INDOOR CARLOADING

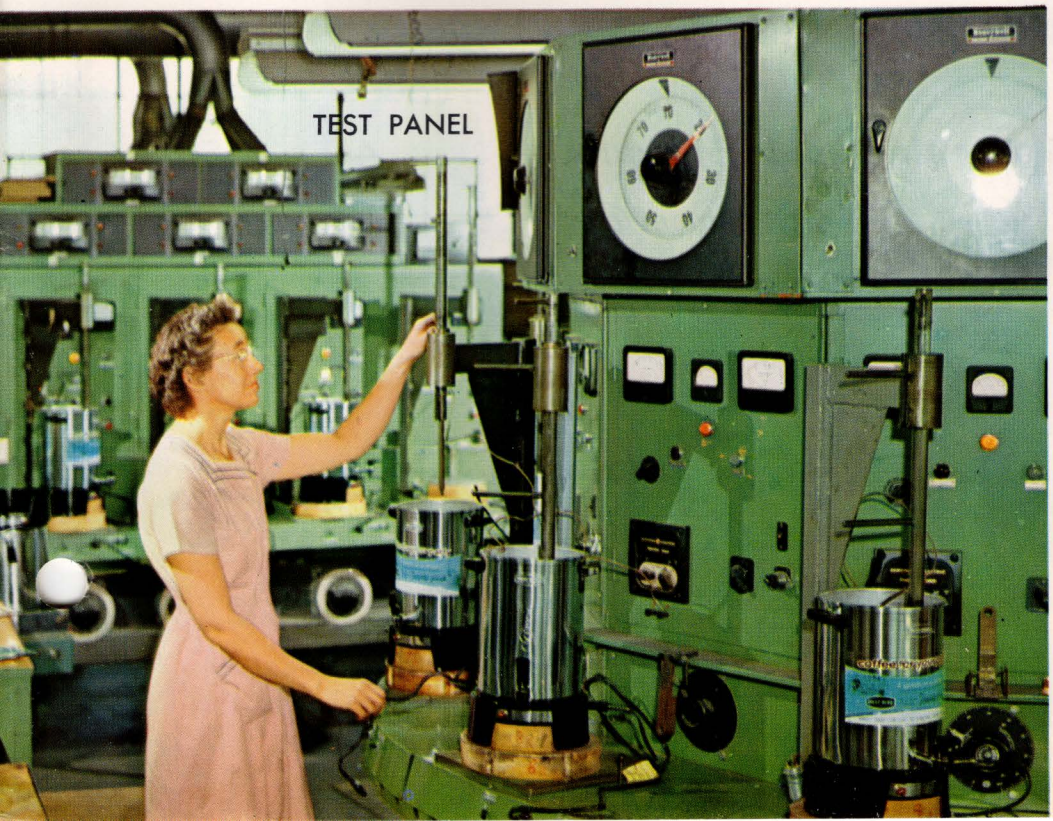

AUTOMATIC TOW-LINE CONVEYOR speeds merchandise from stock racks to shipping dock. Trucks are drawn along the Tow-Line, guided automatically onto a flow rack and positioned for quick, easy loading at one or more of the five order-picking zones. At Station 6, filled orders are checked and classified for shipping.

TRUCK LOADING

PROMPT, NATION-WIDE DISTRIBUTION begins here at West Bend—and at eight other shipping and forwarding points in the United States and one in Canada. A fleet of 21 company-owned trucks, supplemented by rail, air and truck facilities, speed West Bend products to you.

TEST PANEL

PERFORMANCE STANDARDS of new products—and those already in production—are tested and checked in the Home Service Test Kitchen—to give the homemaker long, satisfactory service.

ONE OF SEVERAL TEST PANELS in West Bend production lines assure high, uniform quality of the finished product.

Gracefully styled to be a striking part of dining area decor

Buffet-styled for glamorous parties

This gleaming stainless beauty not only dramatizes every party occasion, but makes preparation easier and more fun. The hostess prepares a party-serving quantity of coffee before guests arrive. Then serving is effortless—faucet adjusts to fill one cup or fill a serving carafe. Gracefully enhances home decor, even when not in use.

FULLY AUTOMATIC PARTY PERCOLATORS

There's a Party Perk to fit every coffee making need. Choose from the 30, 55, or 75 cup sizes. Each is made of polished aluminum with jet-black plastic trim and each brews delicious coffee whenever it's needed — for card parties, club meetings, church suppers, buffet dinners or for the company lunch room.

Flavo-Seal

TRIPLE-THICK ALUMINUM waterless cookware

West Bend®

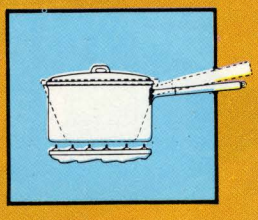

FEATURES

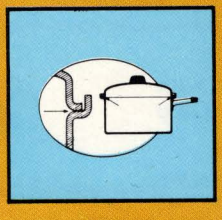

TRIPLE THICK

Above sketch illustrates the difference between Flavo-Seal aluminum cookware and ordinary aluminum cooking utensils.

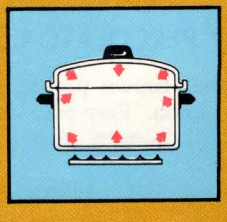

WIDER HEATING SURFACE

Flavo-Seal has an increased heating surface compared to the ordinary type of cookware. Wide flat bottom covers entire heating unit — no fuel is wasted.

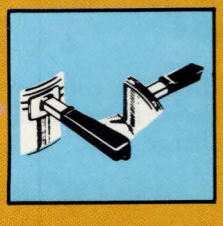

FLAVO-SEAL COVER

New cover design forms metal-to-metal contact which seals in flavor and conducts even temperature throughout cover from sides of pan.

HIGH THERMAL EFFICIENCY

Triple-thick pure rolled sheet aluminum conducts heat quickly and evenly through bottom, sides and cover of pan. Saves fuel.

ELECTRICALLY WELDED HANDLES

Handle socket is smoothly and permanently welded to pan by electricity. Eliminates all rivets on inside surface — easy to clean. Molded plastic handles.

WATERLESS COOKING . . . what it is

Waterless cooking is a method of food preparation which cooks foods in their own natural juices and moisture, with little or no added water. In ordinary cooking methods, for example, vegetables are immersed in water during the cooking process. In waterless cooking — vegetables are cooked with little or no water at lower temperatures, thereby retaining more of the original minerals, and nutrients.

Besides, vegetables retain their natural color, flavor and firmness, making them far more appetizing. Since the benefits of foods to the human body depend to some extent on how they are cooked and prepared, waterless cooking is now recognized by leading dietetic authorities as a superior cooking method from the standpoint of nutrition, flavor, taste, economy and convenience.

WATERLESS COOKING . . . what it means in actual savings

SAVES FUEL

Triple-thick aluminum requires only low heat to cook meats and vegetables. Heat is conducted quickly and evenly through bottom, sides and cover of each utensil.

SAVES FOOD

Food shrinkage is reduced to a minimum when using the waterless method of cooking. Inexpensive cuts of meat become tender and nourishing.

SAVES TIME AND ENERGY

Waterless cookware saves time — reaches cooking temperature fast — then cooks rapidly over low heat. Requires no watching while cooking. Gleaming aluminum is simple to clean, too.

SAVES ON REPLACEMENT COSTS

Ordinary utensils become worn and must be replaced frequently. Flavo-Seal cooking utensils, with a minimum of care, will last indefinitely.
