JOSEPH F. NOONAN
President of the College
Ph.B., Muhlenberg College; A.M., Ph.D., New York University; Pd.B., Pd.M., Millersville State Normal School; LL.B., LaSalle (Ill.)

Many fine qualities go into the making of a successful administrator.

He must be patient and diligent in all his undertakings, keeping a level head no matter what situation arises.

His position necessitates cooperation with faculty and student body. He must be able to reach an agreement with other leaders of education.

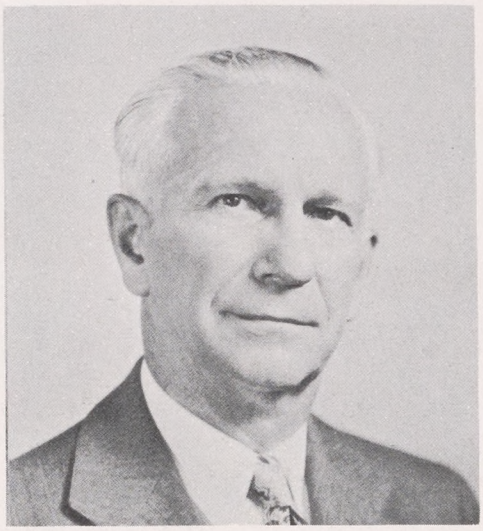

He must have the strength of character and understanding to bear responsibility which falls upon his shoulders. He must have the ability to demand respect without really demanding it.

A successful administrator keeps his organization running smoothly and precisely. He knows exactly what he is doing at all times.

Even at his busiest moments, he has the student body at heart.

These qualities and more can be attributed to our able president, Dr. Joseph F. Noonan.

TIME UNDER THE LEADERSHIP OF

Her warm, welcoming smile is a comfort and inspiration to all women students. The ability of Miss Jones to make one feel at home, hastens the adjustment which is necessary to every new student. She also has an illuminating effect over the college social world.

EUGENE H. MARTIN

A Variety Of Activities

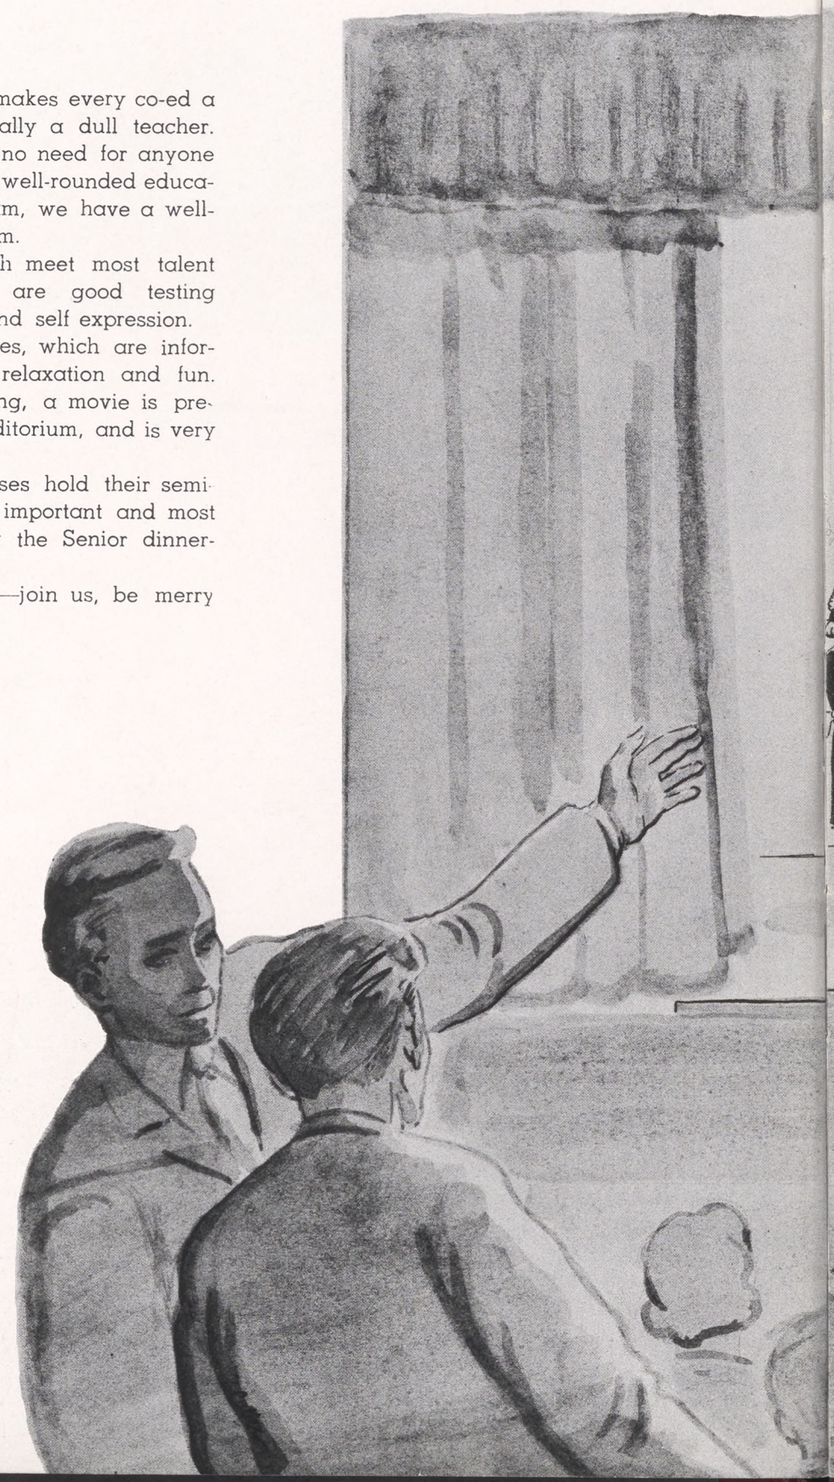

All work and no play makes every co-ed a dull person, and especially a dull teacher. Here at College, there is no need for anyone to become dull. Besides a well-rounded educational and athletic program, we have a well-organized activity program.

Our many clubs, which meet most talent and interest demands, are good testing grounds for leadership and self expression.

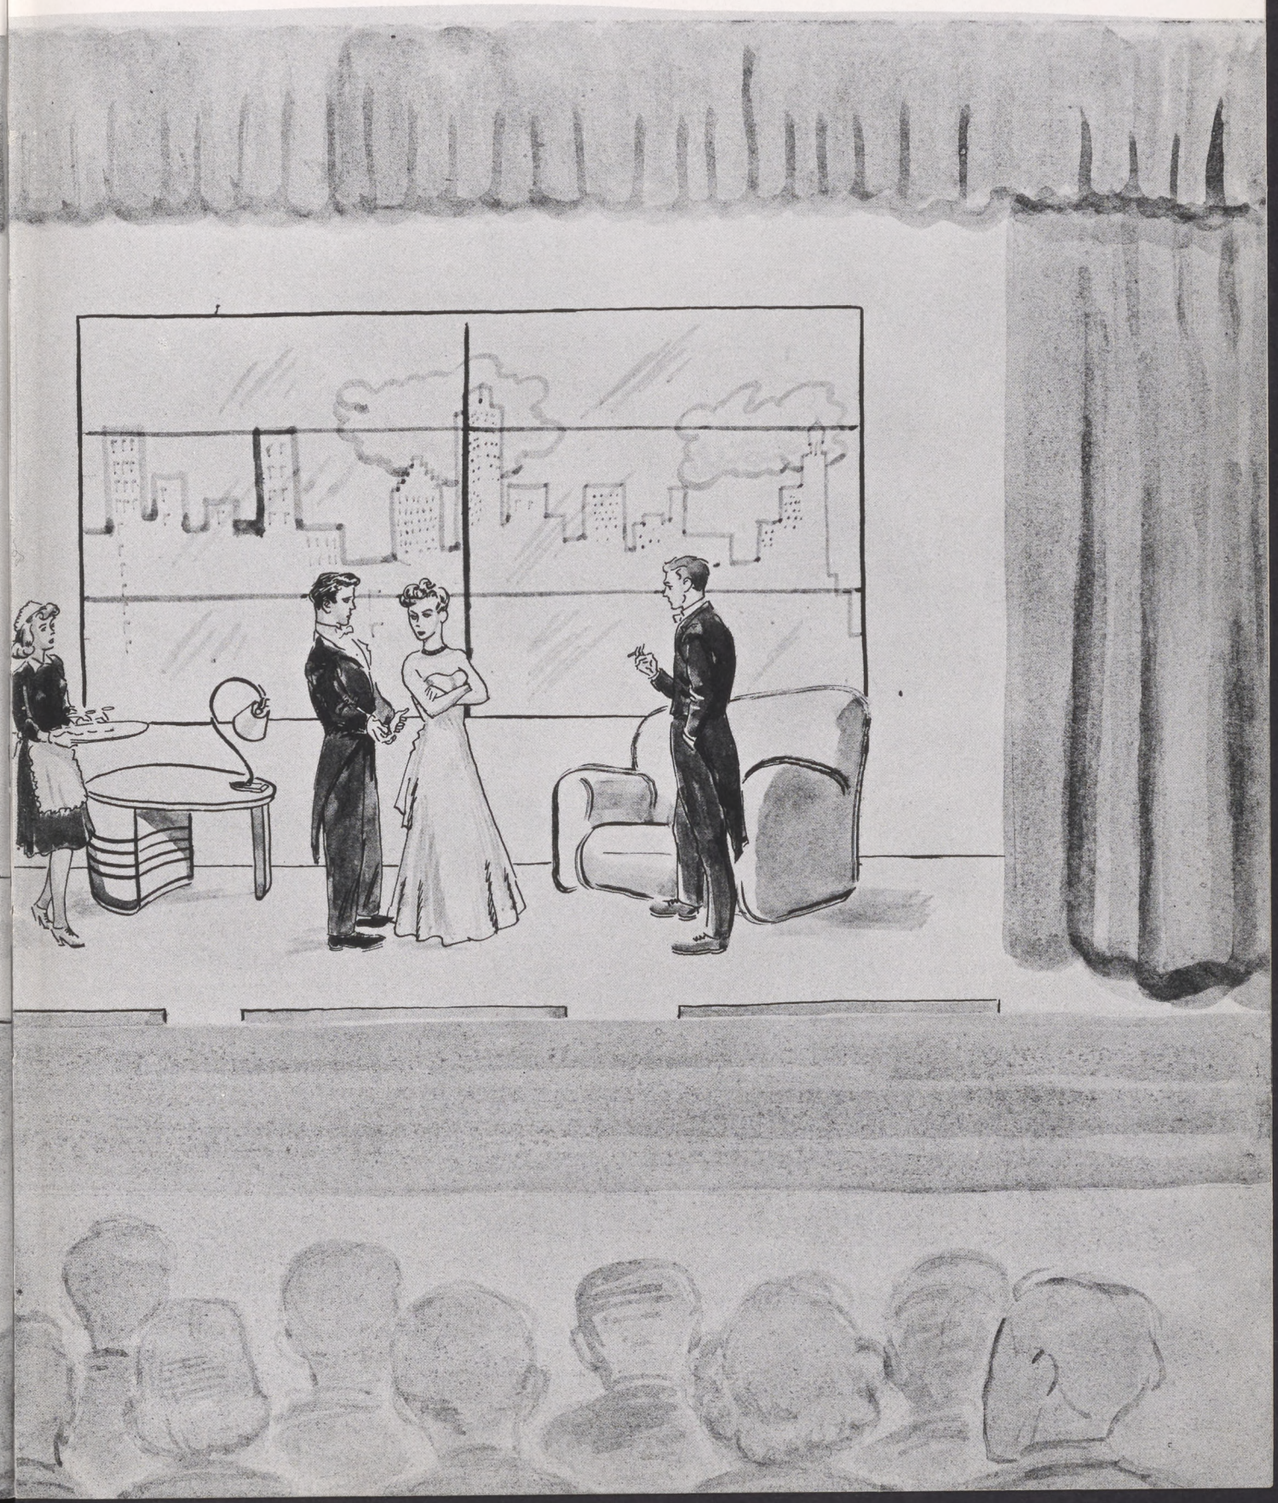

Wednesday night dances, which are informal, provide mid-week relaxation and fun. Also each Friday evening, a movie is presented in the college auditorium, and is very enjoyable.

Annually, the four classes hold their semi-formal proms. The most important and most prominent of these being the Senior dinner-dance.

You need not be dull—join us, be merry while you can.

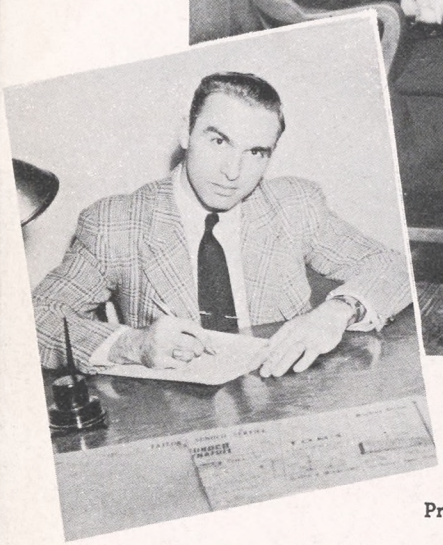

ADDS TO OUR DEVELOPMENT

WE ARE LAW ABIDING

Front row: Hinchcliffe, Obendorfer, Klenk, LeVan, Mendez, Perna. Back row: Mr. Koehler, Dr. Naegle, Mr. May, Middaugh, Marrington, Franks, McKeen, Buschi, Herd.

Robert Klenk
President of Student Senate

The Senate

The governing body of E.S.S.T.C. includes a Congress which is comprised of an Assembly and a Senate. The Assembly consists of all members of the faculty and student body.

The Senate is made up of three faculty advisors apointed by the President of the College, a Congressional and Senatorial President chosen by the Junior and Senior classes, and sixteen student representatives. These representatives include two men and two women from each class.

The Senate is the hub of all activities and responsibilities of the College. The spokes of the governing wheel include such activities as the administration of the College budget, the allocations of necessary funds, the supervision of all elections, auditing and reviewing the minutes of all Student organizations, and the execution and regulation of all laws having their origins in the Senate.

Having the faculty for this worthy and estimable position, Robert Klenk has risen to the highest office among the student body of our college.

EXECUTIVE GROUPS

The women students of E.S.S.T.C. are led through a happy, thriving year through the capable efforts of the Women's Executive Council. Evidences of the successful fall and spring parties, the four class teas, the exam week chocolate fest are some of the many achievements resulting from vision and proficient planning by the twenty-four hall councilors and their advisor, Dean Ruth L. Jones.

This year has seen the acquisition of our new day-student living quarters and newly-decorated Gay-m-Room; the latter embodying the efforts of W. E. C. and the W. R. A.

Women's Executive Council

Front row: Strock, O'Hare, Russopulos, Soper, Roe. Second row: Woodling, Mansfield, Steiner, Layton, Cooper, Tachovsky, Gross, Nagle. Back row: Miller, Walbert, Laubach, Miss Brown, Miss Jones, Gallay, Mazari, Sulzer.

Men's Executive Council

Standing: Matthews, Mr. Martin, Merryweather, Kosch. Seated: VanWhy, Stephens, Herald.

The principal purpose of the Men's Executive Council is to serve as a governing body for the male element on campus. The Council enacts its own laws and regulations, and also plans activities that will be beneficial to the entire male group. The men's social program includes entertainment and recreation in the form of several smokers.

The newly-revised Frosh regulations is another function of the Council. It forms, enacts and regulates this important campus tradition.

Cooperative Book Store

Dr. Naegle, Mariano, McClintock, Miss Albenzi, Laubach, Mr. Helmes.

To this meager group, each day means work. While other Councils scatter their duties throughout the year, the Coop Bookstore members diligently sweat the days away.

Their many duties consist of ordering and selling books, pencils, gym equipment, laboratory supplies and other school paraphernalia.

If a student happens to wander into the store's new location, his eye can hardly escape the jewelry case, because a new supply of shiny eye catchers arrive weekly.

The Social Council is the core of the social whirl at E.S.S.T.C. The responsibility of this group is the planning and following through an enlightening and well-rounded program of social activities throughout the year for all students.

The Fall Reception is the first social product of the council, followed by the Homecoming Day program. At Yuletime, they give an annual Christmas Dance. In the Spring, the group sponsors the annual Parents' Day program.

Social Council

Seated: Gallay, Colacichi, Platt. Standing: Dean Martin, Dean Jones, Gabala.

HANDLE SCHOOL OPERATIONS

Entertainment Council

Seated: Edwards, Gross, Pine. Standing: Dr. Corson, Miss MacFarland, Masonheimer.

Providing suitable musical and intellectual programs for the student body is the task of this group. Selecting movie material for Friday night entertainment is an additional duty, along with planning the weekly assembly programs, and bringing well-known celebrities to the stage of E.S.S.T.C.

The members of the Council are duty-bound to inform the advisors of the whims of the campus clan for budget approval.

One of the most outstanding Councils functioning on the campus this year is the Athletic Council, which maintains the duty of providing a full-time sports schedule. This year, as last, the large enrollment entailed a maximum amount of work for the members of the Council.

This Council schedules games, purchases equipment, arranges transportation, lodging and meals for traveling teams and engages officials.

Athletic Council

Seated: Mr. Liljenstein, Jones, Gianetta. Standing: Postetter, Heckman.

BROTHERHOODS OF COMMON

On Floor: Russopulos, Bedford. Second row: Dr. Mattson, Gross, Cooper, Reese, Drews, Mansfield, Barr, Steiner. Back row: Armstrong, Heckman, Campbell, Kropp, Klenk, Denton, Johnson, Grzcszkiewicz, Dr. McGarry.

Established in 1931, this honorary fraternity has proved itself one of the most prominent organizations on the campus. The local chapter, Gamma Xi, is an active group of Juniors and Seniors who passed very high personal qualities, intellectual and scholastic standards.

Bi-monthly meetings are held, at which panel discussions, debates, artists, student talent and interesting speakers make up the program.

A promotion after several years of Mask and Zany work, an interlude of lugging the scenery, scrubbing the flats, contriving new costumes and setting new make-up finally fades, and you are a member of Alpha Psi.

Membership of course, is exclusive. This is a national dramatic fraternity, and entrance requirements must meet the standards of both national and local authorities. Entrance into the club is indeed an honor.

Alpha Psi Omega

On floor: Gross, Steiner, Layton. On couch: Tito, Nicholas, Johnson, Miss MacFarland, Barr. Back row: Fallon, Musto, Miller.

INTEREST ABOUND

The purpose of this society is the encouragement and recognition of high scholarship in these special fields as well as in the general field of Education.

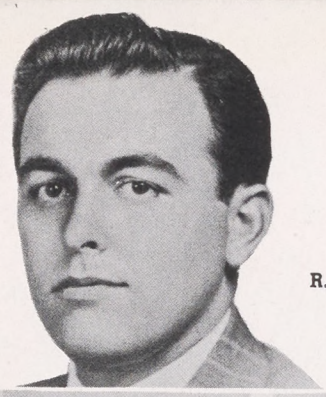

Alpha Phi Omega is a national service fraternity composed of college men who are, or have been previously affiliated with the Boy Scouts. The purpose of this fraternity is to develop friendship and promote service to humanity. To become a member, one must have a previous training in Scouting, a desire to render service to others, and a satisfactory scholastic standing.

President

Future Teachers Of America

Future Teachers of America grew out of the Horace Mann Centennial in 1937, and is a project of local, state and national education. The purpose of this organization is to provide a professional background for student teachers and to develop a practical understanding of the relationships that should prevail among future teachers, and those agencies with which they are affiliated. Its membership consists of all the students in the Senior Class.

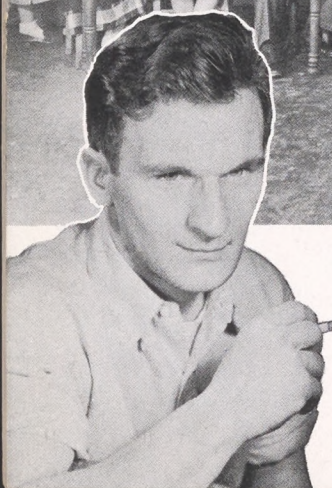

Seated: Kopko, Gianetta, Roberts, Demopulos, Payne, Moser. Standing: Drews, Dr. Meyer, Mr. Moorehead, Dr. Foltz, Dr. Mattson.

Stroud Courier

The Stroud Courier, official college newspaper, ranks high in the field of journalism. It has a coverage of sporting events, social and scholastic activities and faculty facts; features a "Senior Spotlight" in every issue; staff members learn the rudiments and jargon of journalism; membership is determined by try-outs. Work on the newspaper provides an opportunity for practical training in original composition; it also affords excellent preparation for the advisorship of a school newspaper. This publication holds the distinction of having received many notable awards in national collegiate competition.

IN SONG AND WORD

Glee Club

Every Monday evening at 7:00 P.M., one can hear the well-blended voices of the Chorus ringing bright and clear from the auditorium. Members of this organization are selected and directed by Dr. Corson.

The Chorus lends its talents to assembly programs, Baccalaureate Services, Commencement and many other occasions.

Band

The first football game of the season, the teams retire to their respective locker rooms at half-time, and the Band breaks forth in its splendid finery!

This year with Dr. Corson as director, several lovely classical selections were introduced at practice, and it was the director's intention to use the band at a concert program. This effort however, was unsuccessful. A drive for uniforms was enlisted for each member, and were to be worn at the basketball games.

Two members of the female species donated their talents as majorettes, and added a colorful and lively aspect, as they strutted their way up and down the field.

Front row: McNay, Davis, Stephens, Scargill, Kaul, Cocco, Zito, Edwards. Second row: Ewan, Waldbauer, Rader, Dr. Corson, Paulik, Mendson. Last row: Yoder, Miller, DeFede, Cullen, Davies, Gessner, Hinkson.

Lights! Camera! Everyone on stage—Action! This was the keynote of this year's dramatic group. Through the unceasing efforts of Miss McFarland, a splendidly new and different production was introduced. This presentation was entitled "The Night of January 16," and brought into play, members of the audience. The production was thoroughly enjoyed by each and every ticket purchaser.

One of the largest and most active memberships of all campus organizations. Meetings held in auditorium because of large attendance. Everyone's invited regardless of creed. Faculty and student speakers. Caroling at Christmastime a campus tradition. This organization conducts impressive tree-lighting ceremony each year. The progressive and ambitious advisors are living examples of the organization.

Health And Physical Education Club

Pocono Manor week-ends, hikes, bowling and rifle clubs are just some of the various pastimes this organization provides for the women students of the campus.

Under the able leadership of Miss Helen Brown and her council, several dorm events have been functioning. Among these are the Knitting and Bridge Clubs, which provide worthwhile pastime.

Never before have such a variety of social gatherings been provided for the she-males. Miss Brown and her co-workers should be heartily applauded for a job well done.

This organization is composed of students specializing in Health and Physical Education. The objectives of the club are: the development of a fine professional spirit and sponsorship of programs, such as the annual gym exhibition and clinics in the Health and Physical Education field. The club also presents famed artists and speakers in this field. The last, but not least, is the sponsorship of the men's swimming team.

Women's Recreation Association

Students in the Art Club are given an opportunity to work with various materials —glass etching, plastics, paper craft, wood craft, metal craft and many others. We also have outside speakers and many social meetings. An annual trip to New York includes visits to the Metropolitan Museum, The Bache Collection, The Frick Collection, The Whitney Museum of American Art or the Museum of Modern Art, a show at Radio City, and a current play usually close the activities of the day. Last year, toys were made, and sent to an Orphans' Home for Christmas. The Art Club functions under the capable guiding hand of Miss Madelon Powers.

World Outlook is devoted to the analysis and discussion of current political and social questions. The purpose of the club is to foster a greater and clearer understanding of pertinent national and international questions without attempting to influence anyone's opinions. All students interested in current events and world problems are invited to join. Discussions are of all types including debates, round table and panels. The program is varied by taking trips to near-by historical spots.

Spanish Club

Seated: Colaiaco, Mendez, Comunale, Rogers, Buschi, Tito, K. O'Boyle. Standing: Schlappic, Patrician, Dr. Warren, Murphy, Leonard, McGoff, Guzak, Russo, Rowlings, Layton, Weiner.

The Spanish Club is organized to give students in the various Spanish classes additional experience in the use of the language in an informal atmosphere. This is accomplished largely through book reviews, movies, dramatization, guest speakers, social gatherings, games and an annual trip to Spanish-speaking centers in New York City. Sessions of the Club and minutes of the proceedings are also conducted in Spanish.

Parlez-vous Francais? A well-known phrase among members of the French group. One of the most enlightening meetings introduced a French war bride to members of the Club. Other programs consisted of speakers from outside, and musical affairs. All of the members enjoyed the variety of events—bringing to mind some of the gaiety in old Paris. One of the most ardent club fans is Dr. Kistler, advisor, and facts collector.

Annual trips are taken to New York to acquaint the members with the organization of Wall Street establishments, banks and business places.

Who's Who Among Students in American Universities and Colleges offers nationwide recognition for outstanding students who have distinguished themselves in scholarship and leadership on their own campus. The basis of consideration is character, scholarship, leadership in extra-curricular activities and potentiality for future usefulness to society.

Those selected may be Juniors or Seniors. It is designed to act as an incentive for students to get the most out of college.

AND EXERCISE OPINIONS

Association For Childhood Education

Seated: Courtney, Mansfield, Werner, Miss Carey, Edward, Rosen. Standing: Roe, Brady, Bokma, Pennock, Siegfried.

One of the oldest national organizations on campus. For students who are or aspire to be elementary teachers. Entertaining, and guiding the ways of children is a major part of their program. Toys and other articles are collected and distributed to sick children of the community. An attractive pin, official insignia of the organization is worn by the members.

"A thing of beauty is a joy forever," from Endymion. Appreciation of such phrases, and of what literature consists, is the aim of Blue Pencil.

Contemporary authors are read, analyzed and discussed. Personal opinions are viewed, and criticism of literary works brought to light.

These few have an appreciation of the beauty of another's works and the understanding that some of the greatest minds contributed their best for Literature.

Blue Pencil

Seated: O'Boyle, Rader, Dr. Terrill, Kropp, Jenkins, Burke, Skinner. Standing: Armstrong, Colaiaco, Nesbitt, Rinaldi, Kolasinski, Kroponicki, Leonard, Marshall, Kroponicki, Gabala, Prader, Tito, Rogers.

NATURE CLUB

Kneeling: Brands, Dziak, Waldbauer, Beck. Standing: Jones, Mrs. Jones, Ford, Gutman, Dr. Bergman, Petty.

The Nature Club advised by Dr. Bergman is one of the most popular clubs on the campus. Their regular Wednesday afternoon club meetings are filled with interesting activities concerning nature and the great out-of-doors. The study of plant and animal life, hikes, lectures and visits to nearby nurseries are but a few of the club's activities.

A trip to New York is the biggest event of the year. Visits to museums and science buildings provide experiences never to be forgotten.

The Publications Council is the lifeline of publications efforts on our campus. Directly or indirectly it is responsible for all printed material on campus.

The Student Handbook, that enlightening booklet for all Frosh, is compiled and published directly by the members of the council.

It is the clearing house for the Stroud Courier and Stroud Yearbook. It pays all publication bills; it approves the editors for both, as well as the business manager and the complete staff of the Stroud.

STROUD STAFF

Doctor Ruth B. Kistler
Advisor

Plagued by labor discontent and torn by romantic intrigues, the Stroud Staff slid through another year to astonish even themselves by producing this creation. Nothing short of a miracle could have impelled this motley crowd to publish, of all things, a yearbook. But could you blame them? Time was made for better things. A mere hundred yards from the office was Tom's, with a roaring juke, steaming coffee and howling co-eds. Ball games, dances and even a Sunday stroll in the Boondocks assume tremendous importance. Would you trade that for hours of writing, clipping and pasting? You're blamed right you wouldn't, and the Stroud Staff didn't either.

Then came the dark days in January. Our advisor, Dr. Ruth Kistler, grayed visibly. Editor Phil Heckman was in a perpetual bad humor, mixed with unceasing activity. The staff as a whole remained calm. Then came to the fore, those few who could meet the crisis. Hours of activity ensued. Business Manager Guy Herald counted pennies in his sleep. Things shaped up. The doers are finally doing.

And here it is. The hundreds of hours of intense labor, spasmodic as they were, are yours. Ideas changed, conditions changed and the book was forever changing. But this that lies in your hand is the result. We like it. We hope you do, too.

Here At East Stroud

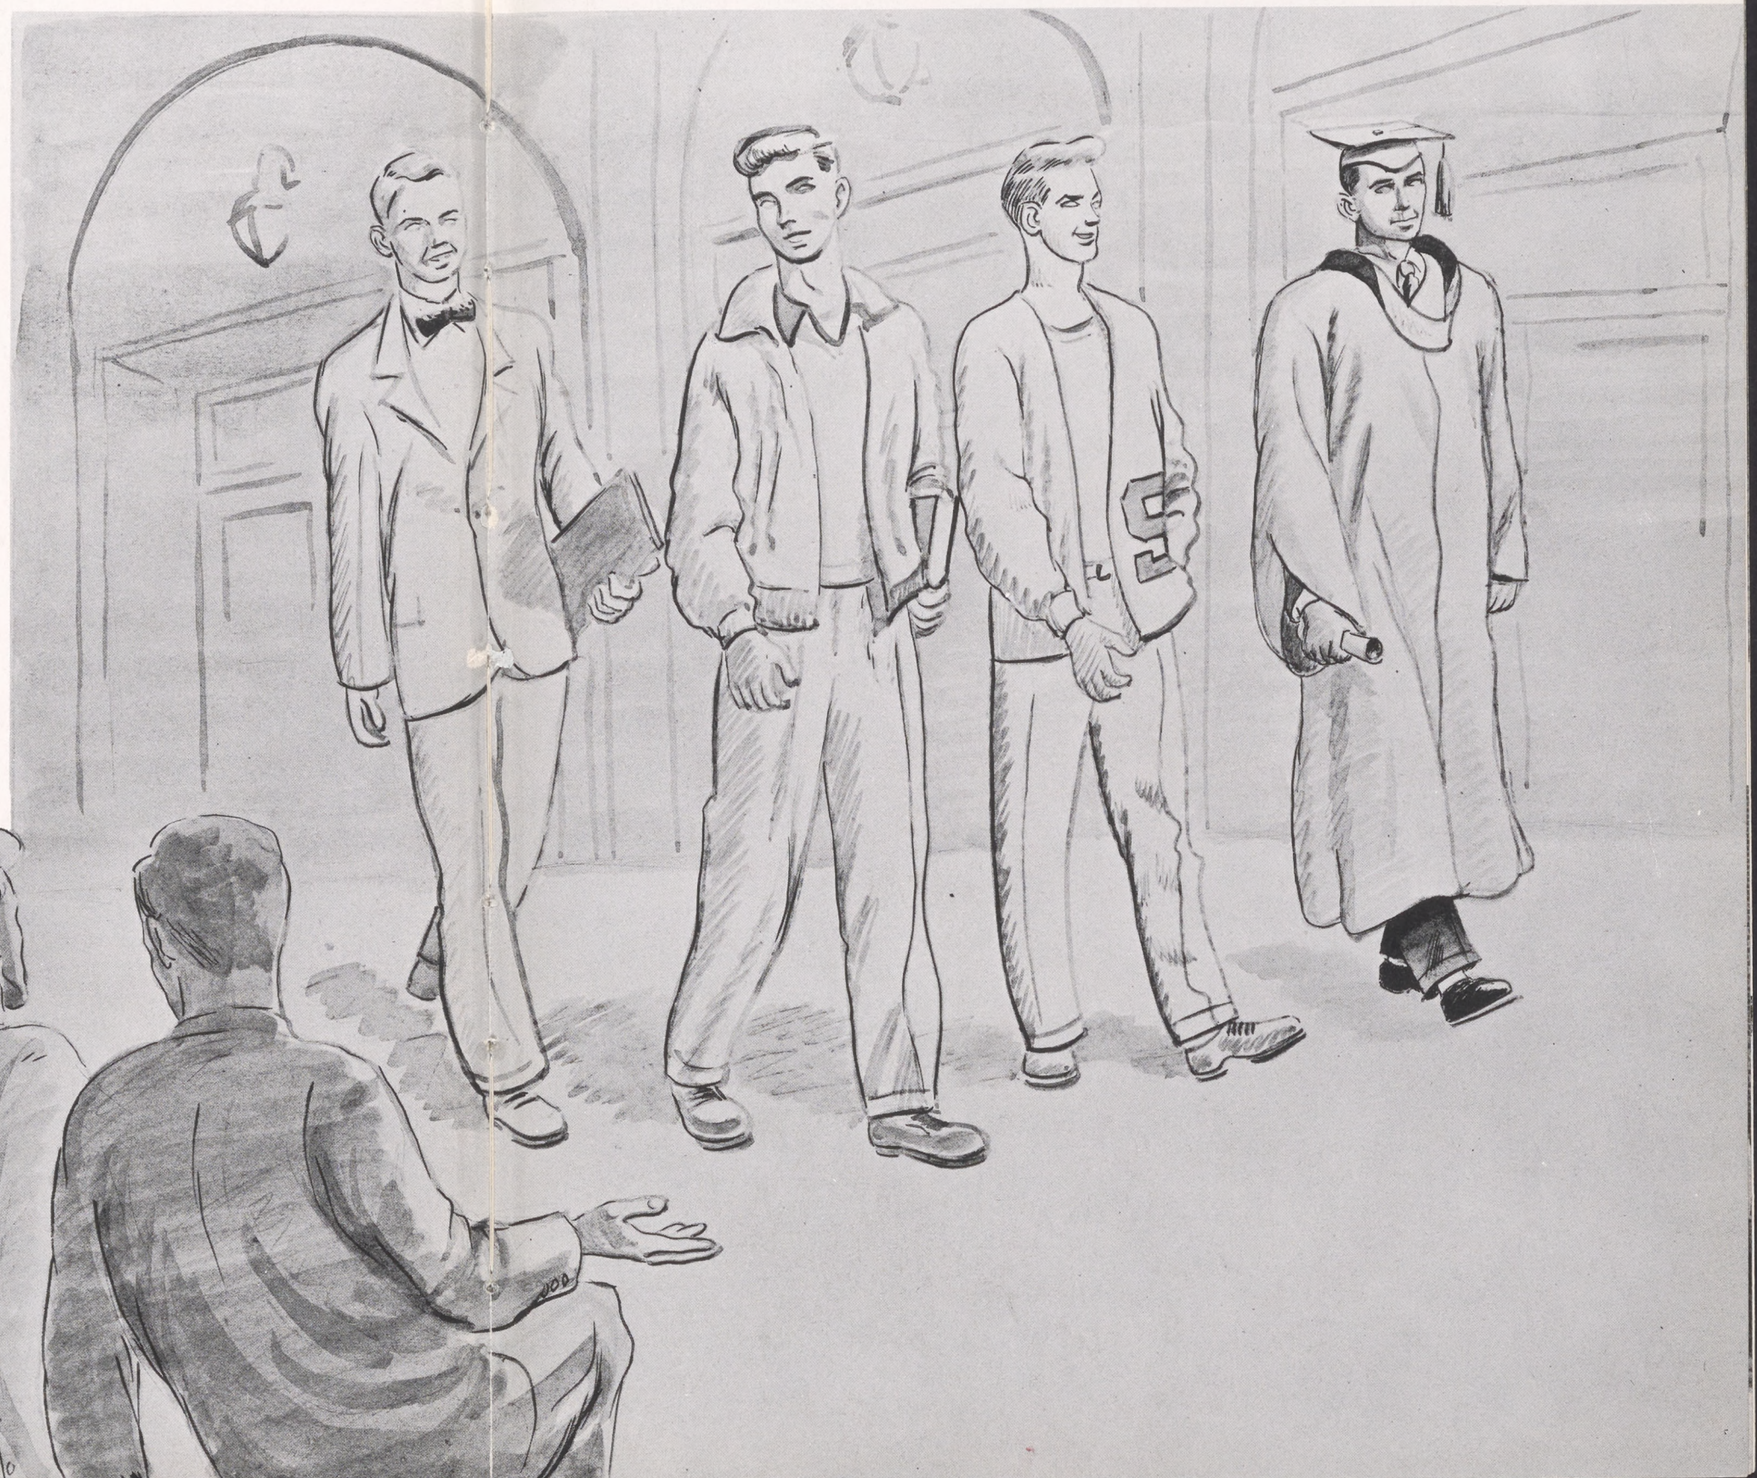

You stand at the gate and think of the precious college years ahead of you. You are out to win friends and influence people, in short, you want to conquer the world.

You sweat through the first months, shake at the thought of those first marks, and at the end of the freshman year, nearly collapse.

In September you come back braced with zest for college life, you are no longer a lowly freshman, but a wise sophomore. The year goes with spirit and enthusiasm.

"Oh, to be a Junior," cries the Sophomore—the Junior—"Oh, to be a Senior!" Suddenly you begin to grow up. Thoughts turn to graduation. Before long—behold, you are a Senior and are graduating.

OUR NEWEST CROP OF FROSH ARE EAGER TO MAKE THE GRADE

"Hey, Frosh, where's your green arm band?" "Where's that toothpick?" The old familiar chants which greet each incoming class again rang out. And these Frosh were right on the ball tightening those arm bands each morning and giving out with the sweet melodies at night. "Julia" was in on things too, as our Frosh gently scrubbed her weather-beaten face. The fellows again donned their flashy P. J.'s to walk the long mile for our opening football game. Not only did they cheer our teams, but many were in the line-ups.

Class elections brought their many capable leaders into the foreground, and clubs and activities were swelled with the life and ideas of our new Freshmen.

And now, Frosh, you are set for your college career. All lies before you. Make the most of every minute. It's a great life with its many ups and downs, but it's worth all that you put into it. And remember, you will only get out of it what you give to it, so go to it Frosh, and Good Luck!

SOPHS ARE IN THE SWING OF THINGS

A boom class on campus with plenty of the right stuff. Started E.S.S.T.C. like all green frosh and finished their first big year with flying red and black colors depicting their willing spirit and vivacious feelings. Began rushing the Frosh in September with regs and kept them hopping up to October.

November was the month of their successful prom, "The Stardust Ball." The decoration committee may well be proud of their display of the heavens including "those pearly gates."

Our Sophs had some fine additions toward all our teams, not to forget their dramatic abilities which they expressed through Mask and Zany.

Contrary to the popularly expressed term "silly Sophs," this class is one with capabilities and originalities. Chic Betz, as we call him, is a very able president, and an excellent example to his class. In the class they work, outside they look for fun, usually finding it in their gang-hikes, trips to Tom's and in their pet expression, "Hard Luck."

Well, Sophs, you have reached the half-way mark in your trip up the ladder at Stroudsburg. Here's hoping you'll go high enough to reach that Star, latch on and continue swinging on it.

Held, Assistant Treasurer; Douglas, Vice-President; Corson, Secretary; Betze, President; Carpousis, Treasurer.

PENN STATERS, MEN OF ACTION

Sharp looking R.O.T.C. members garnered from our Penn State ranks drill, meet, and train in Wayne Gymnasium.

OUR JUNIORS ARE IN THE KNOW

OFFICERS
R. Mathews, Treasurer; M. I. Novosel, Secretary; S. Merryweather, President; C. Hoffman, Vice-President.

With vim and vigor, they crowded the halls and rooms of E.S.S.T.C. Eager to learn the ways of college life were these Frosh in September of '46. Gradually they worked themselves into the regular routine. Biology and Chemistry came to them in time, as did headstands and handstands. In no time at all, they were burning the paths to Hen's and Rosie's to do their bit of socializing before and after class. Here, with the usual cup of coffee, you could see some old flames burn out, while new ones were lit.

Green bands were soon added to the wardrobes of the Frosh girls who provided evening entertainment for these upperclassmen. Then the embarrassment of our poor "Frosh." They were made to parade around in their hair half-set and contrasting plaid skirts and blouses. Soon the week of regs was over, and only the green bands remained. These were eliminated after an examination on the "little red handbook." The Freshman tea was the final step in getting the arm band

STRIDING TOWARDS SENIORITY

off. The boys also had their share of regs. The pajama parade through Stroudsburg to the opening football game with Panzer was quite a sight. The coffin for the Panzer team was appreciated by all who gazed upon it.

After enjoying the social affairs provided for them by the wise and worldly upperclassmen, they soon came up with their own big affair. The Freshman Valentine Dance was enjoyed by the many who attended. Cupid did a good job that night.

It wasn't long before varsity sports were shining with the stars of this class. Their talents were not limited, as they helped to entertain us in the dramatic events on campus, and also found their way into the honor societies.

Older and wiser, the Sophomore Class returned in September with many new ideas for their remaining years. They placed their leaders in the Senate and Councils. Great minds were working as the class put over a bang-up Stardust Ball. Another success was added to their record.

And now they return as Juniors ready for a great year of work and play. They are getting closer to the great big year in their college career. Soon they will be buzzing around teaching this and that to the "Little Folks."

Senior Officers

After three years of being the little men on the campus, we finally arrived to the glorious height of Seniorship. President-elect, Mike Kowalchik, became a home town student teacher, and June Terry was raised to the office. The large number in the class entailed much extra planning, and Miss Terry did an excellent piece of work.

Her co-workers included, Vice-President, Tom Christian, Secretary, Elaine Layton and Treasurer, Eleanor Bellis. The latter two maintained their offices from the previous years, and performed the tasks designated to them diligently.

Combining their efforts, the group wrote finis to the year with the Senior Function, and took their place in the annals of E.S.S.T.C.

We Were Thrilled BY THE

Hail, dear old Stroudsburg, we're out to win! If you are a great sportsman, you may express your talent and help gather laurels for dear old Stroudsburg in the expansive athletic program offered.

Thick is the book on our athletic history, hot, many a battle, hard, many a victory, bitter, many a loss. As a good athlete, you learn tc take all in your stride and value every bit of it.

As a sports fan, there is much for you to see and to do. You cheer the team on to victory, and make them feel that the school is behind them. You see many thrilling games, also are disgusted many times. However, whether sports fan or sportsman, you enjoy every bit of it.

HIGHLIGHTS OF OUR SPORTS WORLD

FOOTBALL—WE FOUGHT OUR WAY

The Warriors crumbled everything in sight as they opened the 1948 grid campaign. However their streak ended at four straight, as the West Chester Rams broke the bubble When smoke had cleared, Coach Martin's charges had enjoyed another "so-so" season, 4 wins, 3 losses, 1 tie.

John Petercuskie, veteran tackle, was again the Red and Black's outstanding performer. The ex-Old Forge High lineman grabbed himself an All Teachers College berth. Jackie Swartz, triple-threat signal-caller, was honored with a second selection.

Also outstanding were scat-back, Bob Derby, Bud Buddell, George Braue, Paul Urda and Phil Braun.

E.S.S.T.C.-13—Millersville-7

Millersville was first to feel the might of a promising Warrior eleven as the Martin-men came from behind to solve the trouble-some "T," downing Millersville 13-7.

E.S.S.T.C.-48—Panzer-7

The Red and Black showed real punch as they dropped Panzer 48-7. The Warriors showed power in the form of Bob Derby's break-away running.

E.S.S.T.C.-14—Shippensburg-7

Playing what later proved to be the season's best game, the East'burgers, toppled a stubborn Shippensburg array, 14-7. Bob Derby broke his collar-bone and was out for the remainder of the year George Braue sparked the winners.

E.S.S.T.C.-13—Mansfield-7

A Jack Swartz to Charley Ritinski aerial spelled doom to Mansfield S.T.C., 13-7.

E.S.S.T.C.-7—West Chester-14

The West Chester Rams deflated Stroudsburg's undefeated season as they reversed the Pocono's 14-7, in a tight contest. Bud Buddell, soph unknown, was the star in defeat.

E.S.S.T.C.-6—Rider-7

Rider baffled the Redmen with their tricky "T" formation, to edge out a 7-6 win.

E.S.S.T.C.-0—Cortland-0

Rain and mud resulted in a stalemate at Cortland, 0-0.

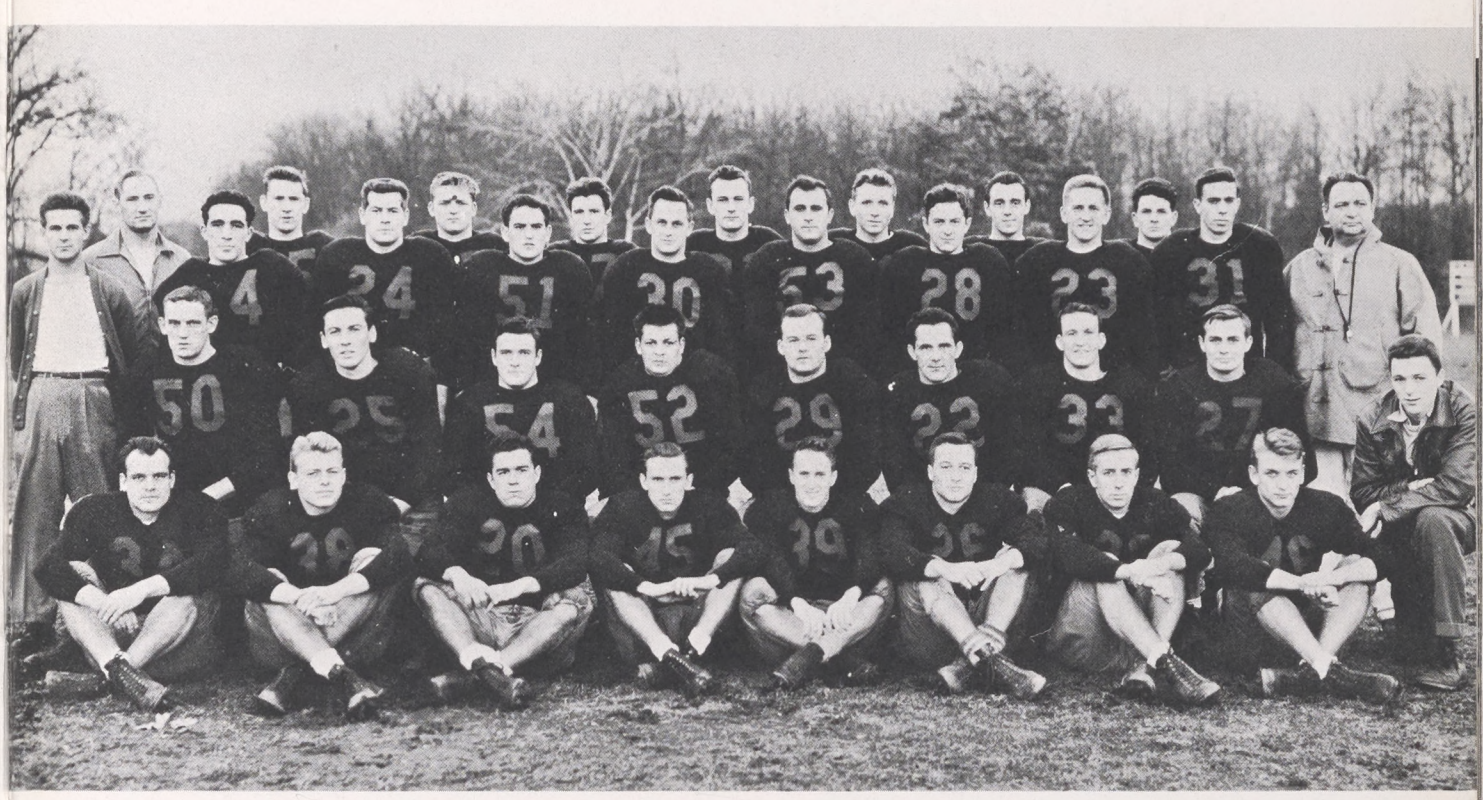

E.S.S.T.C.-0—Bloomsburg-14

Bloomsburg State Champions completely outclassed the fading Warriors as they pushed over a 14-0 win

Coach DeNike and Manager Mariano

Coach DeNike's soccer team rang the curtain down on a successful season winning 5, losing 2 and tieing 1. January ratings listed East Stroudsburg first among the State Teachers College soccer teams.

John Demick, steady wingman, received honorable mention on the All-American Team.

The only defeats dealt the Warriors, were by Lock Haven, 4-2, and Bloomsburg in the season's finale, 2-1. West Chester was held to a 1-1 tie, and the E.S.S.T.C victims included Lafayette, 1-0, Trenton, 4-3, Rider, 2-1, Panzer and Ithaca, both 1-0.

Jack Schalles of Nescopeck and John Demick of East Mauch Chunk led the scoring parade for the Redmen with 4 and 3 goals respectively. The eleven seniors who will be missing from the '49 squad are Don Daughenbaugh, Bob Massaferi, Bob Stephens, Tony Barratta, Jack Brosious, Les Himmelreich, Paul Spencer, Ed McInroy, Phil Heckman, Jack Farrow, Jake Powell, Jack Schalles and Manager Emmet Mariano.

FIELD HOCKEY—CLASHING

Jane Moffet, high scoring forward

The Red and Black field hockey team finished a strong schedule with an unimpressive record, 2 wins, 6 losses.

In the opener, Beaver College finished on the long end of a 4-2 count. Jane Moffet, frosh center-forward, proved a find.

The Warriorettes overpowered the Alumni, 4-1 before the Homecoming crowd. Lois Obendorfer led the scoring parade, Alma Corson sparked the defense.

Dot Mattes keeps them out of the cage

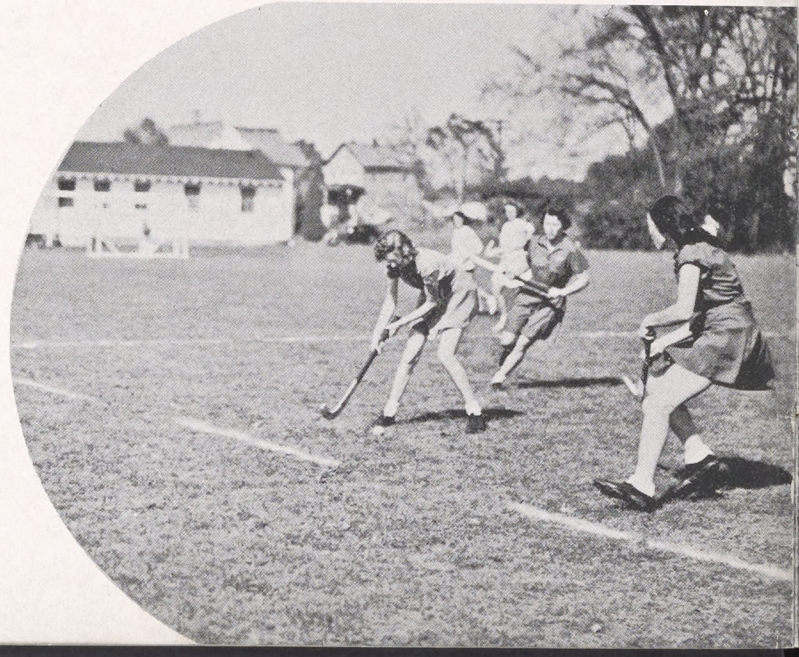

Ursinus showed class as they handed Stroudsburg a 5-1 setback. Trudy Randolph was oustanding.

University of Pennsylvania, new on the Red and Black schedule was an old hand on the hockey field. Final: U. of P. 5—E.S.S.T.C. 2.

Temple University continued the jinx with a decisive 6-2 win.

Coach Zimbar's girls salvaged a hapless season as they romped over N.Y.U., 7-1, Miss Moffet starring.

Although the season was far from a booming success, consolation was afforded when Captain Lois Obendorfer was named on the second All-College Team and Jane Moffet, second reserve squad.

"Moe" Thomas, speedy, high-scoring guard

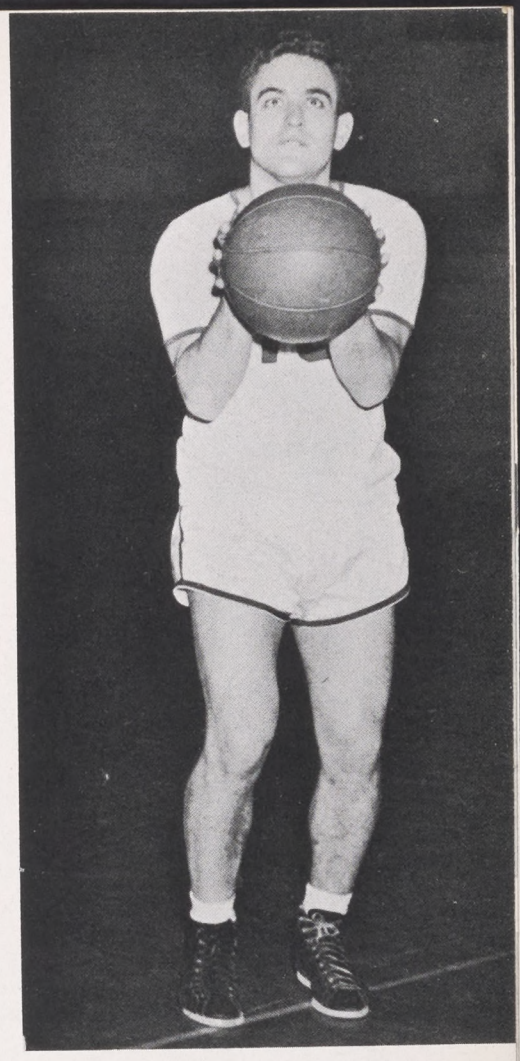

Enthusiasm for the '48-'49 basketball season scaled new heights as the No. 1 winter sport of E.S.S.T.C. with another cracker-jack quintet taking the floor in Red and Black livery. The local fans had plenty to cheer about after the terrific contests which earmarked the previous season when the Indians won 9 and lost 8. The second campaign under Coach Ray Welsh again opened at Lafayette and the Leopards copped the lid-lifter, 54-41. The home opener was a rousing

success, however, as the Stroud '5' spanked Kutztown with ease, 64-42.

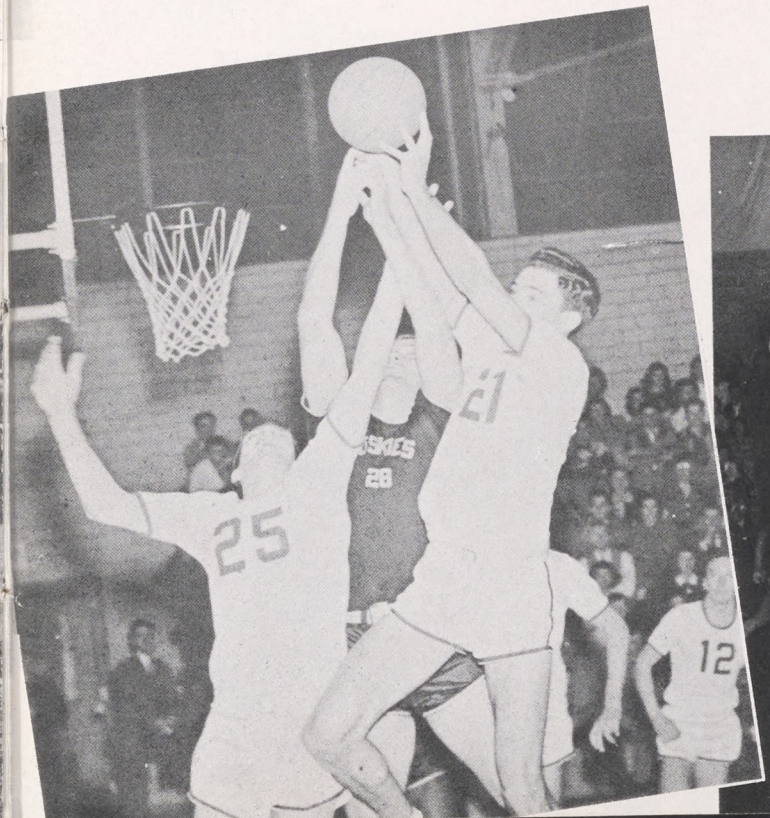

A number of new faces appeared on the varsity for the first time. . They included Bob Jennings, Pete Mussa, Pete Fortner, Ken Moyer, Bill Schmidt and Walter Marks. Among the vets from the previous squad were Nick and Dick Young, Jackie Schwartz, Moe Thomas, Frank Pozda and Don Manning.

Three new opponents featured the 18-game schedule. They were Paterson S.T.C. of New Jersey, Millersville S.T.C. and Kings College of Delaware. Besides Lafayette, Bloomsburg and Kutztown, other notable rivals retained were Rider, Trenton, Panzer, Scranton, West Chester and New Britain, Conn., State Teachers. We expect big things from our hoopsters.

GIRLS' BASKETBALL—FLEET-FOOTED

Coach Zimbar enters a tough ten game schedule with one of the most promising squads in the school's history. Veterans Captain Ardath Houser, lanky Rita Cousins, and high-scoring Kay Crouse teaming with new-comer Joan Kunkel will form the bulk of the new offense. Alma Corson, 1948 back-court standout, will receive freshman help from Pat Longenecker, Jane Moffet, and Trudy Randolph in the defensive department.

The female cagers finished an impressive 1947-1948 with 5 wins, and 3 losses in fast company. Highlight of campaign was the near-win aginst undefeated Temple University. After assuming a comfortable 10 point lead at half, the Zimbarettes flaked and dropped a 27-24 decision.

WRESTLING—THE GRUNT AND GROAN

E.S.S.T.C.'s grunt and groan performers did right well for themselves during the '48 grappling grind as they compiled a record of 2 wins, 2 ties and 3 losses with the toughest schedule an Eastburg mat team has ever encountered.

Coach George Ockershausen's squad was studded with a number of outstanding matmen with Wilkes-Barrean, Charley Nesbitt and Lansdowne's Bobby Hopkins starring in the 128-155 pound classes. Other lettermen who aided the Warriors in holding their own with their top-notch opponents were Paul Urda, Tommy Herbert, Curt Hoffman, Stan Shoneberger, George Metropolis, Don Fluegel and Rudy Davidge.

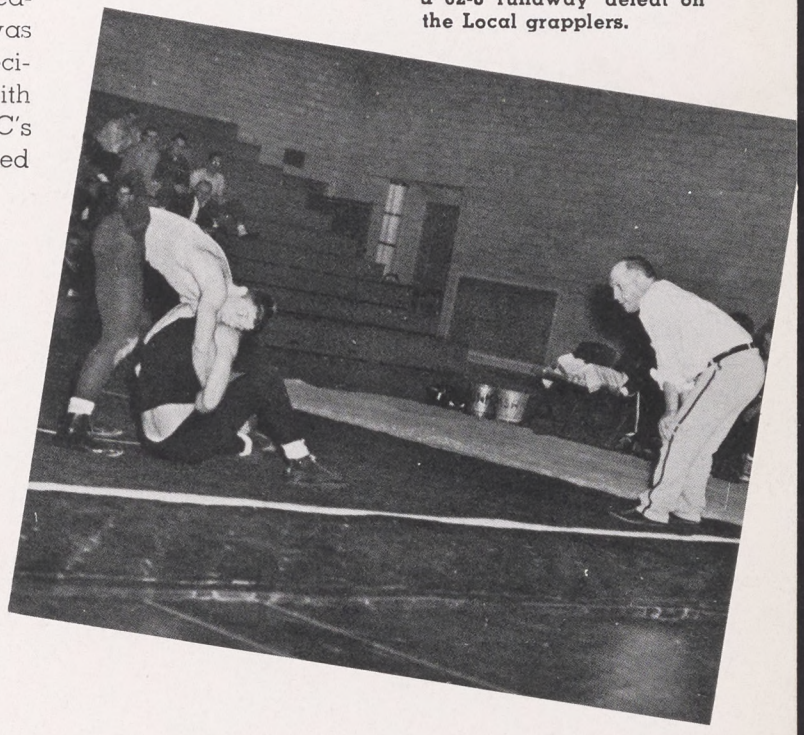

Seated: Collins, Hillman, Nesbitt, Mitropoulis, Schoonover. Kneeling: Fitting, Hoffman, Schoenberger, Davies, Neseth, Daniels. Standing: Waldbauer, Manager, Fluegel, Victor, Pewterbaugh, Reeder, Coach Ockershausen.

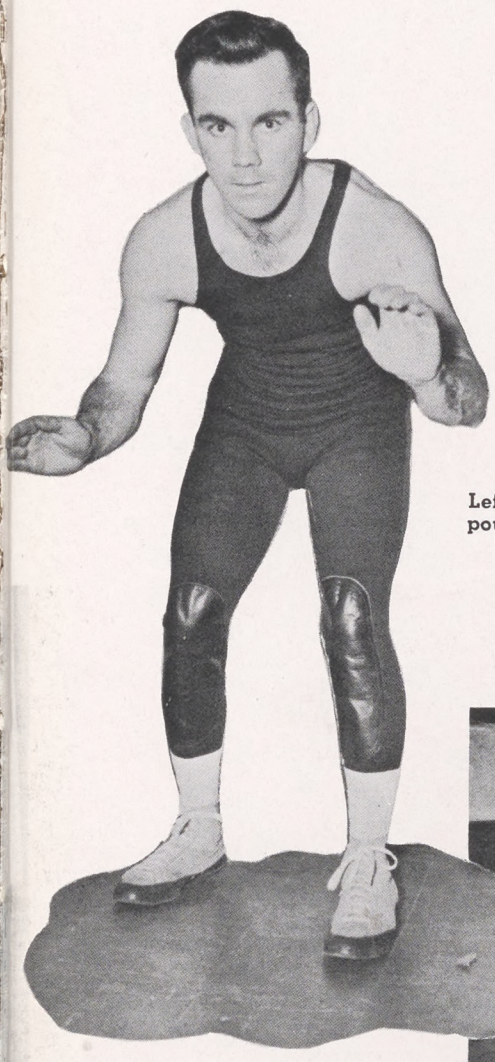

BOYS WERE ACTIVE

Meets were held with Lafayette, Brooklyn Poly, Lock Haven, Millersville, West Chester, Brooklyn College and C.C.N.Y. The most noteworthy triumph of the year came in the season's finale when Brooklyn College was squashed under a 28-6 avalanche. Five decisions in the meet were attained via pins with heavyweight Tommy Herbert pinning BC's heavy, Mike Grasso, although outweighed by Grasso, 225-190!

Don Fluegel, husky 175-pounder is in plenty of trouble in Lock Haven meet. Lock Haven inflicted a 32-0 runaway defeat on the Local grapplers.

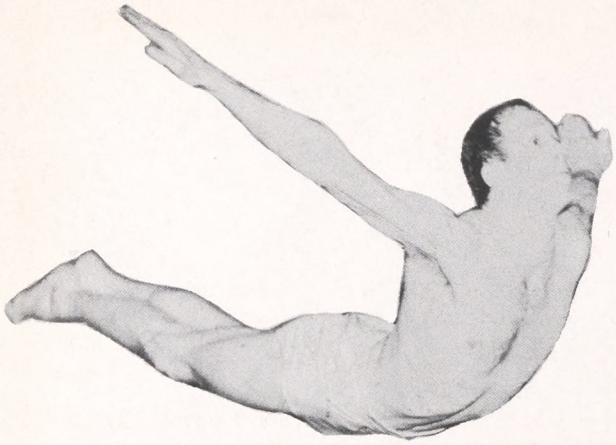

Left: Charles Nesbitt, dependable wiry 128 pounder.

SWIMMING—THEY

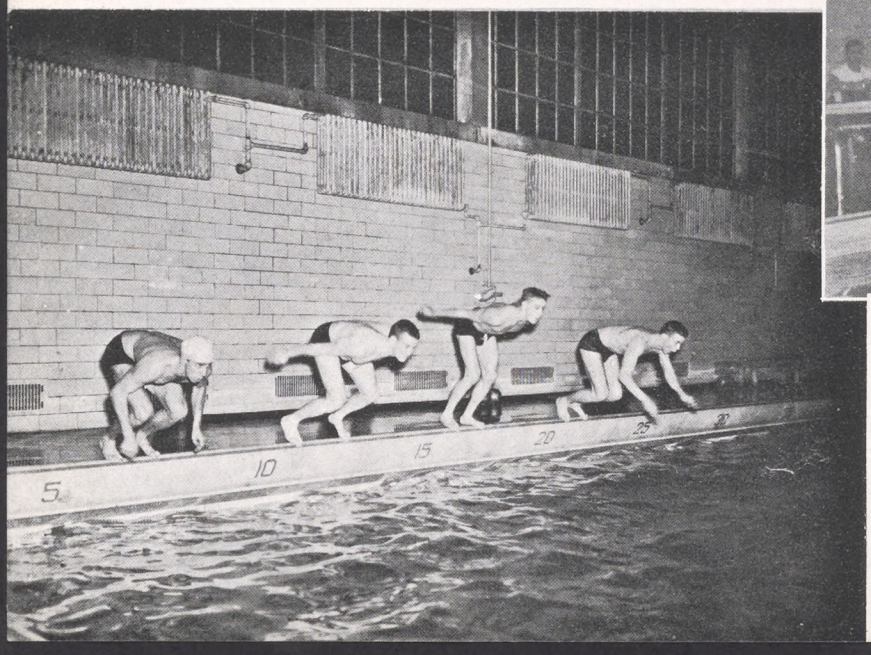

The 1948 season was the greatest ever for E.S.S.T.C.'s mermen. They engaged in meets with six opponents and emerged victorious in all six for the first undefeated campaign ever turned in by a Red and Black swimming team.

Three members of Coach Frank Grimm's outstanding squad went through the year unbeaten. Bill Kelly of Philadelphia copped all the breast stroke events, Reading's Jim Carpousis did likewise in the 220 and 440-yard free style events and Carl Lloyd of Sunbury was second to none in the diving class.

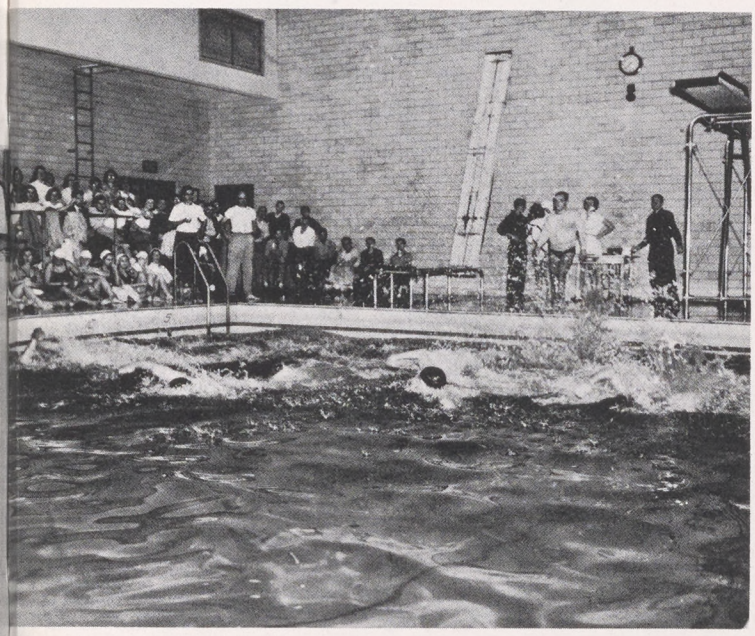

Top: Jim Carpousis, ace distance man.
Right: Jones looks for place to land.

Bill, Kelly, Gene Minor, John Blacheck and Bill Capallo hit the waves in practice session.

CRAWLED THEIR WAY TO VICTORY

Annual interclass meet affords many splashes, laughs and thrills.

Gene Minor in the distances, and Jim Douglas in the 60-yard free style also contributed greatly to the perfect season by piling up points in their respective events. Other pointmakers on the squad who participated in all the meets were Emmet Mariano, Milton Moyer, Lee Spangler, Glenn Brands, Otto Grupp, Sid Manes and Joe Capello.

The team, which is sponsored by the Health and Physical Education Club, had home and away meets with Lycoming, Scranton, Muhlenberg, and Brooklyn Poly. The climax of the season came in the last meet of the schedule when Scranton's crack splashers were defeated in the final event of the meet, 39-36. It was "Jolly Cholly" Grimm's first year as coach of the natators.

Front Row: Jones, Lloyd, Kelly, Capallo, Jones. Rear Row: Drasher, Postetter, Minor, Wiser, Egli, Warner.

GYM TEAM—THEY TAKE TUMBLES

For sheer courage, versatility, hard work and showmanship, the boys and girls who comprise the gym team stand out preeminently in the sports activity program of E.S.S.T.C. The team combines the gymnastic talents of young men and women in a program of varied events based upon a high degree of skill, grace and rhythm.

Schools in New Jersey, New York and Pennsylvania have requested exhibitions by our gym team in their institutions. Since no solicitations are made by the College, the gym team schedule is made only from requests that pour into the office of Mr. Liljenstein, director of health and physical education, and gym team coach.

The outstanding performance of the school year, the Annual Gym Exhibition, is highlighted annually by the breath-taking deeds presented by the members of the team. Each year the exhibition is brought to a magnificent climax by the stellar role of the entire

group. Scintillating performances by Frank Mitman, Barry Barnett, Mel Masonheimer, Bob Weiss, and John Demick among the men and Emeline Albert, Mary Gianetta, Gwen Ashner, Genevieve Kulina and Gloria Peca among the girls have never failed to thrill an entranced audience.

Assisting Mr. Liljenstein with coaching duties of the team is Miss Mary Whitenight, a gym team star in her undergraduate days.

BASEBALL—OUR FORTY "NINERS"

Seated: French, Kelly, Gebler, Kowalchik, Gallagher, Mastro, Strein, Tichy, Roberts, Braue. Standing: Coach Shay, Tegmaier, Derby, Christian, Werley, Schaeffer, Ritinski, Shell, Brosious, Manager Mariano

Coach Ed Shay's diamond nine almost stole the spotlight away from the undefeated trackmen during the height of the year's spring activities as they rolled up eight straight victories before bowing to the highly-touted Eastern Intercollegiate Champions, Lafayette. Panzer then continued to hold the Indian sign over the Big Red apple-knockers when they closed the campaign with a 9-8 come-from-behind triumph on Alumni Day.

E.S.S.T.C.'s brilliant southpaw, Harry Schaeffer, copped his first four starts on the mound for the Warriors. His streak was

snapped in the finale with Panzer when a grand slam homer with two outs in the final inning upset him and the Warriors. Harry later went on to greater fame and glory by chalking up a 12 won, 9 lost record for Manchester in the New England League and also received the honor of making the All-Star team.

Leading stickers for the club were Capt. Nick Mastro and Bob Derby, both clouting the apple well over the .350 mark. Mastro also collected a home run during the season as did outfielders, Mike Kowalchik and Charley Ritinski. Other standouts who performed brilliantly to help hang up the fine 8 and 2 record were pitcher Bob Millard, first baseman Jeff Gallagher, catcher Jimmy Roberts and outfielders Fred Kelly and John Strein.

TRACK—THEY FOLLOWED THE CINDER

Co-captains McCarthy and Heckman, dependable one-two punch, topping the high timbers

Amassing the longest winning streak in the history of the school, the track team turned in another undefeated season. Their last setback was at the hands of Panzer in the '46 opener.

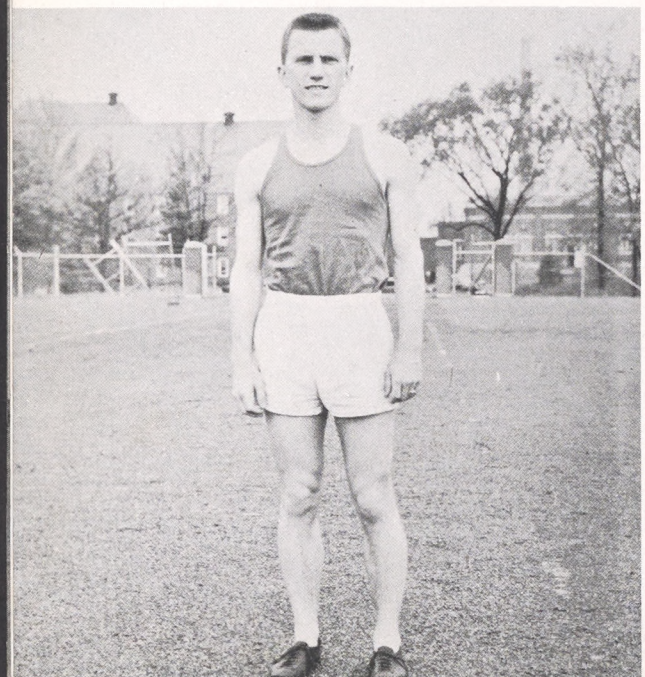

Trenton was the first to succumb on the short end of a 88-38 score. E.S.S.T.C. took ten firsts and swept 4 events.

Next we entertained Panzer on the home cinders in driving rain and mud. Pat McCarthy hit his stride and equalled the school record in the low hurdles. The score was 71-2/3 to 54-1/3. This was the closest meet of the year

Montclair, Bloomsburg and Rider fell prey in quick succession. Co-captain Pat McCarthy set two new school records to become one of the school greats. Little Bill Prater was never fronted in the mile. McCarthy gained additional honors by becoming high-hurdles champion of the State and faring well at Olympic tryouts at Milwaukee.

Other consistent winners were: Co-captain Phil Heckman, Moe Thomas, Jim Douglas, Paul Urda, Bob Franks, Frank Adamavage Walt Williams and Bob Massaferi.

Standing: Coach DeNike, Thomas, Evans, Heckman, McCarthy, Bombe, Douglas, Williams, Daughenbaugh, Capallo, Franks, Urda, Fluegel, Miller, Minemoyer, Schimmel, Hoffman, Moser, Merryweather, Wilson, Latosek, Berger, Franks, Smith, Postettor, Delaney, Coach Welsh.

MEN'S TENNIS—THEY EQUAL

Front Row: Horon, Carvin, Daniels, Garland, Stitzer, Brewer. Back Row: Coach Girmm, Colacichi, Stephens. Marshall, Gutman, Vendzules.

Joe Marshall wields a mighty backhand

Graduation took its toll of Coach Grimm's excellent racquet wielders of two seasons back. As a result the game, but inexperienced members of the '48 varsity squad found that their court opponents had a little more savvy as they attempted to uphold the fine record of 6 victories against 1 defeat registered by their predecessors.

Despite the fact that only three lettermen were on the team, Grimm's charges showed splendid spirit and came up with three wins in their six matches for a respectable .500.

Montclair and Panzer, two old-timers on S.T.C. schedules, were victims of the Warriors. Montclair suffered a double loss to the Big Red netmen by scores of 7-2 and 9-0. Panzer was trounced, 7-2. On the debit side of the ledger, Lafayette and Paterson handed the locals a double dose of kalsomine, 9-0. Trenton found the Indians a little more troublesome but managed to win out, 6-3. Tom Garland, George Brewer, Hal Stitzer and Micker Daniels handled most of the scoring burden with Bob Stephens, Joe Colacichi, Tom Carvin, Joe Gutman and Pete Vendzules ably filling the breach when called upon.

A NET VICTORY

Kneeling: Maiorana, Kemp, Burrey, Platt. Standing: Moll, House, Coach Zimbar, Shafer, Anthony.

WOMEN'S TENNIS

Kemp and Maiorana, Senior racqueteers

Securing the best women's sport record of the year, the girl court masters dropped their only defeat to the outstanding racquet club of the University of Pennsylvania.

The racquetters opened their season by squeezing out Ursinus 3-2. The contest went to E.S.S.T.C. only after Morgantini and Newkirk, newcomers to the court, took the second doubles after three sets.

The following day U. of P. handed us that decisive 5-0 setback which marred our perfect record.

Although "Artie" Houser dropped a heart-breaker in the number one slot, Temple took one on the chin. The rest of the girls recouped to make it a 4-1 victory.

An easy 4-1 over Brooklyn and a 5-0 shut-out over N.Y.U. ended a satisfying season.

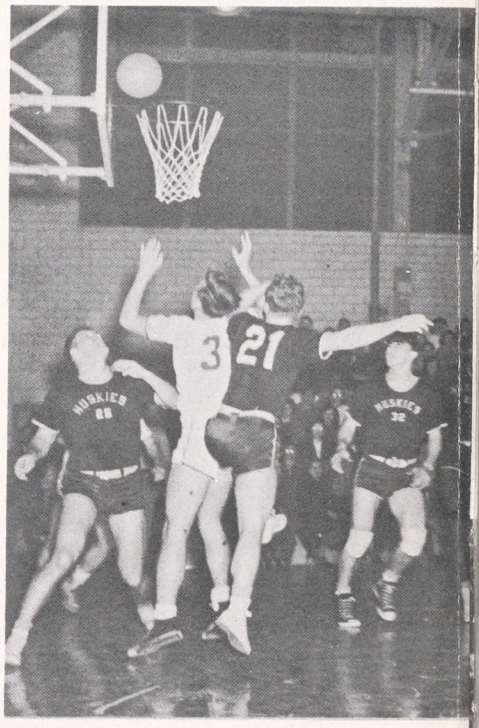

A feature that made the season even more outstanding was the selection of our first singles player, Ardath Houser, to participate in the Middle Atlantic Intercollegiate Tennis Tournament. Her only match went to set but was lost to superior playing. However the honor of the selection was bestowed on E.S.S.T.C. for the first time.

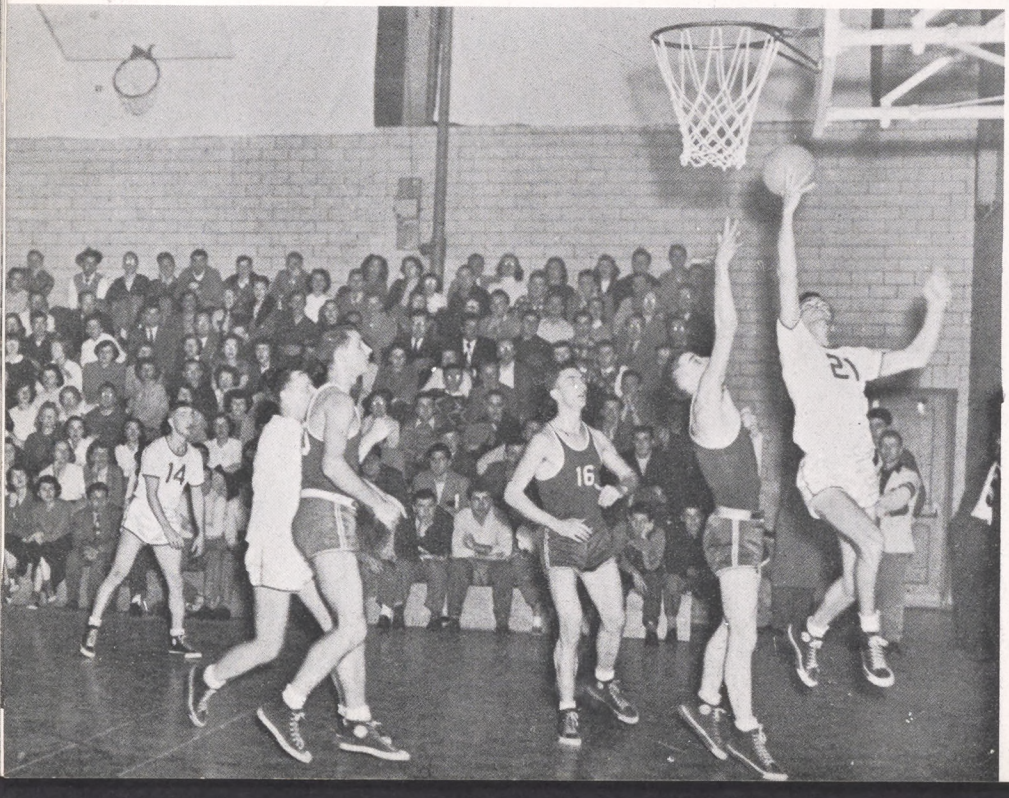

JUNIOR VARSITY BASKETEERS

Kneeling: Hollenbach, Schwab, Garris, Derby, McGlade, Sancinito. Standing: Coach Shay, Boltz, Broadt, Shields, Schmidt, Thiem, DeVidie, Hinkson

VARSITY "S"

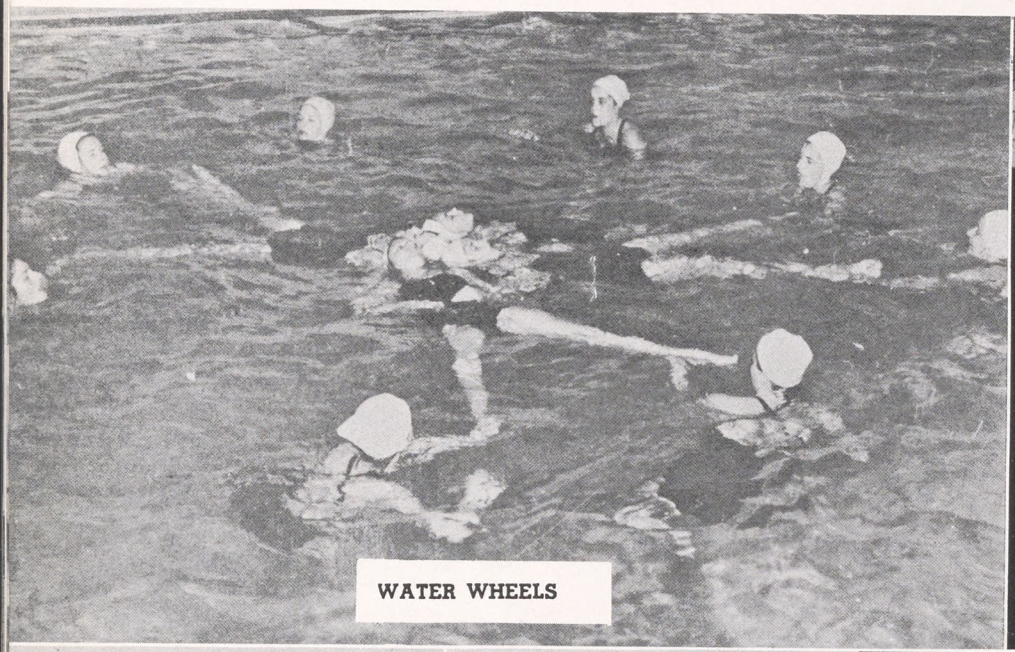

To be the proud owner of a coveted Varsity "S" letter, an athlete must be selected by the coach and be approved by the Athletic Council. The bearer of the letter must prove his cooperative spirit as well as his athletic ability, as the club proposes better understanding and tolerance among its members.

The highlight of the Club's numerous activities is the annual Ministrel, which brought its usual good cheer and rollicking laughter. The end men as always proved their special brand of corn.

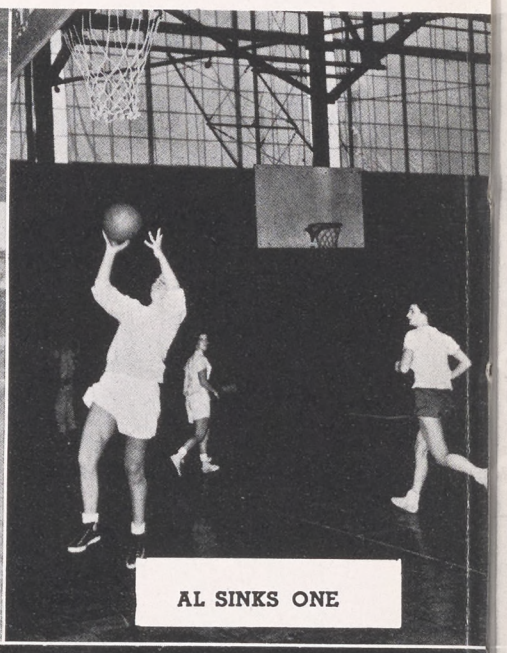

The awarding of Varsity letters concluded the year's work—the ceremony taking place before a mass assembly of the student body.

Front Row: LeVan, Masonheimer, Stephens, Bernosky, Douglas, Jones, Postetter, Kuhns, Gianetta. Second Row: Weiss, Daughenbaugh, Powell, Konczakowski, Smith, Heckman, Nesbitt, Demick. Back Row: Stephany, Fluegel, Davis, Mendsen, Reeder, Betze, McKeen, Musto, Schoenberger, Miss Whitenight.

The 49ers

The years have flown so swiftly by,
Since that first day when you and I
First came to Stroudsburg's classic halls
To find within these lofty walls,
Where wisdom reigns with rule supreme,
That here her lamp will ever gleam.
That here, our torches once alight,
Will send their shafts through darkest night.
Through War and hatred, fear and strife,
And lead the way to better life.
For we have looked on Wisdom's face
And will, in time, partake her grace.

Yes, we the class of 49
Have joined the ever-marching line
Of sons and daughters, who today,
Are fighting for the better way.
Into our hands shall fall the reins,
In factory, farm; in hills and plains
In Market Place, in Camp, in School.
We'll guide, direct, control and rule
And then the meaning will be clear,
Of what we learned in Stroudsburg here.
Why on the gridiron, diamond, track,
We struggled hard to hold them back,
Opponents, worthy of our best,
We gave them all the acid test.
Our victories but spread the fame
That ever clings to Stroudsburg's name.
But if our warriors met defeat,
We learned a team was never beat,
That played the game, and played it fair,
And fought "not as one beateth air."
But fought with muscle, brain and nerve,
With tooth and nail, with zest and verve.
Such valor has not been in vain—
Win, lose or draw, we **won** that game.

We're proud, the class of 49,
To share a heritage so fine.
On Campus, Gridiron, Stage and Hall,
You'll find us there, and one and all.
We've played our roles, and in the part,
Have put our soul and very heart.
In classroom, study hall, debate,
The 49ers threw their weight.
And as the pioneers of old,
The 49ers, searching gold.
Let nothing stand within their way,
When seeking for the "gold dirt pay."

We 49ers must go forth,
To East and South, to West and North.
The mounts of ignorance must be scaled,
The seas of doubting must be sailed.
The desert places must be crossed,
God help us should we here be lost.
The trail is marked with bones that lay
Where those who stumbled in the way.
Last fell—and were the prize not dear,
We would be miles away from here.
But gold is there for him who seeks,
And though our journey from the weeks,
Spreads on into the lengthening years,
We see our visions through our tears.
And stumble on until we see,
The glory of eternity.

—Melvin Masonheimer

WE FACE NEW HORIZONS

The class of '49 isn't one of those little bands that came into our institution four years back and is now leaving again hand in hand. Oh no, that's the way things used to be. But the '49ers are made of different stuff. Among our midst are those who graced these halls in pre-war days, those who hurried through in record time, transfers, and married men and women with families. Greying temples and balding pates are in occasional evidence. Years and worlds of living separate our classmates' thinking. But they are banded together in one spirit of unity.

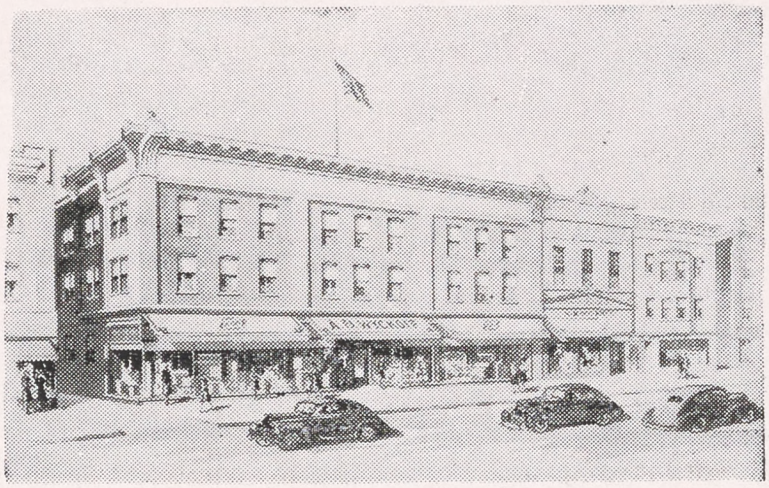

Thirst for knowledge has brought them here. Attempt at self-betterment has landed them together on the threshold of their life's work. The next step is the big one. So far, in the course of our lives, we have been no one place, we have done no one thing, that was intended to be our niche in life. High school was temporary, even years of war have their end, and college years speed quickly by, but the next step is the big one. So look behind, shed a tear for friends departed, shake a familiar hand in a last farewell, then turn around and look ahead. The next step is the big one.

ROTARY DISC MOWERS

Model #1
25" cutting width. 2 cutters. 4 hp. gasoline engine. Capacity — 5 to 6 acres per day.

Short, tall, tough or wiry grass . . . rough, weedy areas — Worthington rotary disc mowers cut down any growths, one inch to four feet tall. Spinning discs make possible this extra-wide cutting range. Overlapped to give a continuous cutting swath, these special alloy steel blades have a double action—they cut the grass and then literally chop the clippings to pieces, leaving the lawn area smooth and clean.

Widely used in parks and cemeteries . . . on golf courses for bunker work and trimming, home lawns and highway approaches . . . along fence lines and wind breaks — Worthington rotary disc power mowers are furnished in five models with cutting widths ranging from 25 to 62 inches. Mower design facilitates close-in work around trees, flower beds, headstones, benches — excellent for cutting grass under shrubbery. Easily adjustable to cut in heights of from one to three inches in smooth, even swaths.

WORTHINGTON 20 ROTARY MOWER

This popular Worthington 20 Rotary Mower is widely used for small area, close quarter mowing. Its narrow 20¾ inch overall width slips between shrubs, edges to within ⅜ inch of obstructions. It handles grass and weed cutting work at parks, golf courses, etc., quickly and easily, and finds particular application at cemeteries where it eliminates much hand trimming around headstones, flower beds, etc. Equipped with a 1½ hp. engine and sturdily built throughout, the Worthington 20 is inexpensive to operate and maintain.
