Dear Madam:

In reply to your letter of January 5:

The Chief of our Print Division suggests the following work for material upon the Hudson River region:

List of prints, books, manuscripts, etc. relating to Henry Hudson, The Hudson River, Robert Fulton and steam navigation. New York, 1909.
We will be glad to send you this bulletin upon receipt of 30 cents.

Our Map Room reports that it has a copy of Vanderdonck's map, 1655, of New York Province, and Southier's map of the Hudson River in 1776 (in Faden's Atlas, 1776).

Our Photostat Division can make reproductions of any of the items included in the above if you desire. We are enclosing a form showing the rates for photostat work.

We shall be glad to have you reproduce any of the prints with the usual acknowledgment of "courtesy of the New York Public Library".
