Dear Mary and Don,

Based on our research, which was confirmed by the Hamilton County Recorder's Office, Glendale Heritage Preservation is prepared to list the following name and date on a Centennial Bronze Plaque for the house at 885 Forest Avenue:

Clara Bell Sears House
c. 1923

Please let us know if this meets with your approval. Send your reply to Glendale Heritage Preservation, in care of Helene Sedwick, 44 Village Square, Glendale OH 45246. Be sure to include a check for \$395, which will cover a portion of the cost to manufacture and install the plaque. The balance will be absorbed by Glendale Heritage Preservation. Please keep in mind that the plaque remains the property of Glendale Heritage Preservation and should be left with the house if you move.

When the plaque is ready, we will install it for you if you would like. We will also create a special file for the house in our archives. If you have additional photographs or other information about the house, we would be delighted to add this material to the folder. In addition, if you have additional information about the house that needs verification we would be happy to work with you.

Thank you for your interest in and support of Glendale's unique heritage.

Sincerely,

Carl Stritzel
