

A. MOTOR-DRIVEN POLYURETHANE FILTER BELT, travels at 12 inches per minute for greater moisturizing action. 660 square inch tight-woven foam Polyurethane filter-belt — larger than ordinary organic filters. Requires only infrequent cleanings with household detergents.

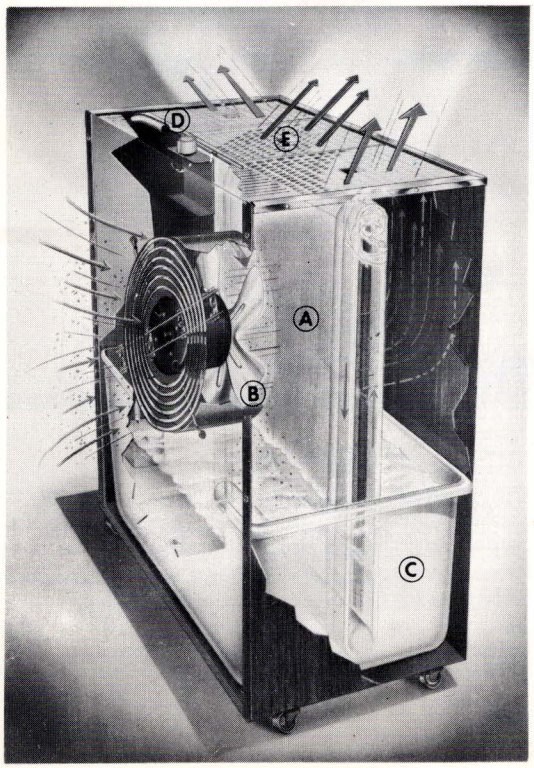

B. QUIET FAN OPERATION. No disturbing noise as the silent electric (900 R.P.M.) fan draws air into the Humidifier and circulates pure, fresh, moistened air into home or office.

C. LARGE RUST-PROOF POLYPROPYLENE RESERVOIR. Holds 6½ gallons. Water level indicator gauge. Easy to refill. Light weight, easy to remove for monthly cleaning. Polypropylene won't rust, chip, crack or break.

D. BUILT-IN HUMIDISTAT. Automatically turns on Humidifier when humidity drops below comfort zone, shuts off when comfort level is reached.

E. VERTICAL AIR CIRCULATION and directional control. Pure, moistened air is dispersed only through the top of the Humidifier, will not cause direct drafts. Three adjustable grills disperse air in one, two or three angles at once.

WEST BEND HUMIDIFIER
new concept in home comfort

Provides fresher, healthier air for home and office comfort. Protects wood furniture, walls, wood trim, window frames and doors from "dried out" air. Also helps keep paint from checking and wallpaper from peeling or cracking.

Features large 660 square inch polyurethane, continuous-motion filter belt, a whisper-quiet silent fan, 3 directional-control air grids, 6.5 gallon, easy to fill, rust-proof reservoir. Decorator styling — low and compact. Sturdy steel cabinet with vinyl finish in soft walnut tone. Electric motor: 120 volts, 60 cycles AC only.

COVERED SAUCE PANS

6 to 8 CUP PERCOLATOR

1, 2, 3 QT. COVERED SAUCE PANS

Day after day the three most popular sizes demanded by homemakers everywhere. One of these three sizes is called for in almost every recipe using a sauce pan. The extra-thick, even-heating aluminum makes it possible to cook gently, smoothly with low heat. Prepare frostings, sauces and baby foods in the 1 qt. pan. Use the larger sizes for cooking whole carrots, beets, potatoes or soups and stews. Moisture-retaining covers. Decorative copper color accent. Brown phenolic handles and knobs.

"to help you sell WEST BEND"

NATIONAL MAGAZINES

Millions of readers are pre-sold through West Bend's continuous advertising program in special interest, general and women's magazines circulated in every community, coast to coast.

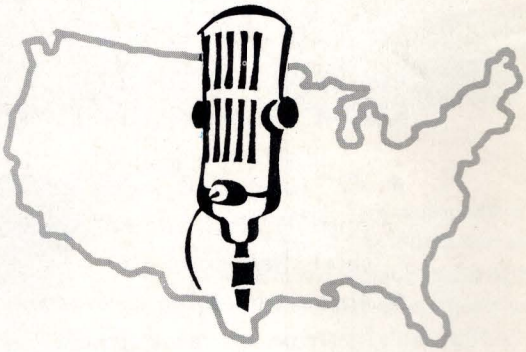

West Bend products awarded on daytime TV shows

West Bend housewares and appliances are awarded as prizes on leading daytime TV shows on major networks during peak shopping periods throughout the year.

Tabloid Mailers, Direct Mail and Statement Enclosures

Tabloid-size mailers in four colors are offered to assist dealers in spring and fall sales campaigns . . . for mailing, door-to-door, or in-store distribution. Direct Mail and Statement enclosures are also available in full color on many nationally advertised West Bend products. Imprinting space is provided to personalize tabloids and enclosures.

Radio and TV spots

Radio spot copy has been prepared for nationally advertised West Bend products for those West Bend dealers who carry on extensive radio advertising programs. In addition, TV scripts are available to dealers upon request.

Newspaper Ad Mat Service

A complete ad mat service for newspapers is available to dealers who participate in West Bend's well-planned co-operative advertising program. Ad mats are prepared in a variety of sizes on all nationally advertised products.
