*Gratefully we remember those who first tread
Central High's path.*

*They established her traditions and blazed the
trail for us.*

*Humbly we pick up our packs and walk
purposefully onward.*

*There is much that still must be done, and
the trail is beckoning.*

C.H.S. Principal Erskine Mills

The principal of Central High School, Mr. Erskine Mills, is truly a unique person. Mr. Mills has been present at Central since its doors first opened. He has seen it grow and flourish gradually over the years, changing from a small county school to a bustling center of learning. Mr. Mills has successfully tackled the thousand-and-one responsibilities which he has been given. Mr. Mills is one who should be commended for his fine work as principal.

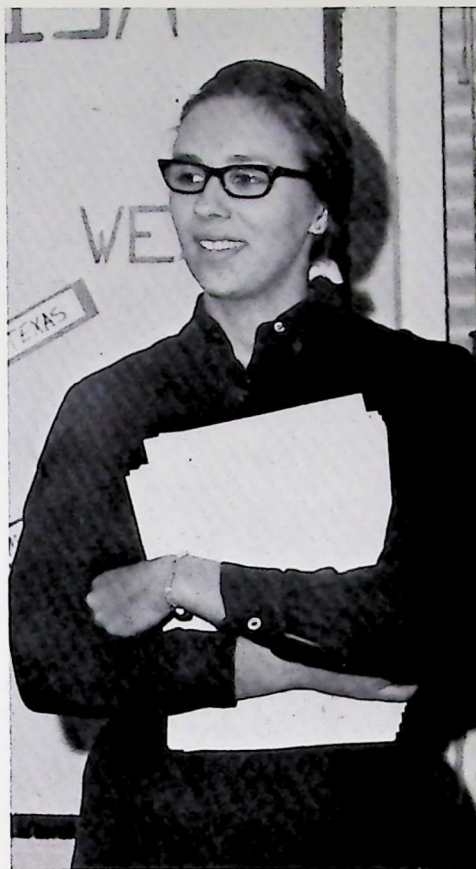

No school can function without a secretary, and CHS is no exception. Mrs. Pullen fills this job very adequately, doing many services to our school which are indispensable.

Social Science — An Understanding

The Social Science Department works tirelessly in an attempt to give the students at CHS a good education in the Social Sciences. Three units of this general area are required of a senior before he may graduate, and students are usually urged to take as much social science as possible.

Courses offered in this field are Civics and Geography, World History, and American History. The new senior course, Problems of American Democracy, is a comprehensive study of the problems facing the US today.

Mathematics — A Basic Knowledge

Contrary to popular belief, math is not always a stuffy, boring subject; and math teachers are not always withered old things who wear horn-rimmed glasses. In fact, it has been reported that math students at CHS have been extremely interested in their studies, a happening which could be described as unusual for some students.

Transparencies are used in addition to the normal classroom devices, and many new books have been added to this department, creating a more favorable atmosphere for learning.

Science — TCCHS MEDIA CENTER

An Exploration

Quickly now: What field has contributed more to the advancement of mankind more in the past twenty years than any other field? The answer is doubtlessly science. With this thought in mind the Science Department attempts to provide the inquisitive young minds at Central a means of exploring the world around them. A very active department at Central, the science department offers biology, chemistry, general science, physics, and senior science.

Languages — New Ideas and Concepts

A vital aspect of the life of every student at Central High School is the learning of languages. Classification of students into three levels of ability helps the teachers to work with the students at the proper speed and insures the best possible situation for the assimilation of new ideas and concepts. In conjunction with English, the Language Department delves into literature in order to give the student a good literary background. This objective is accomplished through the use of records, re-enactments of plays, and audio-visual materials.

The learning of foreign language, that is, the knowledge of at least one additional language has become more important each year. Two foreign languages are offered at Central, Latin and Spanish.

The Library — A Study Center

The library is the study and research center at Central High School. Our library is staffed by a very diligent and capable group of workers. The hard work of these people helps to keep the library orderly and in an atmosphere which is favorable to study and concentration. Mrs. Highsmith, Mrs. Huddleston, and Mrs. Maddox put forth great effort to keep the library up-to-date. Each year new books are placed on the shelves in an attempt to provide the students with quality literature. This year college catalogues have been added for student use.

Guidance — Counseling

A haven for students in distress and for those who are thinking about their futures - this is the guidance office. Our guidance counselors are always prepared to stop their mountain of work just to listen to and advise students. Aided by competent and hard-working assistants, the guidance counselors seek to improve their department so that students may have the best information on colleges, scholarships, and job opportunities. During the school year an additional guidance office was added to the school campus.

Commercial — Basic Foundation

Hey, teachers. Have you noticed lately that a great number of your students have been taking notes accurately and efficiently? The note-taking catalyst is the new course ABC Stenoscript, a new addition to the already-progressive Business Department Curriculum. ABC Stenoscript is designed to help the college-bound student take notes easily and rapidly. A one semester course, Stenoscript seems to be achieving its goal. Typing is taught to both the prospective secretary and the future college student. Other courses offered include Shorthand, Bookkeeping, and Business Math. All these courses help to provide a future business major with a good basic foundation from which he may specialize.

Music — Knowledge of Music

The Glee Club, which forms one part of the Central Music Department, is a gathering of Central's vocal students. Mrs. Myrtle Ellis heads this group of singers, giving them an insight into the basics of music. Under her competent direction the GleeClub students perform special programs from time to time as a service to the school.

The Central High School Band forms the remaining part of the Music Department at CHS. For the past few years the Central Band has enjoyed a surge of growth which could be termed phenomenal. During the recent football season the band took the field each half time with the nickname "Magnificent 100," a title which is also indicative of the quality of its performances. Off the field the band is a means by which students may gain a good knowledge of the fundamentals of music. The band is also a great source of school spirit, for its members are constantly working to promote and support school activities.

Home Economics — Preparation

Putting zippers in dresses, planning and cooking meals, studying child care - these are just a few of the things that the industrious girls of the Home Economics Department are exposed to during the school year. The Home Economics Department attempts to educate girls in the art of homemaking. Many different techniques and short cuts are taught in an effort to prepare each young lady for a homemaker's life in the ever-changing world of today.

Vocational — Develops Talent

For those students who intend to learn one of several different professions, the Vocational Department is prepared to undertake the task of developing their talents. Among other subjects offered by the Vocational Department, Vocational Agriculture is taught to prospective farmers. Other fields covered include forestry, livestock, and carpentry. At Thomas Area Technical School many other courses are added to the curriculum, giving the Vocational Department a well-rounded foundation from which it can help students to pursue careers in diversified areas.

Staff — *A Service Rendered*

The lunchroom workers are a very capable and worthy group. These dedicated ladies have undertaken a thankless task, and they have done an excellent job. After all, we, as students do not see all the work that goes on in the background. Mrs. Mims, the school dietician, labors tirelessly in an effort to plan well-balanced, nourishing meals for us; and the other lunchroom workers toil diligently to prepare meals for us. Mrs. Taylor is always waiting with a ready smile when she takes your money. Just think what it would be like without the cafeteria staff. It might make you appreciate the favor these ladies do us every day of the week.

The janitors and bus drivers at Central are a highly deserving group of workers. Where would we be without Hosie to rescue us in times of distress and disaster? All of the janitors should be blessed for their priceless contributions which make life on campus a little easier. Bus drivers are directly responsible for transporting students to all parts of Thomas County, a task which they perform to near-perfection.

Homecoming Highlights Football Season

Homecoming 1968 was a whirlwind week of frenzied activity. Faced with the prospect of not being permitted to have a bonfire, the football cheerleaders managed to work things out; and Homecoming activities were kicked off with a bonfire prepared by the Key Club and the cheerleaders.

As the day of the big game approached, excitement mounted. The stadium was virtually covered with posters and signs to boost the spirits of the Yellow Jackets, as well as the fans, and to welcome alumni.

The sparkling half time show featured a salute to the graduating class of 1969. Special recognition among this Senior Class went to band members, cheerleaders, and football players and their sponsors. The half time show was climaxed by the announcement of the 1968 Homecoming Queen, Kathy Parrish.

Kathy Parrish Reigns As Homecoming Queen

With a chill in the air and excitement and enthusiasm in the stands, spectators cheered as the Yellow Jacket Band marched onto the field to begin a special half time show which culminated in the naming of Kathy Parrish as 1968 Homecoming Queen. Neil Boland, President of the Senior Class, presented the happy and tearful queen with a bouquet of long-stemmed red roses.

Three Happy representatives are whisked to the field.

Presidents' Club decorates the Elk's Club for the dance.

Class representatives making up the Court were Dottie Ferrell, Virginia Hallman, Kathy Ferrell, JoAnn Sherrod and Toni Robinson. The six proud fathers escorted their daughters onto the field.

The post-game dance at the Elk's Club was highlighted by the presentation of the Homecoming Court and the crowning of the Queen by Cary Baker. Football Captain Sidney Horne presented Kathy with a football autographed by team members. Kathy and her escort, Perry Savelle, then led in the traditional Queen's Dance to the music of the Shadows of Valdosta.

Juniors Fete Seniors Under Twinkling Stars

"Love is Blue" was the theme of the 1968 Junior-Senior Prom sponsored by the Junior Class at Central. English ivy and roses in hues of blue transformed the gymnasium into a shimmering blue ballroom. As the guests entered, their path led to a beautiful white fountain. The students danced under a canopy of twinkling stars to the music of the Penetrations from Auburn, Alabama. A sparkling blue moon looked down upon an enchanted swing which became the focal point for pictures. In the background hung a beautiful blue wall mural, and refreshments were served in a lovely small cafe.

Miss Stinger — Jackie Fallin

Representatives from twenty clubs participated in the Miss Stinger Contest, sponsored annually by The Stinger. Jackie Fallin, a representative of FTA, was chosen Miss Stinger of 1968. Jackie, a pretty and popular Junior, was crowned by the reigning queen, Kathy Parrish. For her talent Jackie presented a skit.

Harriett Cooper, sponsored by the Vespa, played the piano and was chosen first runner-up. Second runner-up was Dottie Ferrell. Dottie sang "Can't Take My Eyes Off of You." Other semi-finalists were Donna Knight and Vivian Clark.

Larry Dean emceed the event. Roses were presented to the queen and her court by Becky Courtney.

One Act Play Performs On The Highroad

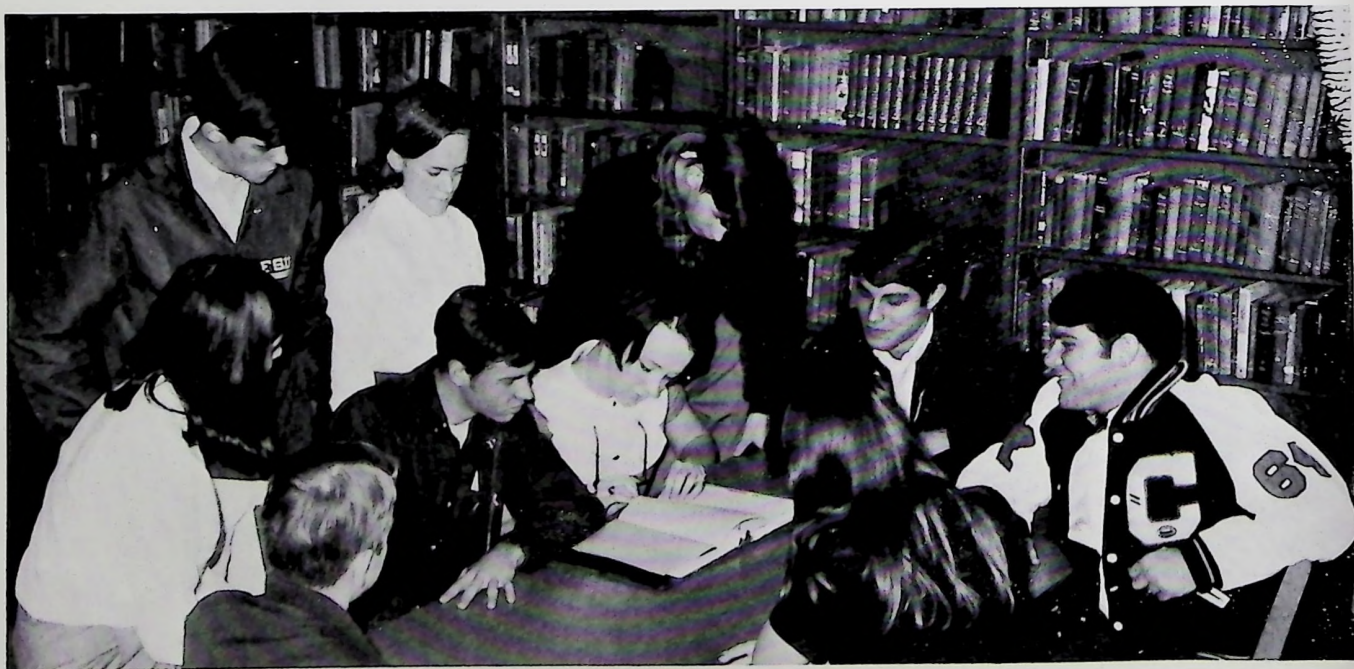

A once wealthy landlord now dissipated, a rough highwayman, a regal aristocrat who deserted her groom on her wedding night - these characters were portrayed by students at Central in the One Act Play. The play, On the Highroad, was a masterpiece of melodrama written by Russia's greatest playwright, Anton Chekov.

Mr. Robert Allen, director of the play, helped cast members to interpret lines in order to gain an insight into their roles. In this manner the cast was enabled not only to portray their characters well, but also become the characters.

Before traveling to Tifton to compete in the Region Literary Meet, the One Act Play Cast presented the play at a special PTA meeting.

Central is Well Represented At Boys' State and Girls' State

Boys' State and Girls' State are one week summer programs sponsored in order to expose Georgia students to government procedures and activities. Cary Baker, Neil Boland, and Steve Wooten represented Central at Boys' State and Phyllis Godwin and Jeanette Shiver attended Girls' State.

One of the features of Boys' State and Girls' State is the extensive series of lectures given each day. The lectures cover all facets of government and its many problems.

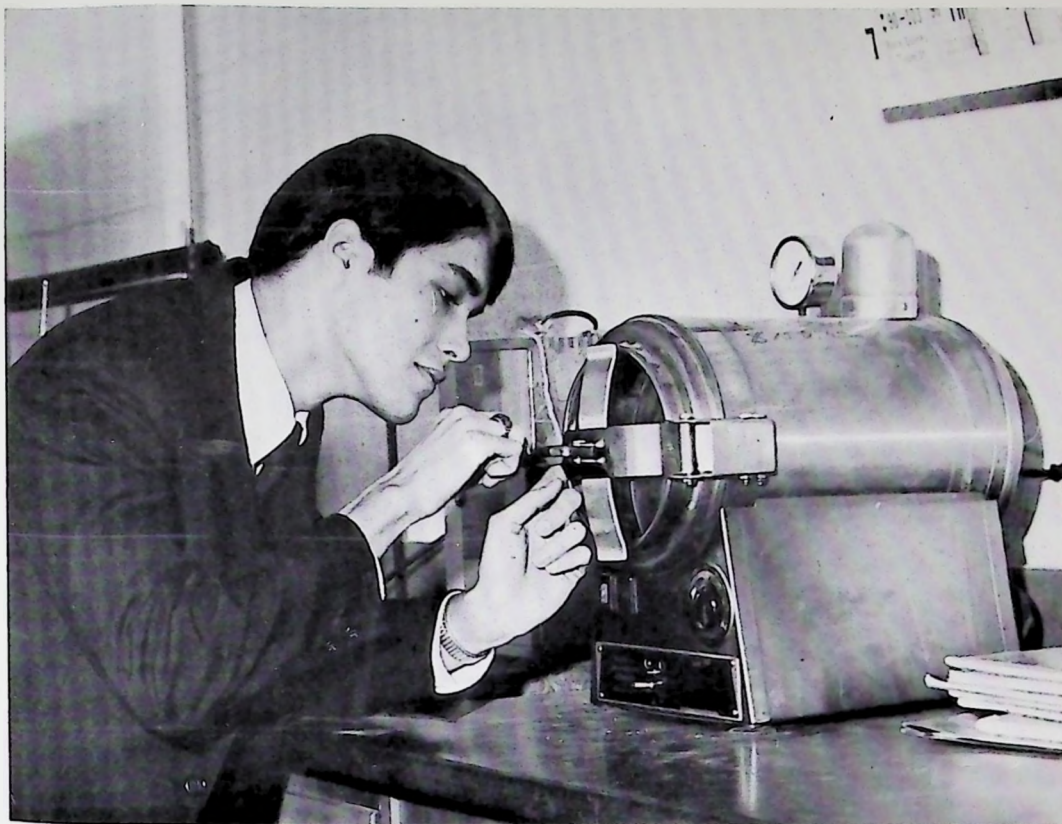

During the week mock elections are held for offices ranging from judge to governor. The highlights of the week for Boys' State participants was a trip to the Georgia General Assembly, and Girls' State members attended a special banquet at the end of the week.

Phyllis Godwin represented Central at Girls' State.

Neil Boland Receives Extensive Training

Neil Boland, one of Central's outstanding students, spent an exciting and highly educational summer at FSU, attending the National Science Foundation's Summer Science Program. One of twenty-five participants, Neil was chosen from a field of applicants from all parts of the country.

During his stay at FSU, Neil gained valuable experience in scientific experimentation and observation.

Lectured by college professors and assisted by graduate students, the participants received training not given in the normal high school science classroom.

Palmer Voyles Learns Leadership Qualities

If many of you have noticed that Palmer Voyles has done an unusually fine job as drum major of the band, it is a direct result of his attending the Marching Band Leadership Camp at FSU last summer.

The purpose of the Band Camp is to instruct band students in leadership qualities and the responsibilities of drum majors. Palmer learned methods of successfully putting the band through its paces during half-time shows, and he also learned the special strut with which he marched onto the field in front of the band.

Two Students Receive Valuable Study Last Summer

What would you do if you were given access to all the facilities of a sprawling college for eight weeks? Diane Carver, Ike Newton, and three hundred ninety-eight other outstanding students from all parts of Georgia had this opportunity when they were invited to attend the 1968 Governor's Honors Program.

Diane, selected to concentrate in the field of art, was exposed to new techniques and lectured by the famous artist, Lamar Dodd. Oil painting was also introduced to Diane.

Concentrating in the field of Spanish, Ike was instructed by a native of Cuba. Oral use of Spanish novels were stressed to help him gain an insight into the language.

Representing Central for 1969 will be Mary Wilkes and Charlton Griffin.

Mr. and Miss Senior

Kathy Parrish is easily the most popular and well-liked girl at Central High School. Kathy has been a Varsity Football Cheerleader for the past three years, and this year she is Co-captain. She is President of the Pep Club and Vice-President of the Presidents' Club. The Epsilon Tri-Hi-Y is another club in which she actively participates, and she is currently serving as a homeroom officer. Kathy holds a long string of honors: she is Sweetheart of the Key Club; she reigned as Miss Stinger for one year; she was a homecoming representative as a Sophomore; and, she reigned as Queen over the 1968 Homecoming festivities.

Cary Baker stands tall as a leader at Central High School. Cary was elected Vice-President of the Senior Class by his counterparts. He is also the current President of the Presidents' Club; and consequently, President of the student body. As President of the Key Club and Vice-President of the Beta Club, Cary is faced with many more responsibilities. He sparkles as a member of the Central football squad. Elected Mr. Senior by his class, Cary is a truly deserving student.

KATHY PARRISH and CARY BAKER

DEBBIE SHIVER and BIFF HOBBS

Senior Favorites

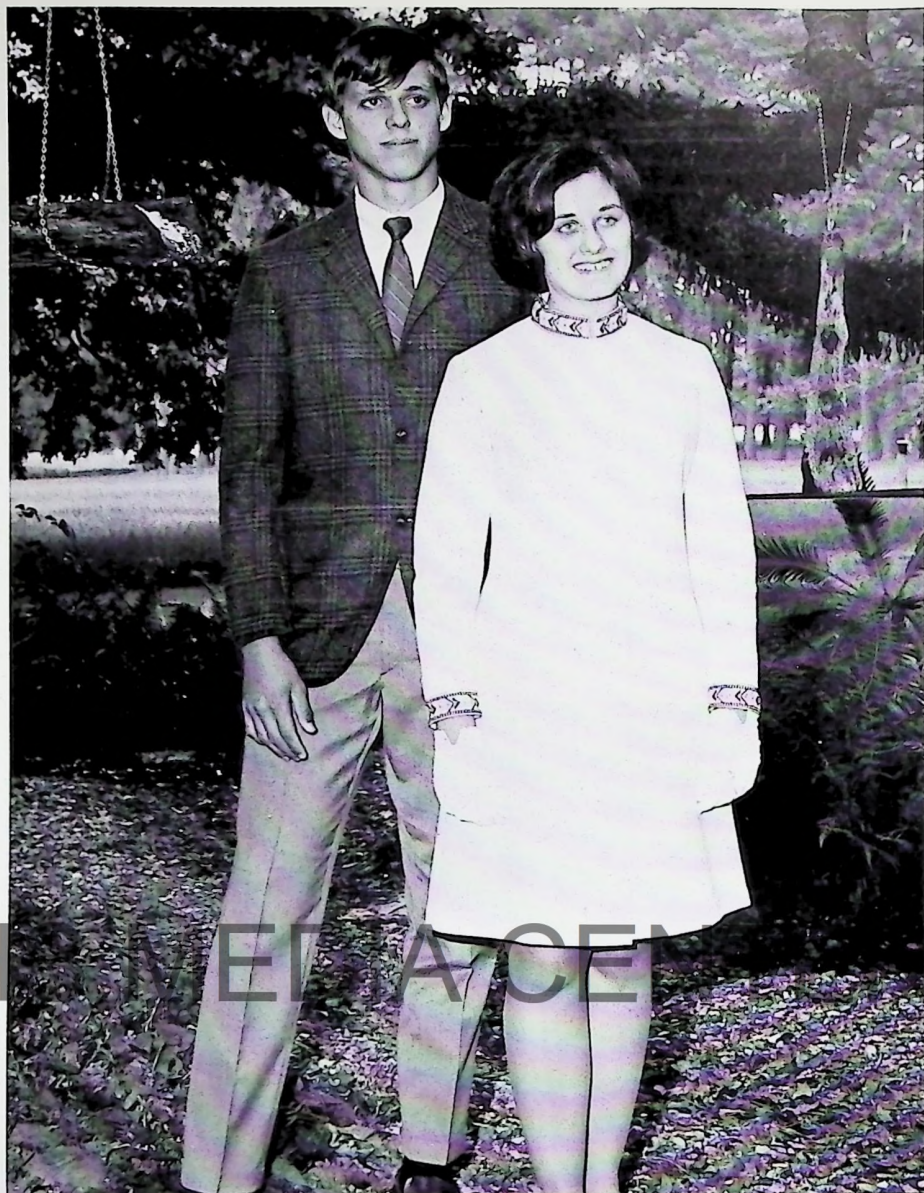

When the football players take the field on Friday night, you can be assured that Debbie Shiver, a cheerleader for the last two years, will be cheering them on to victory. Debbie strives to better school spirit as a member of the Pep Club. Debbie is also a member of Epsilon Tri-Hi-Y, Vespa staff, and the F. H. A.

Biff Hobbs is one who believes in participation in school clubs. Biff holds the office of Treasurer of the Hi-Y, and he is also a member of the Key Club. Because Biff is President of his homeroom, he is a member of the Presidents' Club as well. In addition, Biff still finds time to star on the varsity baseball team.

Senior Favorites

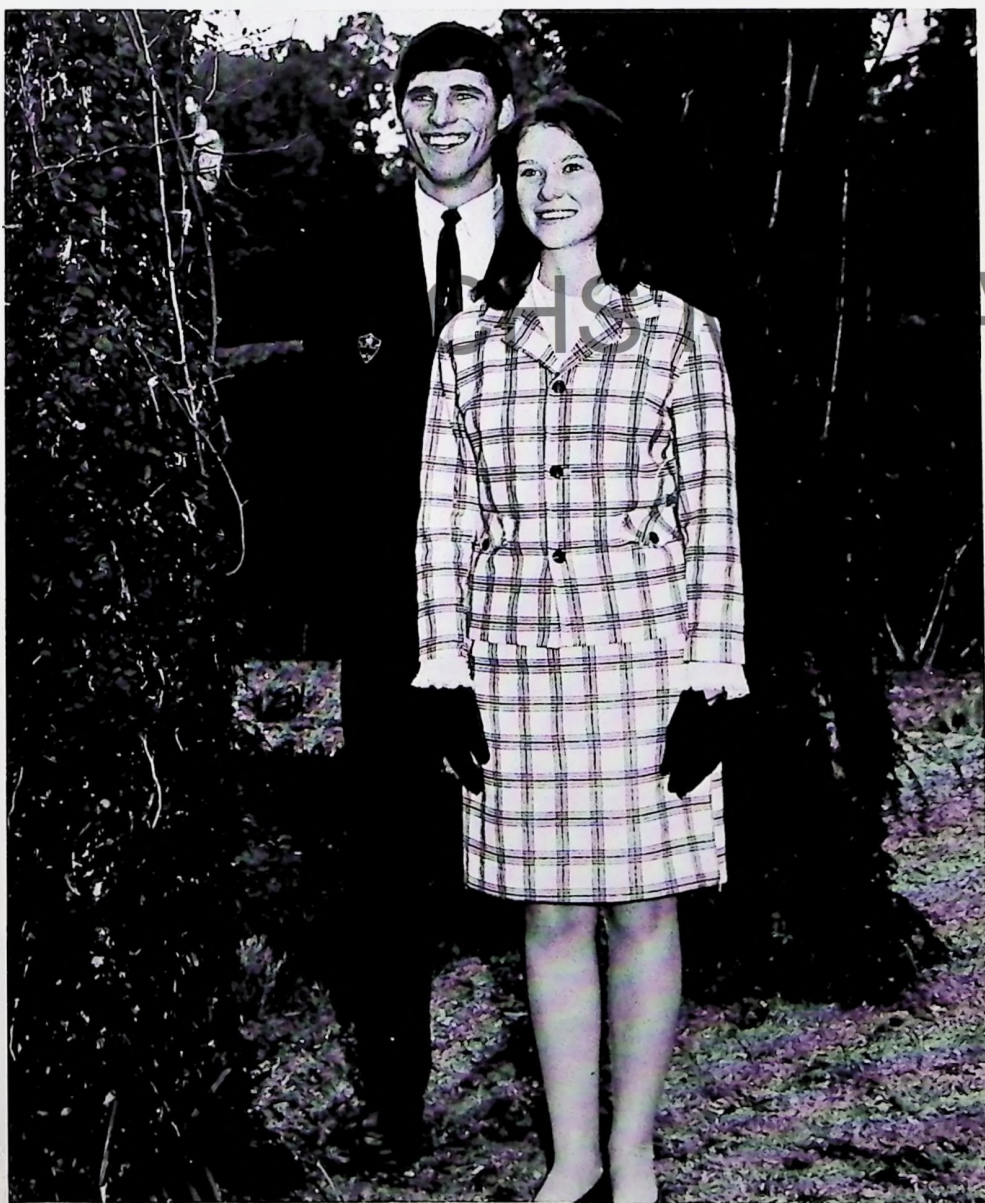

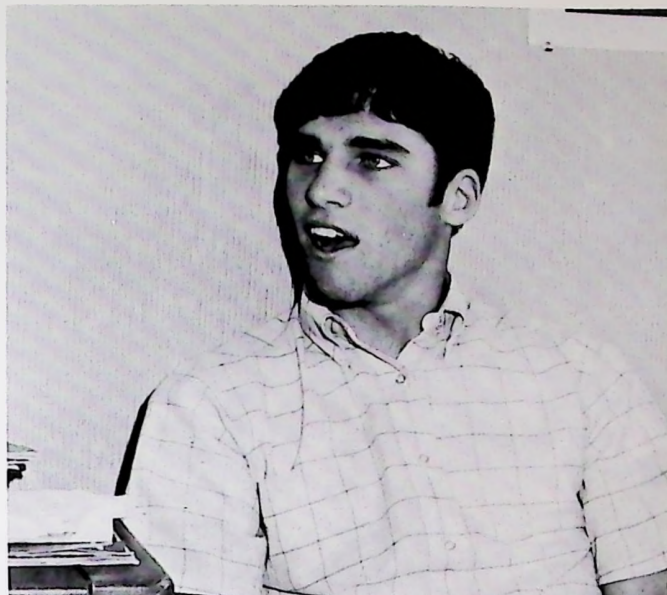

A very steady, dependable, and friendly girl at Central is Susan Giles. Susan currently holds the offices of Vice-President of her homeroom and President of the Library Club. Susan also is the Treasurer of the Southwestern Association of Library Assistants and serves as Reporter of the Future Teachers of America. The Senior Class elected her Secretary, and she attends Presidents' Club meetings as an active member of that organization. As an indispensable part of the Vespa Staff, Susan gives that little extra effort that is so essential.

Johnny Davis most definitely is an avid sports fan. Not only does Johnny take the field during the football season, but he also appears on the basketball court during the winter and on the track in the spring. This versatility in sports has earned Johnny a greatly deserved place in the Block C Club. In the past Johnny's classmates have expressed their respect and confidence in him by electing him Treasurer of his homeroom.

JOHNNY DAVIS and SUSAN GILES

ELLEN JONES and MIKE BRAY

Senior Favorites

A devoted and spirited student at Central is Ellen Jones. For the past two years Ellen has helped to cheer Yellow Jacket teams to victory, first as a basketball cheerleader and later as a football cheerleader. Ellen serves the Epsilon Tri-Hi-Y as its President, a task which Ellen performs efficiently. As its President she is its representative in the Presidents' Club.

For those who know it all comes this question: Which senior boy is most noted for not wearing socks to school, no matter how cold it becomes? In case you haven't noticed, that person happens to be senior favorite Mike Bray. Among Mike's other credentials stands the fact that he is an integral part of the Central football team. Week after week Mike turns in a superb performance on the gridiron, and his outstanding play has earned him a place in the Block C Club, a club for lettermen at CHS.

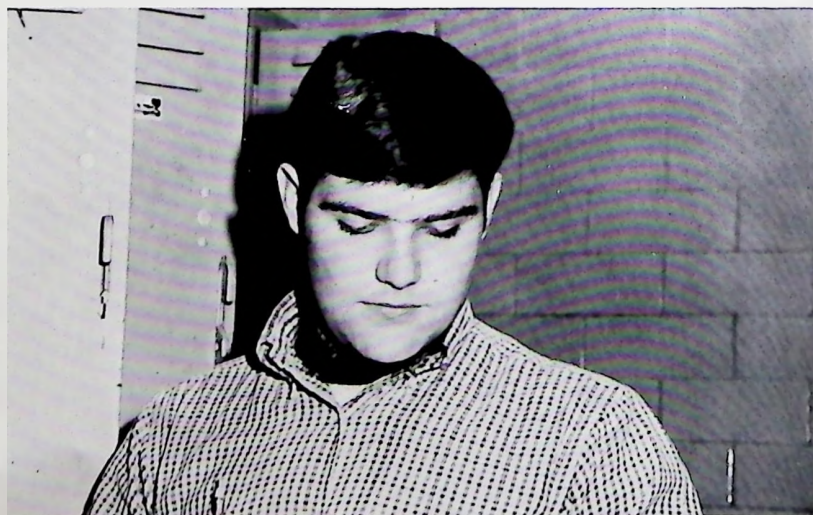

Senior Favorites

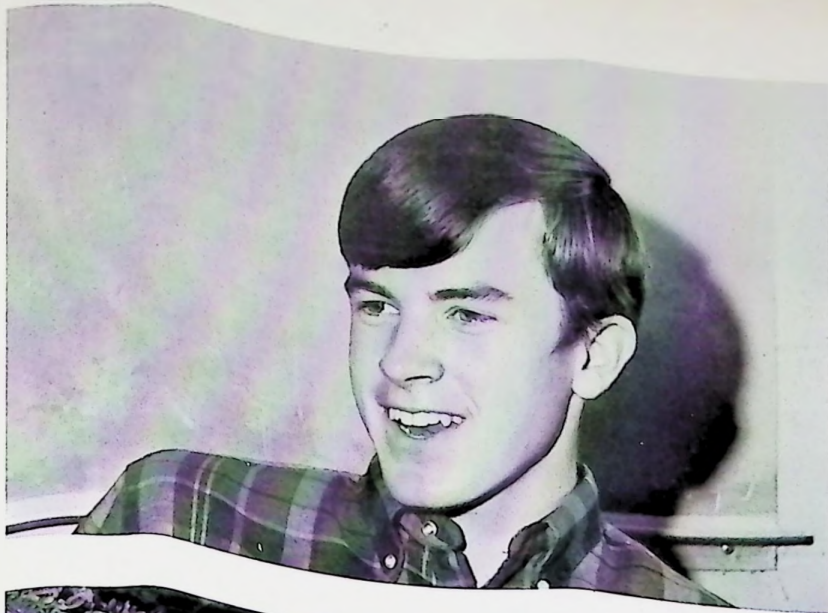

A Varsity Football Cheerleader for the past three years, Sue Carol Smith is a lively and spirited Senior. Her devotion to cheerleading has led her to join the newly organized Pep Club, and her fellow members have elected her Vice-President. Sue Carol also holds an office in her homeroom, and she is an active member of the Future Homemakers of America.

Dusty Connelly, a standout on the Varsity Football Team, is a member of the Block C Club at Central. Dusty's popularity is evinced by the fact that the Senior F. H. A. elected him Sweetheart of their organization for the school year 1968-69. Although he is busy with many activities, Dusty finds time to give of himself when he is needed. Ask Hi-Y members and you will discover that Dusty is an active participant in this fine service organization.

SUE CAROL SMITH and DUSTY CONNELLY

HARRIETTE COOPER and JOHN PILCHER

Senior Favorites

Harriette Cooper is one who is always enveloped in a certain kind of friendly charisma. At least the F. F. A. boys must think so, because they made her Sweetheart for 1968-69. Harriette, who is an active member of Epsilon Tri-Hi-Y, serves her homeroom as its President. She also represents her homeroom in the Presidents' Club. As a member of the Vespa Staff, Harriette helps make the job of producing a yearbook a little easier with her diligent assistance.

The most debonair boy on campus is obviously John Pilcher, who is also the irreplaceable photographer of the Vespa Staff. John, who is a golf enthusiast, heads the golf team each spring. Baseball is also a favorite sport with John, for he is a member of the baseball team as well. John serves as Chaplain of the Hi-Y, Treasurer of his homeroom, and Vice-President of the Key Club. Another of John's activities is his participation in the One-Act Play.

Senior Favorites

If there is one single secret to the success of the CHS state champion Girl's Basketball Team, then it is highly probable that Virginia Hallman is that secret. Virginia's lightning-fast moves have spelled doom for many an opposing squad in the past three years. Off the basketball court, Virginia takes part in the Block C Club and the Epsilon Tri-Hi-Y. She is an active member of the Pep Club and is Secretary of her homeroom.

The highly reputed wizard of the Senior Class is none other than Neil Boland. Neil's qualifications for this honor are very impressive. Neil attended the National Science Foundation's Summer Science Program at F. S. U. during the past summer, and he was also a delegate to Boy's State. He is President of the Beta Club, the Senior Class, and his homeroom all at the same time. He serves the Hi-Y as Secretary, and he participates in the band, the Key Club, and the One-Act Play. You think Neil must be very busy all the time? Yes, but he is one of the friendliest and most likeable people around.

NEIL BOLAND and VIRGINIA HALLMAN

Senior Favorites

One of the liveliest and most high-stepping of the band's majorettes is Dottie Ferrell. Dottie is a diligent office-holder, as is shown by the fact that she holds four offices simultaneously. Dottie is President of her homeroom, Secretary of the Presidents' Club, Treasurer of the Senior Class, and President of the Junior F. H. A. Dottie is also a member of the Epsilon Tri-Hi-Y and the Pep Club.

Sidney Horne is a senior of many varied abilities and interests. Sidney gleams each week on the football field, and in the spring he becomes a member of Central's track team. Needless to say, Sidney has won membership in the Block C Club for his conquests in sports at Central. Sidney is a member of the Hi-Y, Key Club, and is a homeroom officer.

DOTTIE FERRELL and SIDNEY HORNE

Senior Favorites

Pretty Jackie Fallin reigns as a very active and friendly Miss Stinger, a title she won as a Junior. She is President of her homeroom and serves as its voice in the Presidents' Club. Jackie helps arouse school spirit each week as a member of the Pep Club, and she plays a major role in the work of Epsilon Tri-Hi-Y. Last spring Jackie represented her Y-Club at Youth Assembly.

One of the most popular young men at Central High School, Palmer Voyles is a singular person. Palmer struts onto the field each week to the cheers of the fans as he fills the position of Drum Major of the band. Last summer Palmer attended the Marching Band Leadership Camp at F. S. U. The current President of the Central Hi-Y, Palmer attended Youth Assembly last year as a representative of his club. He also serves as Y-Club Council Chaplain, and he is an active member of the Presidents' Club.

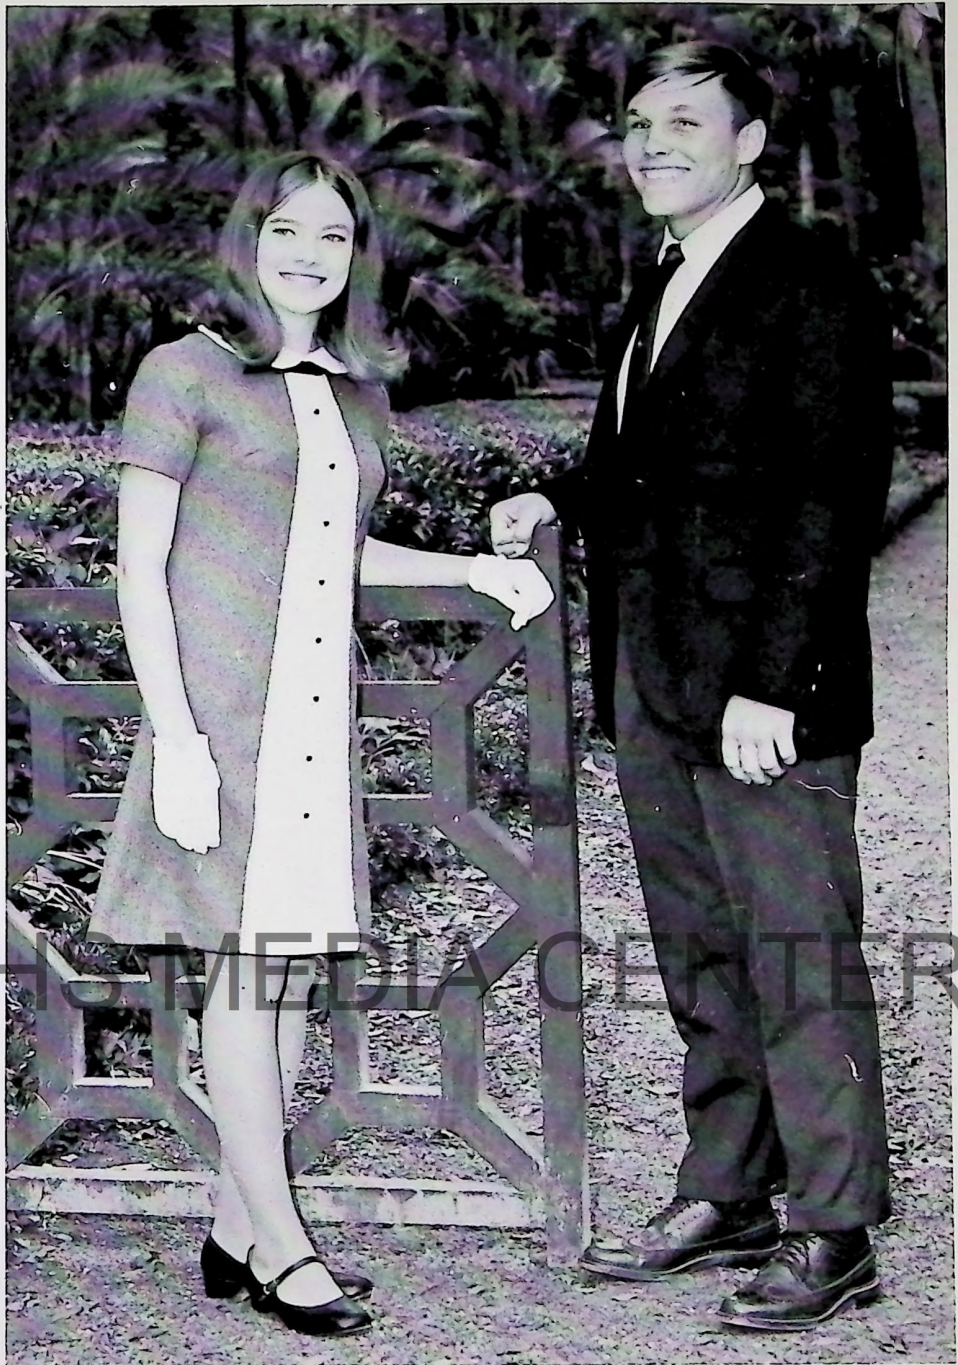

PALMER VOYLES and JACKIE FALLIN

Senior Favorites

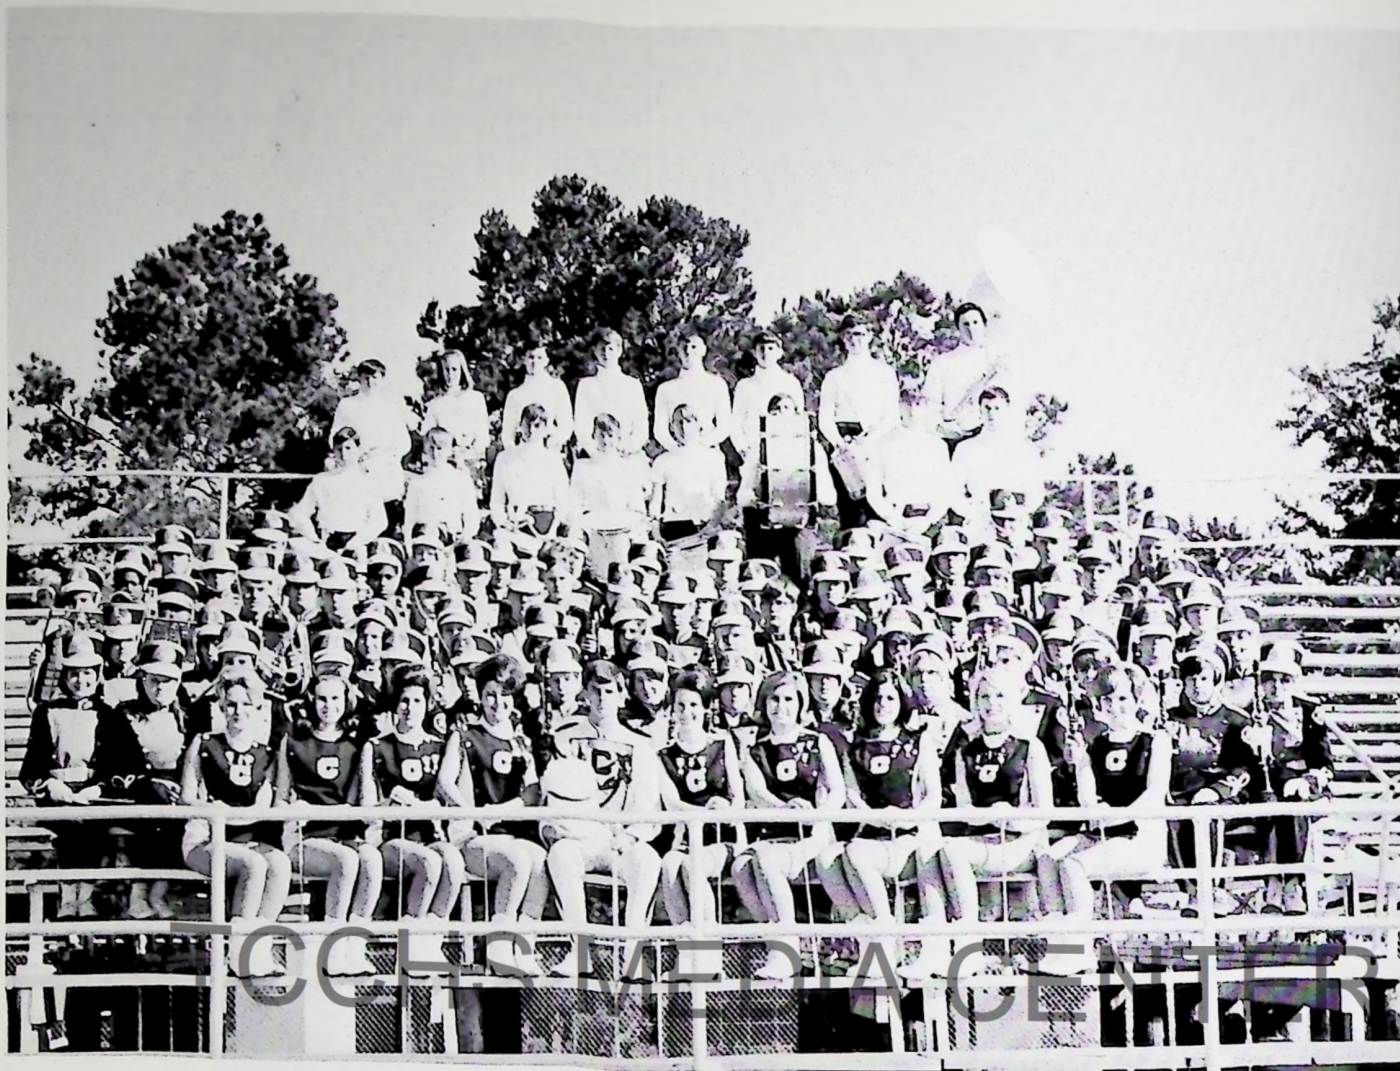

Vivacious Dot Hall, a Varsity Football Cheerleader for the past three years, forms the very heart of Central's school spirit. Dot, who is Captain of the Football Cheerleaders, helps to stir up more spirit by participating in the Pep Club as its Secretary. The Senior F. H. A. elected Dot to be Historian of their organization, and she works actively on service projects in the Epsilon Tri-Hi-Y. In addition, Dot is a member of the hard-working Vespa Staff.

"Charles Carter rips around the end for a large gain, and it is first and ten for Central!" To those students who regularly attend Central's football games, this exclamation does not come as a surprise. Charles is well known as a dazzling halfback; for this reason Charles holds membership in the Block C Club. In addition to these activities, Charles still manages to devote part of his time to the Central Hi-Y, a club in which he is actively involved.

Central Band Performs "Dogpatch U.S.A." Show

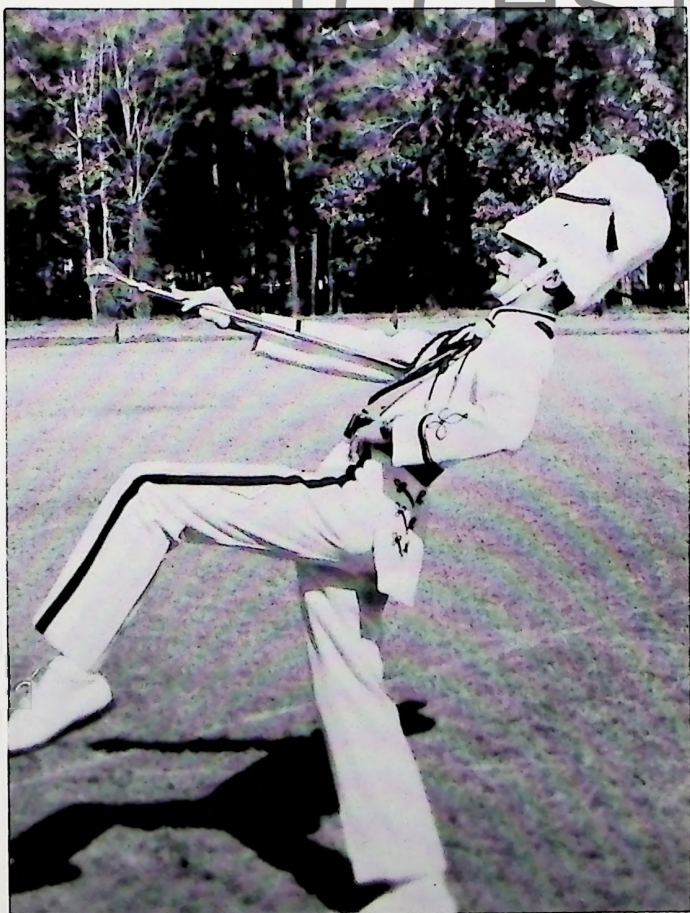

The Central Band, under the direction of Drum Major Palmer Voyles and Mr. Richard Harris, established itself as a high-stepping unit during the school year. Central's marching band, one of the larger bands in the area, with a membership of nearly one hundred, performs at football games during half-time. Palmer leads the band through drills as they make formations and play popular tunes.

The band members dressed hillbilly style and did a special "Dogpatch U. S. A." show during one particular halftime. The Rose Show Parade is one of several parades that the band marches in. The Central and T'ville bands share the honor of marching at the head of the Rose Parade, alternating each year.

Jackets Predict Brighter Future

The 1968 football season was one in which injuries to key players and several heartbreaking near-miss games changed and outlook of the football season.

Forced to change the entire system with the advent of a new head coach, the young team never really got off the ground. They faced an exceedingly difficult schedule, and it seemed that when the offense would connect, the defense would short out or vice versa. On several possibly victorious nights the defense would doggedly stymie a vaunted offensive or otherwise strong team, only to see the offense sputter. Individuals on the team are to be commended for their outstanding performance during different games.

In the next year or two the football outlook at Central should look brighter with the return of several lettermen and the coming-up of a strong B-team, so hang in there football fans!

Jackets Place Third In Holiday Invitational Tournament

The Central Jackets Basketball team, plagued by inconsistency, performed respectably throughout the season. Their inability to shoot accurately each game was what kept the team from having a highly successful season. On several nights, however, individual members of the squad performed very impressively, ripping the nets for high point totals.

The boys played well against a superior team in the Holiday Invitational Tournament, and in the end they placed a well-deserved third.

Cheerleaders Hold Bonfire Before Last Home Game

Active members of the Pep Club, the basketball cheerleaders are always busy preparing posters to hang on the gymnasium walls, for the games, or carrying out other plans to help arouse spirit.

The girls made an extra effort to hold pep rallies every week of the season. On the night before the last home game the girls sponsored a large bonfire and a pep rally to show the teams that the school was behind them.

Baseball Team Participates In Rose Festival

The 1968 varsity baseball team, under the careful guidance of Coach Long, learned many skills and strategies during a rebuilding season. Even though the boys were young, they played respectably. The single ingredient that the young team lacked was experience and the skills that come with it. Many potential victories were spoiled by fundamental mistakes that one cannot condemn a team with few veterans for making.

In the 1968 Rose Show baseball game, the Yellow Jackets played a good but losing game against a very strong Thomasville baseball squad. However, when the returning members prepare for future seasons, one can be sure that the baseball teams at Central will be much better.

Presidents' Club

Presidents' Club Sponsors Shelley Memorial

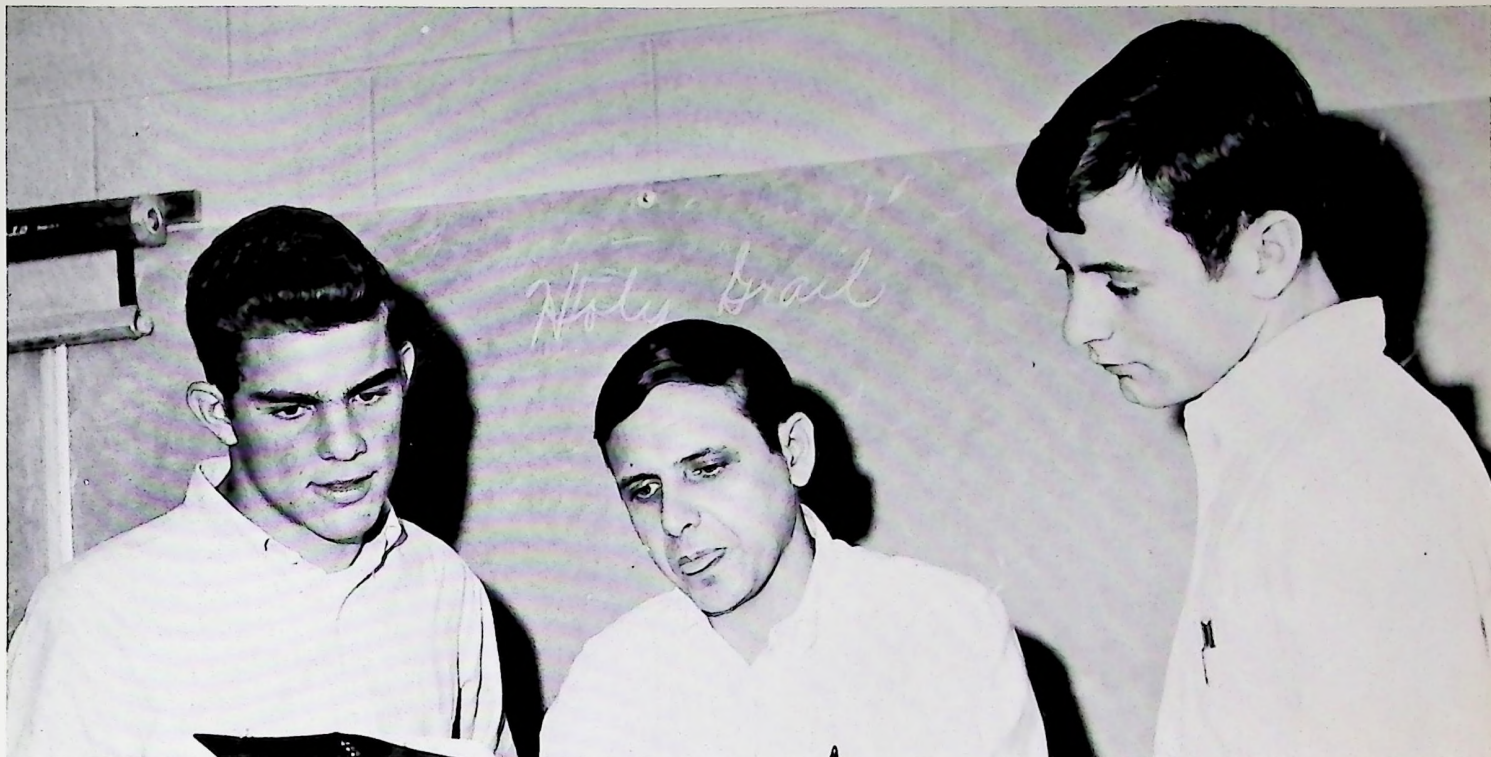

Each year Homecoming is a memorable, exciting experience for students at Central. The Presidents' Club, Homecoming sponsor, completes Homecoming activities to perfection, making sure that Homecoming will be unforgettable. The vote-counting for Homecoming Queen and decorating for the dance are the Presidents' Club's responsibilities and the club members are to be commended for a job well done.

The Presidents' Club is currently working to have the Guidance Building named the "Shelley Building" in memory of a beloved friend, Mr. Thaxton Shelley. Another project of the Presidents' Club will be to repair the school sign.

Chapel programs are a beneficial part of life at Central. With this idea in mind, the Presidents' Club strives to schedule interesting, entertaining, and informative programs for the student body.

Biff, Ellen, Janet, and Bruce make plans for the Shelley Memorial.

Cary, Mr. Cooper, and Biff discuss future plans for projects for the Presidents' Club.

TCCHS SENIOR BETA MEDIA CENTER

Peanut Brittle Sends Members to State Convention

The Senior Beta Club is an organization for students with high scholastic averages in grades ten, eleven, and twelve. Beta Club members must maintain a B average in order to remain in good standing.

Each year the Senior Beta Club awards a one hundred dollar scholarship to a deserving person in the Senior Class. Money for this project is raised by means of the Beta Club's annual peanut brittle sale.

The CHS Beta Club was well represented at the State Convention in March. To defray the expenses of their expensive journey, members sold zip code directories door-to-door in Thomsville and surrounding towns. An unusual but highly profitable project undertaken by the Beta Club was collecting soft drink bottles and selling them. If you happen to miss those drink bottles that were thrown in your front yard, give credit to the Beta Club for removing these eyesores.

Junior Betas Make Absentee Slip Boxes

The prestige club for junior high students at Central is the Junior Beta Club. Members must maintain high scholastic averages in order to retain membership. The Junior Beta Club helps to bridge the gap between the junior high students and the high school students.

Junior Betas have given a great deal of assistance in keeping our school looking its best at all times. Members repaired the circle drive, which is the main entrance and busiest road at Central. The Junior Beta Club is in charge of keeping teachers' door signs in good shape and keeping them on the right doors. Teachers soon will have a place to put their absentee slips each morning, thanks to the club.

As a service project, the Junior Beta Club prepared fruit baskets for the Oddfellows' Home. During the year several bake sales were held in order to fill the treasury of the Junior Beta Club.

Chi-Sigma Dresses Dolls for Needy Children

Newly organized during the current school year, the freshman Tri-Hi-Y seeks to establish itself as a hard-working, civic-minded service organization. Numerous service projects have been planned and carried out during the current year. In co-operation with other Y-Clubs in the area, Chi Sigma members collected money to aid mentally retarded children. Dolls were dressed by club members and given to needy children as another project.

During Halloween the Chi Sigma Tri-Hi-Y members gave away favors to mentally retarded children, and a fruitbasket was prepared and presented to the Camellia Nursing Home.

In an attempt to aid our overworked faculty, Chi Sigma members remained after school and cleaned blackboards on several occasions.

The Epsilon Tri-Hi-Y began its activities early in the year. Club members sold tickets to a Country and Western Music Concert sponsored by WLOR radio station. Other members ushered at the event. Epsilon Tri-Hi-Y sponsored a dance after the Central - Thomasville football game. During December the club sold Christmas paper. As a service to the community, members of the club collected money during the Muscular Dystrophy drive.

Epsilon members selected a delegate who attended Youth Assembly, and in cooperation with Thomasville Y-Clubs, they sold candy to finance Youth Assembly preparations.

Chi Tri-Hi-Y Organizes New Club

The Sophomore Tri-Hi-Y has established itself as one of the most active organizations on campus. Club members started the year with a spend the night party, during which they planned projects for the year. As one of their first service projects, the Chi Tri-Hi-Y helped to organize the ninth grade Tri-Hi-Y.

The Chi girls adopted a ward at Southwestern and sponsored a party for its members each month. During the Christmas season club members made and decorated stockings for the children in the Exceptional Classes. Ushering at basketball games was another project of the Chi Tri-Hi-Y.

Preparations for Homecoming Game

Kathy Parrish, Homecoming Queen

To dream the impossible dream,
To fight the unbeatable foe,
To bear with unbearable sorrow,
To run where the brave dare not go.

To right the unrightable wrong,
To love pure and chaste from afar,
To try when your arms are too weary,
To reach the unreachable star!

This is my quest,
To follow that star,
No matter how hopeless,
No matter how far;
To fight for the right
Without question or pause,
To be willing to march into hell
For a heavenly cause!

And I know,
If I'll only be true
To this glorious quest,
That my heart will be peaceful and calm,
When I'm laid to my rest,
And the world will be better for this;
That one man,
Scorned and covered with scars,
Still strove with his last ounce of courage,
To reach the unreachable stars.

- Senior Class Song

*. . .and
the trail is beckoning*

Afoot and light-hearted I take to
the open road,
Healthy, free, the world before me
leading wherever I choose.

Blue and White

When I was a child, I spoke as a child,
I understood as a child, I thought as a
child: but when I became a man, I put away
childish things.

Thaxton I. Shelley

A smile ago you brightened our world with your blessed heart,

A frown before, you showed concern for us through your guidance;

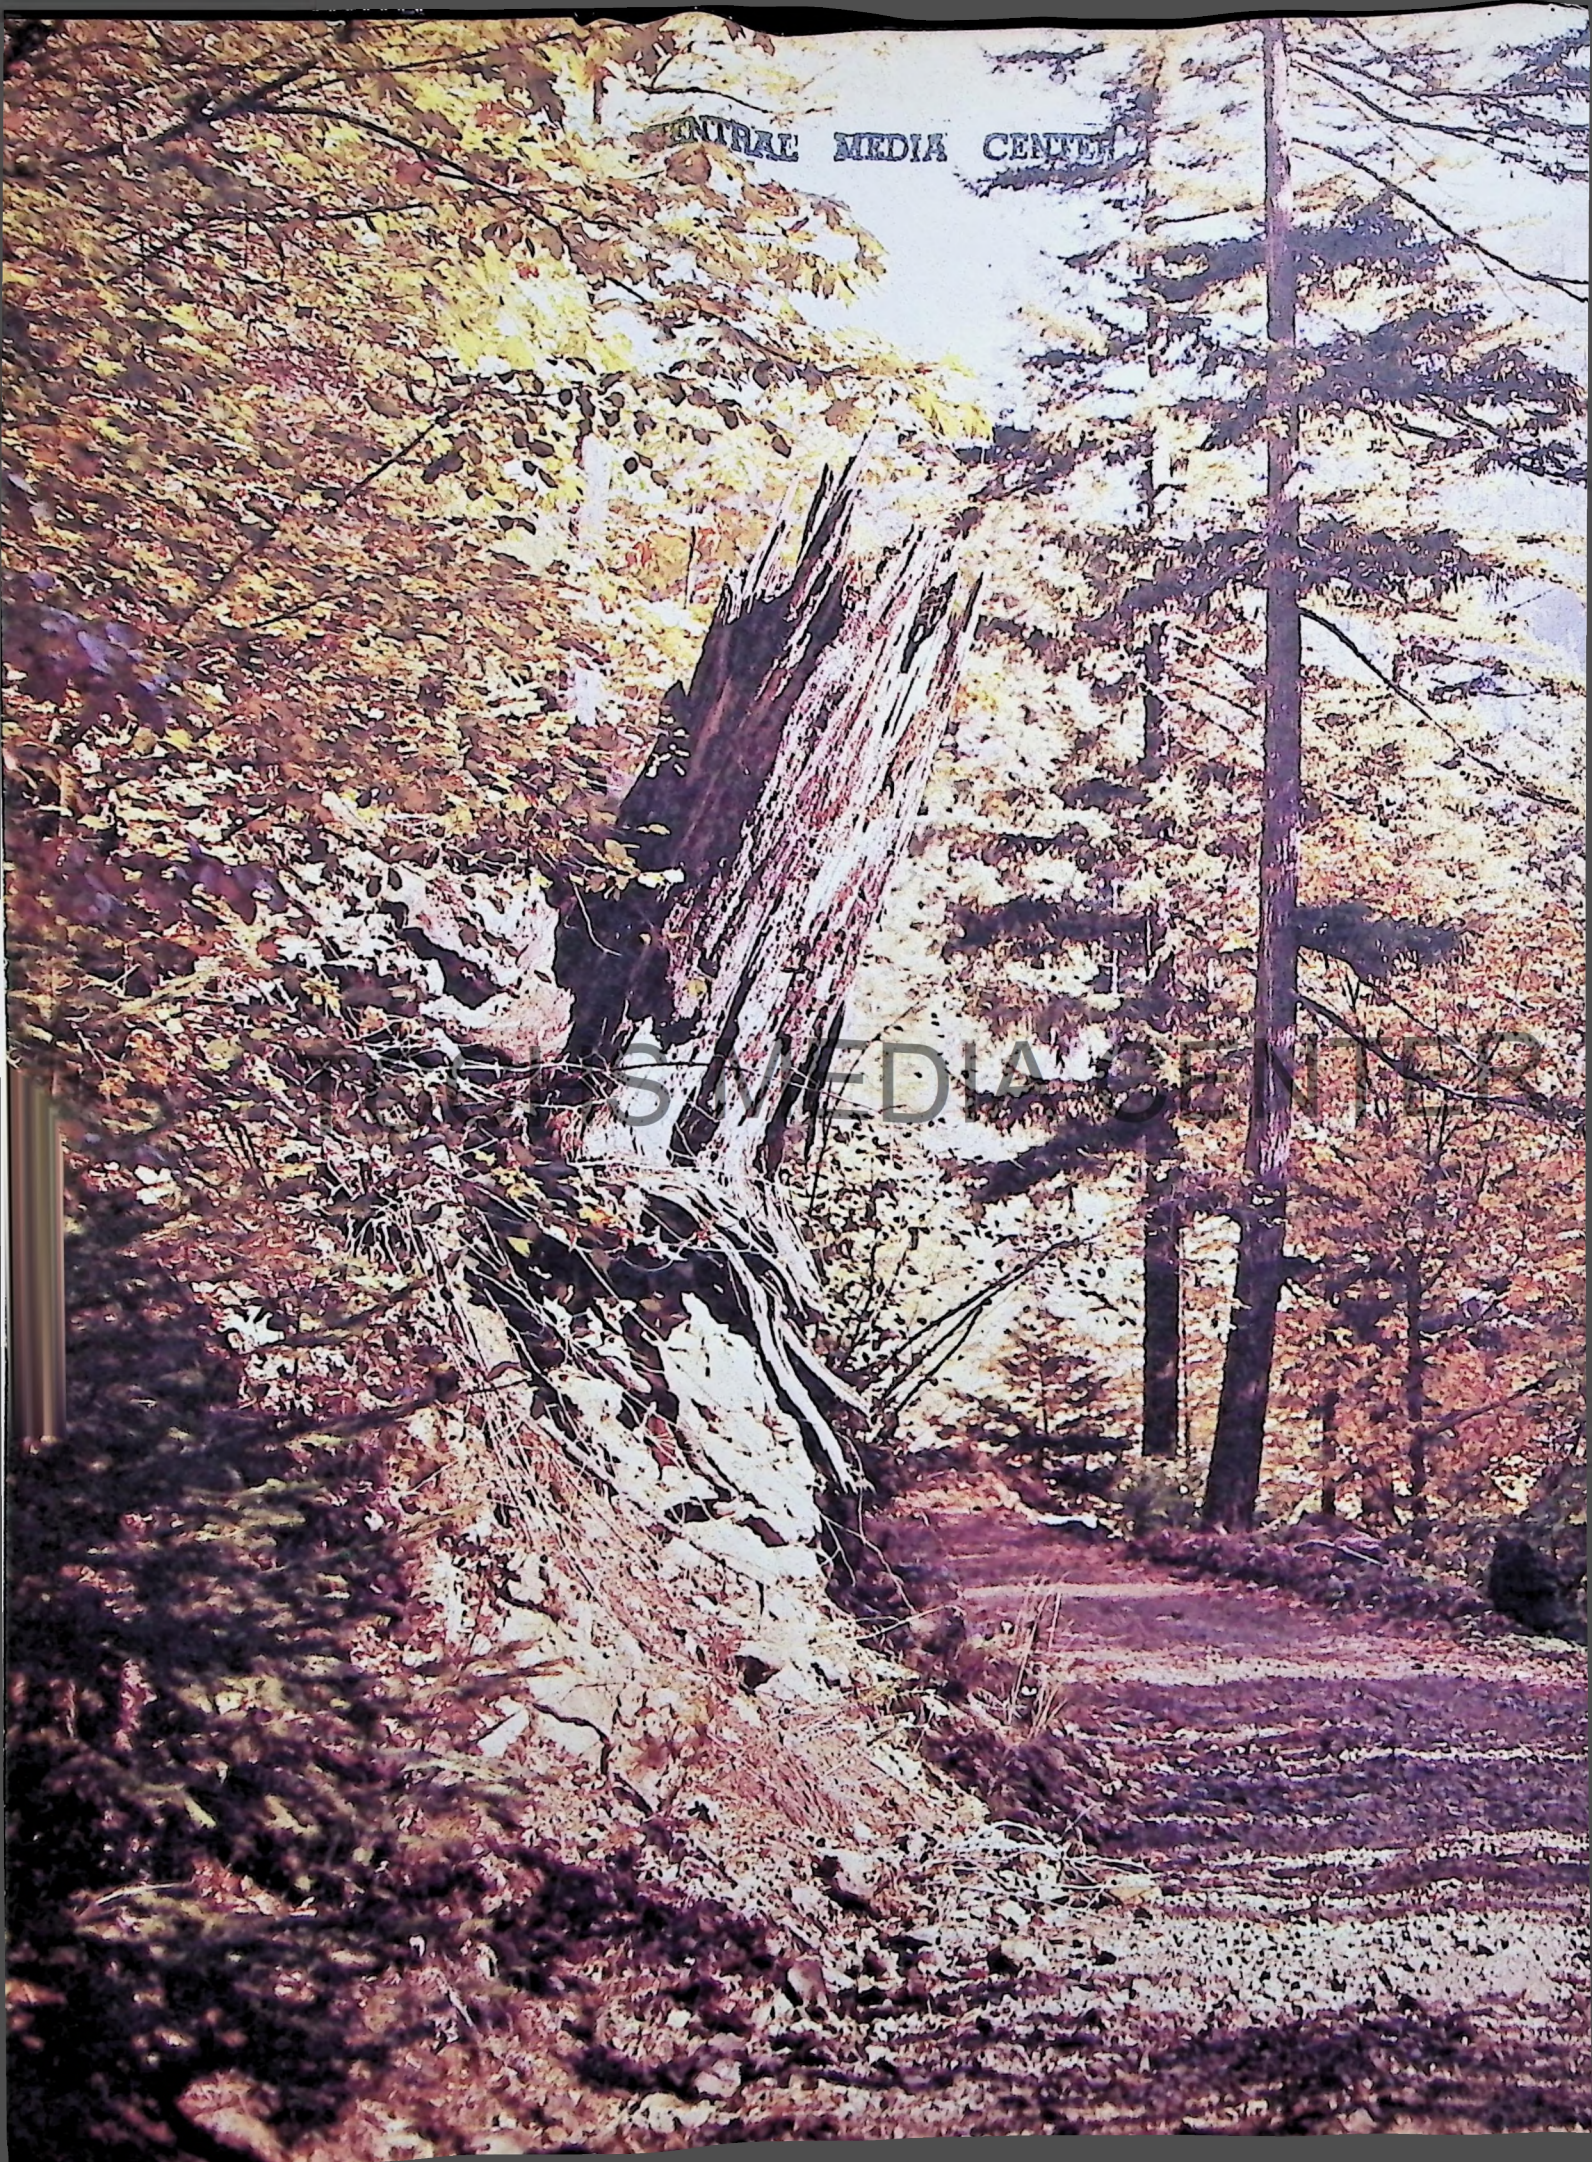

A teardrop now passed, we paused life to watch you depart —

A long journey from today we must make to be reunited

. . .

But ceaselessly ere that day shall arrive,

Your well-loved spirit's light shall dazzle our memory's archives.
