

Abraham is to work at machinery in Lowell Mass.
and Daniel is a board of a Steam Boat plying between
Providence and New York. But what Abraham intends
as to do I do not know he wants to sell his farm
very much but I guess that will plague him as
long as aunt Martha lives. Julia has wrote I expect
about all the rest of the family connexion
I have nothing to write in particular about our getting
along we stay here yet with grandpa enjoy good health
have three stout looking boys and get something for
them to eat I keep thinking of coming to the Ohio
but have not got started as yet Yours &c. John D. Aldrich
