

Tell Us About Your House!!

For 30 years Glendale Heritage Preservation has kept records on many of the historic homes in Glendale. Research in the 1970's on 59 pivotal structures lead directly to recognition of the Glendale Historic District by the National Park Service. Now GHP would like to expand its archives to include information about all the homes in Glendale.

Please tell us as much as you can about the history of your house so we can preserve this information for future generations. In 100 years, even a new house today will be historic.

Suggested information:

- Your house address

935 Congress Avenue

- Names of persons currently living at this address. How long?

Pat & Dick Smith - bought house in Oct. '87. Renovated & remodeled it ourselves for 14 months. Moved in in late 1988.

- Tell us as much as you know about previous owners or occupants. Do you know the names of the original occupants? *We bought from Dan & Daisy Miller. Old Glendale directories show several owners in the mid-1900's. Early owners (maybe the original) were the Schluters. We're not sure if they were related to Schluter's Plumbing.*
- Tell us as much as you know about when the house was built and any significant changes over the years. Do you know the name of the builder? *We understand that the house was built in 1905 or '06. Family room was added in 1970's. Some remodeling was done before we owned house. Interior modifications on second floor in 1980's. Kitchen remodeled in 1990's.*
- Do you have pictures of your house or occupants that you would give to us or let us copy?
Only current pictures - none before we owned it.
- Do you have any maps, drawings, or records about the history of your house?
No
- What interesting events have happened at your house? Is there a link with other Glendale residents or organizations? *Unknown*

We are glad GHP is doing this. We would like to know more about our house. We have looked through material at GHP Museum several times with limited success.
