

BRICK and TILE

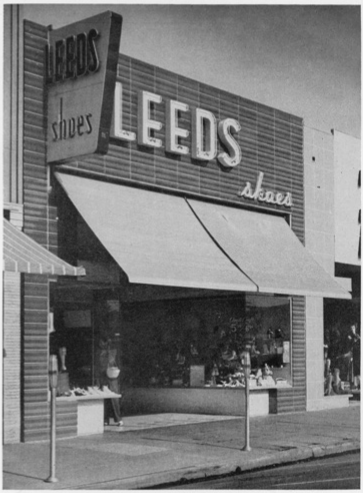

Humble Oil Company, Midland, Texas. Blending harmoniously with the decorative architectural terra cotta spandrels, the remainder of the exterior walls of this modern office building are constructed of a light salmon brick, as shown below and on the front cover.

Pierce, Abel & Pierce, Archs.

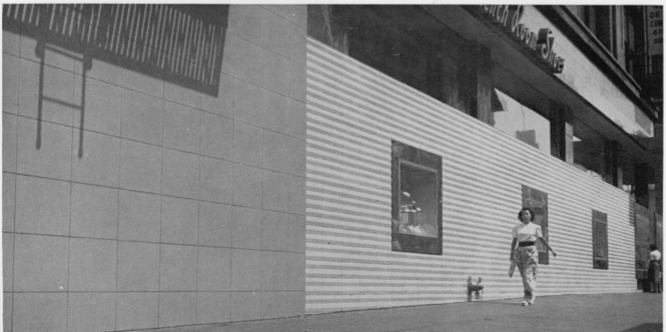

Harold J. Nicolais, Archs.

I. Herman Kanner, Arch.

Foreman & Clark, Huntington Park, Calif., (top), **Leeds Shoe Store, Van Nuys, Calif.,** (right), **Chandlers Boot Shop, Los Angeles, Calif.,** (below), are excellent examples of the application of ceramic veneer to small commercial structures.

I. Herman Kanner, Arch.

Opposite:
American State Auto Bank, Lansing, Mich., (top), **Guardian Bank, Springfield, Ohio,** (below), illustrating the use of structural clay masonry in typical small branches of financial institutions.

Wurts Bros.

Chrysler Building, East, New York City. Glazed brick impart a gleaming exterior to this modern office building.

Bakery, Walgreen Cafeteria, Chicago, Illinois. An installation of structural glazed facing tile in an area where the preparation of food makes sanitation and ease of cleaning a prime factor in choosing wall finish.

General Electric Photo

Standard Iron & Steel Works, Ltd., Toronto, Canada. The imaginative use of brickwork in block bond in panel to right of entrance has added much to the appearance of this small office building.

Gordon S. Adamson, Arch.

W. G. Clement

Eugene Choy, Arch. *Shulman*

Chinese Consolidated Benevolent Association, San Francisco (above). **Farmers & Merchants State Bank, Tulsa, Okla.,** (right). The use of sharply contrasting bonds and color of brickwork result in decorative effects of unusual beauty.

Heiser

VOL. 11, NO. 1 JANUARY, 1954

G. D. Mulder, Arch. *Jack Sterling*

Lights Restaurant, Lansing, Michigan.

"BRICK AND TILE" is published to bring to your attention the many new and varied developments within the clay products industry, as well as to present pictorially the beauty and charm which clay adds to all structures. Whether you are concerned with the construction of a colonial cottage or a contemporary industrial plant, clay can fulfill all requirements.

We will welcome inquiries on any phase or type of masonry construction or on the use of any masonry products. Your inquiries may be directed to
