

REPORT OF CLUBS COMMITTEE

The committee on clubs suggests:

1. analysing the need, philosophy, and aims of each existing club
2. using only two Thursdays a month for meetings
3. changing the present club schedule by extending the break to 40 minutes on these Thursdays; the extra 20 minutes coming from the first three periods (seven minutes each)
4. requesting each club to supply the homeroom teachers with a membership roll
5. allowing the club to choose its sponsor
