FROM TOP TO BOTTOM, A BETTER WAY TO COOK™

Generation™ Cookware is constructed of gleaming, easy to care for stainless steel with "wrap-around" aluminum bottoms for fast, even heating. Generation features both metric and customary measurements, and each piece is backed by a Full 25 year warranty. Available in four sets and 24 open stock pieces.

From Top . . . ①
Custom-designed pans and covers form a "moisture seal" to help lock in natural flavor, retain vitamins and minerals . . . permits cooking with little or no water! And the self-basting covers invert into the pans for easy stacking and storing.

To Bottom . . . ②
A thick "wrap-around" aluminum bottom is applied through an exclusive patented construction process to spread heat evenly . . . eliminates hot spots and scorching!

A better way to cook . . . ③
ENERGY EFFICIENT Generation cookware cooks foods fast at low temperatures on gas, electric and smooth-top ranges.
