Regalcote®

SUPER-HARD TEFLON II*

the tough scratch-resistant finish

Regal

Tough, deep-down **Regalcote®** Super-Hard Teflon II is the new scratch-resistant finish. When applied to the inside of a pan, it results in a hard, slightly textured ceramic-based surface with minute peaks and valleys. No special spatulas are needed to pamper it because steel tools contact the peak areas and not the rest of the coating. Thus, even with wear, the magic properties of the Teflon are unimpaired.

Extra-Extra-heavy aluminum. For even-heating throughout the complete pan. Prevents burning or scorching. Gleaming aluminum outside is easy to clean.

Moisture-retaining covers. Extra-**Extra**-heavy "silver dollar thick" aluminum covers fit snugly to prevent escape of moisture and food flavors.

"Low heat" cooking. The thick aluminum covers and pans spread heat evenly. Food is actually cooked on all sides at once. Only "low" or "simmer" heat is needed.

Fashion designed handles and knobs. Heat-resistant black bakelite handles and knobs have gold-anodized heat-guards. Won't turn or loosen. Designed to just fit your hand.

1882BK	2 qt. Double Boiler	1-4	12
1883BK	3 qt. Combination Cooker	1-4	15

COMPLETE SET NO. 325BK consisting of: 1, 2 and 3 qt. Covered Sauce Pans, Inset for 3 qt., 6 qt. Dutch Oven, 10½ in. Chicken Fryer, Cook Book and Guarantee. Wt., 15 lbs.

Genuine 3-ply 18/8 Stainless Steel

Consists of 3 layers of steel. Inner and outer layers are 18/8 steel (an alloy including 18% chromium and 8% nickel) which gives the utensils their brilliant luster and durability — makes cleaning easy. Between them is a core of carbon steel that heats fast and distributes the heat evenly to prevent burning or scorching.

Handy Hang-up Features

An all-new feature. Just invert covers and they fit inside the pan. Knobs are protected and pans can be stacked or hung to save storage space.

Guarantee Certificate

Regal Stainless Steel Cookware is crafted from the finest quality 3 layer, 18/8 stainless steel and is guaranteed by the manufacturer. Each piece has been carefully finished and inspected to give the ultimate in service and satisfaction. Any piece showing faulty workmanship or materials will be replaced without charge.

TOTALLY UNIQUE 4-PLY CONSTRUCTION featuring CAST ALUMINUM BOTTOM

Regal Thermic-Ray is today's most advanced design in cookware featuring totally unique 4-ply construction. This means that in addition to 3-ply Stainless Steel you get thick aluminum Bottoms for fast heat absorption and even distribution. Cooking heat is then spread quickly and evenly throughout the whole utensil — even up the side walls. Therefore, only "low-heat" is needed when cooking. Amazing Vapor Seal rims "lock in" moisture for waterless cooking. Because you cook with less water, more of the precious vitamins and flavor are retained for more delicious, more nutritious meals.

STAINLESS STEEL SETS — without TEFLON

CERAMIC CLAD PORCELAIN ENAMEL WITH SUPER-HARD TEFLON II*

Imperial by REGAL

AVOCADO

HARVEST GOLD

Here is royal cookware beauty to satisfy a queen. New Imperial Avocado and Harvest Gold stands out with these way-ahead features . . . tough, durable porcelain ceramic permanently bonded to extra-heavy, even-cooking aluminum. The hard non-porous surface won't fade or discolor. Completely safe atop the stove or in the dishwasher. Smooth surface cleans so quick and easy! New Super-Hard TEFLON II is fused onto a special super-hard ceramic base of microscopic peaks and valleys. Metal kitchen tools simply glide over these harder-than-steel peaks that protect the double-coated TEFLON II surface.

NOW-also available in new FLAME. Please order with "F" color designation after item number.

3 PLY 18/8 STAINLESS STEEL

SET NO. 257
Includes 1, 2 and 3 qt. Covered Sauce Pans, 5½ qt. Dutch Oven, 10½ in. Open Fry Pan, Cook Book and Guarantee. Wt., 11½ lbs.

SET NO. 259
Includes 2 and 3 qt. Covered Sauce Pans, 5½ qt. Dutch Oven, 10½ in. Open Fry Pan, Cook Book and Guarantee. Wt., 11 lbs.

Genuine 3-ply 18/8 Stainless Steel. Consists of 3 layers of steel. Inner and outer layers are 18/8 steel (an alloy including 18% chromium and 8% nickel) which gives the utensils their brilliant luster and durability — makes cleaning easy. Between them is a core of carbon steel that heats fast and distributes the heat evenly to prevent burning or scorching.

A BRIEF VISIT AT REGAL WARE, INC.

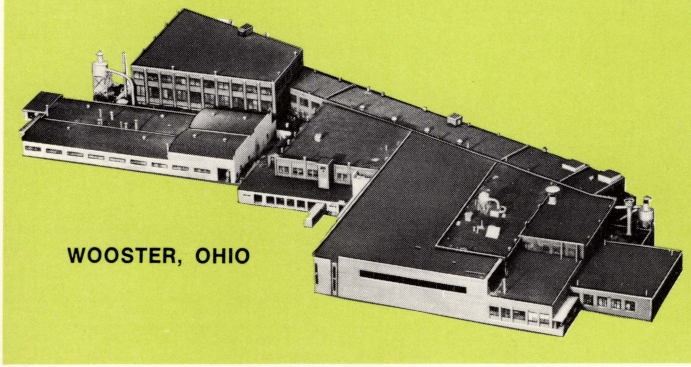

To be located on a 17-acre plot adjacent to Regal Ware's Kewaskum manufacturing plant, is an ultra-modern, three-unit office administrative center. The two-story right wing (above) is completed and houses vast electronic data processing equipment and related accounting functions. Construction on the central phase of the complex has already begun. The entire office-grounds facilities feature a park-like atmosphere which is designed to preserve the natural scenic beauty of the Kettle Moraine area. Regal's three modern plants (below) are found in Kewaskum, Wisconsin; Wooster, Ohio and Flora, Mississippi with business offices in New York City, Chicago and Los Angeles.
