

4. (cont.)

Significant changes in the past twenty-three years include:

- conversion of front porch to a year-round solarium
- installation of hardwood floors in dining room and study
- renovation of kitchen
- renovation of basement rec room

7. (cont.)

Beare owned by ~~Reese~~ and Anna Warfield. The Warfields lived at 55 Coral Ave. (Mrs. Warfield still lives there) and they owned the house next door, too. - 65 Coral.

The lots fronted on Coral and went all the way to ^{N.} Lake. After the Warfields sold the back part of their lots to the Moeggens, they sold 65 Coral to Katherine Reenes.
