1953.

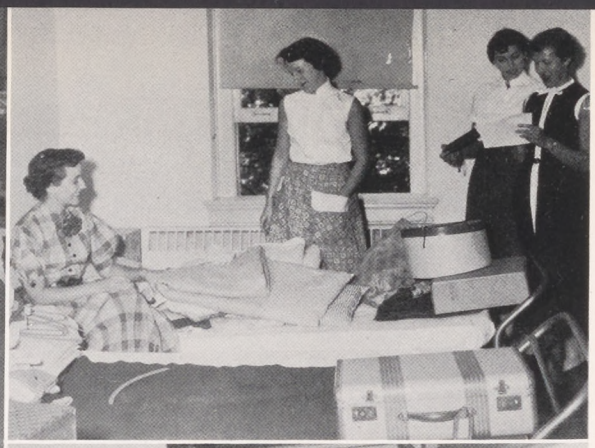

I, the mighty Warrior, Symbol of E.S.T.C., have herewith recorded in my Diary, for the 1953 Stroud, a picture of a college year - from September to May: registration through Commencement, football through baseball, the Presidents Reception through the Seniors' Ball. It is my hope that not only will this book provide a record of the '53 Seniors' last year at E.S.T.C. but also that it will prove to be a representative picture of life at our college for any year and any class.

REGISTRATION

Registration days! Meeting old friends— making new ones — purchasing books — discussing new courses and instructors, the summer job or vacation, getting settled for another semester. All added to the thrill of the return to E.S.T.C.!

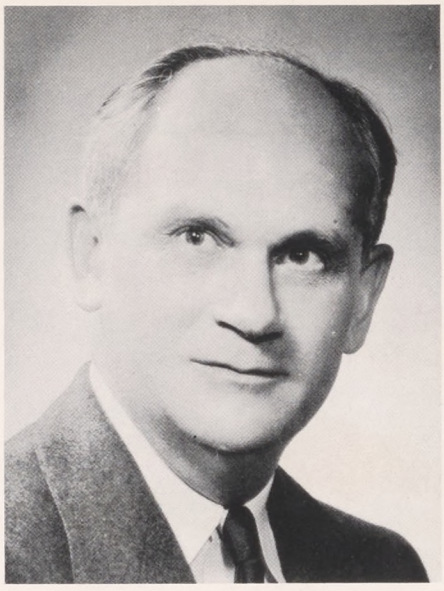

One of the most noticeable changes on campus was the absence of several familiar faces and the addition of several new ones to the

MEMORY LANE

Although "Old Shawnee" has disappeared from the Campus, many pleasant memories associated with this edifice remain.

Familiar faces, like familiar places, are not forgotten either. Even if they are no longer seen on Campus, their friendly smile or pleasant greeting is remembered. It is wished that the years ahead for those who are no longer with us will be as pleasant as they have helped to make our stay at E. S. T. C.

In Honor of Dr. Charles J. Naegle

In September of the year 1920, Dr. Charles J. Naegle entered the then East Stroudsburg State Normal School as director of teacher training.

Prior to that time Dr. Naegle had capably served as principal in high schools at Meadville and Kane, Pennsylvania. From there he went on to greater heights as the supervising principal of the Sanquoit, New York public schools and the city superintendency at Corry, Pennsylvania.

Dr. Naegle holds degrees in public school and college administration from three universities. He earned his Ph.B. and A.B. degrees at Syracuse University, an A.M. from Columbia and a Ph.D. from New York University.

After but two years as director of teacher training at East Stroudsburg he was then appointed to the position of director of extension work. During the years he held this position he traveled extensively in Northeastern Pennsylvania in addition to teaching education and administration courses on the campus.

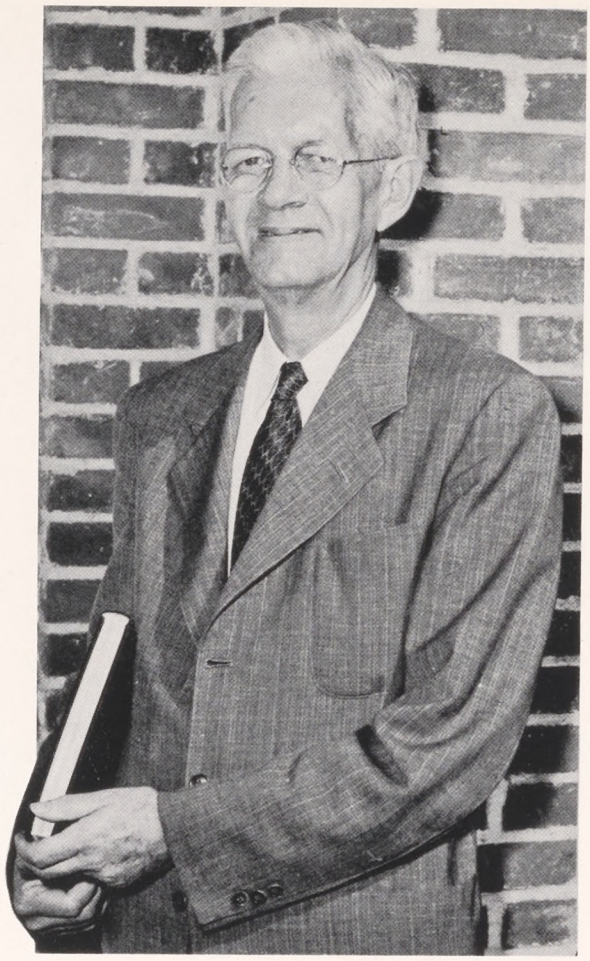

In 1933, upon the retirement of A. D. Wannemaker, Dr. Naegle was appointed Dean of Instruction, a position which he held until his retirement in 1952.

Dr. Naegle has been extremely active as a leader in community life throughout the forty years of his academic career, having been, at one time or another, president of the Stroudsburg Rotary; chairmen to the Community Chest budget; district chairman of the Boy Scouts of America; chairman of the Board of Trustees, East Stroudsburg Methodist Church; a director of the Keystone Building and Loan Association; a member of the advisory board to the Salvation Army and national representative of the Boy Scouts of America from this area.

Of the more than 10,000 students who have been graduated from the college, Dean Naegle has personally seen more than 7,000 receive their degrees. Not one of these seven thousand will ever forget the friendliness, sincere helpfulness and superior leadership Dr. Charles J. Naegle has rendered to each and every East Stroudsburg State Teachers College student.

"Statesman, yet friend to truth; of soul sincere,
In action faithful, and in honor clear;
Who broke no promise, serv'd no private end,
Who gained no title, and who lost no friend."

In Honor of Mr. A. L. Helmes

Last summer death brought down the final curtain on a life filled with devotion to the cause of service for our college and our community. The class of 1953 wishes to pay its deepest respects to Mr. Arthur L. Helmes, who passed away on June 23, 1952, after serving as business manager at ESSTC for the last thirty-two of his sixty years.

Mr. Helmes served in this capacity primarily for the benefits which he could render to the college and to all of its students. In his own way, Mr. Helmes did whatever he could to make ESSTC a better place for all of us.

Born in Brooklyn, New York, on July 25, 1884, Mr. Helmes attended the public schools there. He continued his education in Lynbrook and later graduated from the Brooklyn College of Business.

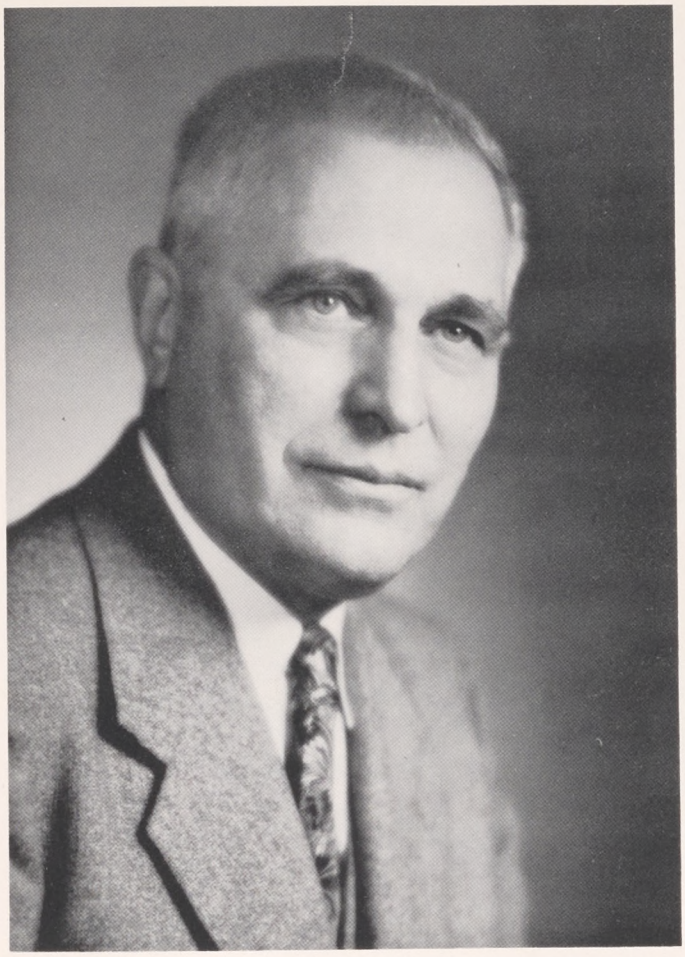

The business experiences of Mr. Helmes were many and diverse and included employment with the Central-American Trading Company of New York City, the law offices of Dorman and Dana, New York City, and with the Delaware, Lackawanna and Western Railroad where he served in the capacity of auditor.

During the First World War, Mr. Helmes was employed as foreman of the Alpha Portland Cement Company. Later he served as Assistant to the Manager with the Housing Division of Ingersoll Rand Company. He also operated a real estate business of his own, served as Superintendent of the Stewart Contracting Company, and represented the First National Bank of Stroudsburg and the Scranton Trust Company as both Treasurer and Assistant Manager at a large resort hotel in the Poconos.

In 1920 Mr. Helmes became Business Manager at ESSTC, which, at that time, was still a State Normal School.

At the time of his death, Mr. Helmes was a member of the Baptist Temple, in Brooklyn; Barger Lodge 325, F. and A. M. of Stroudsburg; a charter member of Lehigh Consistory, A.A.S.R. of Allentown; a past president of the Stroudsburg Kiwanis Club; a member of the executive board of the Monroe County Crippled Children's and Adult's Association; and also a member of the executive board of the Monroe County Chapter of the American Red Cross.

Mr. Helmes was a tireless and conscientious worker—one who put all of his heart and soul into his work for the good of all concerned. There comes a time when every person must be held accountable for his past record. In that final analysis, perhaps no higher tribute could be paid to any man than the statement, "He performed his duties well."

In Honor of Dr. Thomas J. Breitweiser

At the close of the 1951-1952 school year, Dr. Thomas J. Breitwieser retired from active administrative duty at ESSTC. Dr. Breitwieser came to the college in 1926, the same year it was accredited as a State Teachers College. He previously taught in Tipton County, Indiana; a teachers college at Terre Haute, Indiana, and was for a number of years the Dean of faculty at Ball State Teachers College in Muncie, Indiana.

Dr. Breitwieser was named to the position of director of the East Stroudsburg Laboratory School in 1926. Fourteen years later, in 1940, he became Director of Teacher Training and Placement, the position he held until his retirement.

After receiving his A.B., A.M., and Ph.D. degrees from Indiana University, Dr. Breitwieser began teaching in 1904. He also continued his studies by doing graduate work at both Columbia University and New York University.

Dr. Breitwieser has been extremely active in community life throughout the 26 years of residence in East Stroudsburg. He is past president of the Kiwanis and in the past has served on the board of directors of the Chamber of Commerce and in an executive capacity with the American Red Cross. Even though retiring, Dr. Breitwieser expects to have more than enough to do with the responsibilities of his other activities. He is president of the East Stroudsburg National Bank, president of the Keystone Building and Loan Association, a member of the board of trustees of the East Stroudsburg Presbyterian Church, a director of the General Hospital of Monroe County, and is active in the work of both the Children's Aid Society and the Monroe County Crippled Children's Association.

We miss the familiar and distinguished figure of Dr. Breitwieser seen so often on campus. He was especially helpful to the seniors. As Director of Teacher Training and Placement, he took a personal interest in those individuals with whom he came in contact. Dr. Breitwieser leaves behind him an impressive record that may well serve as a model for us as prospective teachers.

Athletics are always in the limelight at E.L.L.T.C., regardless of season. Our Health and Physical Education Department produces high quality athletes, who are always striving for perfection, in sportsmanship as well as in skill. All students, no matter what their curriculum may be, follow closely and fiercely support their favorite sports whether the team be winning or losing. We are indeed proud of the season's record.

The 1952 Warrior football squad was one of great potentialities and had the ear-marks of being a top team in the State Teachers College conference. The promises of early season practice were fulfilled in a powerful offensive which proved destructive to the defense of the opponents, a superb defensive unit built around a few exceptional line backers who seemed to diagnose plays before they were started, and towering linemen who knew their job and did it well.

The season's record, although not impressive, must be called a success. The split-T formation was used this year for the first time and it proved a success even though the team was plagued by injuries through the entire season.

Respect is deserved by a fighting team for a job well done and to coaches Martin, Grimm and Ockershausen goes credit for the fine coaching which molded this splendid fighting machine.

The opening of the 1952 soccer season was marked by great expectation on the part of the student body as well as the players themselves. The reason for this was that only a few lettermen had been lost from last year's team which had lost only one game. Spirit ran high and mounted as the season progressed.

Such enthusiasm was warranted as Coach Denike's Warriors defeated their first two opponents and then battled a highly favored West Chester team to a tie. Victories for the balance of the season made this year's team the fourth to boast an undefeated season in the history of the college.

Special recognition should be accorded Joseph Maioriello, senior co-captain, for his outstanding play and team leadership at the center half-back position.

Overpowering all of their opponents, the 1952 field hockey team, under the direction of Coach Katherine Griffith, completed an impressive and undefeated season. The final count in the scoring column was a total of twenty-five goals for the Warriorettes as compared with a total of two tallies for all the opposition combined.

Eight players: Mary Jane Zimmerman, Captain Ethel Moyer, Nancy Noll, Marjorie Morrell, Grace Asberry, Bea McLaughlin, Doris Zerby and Edna Michener climaxed the season for the Normal Hill contingent when they were named to all-college teams at the annual Intercollegiate Tournament.

ESSTC is exceptionally proud of Mary Jane Zimmerman, the team's outstanding goalie, who played on the All-Philadelphia second team in the U. S. Field Hockey Tournament at Sweet Briar College, Virginia. Here she held her opponents scoreless in each of the three games she played.

Wrestling

Although a comparative newcomer to the campus sports scene, wrestling is one of the most interesting varsity activities. Against strong and experienced competition every season the wrestling squad has had difficulty in posting a winning record. The underlying reason for this lies in the continual lack of experienced material, an element more essential to wrestling than to most team sports. This year's squad has had to replace five varsity men who could no longer compete because of graduation or student teaching. Only a few of the new candidates have had any previous experience. As usual, however, a large group of men turned out for practice early in December and immediately buckled down to hard work in anticipation of a successful season. ESSTC wrestling fans may look forward to seeing their team prove its worth in future matches.

The beginning of the winter sports season finds the gymnasium a beehive of activity as members, old and new, strive to obtain a position on the renowned college gym team. Many hours of intensive training are required to form a unit which will display the many intricate techniques necessary to perform on the parallel bars, rings, horses and mats or to carry out the precision marching drills which West Point Cadets might envy.

The gym team represents our Health and Physical Education department. Their range of travel is extensive and their program is highly regarded and in constant demand.

Under the direction of Mr. Oscar J. Liljenstein, head of the Health and Physical Education department, and his capable assistant, Miss Mary Whitenight, the gym team performs in faultless fashion and leaves a lasting impression upon those who witness their exhibitions.

Women's Basketball

This year, under the very capable coaching of Miss Zimbar, the Warriorettes have exhibited speed and skill on the court. This type of play features motion on the pass from player to player.

The ESSTC lassies opened the first basketball game of the season by defeating Cheney STC with a score of 47-35. Although Cheney displayed a fast team, the girls from Normal Hill proved to be even faster.

On February 7th, the Zimbarettes met and defeated a weak Misericordia team by the score of 46-17.

Our team possesses an aggressive offense as well as a strong defense. The possibilities for an undefeated season are anticipated. Credit should be given Carol Mosser who has played outstanding ball here at ESSTC for the past four years.

FIRST ROW, LEFT TO RIGHT: Dicks, Michener, Demianko, Asberry, Schussler, Zerbey, M. Zimmerman. SECOND ROW, LEFT TO RIGHT: Miss Zimbar, Coach; Lythgre, Bleichart, Moran, Kramer, Mosser, Roberts, Manager. THIRD ROW, LEFT TO RIGHT: Yeagle, Fertick, Rowe, Hecht.

FIRST ROW, LEFT TO RIGHT: Mr. Denis Coach; Davis, Anderson, Kaseman, J. Maioriello, Mellman. SECOND ROW, LEFT TO RIGHT: Sloan, Black, Alexander, Gatto, Slayback, Clark, Wood, Manager. THIRD ROW, LEFT TO RIGHT: T. Murray, Manager; D. Lutz, Miles Steele, Palmer.

Chris Denis, ESSTC's new basketball coach, has wasted no time in whipping into shape a team which is hard to beat. Every game, whether won or lost, has been a closely contested one, and the fighting spirit shown by the members of the team is characteristic of our athletes. Having won five of the first seven games, the Warriors are looking forward to the completion of an exceptionally successful season.

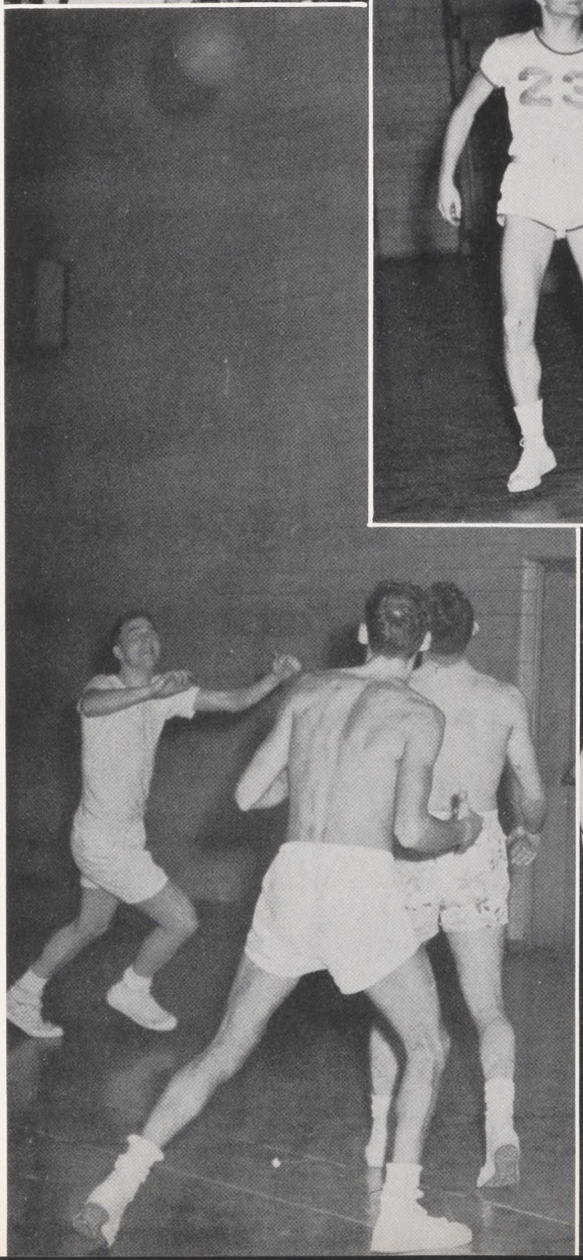

As only four seniors will not return to the team next season, and as the Junior Varsity team stands ready to fill any vacancies with excellent players, the outlook for future seasons is extremely bright.

The parting seniors; Maioriello, Miles, Alexander and Anderson, will long be remembered at ESSTC for their contribution to the fine team which was molded under the direction of Coach Denis.

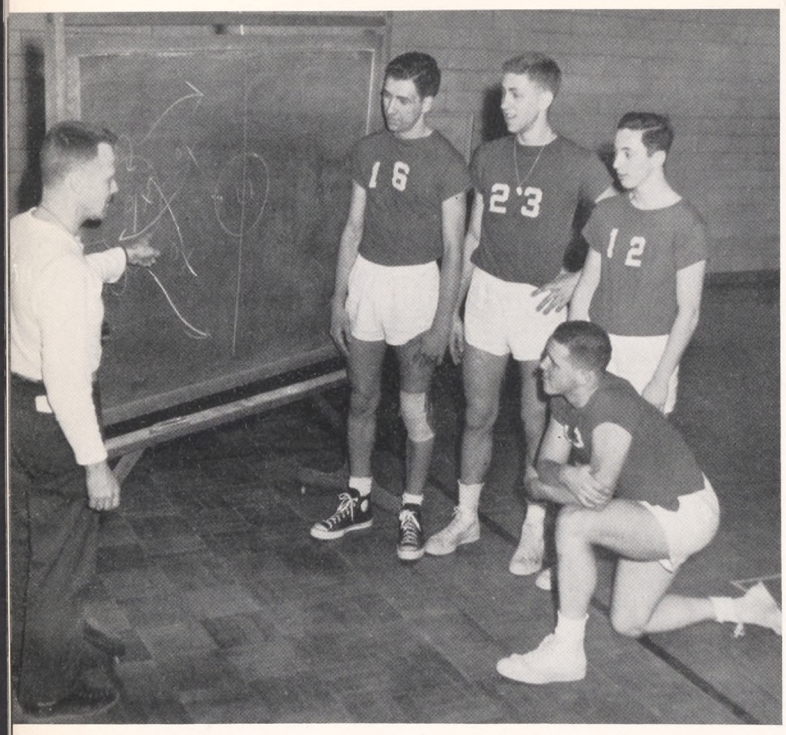

Men's Basketball

LEFT TO RIGHT: Mr. Shay, Coach; Bussolari, Colonius, Newell, Clark.

J. V. Basketball

Coach Shay's J.V. Cagers have really come up in the eyes of sport's fans at ESSTC this season. With such new material from the freshman class and transfers he has developed a good team ready to step into the places of some of the senior varsity players when they make their farewell plays of the season. Among those men our attention has been drawn to such outstanding exhibitors of fine basketball as Ray Bussolari (all state from Massachusetts), Ronnie Bellows with his very fast and decisive action, Bill Curran with his good set shot, and Jim Matthew with his expert ball handling. These are only a few, but all the rest of the team have shown a fine spirit of sportsmanship and good basketball. Coach Shay deserves a lot of credit for a good job.

LEFT TO RIGHT: Shaw, Hartman, Gribbins, Linder, Sidoti, Manager; Mr. Shay, Coach; Bellows, Quinn, McNeilus, Kern.

Sponsored by the Health and Physical Education Club and coached by Miss Katherine Griffith, the Archery Club is one of the biggest drawing cards for women students at East Stroudsburg.

Although archery is not considered a varsity sport at the college, the girls participating in this activity have competed with other teams on the varsity level. Matched with Temple University last spring, the Robin Hoods from ESSTC displayed their talents expertly, losing by a very close margin.

In competition the Columbia Round is used. This consists of 72 arrows; 24 at 50 yards, 40 yards and 30 yards respectively.

Women's Tennis

Coach Mary Whitenight's charges turned in an impressive record this year, emerging victorious in four of six matches. The net lassies got off to a favorable start by shutting out their Drexel opponents. Upon returning to the home courts, an inspired team entered its first defeat in the record book after bowing to Ursinus. Winning style returned to the ESSTC charges when New York University invaded our campus. The trip to Swarthmore resulted in a close contest as the team suffered their second and last defeat of the season. For the last intercollegiate match the team travelled to Philadelphia to meet a powerful Temple University seven and overtook them in an exciting finish—a fitting climax to a successful season.

The final match of the season was a victorious one for the women Warriors as they set back their predecessors—the Alumnae.

Men's Tennis

Under the guidance of Coach Grimm, ESSTC's "Racketeers" concluded a very successful season. After getting off to a shaky start by losing to a powerful Panzer team, the charges of Coach Grimm shook off their sole defeat and emerged victorious from their next five battles.

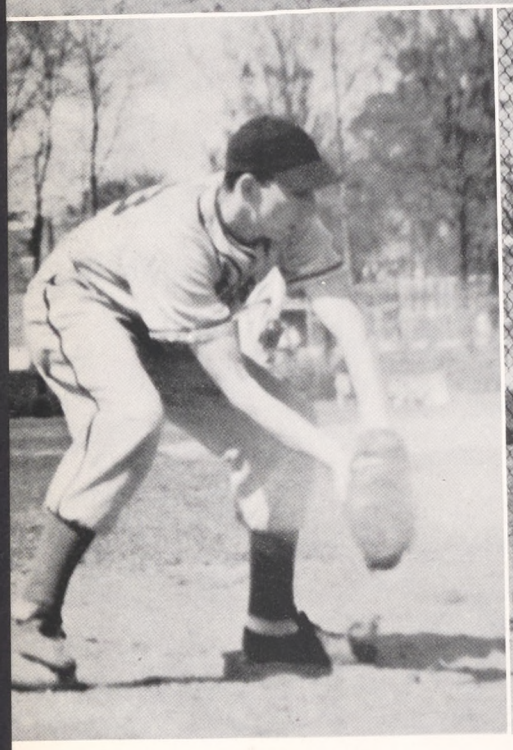

There will be a definite problem this coming season trying to replace such stalwarts as Malik, Maioriello, McAndrews, Garrett, Alexander and Schmidt, who have, or will be, lost through graduation. The student body may be assured that even under these difficulties, Coach Grimm will turn out a team of which they may justly feel proud.

Baseball

In the spring of 1952, the ESSTC baseball nine turned in a creditable record of five wins, three losses and one tie. As a team, the players pounded out eight home runs, eleven doubles and six triples, while it held the opposition in check with fine defensive play. In order to better this record, Mr. George Ockershausen, in his second season as baseball mentor, must build a new keystone combination and discover a few new outfielders to replace those lost by graduation. The team will be bolstered by the added experience of a pitching staff which has not lost a hurler. To receive their pitches, Hobart Hutchins will be returning for his fourth season behind the plate. In the infield Harold Sisco and Lyle Krall will repeat their outstanding performances of the 1952 season at third and second base respectively. Art Schaare, an outstanding hitter and center fielder, will again play in the outfield. With this group of returning lettermen and several new prospects, the 1953 college nine should turn in an impressive record.

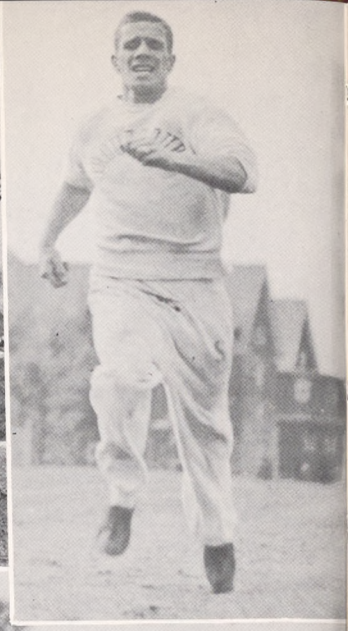

FIRST ROW, LEFT TO RIGHT: Murray, Herring, Hutchins, Martucci, Pritchard, Co-captain; Bachtell, Reitz, Conrad, Cramp, Ochershausen, Coach. THIRD ROW, LEFT TO RIGHT: Spillane Mellman, Sisco, Foley, Steever, Shull, Krall, Hess.

A fast stepping group of runners, headed by Captain Mark Nejako, turned in a fine record in 1952. Thrills were plentiful and action was assured as our speedsters burned the cindered path to victory. The West Chester team proved to be the major obstacle as it handed the ESSTC squad its only setback. The Warriors rose to victory in the remaining meets and captured fourth place in the State Teachers College contest.

Mark Nejako and Art Nuss were consistent winners for our team and with them must be mentioned the fine showing made by Bob Brown, Donald Lewis and Bob Williams. The returning lettermen will have a great burden to shoulder in order to turn in as splendid a record as has been set by previous teams, but under the watchful eyes of Coach Denike successful seasons in the future are assured.

Track

The men on the field team combine strength and speed of reflexes in a coordinated effort to win points in the weight and jumping events. The training necessary to develop a flawless technique is often grueling, complex, and sometimes discouraging, but when the scores are totaled the dividends are paid in the form of victories for these spirited Warriors of ESSTC.

Honorable mention is due Tom Grater, Roger Neilson, Dean Currier, Andy Levendis and Bob Rhiel for the splendid contributions they made to the team effort. The success of next year's team will depend upon a few returning lettermen and an anticipated large group of new candidates.

A bit of the success of the athletic teams this year can be attributed to this vivacious group of girls, the cheerleaders, who led a cheering section at every home event. The limelight was theirs during pep rallies which they organized to bolster the spirit of the athletes.

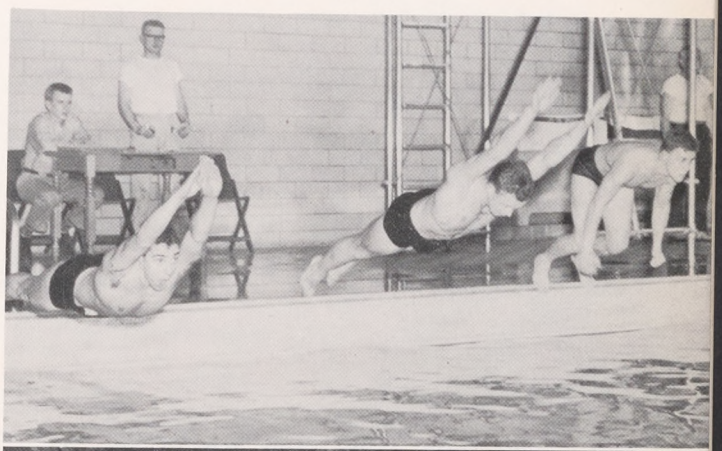

ESSTC cheerleaders are usually selected in their freshman year. After serving four years on the squad the graduating cheerleader is awarded a varsity letter.

Our hats go off to this group of girls who prove each year that school spirit needs the leadership they are capable of providing.

Swimming

Swimmers ready! On your mark! Get set! Go! This familiar call of the starter is always the high point of excitement as the swimming Warriors of ESSTC battle for berths on the team which meets some of the strongest competition in the East.

Under the direction of Coach Grimm these men have put in many hours of grueling practice in order to be able to face such formidable foes as Lafayette, West Chester and Long Island University. With such stalwarts as Mayrovitz, Roberts, Conrad, Shollenberger and Deffinbaugh returning to form the nucleus of the group, the forthcoming season promises to be a victorious one.

When the call of the last starter's signal has died and the final gun shot has faded, when the biggest splash and the smallest ripple are gone, and the pool lies calm and blue, ESSTC may well be proud of her swimming Warriors.

Donald Bachtell, left, was nominated to the 2nd All-American soccer team, while Fred Gahres, right, received All-American honorable mention.

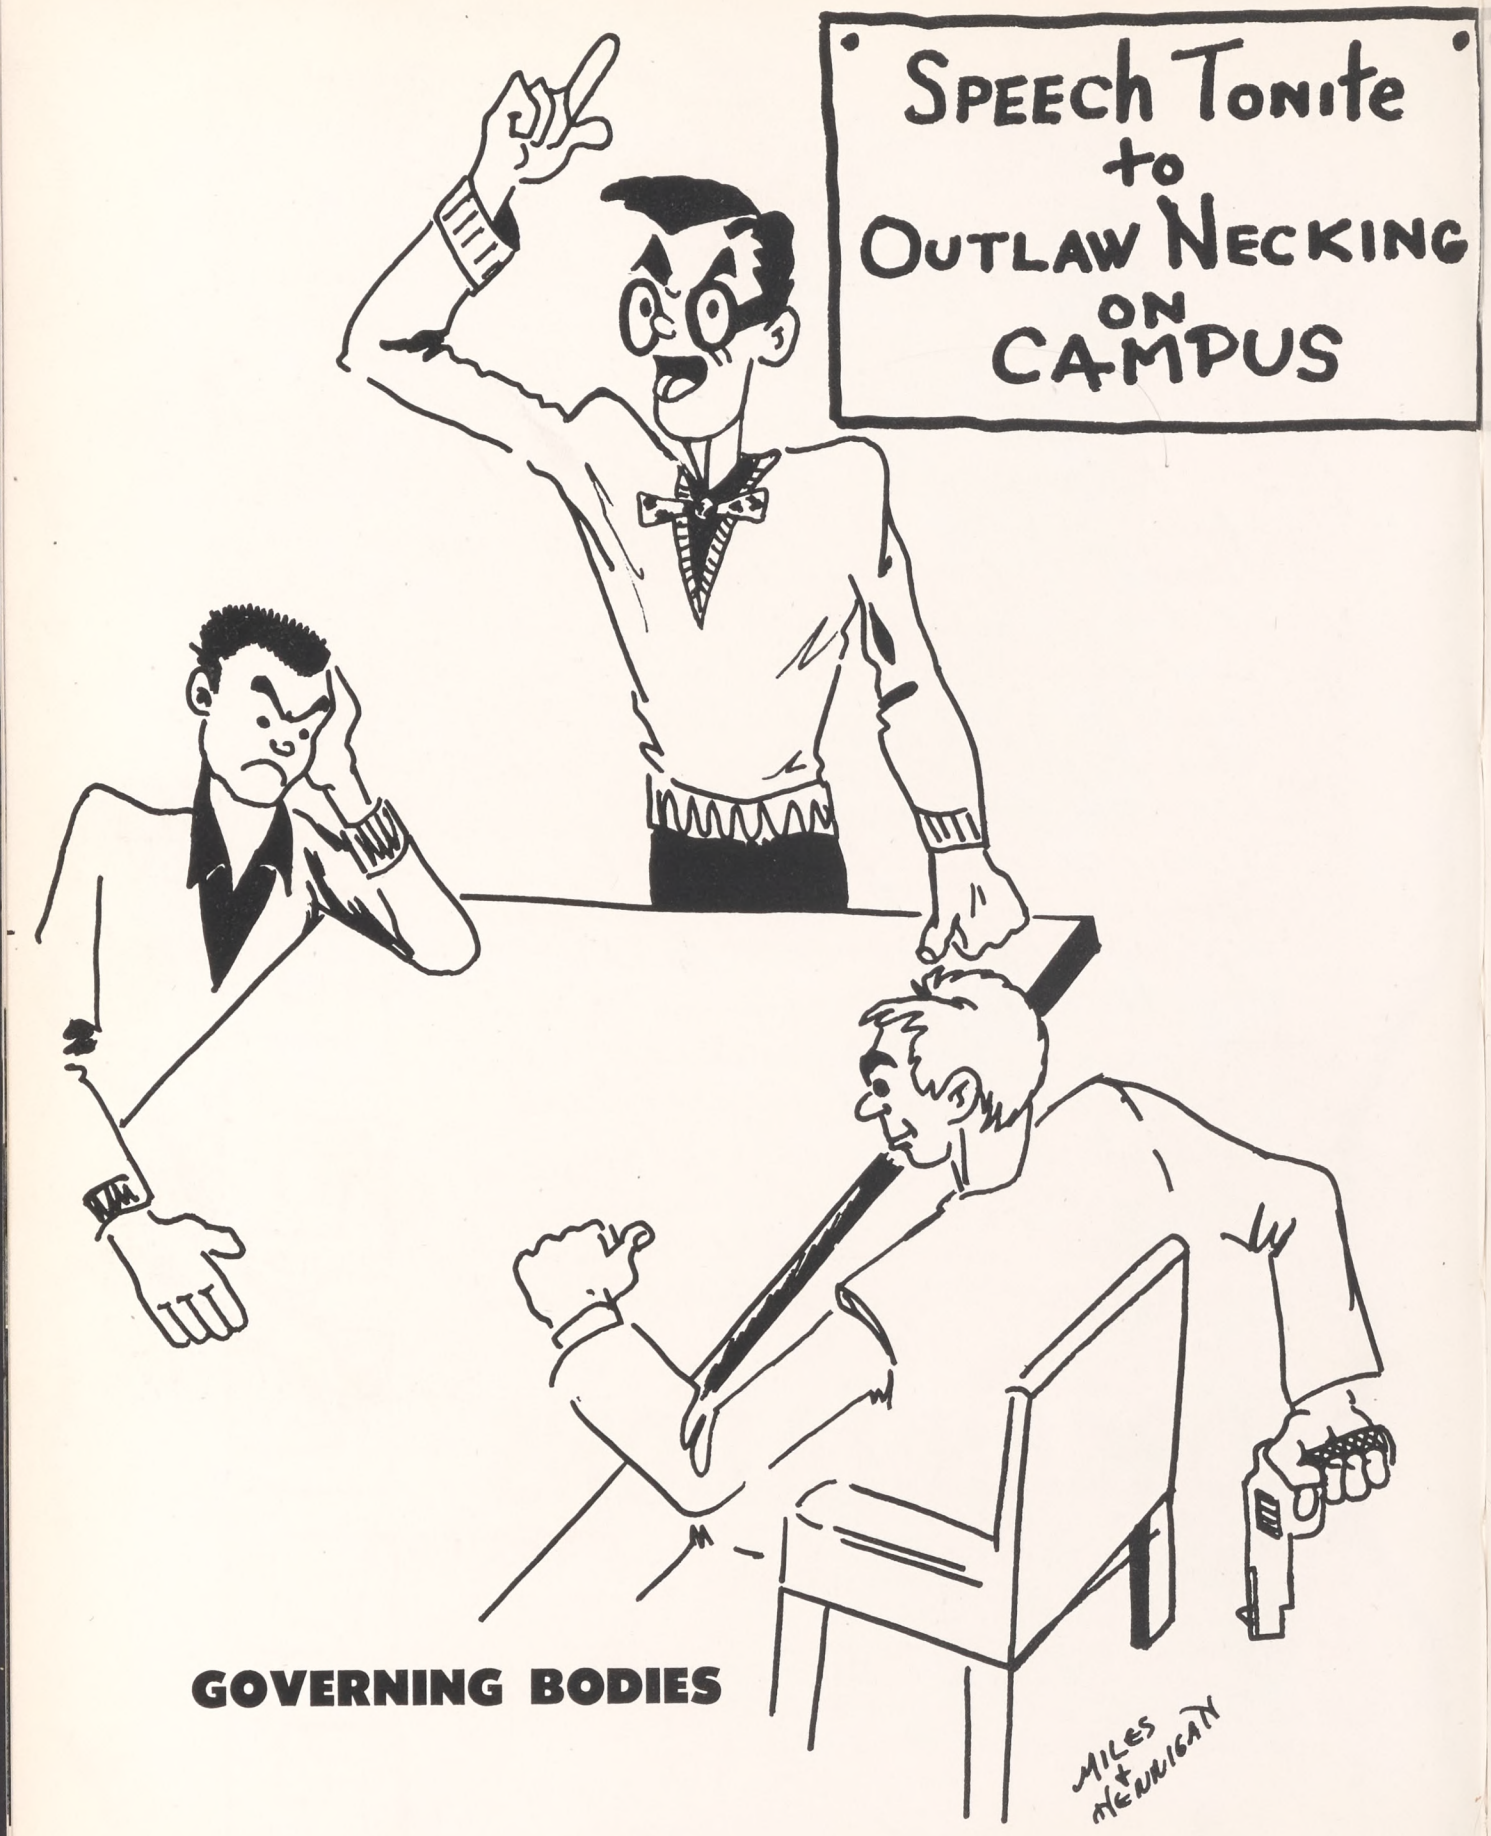

Mary Jane Zimmerman was ESSTC's All Philadelphia representative at the National Field Hockey Tournament.

ESSTC is proud of Janet Dicks, who was a United States representative at the recent Olympics held at Helsinki, Finland.

Representing a vital part of our program of teacher-preparation are the extra-curricular organizations, wherein each student may easily find an interest to develop. The honorary societies, which recognize excellence in various fields; the governing bodies, which give their members valuable experience in democratic processes; the specialized activities, catering to particular subjects and interests— all aid in the education of a well-rounded teacher.

Student Senate

The Student Senate, the executive body in charge of student government, is made up of elected members. The senators are elected annually from each class and the president is elected from the college-at-large.

One of the most important responsibilities is allocating money to the various councils and executive committees according to budgets set up by the Senate. The Senate supervises and conducts elections, reviews the minutes and audits the books of all student organizations, and, in general, assists in the betterment of the student body and organizations. Within the Student Senate lies the power to propose amendments to the constitution to be adopted by the student body.

SOCIAL COUNCIL. The Social Council serves the student body by sponsoring the major social activities of the college year which are not class functions. The council also maintains certain equipment which can be borrowed by other organizations for use at their social activities. The music played in the dining hall is also the responsibility of this council. As do the other councils, the Social Council operates on a budget of appropriations from the Student Senate.

ENTERTAINMENT COUNCIL. The Entertainment Council is in charge of all arrangements for such activities as concerts, lectures, dramatics and holiday celebrations. This council makes capital expenditures, selects at least one assembly program each year, and is instrumental in providing much of the organized entertainment at ESSTC.

PUBLICATIONS COUNCIL. The purpose of the Publications Council is to manage all details relating to publications that may be initiated by the student body. The council determines the general policies of the student newspaper and must approve the staff of the senior yearbook. Studies are made of comparative costs of various types of publications that may be initiated.

COOPERATIVE BOOKSTORE. The Cooperative Bookstore is a member of the National Association of College Stores. It is operated for the benefit of students by a committee of students and administrative officers. The store carries educational textbooks, wearing apparel required for classes in health education, and other necessary equipment required by the students.

WOMEN'S EXECUTIVE COUNCIL. The Women's Executive Council promotes the welfare of all women students through happy cooperative living and helps each woman student adjust to college life.

The members of the council, who are elected annually, work in cooperation with the Dean of Women and carry out the entire social program for the women students. This program includes four class teas, an annual fall party and the examination week chocolate fest. The women's quiet lounge, the kitchenette and the "Gay M" room are under the direction of this council.

MEN'S EXECUTIVE COUNCIL. This council is the chief governing body of the men's student government organization. This organization's duties consist of the sponsorship of the men's social program during the year and supervision of freshman regulations. Meetings are held for the discussion of, and recommendations concerning, dormitory procedures. The chief aim of the group is to assist with the communal welfare and to encourage each student to become more self-directive.

ATHLETIC COUNCIL. This group includes representatives elected from the four classes. It's chief functions are: to determine policies, approve expenditures, prepare annual budgets and to approve recommendations for varsity letters.

In the spring of each year the council is in charge of an assembly program which is held to award varsity letters to those team members who are eligible.

FTA. The Thaddeus Stevens Chapter is the student branch of the PSEA and NEA and includes in its membership the entire senior class.

The Executive Council is made up of four members of the faculty who are appointed by the president of the college, a president of the chapter chosen by the executive council from its own members and nine members elected by the class. This council has the duties of familiarizing chapter members with the purpose and function of the organization, assisting the chapter president with the registration of the new members and submitting a budget for chapter approval.

At meetings held once every month such topics as public relations, budget, professional ethics and interviews are discussed.

The purpose of this organization is to provide a professional background for student teachers and to develop a practical understanding of the relationships that should prevail among future teachers and those agencies with which they are affiliated either in whole or in part.

WRA. The purpose of the Women's Recreation Association is to provide individual and group recreation to all women students. It offers both physical and social activities for women at the college. Its activities include bowling, horseback riding, hiking, card tournaments, knitting and swimming. Special activities include a winter weekend at Pocono Manor. The highlights of the year are the sponsoring of dances, a fashion show and the supervision of social activities in the women's recreational room.

MRA. With Mr. Chris Denis, assistant dean of men, at the helm, the newly organized Men's Recreation Association has come to the forefront this year in the list of active organizations on campus.

The purpose of the organization is to form and motivate recreation, interest and hobby clubs for all men students. In cooperation with the WRA, the MRA sponsors roller skating, picnics, square and round dancing, ping-pong tournaments, checkers and chess.

All men have different interests and hobbies. The MRA has plans to fulfill these interests to the fullest extent.

HONORARY SOCIETIES

KAPPA DELTA PI. Kappa Delta Pi is a national honor society in education. Its purpose is to encourage high scholastic standards among its members and to recognize outstanding contributions in the field of education.

Membership in Kappa Delta Pi is limited to those juniors and seniors who have maintained high scholastic averages and have demonstrated qualities of leadership and high character. The bi-weekly programs feature speakers or panel discussions in the general field of education of special interest to teachers. The Gamma Xi chapter was established at ESSTC in 1931.

WHO'S WHO. "Who's Who Among Students in American Universities and Colleges" is a nation-wide publication which recognizes outstanding achievements of college students throughout the United States. The qualifications considered in making the selection of these students are: the student's scholarship, his cooperation and leadership in academic and extracurricular activities, his citizenship and service to the college and his promise of future usefulness. The publication includes students from 650 colleges and universities. Each student receives a certificate of recognition, benefits of the organization's Student Placement Service, and recognition in the publication for the year for which he was selected, in the form of a write-up of his college and personal record. The 1952-53 edition of "Who's Who" will include twelve ESSTC students.

ALPHA PSI OMEGA. Alpha Psi Omega was organized as a national honorary dramatic fraternity on August 12, 1925. The fraternity has grown in popularity throughout the United States until now there are 300 active chapters.

Iota Omicron is the name of the cast at ESSTC. The purpose of the cast is to provide an honor society for those doing a high standard of work in dramatics and incidentally, through the expansion of Alpha Psi Omega among the colleges of the United States and Canada, provide a wider fellowship for those interested in the college theater.

The members of the organization endeavor to develop dramatic talent and the art of acting, cultivate a taste for the best in the drama and foster the cultural values which dramatics develop.

ALPHA PHI OMEGA. Delta Upsilon is the local chapter of Alpha Phi Omega, national service fraternity, which is composed of college men who are or have been affiliated with the boy scouts. To be eligible for membership, candidates must have a satisfactory scholastic standing and a desire to render service to others.

The purposes of this fraternity are to develop friendship and to promote service to humanity, to the country, to the community and to the college program. Activities sponsored by the local chapter include a boy scout camporee for the local boy scouts, blood donor drives and flower sales for the college dances.

GAMMA THETA UPSILON. Gamma Theta Upsilon is an honorary national professional fraternity in geography which is open to men and women. Membership is extended to any student who is majoring or minoring in geography and who has met the necessary scholastic requirements. The purpose of this organization is to further geographical knowledge. Its program includes trips to geographical conferences throughout the nation, discussions pertaining to many branches of geography and field trips of a diversified nature.

SIGMA ZETA TAU. The Tau chapter of Sigma Zeta is a national honorary science society. Those eligible for membership are juniors and seniors majoring or minoring in science and mathematics who have achieved a satisfactory scholastic standing in their field of specialization.

The purposes of this society are to encourage and foster the attainment of a knowledge of the sciences and to recognize the attainment of high scholarship in the special fields of science and mathematics. Activities of this organization include speakers representing various fields of science and educational trips throughout the state.

Blue Pencil Club

The Blue Pencil Club, in which membership is unrestricted, aims to promote interest in worthwhile literature. The club frequently features guest speakers well versed in literature. Panels, comprised of members, discuss topics of literary interest.

The main project of the club is the Annual Blue Pencil Contest, which endeavors to encourage creative writing. The winners are honored at an outing at which they read their entries.

Le Cercle Francais

Le Cercle Francais welcomes to its membership majors and minors in French as well as students who have studied French in high school and are interested in the language and country. The biweekly meetings feature programs of French songs and games and include interesting speakers on France and its customs.

An annual event is a trip to New York City where the club visits various French cultural centers, plays or movies.

Women Day Students

Led by able officers and advisers, both the men's and women's day student organizations have developed into functional groups.

The women's group has for its executive department, Georgia Russopolus, President; Vivian Amhurst, Vice-President; and Carolyn Brown, Secretary-Treasurer. Under the able direction of advisers Dr. Cleaver and Miss Brown the activities of this group included a picnic at Dr. Cleaver's home near Saylorsburg and a Christmas party in the day student rooms in Stroud Hall.

Headed by Edmund Jago, President; Thomas Smith, Vice-President; Bill Chamberlain, Secretary; Jerry Fritz, Treasurer; and Mr. Wimer, Adviser, the men's day student organization moved into its new location in Shawnee Hall on January 28. The highlights of the year for this group were a party-picnic sponsored in cooperation with the women day students and a Christmas party held at a nearby resort hotel.

Together, these two organizations number over a hundred students who live in or near Stroudsburg and East Stroudsburg.

Euclidean Club

This organization is composed of students interested in the teaching of mathematics. Its purpose is to acquaint its members with the procedures of operating such a club, to review mathematical historical events and to give members experience in the application of mathematics to everyday life.

A. C. E.

The attainment of the ability to understand and interpret children's actions and needs is the ultimate goal of the A.C.E. Learning how to help a child become a good citizen by guiding him in acquiring the social and educational knowledge which will lead him in a high quality life is an important aspect of this organization.

Its general purpose is to introduce members to the philosophy of elementary education.

Mask and Zany

Play production is an activity so highly technical that it requires the services and resources of a large dramatic association such as Mask and Zany.

In cooperation with Alpha Psi Omega, Mask and Zany produces one play each semester and also a Christmas pageant.

It is a rule of the club not to have its members specialize in any one field, but to shift from job to job so that all will get a taste of every phase of play production.

Majorettes

This enthusiastic and talented group highlight the fall sports events. They not only brighten our campus with their color and talent, but also participate in those town events in which the college band plays a part. Their ever-ready willingness and ability add to the enjoyment of our sports fans.

Band

The college band is an organization for men and women students who are interested in instrumental music. The repertoire of the band includes numbers that are classical, semiclassical, religious, popular and novel. The main duty of the organization is to perform at all home football games. It also marches in the local parades for Armistice Day, Hallowe'en and Christmas. The band performs for one assembly each year and one of the highlights of the organization is a Spring concert held in May. The performances of the band convey the college spirit that is so necessary to college life.

Chorus

The College Chorus is composed of those young men and women who enjoy music and like to sing. An invitation to join is extended to all who are interested.

The work of the chorus consists of participation in such programs as radio broadcasts, local church programs, baccalaureate and commencement exercises and Christmas programs.

An initialed gold pin is awarded those students who have served faithfully in the chorus for four semesters.

Putter 'n Paint

Putter 'n Paint is an art club for students who are interested in arts and crafts. The program of the organization includes workshops and meetings where students are offered the opportunity to work various materials, such as glass etching, plastics, paper craft, wood craft, metal craft and others. Other highlights of the club include guest speakers, social meetings and a trip to New York City to visit museums and other places of interest.

S. C. A.

The Student Christian Association, the only student organization on our campus devoted to religious activities, is a non-sectarian group. It is by no means a single isolated unit, but is a part of the international Student Christian Movement which functions on a world-wide basis.

This organization has a varied and flexible program, which includes, among other things, inspiring films, speakers connected with some phase of Christian education and panel discussions featuring student participation.

For lively and interesting student discussions on some of the most controversial questions of the day, the World Outlook Club must certainly be given precedence over any other extra-curricular activity on our campus. This organization is composed of students who are interested in a free debate or discussions on the chief problems of our times.

A special feature of this club every semester is at least one educational trip to a place of interest relative to national or international affairs.

The Coeducational Activity Board sponsors individual and group recreational activities for both men and women. These activities include indoor and outdoor parties, dances, horseback riding, hiking, ice skating and ping pong, checkers, cards, and bowling tournaments. The elected officers of this group supervise the operation of the coed recreational rooms including an activity lounge, projection room and snack bar. Membership includes all students enrolled in the college.

Nature Club

The Nature Club acts to bring about social as well as educational acceleration to those who are especially interested in the mysteries of the physical universe.

A continual increase in its membership is proof of its kinetic activity. Wholehearted participation in coon and snake hunts, learning and posting names of trees, and presenting speakers connected with specific phases of outdoor life are evidences of the diversified program.

Seasonal trips to museums and other places of natural science are made to further a direct contact with the study of animal and plant life.

The sign of highest achievement in sports is the prized varsity "S", and with it goes the opportunity for membership in the Varsity "S" Club. This organization is composed of the prominent athletes of our college who have earned a varsity letter on a major sports team. Members are easily recognized by the outstanding sports sweater bearing the college letter.

A hard working, self-supporting group, the club provides excellent opportunity for leadership and social development. Its main function is the encouragement of a high standard of personal conduct among varsity team members—a quality which is characteristic of our teams.

1953

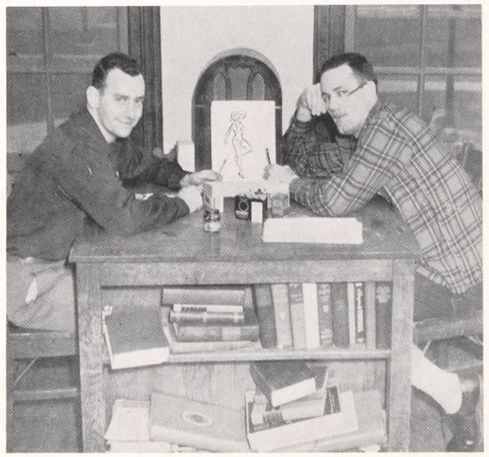

The entire yearbook staff is happy and proud to present the 1953 STROUD for your approval and enjoyment. This staff of over forty hard-working members has tried diligently to bring you a yearbook which is different and one which will recall the thrill and memories of your stay at ESSTC during the past year.

If you enjoy your 1953 STROUD as much as we enjoyed preparing it for presentation, our efforts will be well rewarded.

Stroud Courier

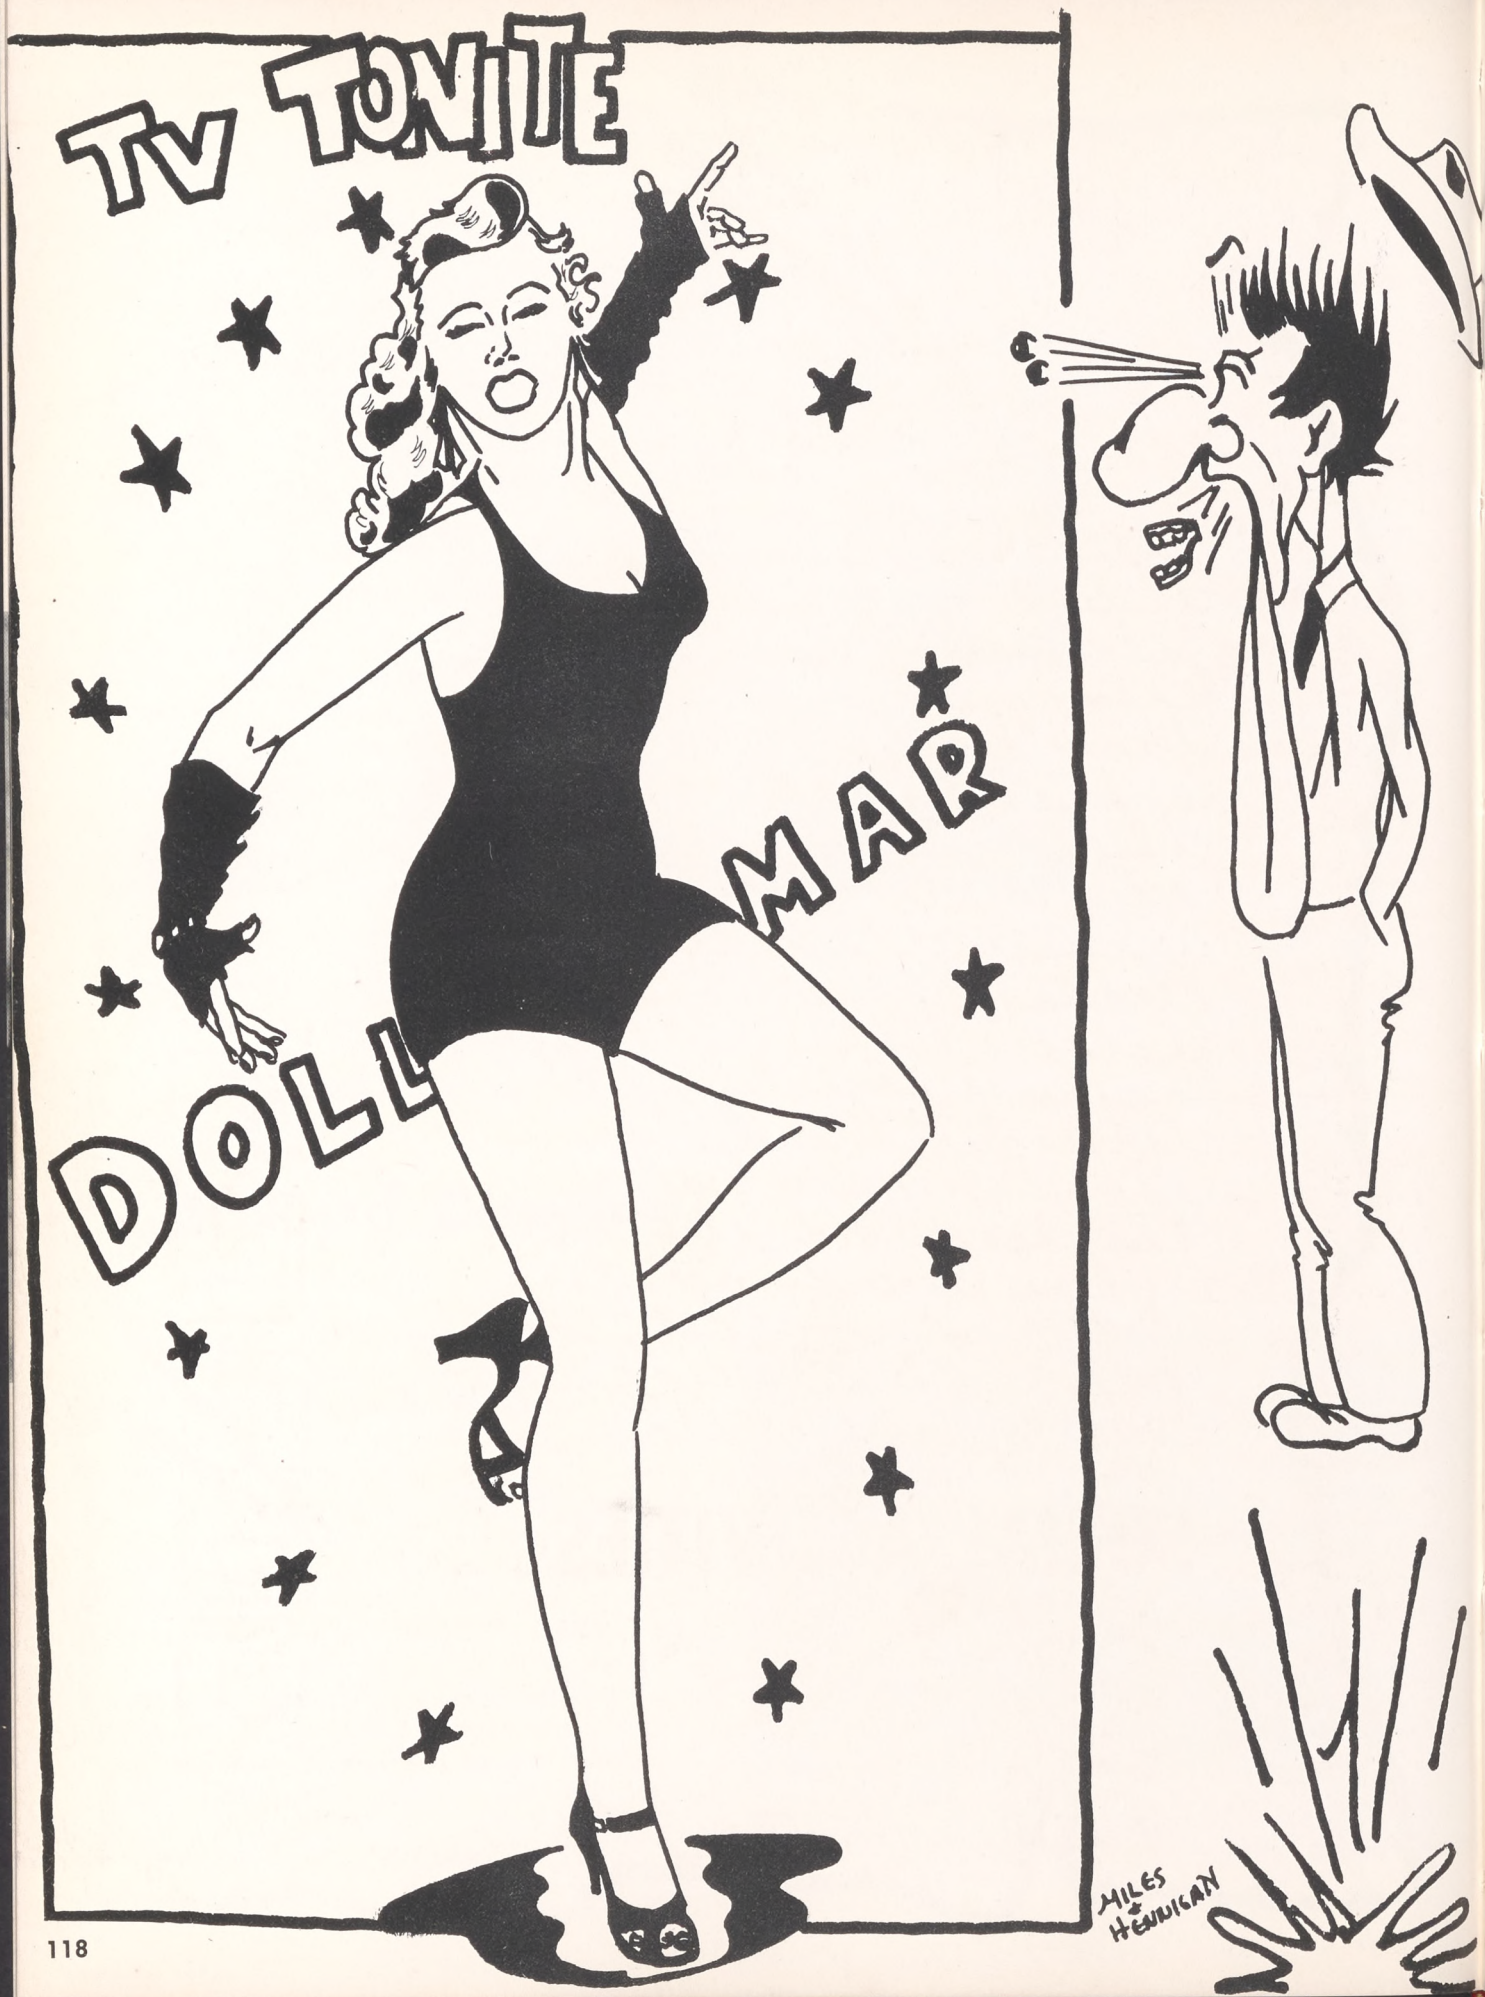

The STROUD COURIER is the campus newspaper published five times each semester by a staff selected from voluntary applicants. In addition to gaining practical experience in composition and journalism, membership on the staff affords the student an opportunity to prepare for advisership to a high school newspaper. A file of the paper for any year provides the reader with a comprehensive history of the college for that period of time. The STROUD COURIER is a member of the Columbia Scholastic Press Association and has received a first place award for the past fifteen years. The staff sponsors an annual banquet at which they honor some person prominent in journalism or public welfare.

Students and faculty alike eagerly await the gala social affairs sponsored annually by each class. As much enjoyed are the every-day social gatherings - over a cup of coffee, or across a card table. Pleasant memories are associated with these hours of socializing, these welcome "breaks" from the busy routine of classes and studies, where we come to better know both our fellow students and our instructors.
