

# Tell Us About Your House!!

For 30 years Glendale Heritage Preservation has kept records on many of the historic homes in Glendale. Research in the 1970's on 59 pivotal structures lead directly to recognition of the Glendale Historic District by the National Park Service. Now GHP would like to expand its archives to include information about all the homes in Glendale.

Please tell us as much as you can about the history of your house so we can preserve this information for future generations. In 100 years, even a new house today will be historic.
