Vespa

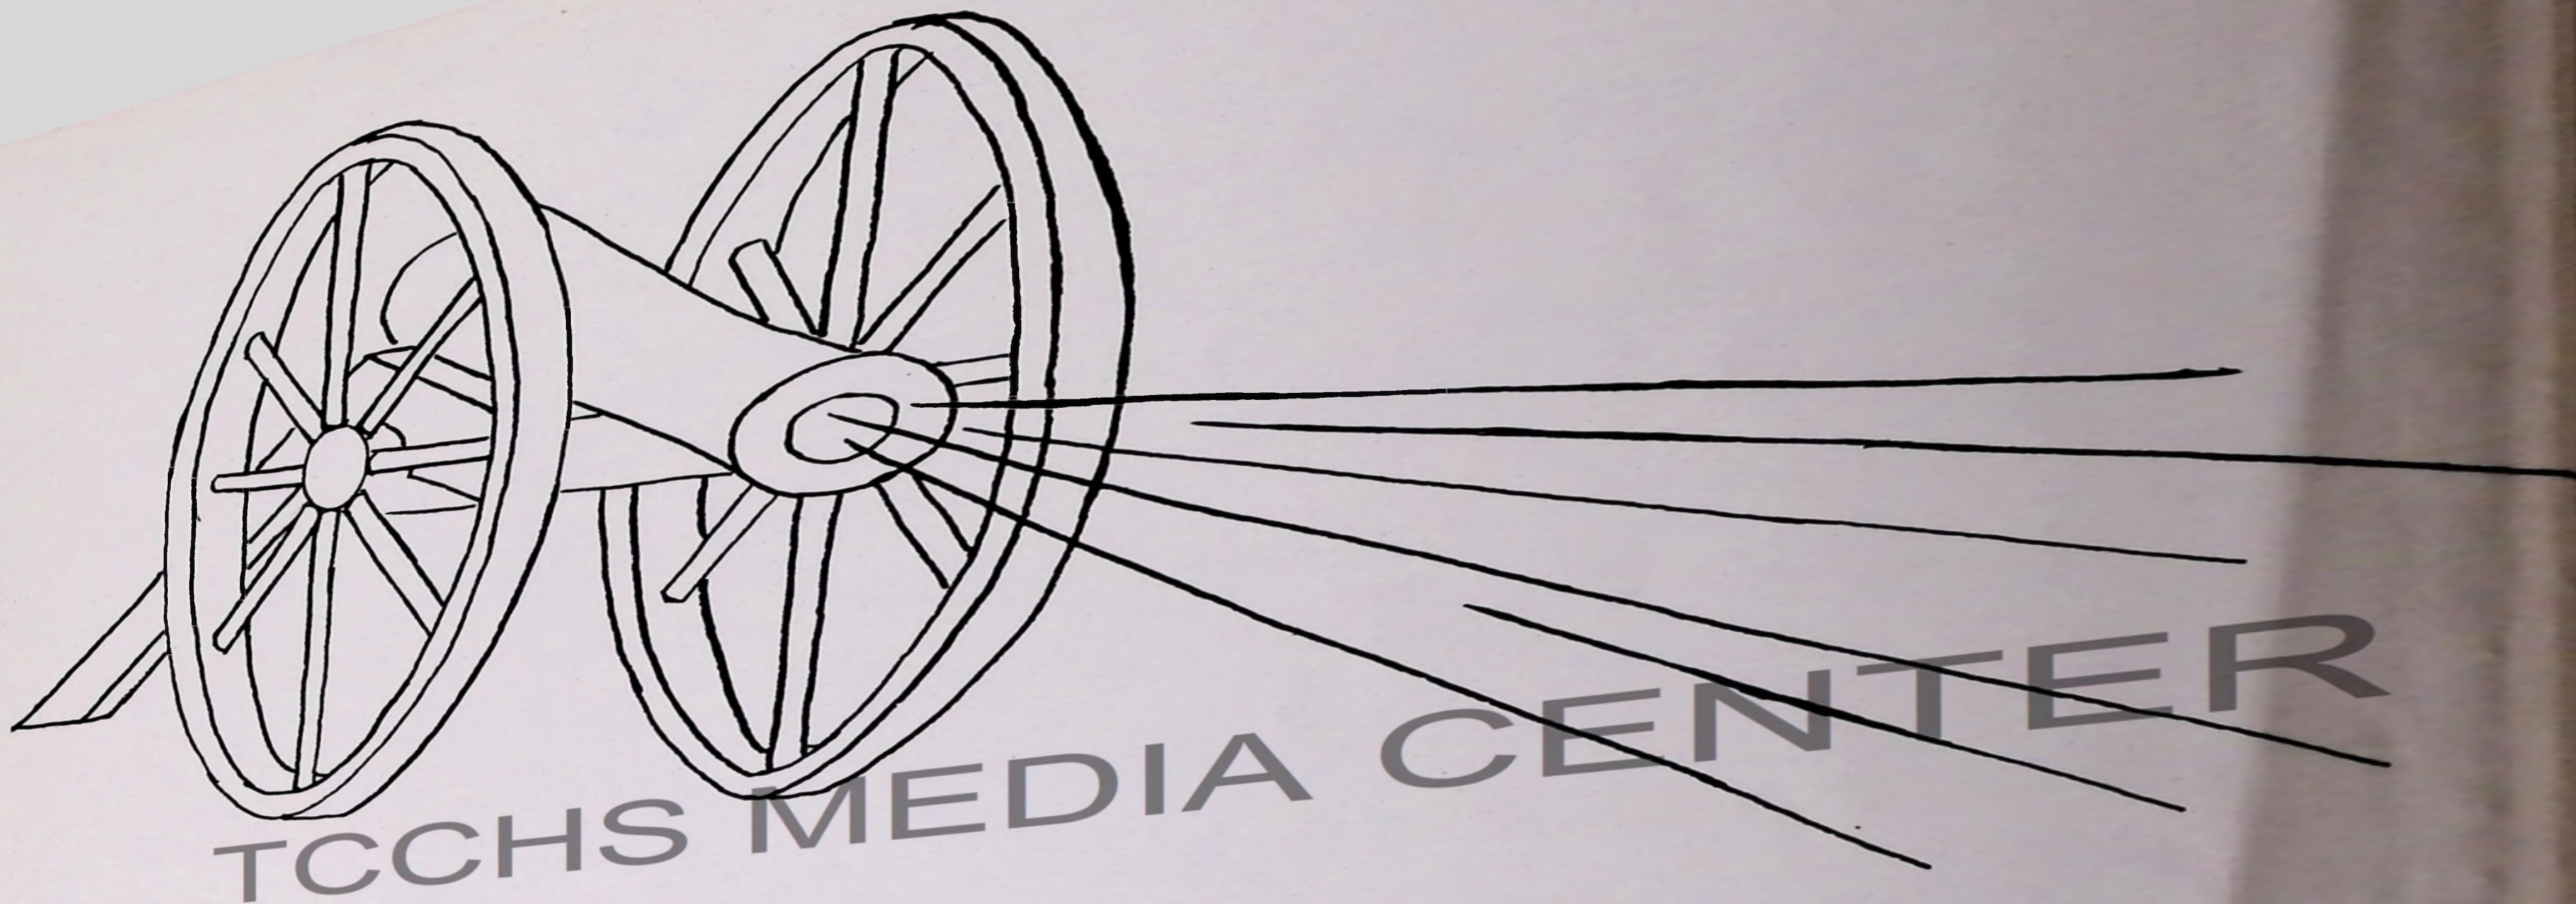

*presenting "Confederate Gray,
The Song of the South"*

Central High School

Thomasville, Georgia

Published by Vespa Staff

Vol. IV

Foreword

The Civil War Centennial has inspired our VESPA theme for 1962 - Confederate Gray, the Song of the South. In honor of the men who took part in the bitter struggle between North and South, our yearbook marches forth to you proudly clothed in the traditional Confederate gray and gold.

A good yearbook is a complete but concise record of all the major events in the school year. We hope that in future years as you turn the pages of this edition of the VESPA, you will recall the moments, both solemn and hilarious, which were 1962.

Dedication

Here at Central we have a person who is admired and respected by students and faculty members alike. This person has worked willingly and faithfully at all of her many undertakings and has become an important part of our school. When a task seems impossible, instead of giving up, she simply works with more diligence and determination until it is completed.

We, the 1962 Vespa staff, are unable to find words to express the love and appreciation we feel for her; and it gives us great pride and pleasure to dedicate this 1962 edition of the VESPA to our staff advisor, teacher, and friend, MISS BETTY JEAN DORMINY.

After a hard day's work Miss Dorminy leaves with a smile still on her face.

Miss Dorminy is always working hard for the annual and the school.

Song of

Gray

the South

Fort CHS

An exciting part of the school year is preparing for the Junior-Senior.

After each game the football players and fans enjoy a good meal.

Fire drills are necessary to insure the safety of everyone in case of fire.

"Y" clubs give the teachers a tea.

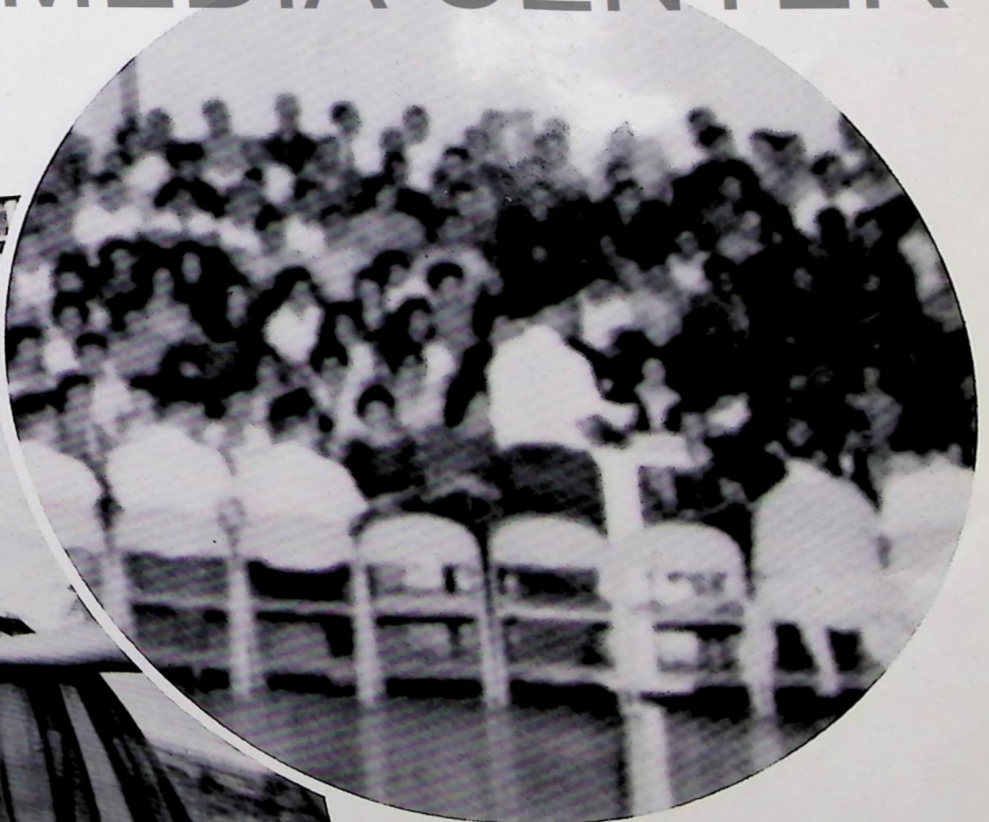

Uniforms displaying Central's emblem are issued to physical education students.

TCCHS MEDIA CENTER

The proud Seniors show off their newly-arrived class rings.

Faculty and students assemble for the first day of school.

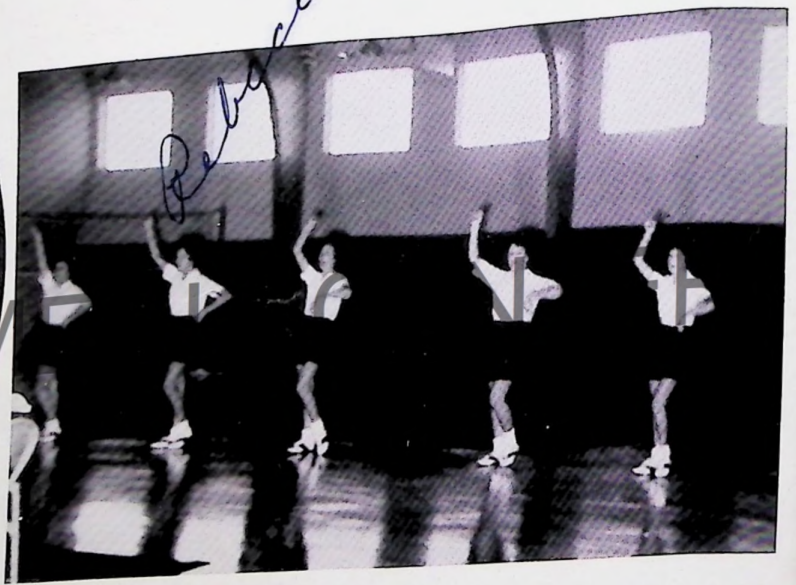

Trophies were given to Central's outstanding athletes at the final Boosters' Club meeting.

The study of grasshoppers in biology is interesting as well as informative.

Football pile-ups are a common sight each day at 6th period.

Pep rallies led by the cheerleaders help to promote good school spirit.

The F. H. A. sponsored a "Pound" Party Jamboree for Central students.

The students' cars are now parked in front of the new gym.

The Grand March is a traditional feature of the Junior-Senior.

Teachers and students alike enjoy the Junior-Senior.

The band made its first debut at the Central-Irwin County game.

At the Junior-Senior, the Grand March is climaxed with the singing of Central's Alma Mater.

All girls wishing to be cheerleaders must "try out" in assembly.

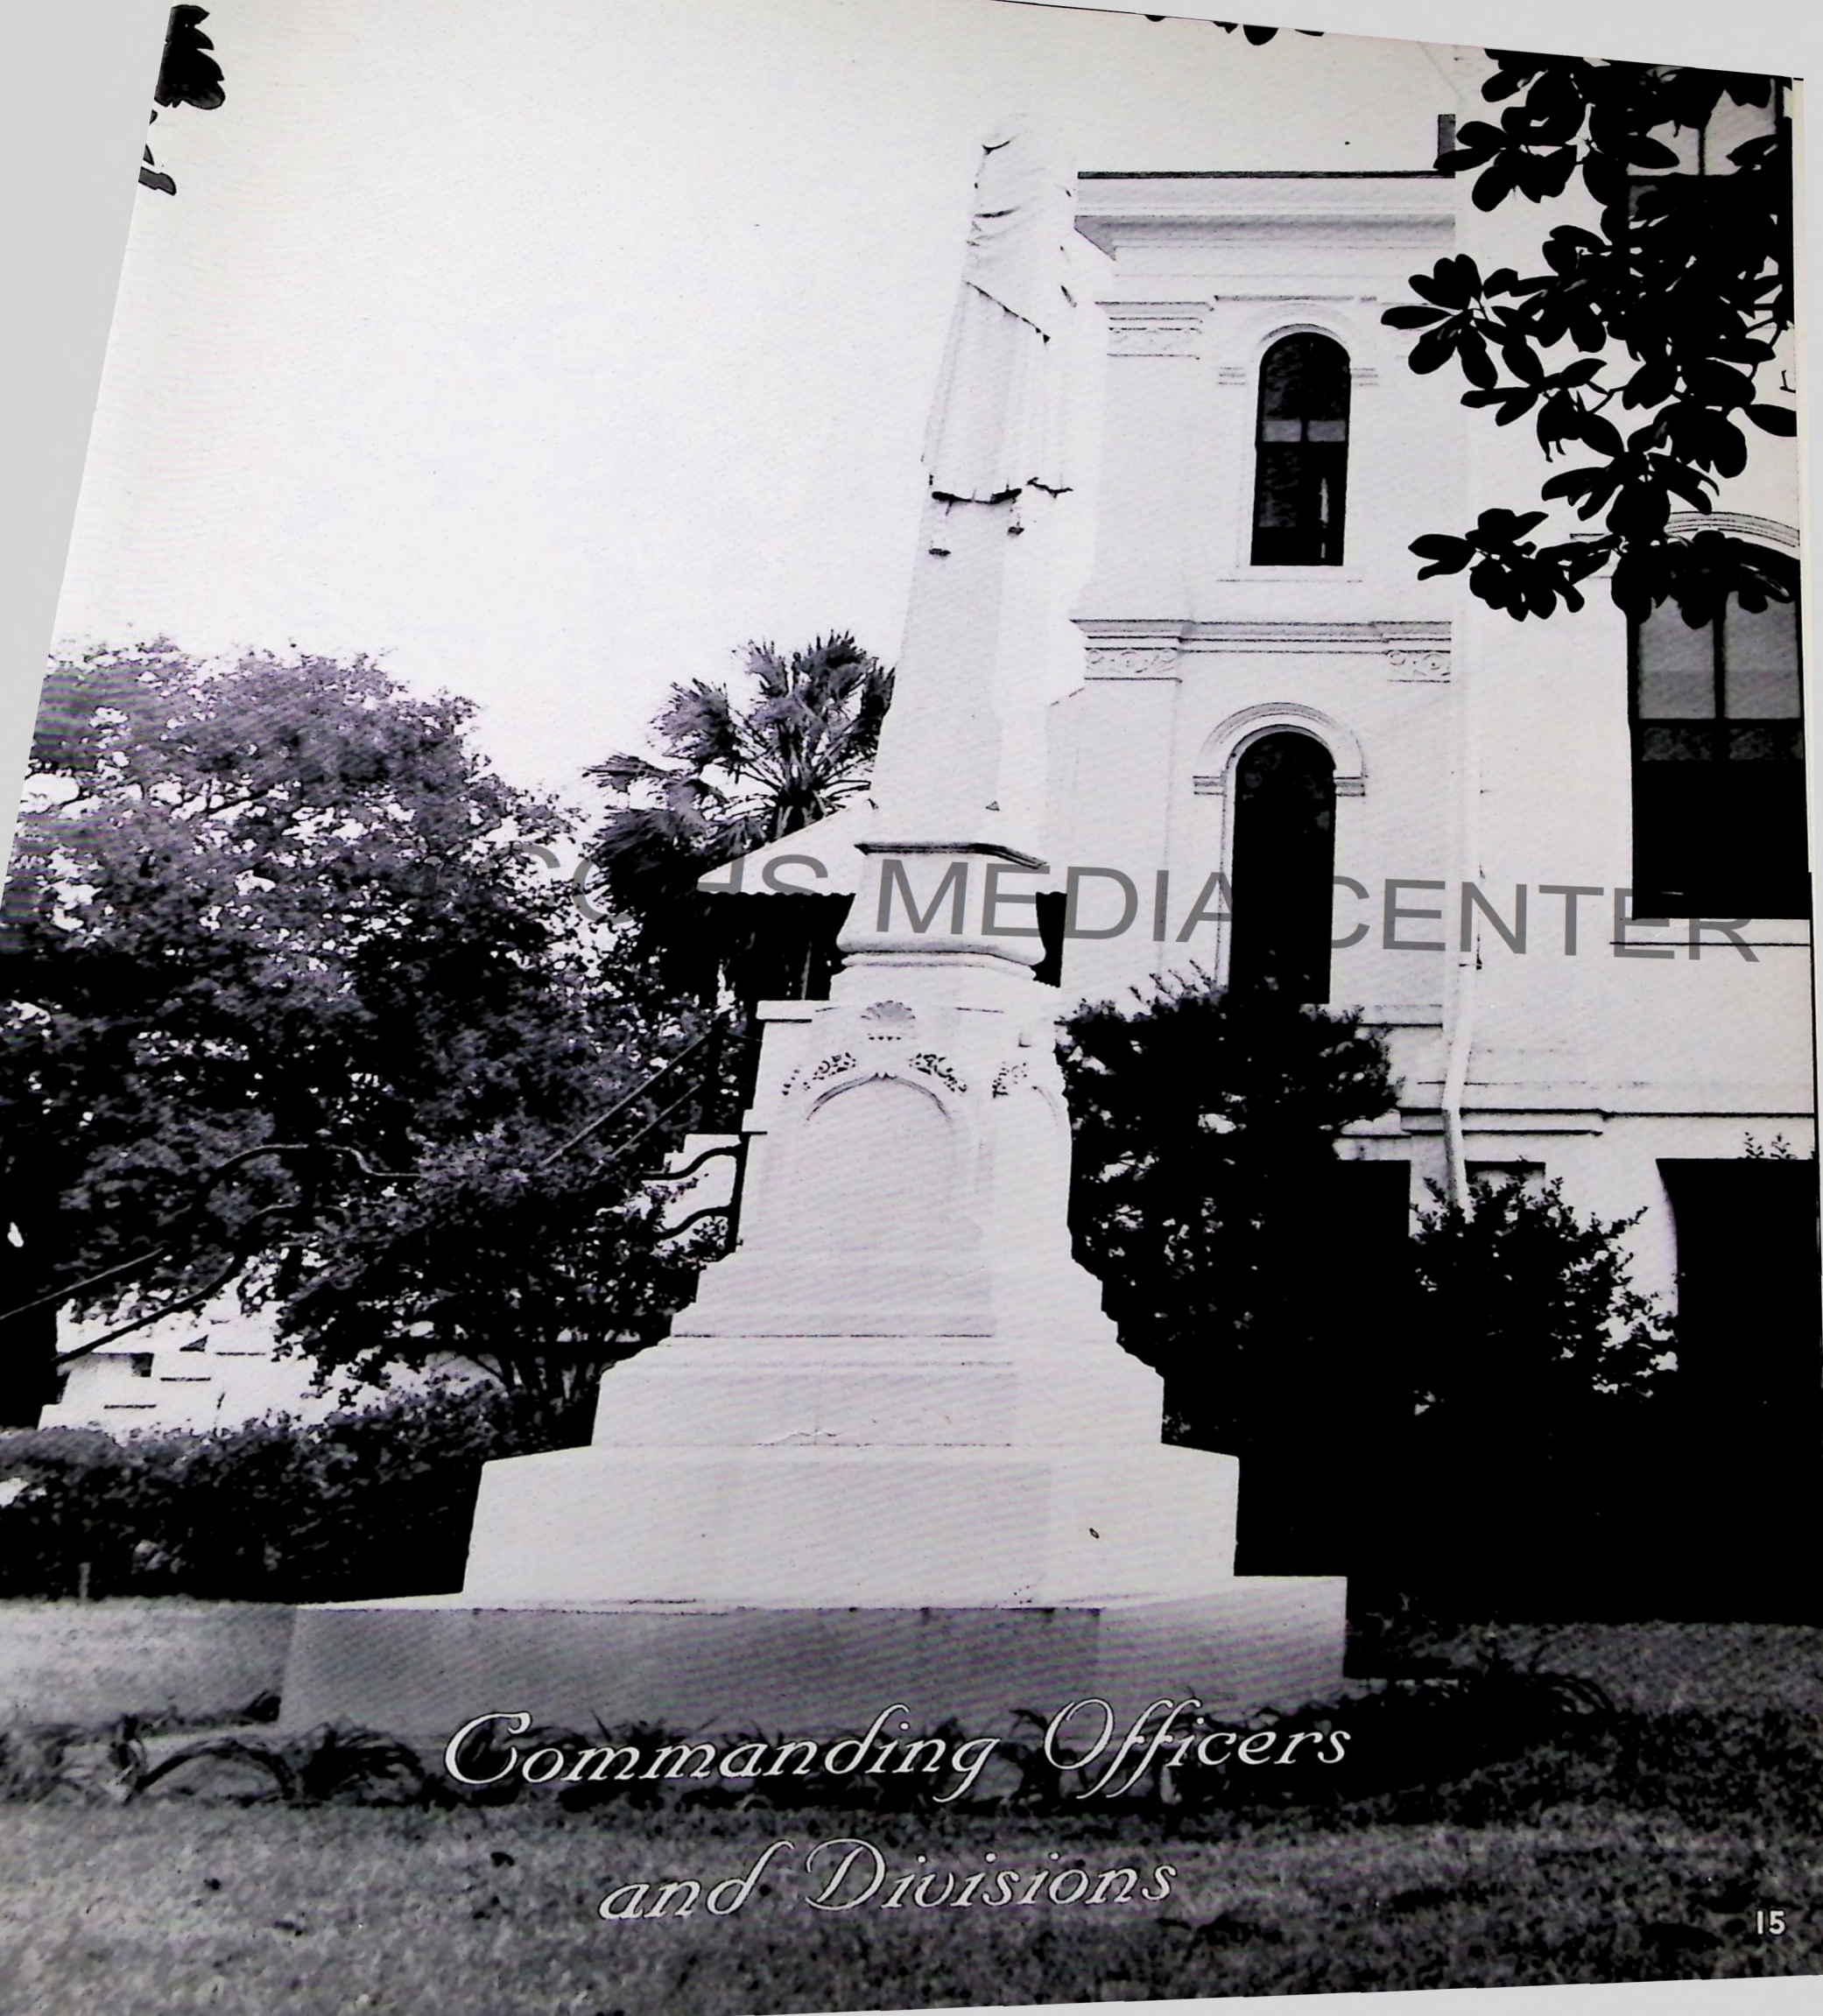

Football camp is held each year, the last two weeks before school begins.

The cheerleaders give victory yells to spur our team on to victory.

The football players rush onto the field, ready for each big game.

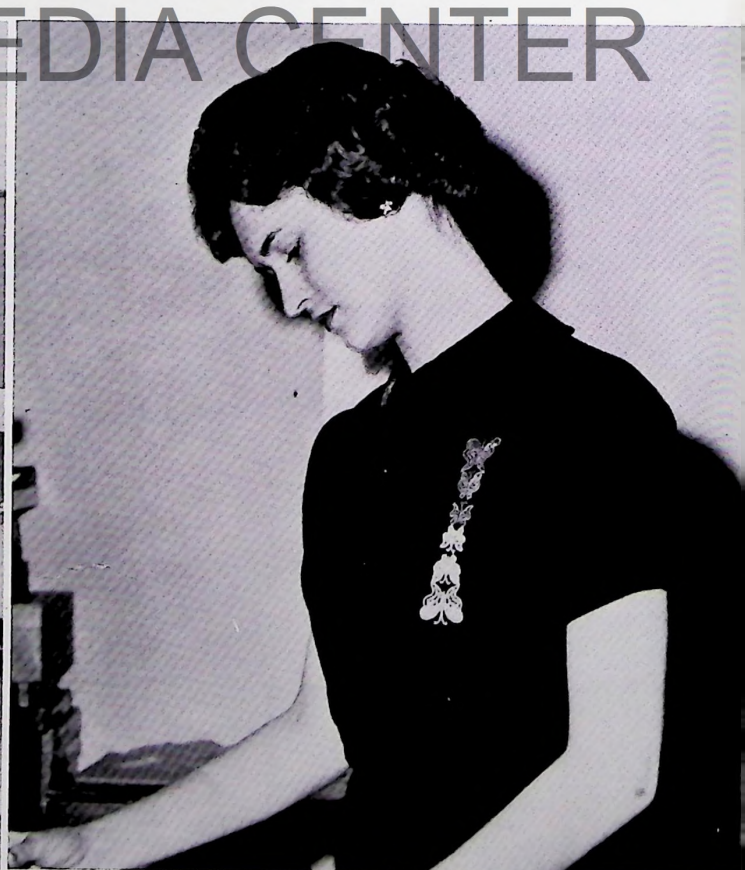

*Commanding Officers
and Divisions*

MR. ERSKINE MILLS, Principal

MRS. ELEANOR GREENE, Business Manager

MISS DARLENE PARRAMORE, Secretary

THOMAS COUNTY BOARD OF EDUCATION

MR. E. R. CONE, Superintendent of Thomas
County Schools

MISS SUE SNIPES, Supervisor of Thomas
County Schools

The lunchroom ladies work hard to feed over nine hundred students each day.

These bus drivers bring us to and from school safely each day.

The janitors keep our school looking clean and neat.

Library

The library is the hub of a dynamic program throughout the school. It means service and activity that intercepts all grade levels and every subject field. The library contains an organized collection of many kinds of materials that are easily accessible, which enrich and support the educational program of the school. The great aim of the librarian and her assistants is to be of service to students and teachers in any way possible, to help find the desirable information and to acquaint them with any new materials.

MRS. HONORINE HIGHSMITH, Central's librarian, shows Libby Dillon and Mary Hutchinson how to pull magazines from the work room for use in the library.

Students studying in the library are characteristic of every day at Central.

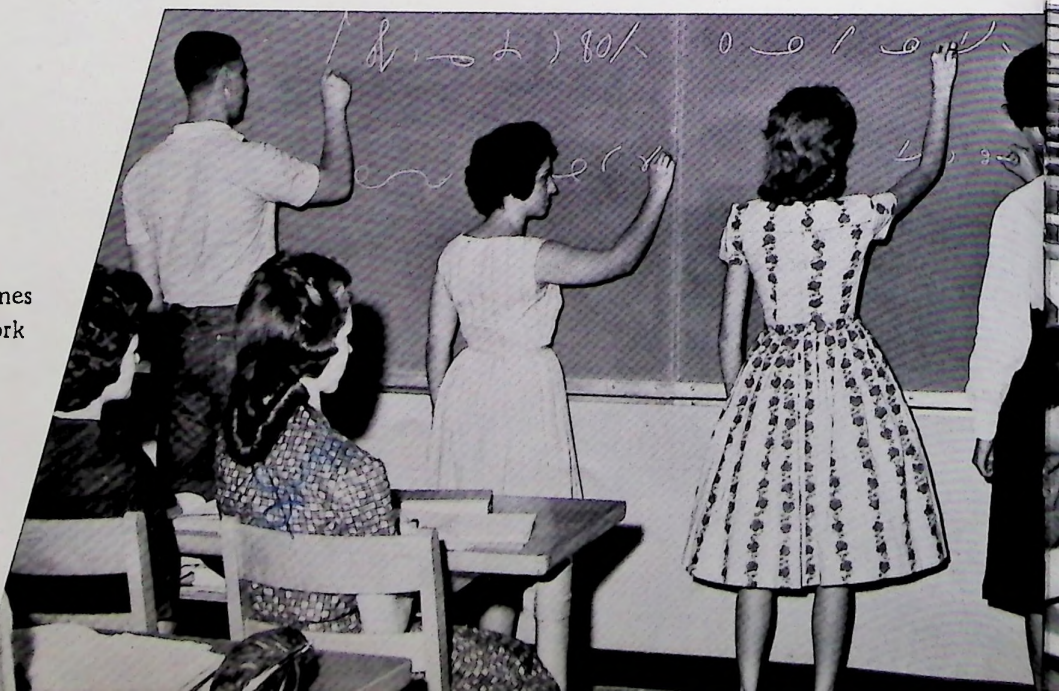

Margaret Black and Iva Lee Phillips, library assistants, have various duties such as shelving books.

MRS. LOLA STUBBS teaches shorthand, typing, and bookkeeping to those interested in the business world.

Shorthand I students sometimes write their previous homework assignments on the board.

Commercial Department

The COMMERCIAL DEPARTMENT of Central High is designed both for the students who plan to obtain further education in college or some other specialized institution and for those who will begin working immediately upon graduation. Typing I, open to all students, offers development of a skill now recognized as a virtual necessity. Both groups of students will also find practical value in the general business course and in Bookkeeping I. Specialized training particularly for those girls and boys interested in business careers includes shorthand I and II, business English and filing, typing II, and office practice.

These typing students work hard at their practice drills.

Kathryn Lowe, Freddie Manning, and Faye Peeples learn the basic principles of operating an adding machine in office practice.

Commercial courses such as office practice, business English and filing, and typing are taught by MRS. WYNETTE SUBER.

MR. RANDALL COOPER, who teaches English, seems pleased with these spelling grades.

MRS. JAN GOOLSBY helps Wanda Swindle with her poem anthology in English class.

Cecelia Buckner waits until she gets the attention of the whole class before beginning her speech.

Underlining subjects and predicates is one of the basic principles that are reviewed in senior English.

English Department

The ENGLISH DEPARTMENT offers courses designed to help each student reach his highest level in the four major areas of speaking, listening, reading, and writing, enabling him to apply the skills he has learned to his daily life. Whether the skill be in searching out the treasures contained in the library, in learning to organize through diagramming sentences and planning and writing good paragraphs, or in sharing the experiences of authors in literature, the sum total is the enlargement and broadening of values for each student.

MRS. KATHRYN BARROW, who teaches freshman English, had her students make posters concerning the materials in the library.

Jimmy Barber gives an oral report as MR. VIRGIL LOVETT listens. Mr. Lovett teaches sophomore English.

Literature Renee Parramore points to a drawing of a feudal castle where Macbeth is said to have died.

MR. LARRY HIGHSMITH, who teaches Algebra III, trigonometry, and geometry, helps Linda Hickey and Wilburn Shelley work difficult problems.

Among the instruments used in geometry is this compound protractor being explained by Johnnie Parker and Mickey Gibson.

MISS. LAILA CLIFTON teaches Algebra I and II to the mathematical-minded students.

Math Department

The MATHEMATICS DEPARTMENT attempts to develop in the student the ability to make use of the mathematical processes skillfully and intelligently. The study of mathematics provides a rich variety of experiences which will assure the ability of the students to apply quantitative procedures effectively in dealing with problems and social situations in the affairs of daily life in and out of school. The chief purpose of the study of upper math (algebra, geometry, and trigonometry) is to extend the student's knowledge of functional mathematics and to explore and expand his interest and aptitudes in this field of learning.

MRS. PEARL SMITH helps Frances Kierce work refresher math problems on the board.

Students learn by working problems individually.

Students often explain problems aloud in class.

MRS. LuNEDRA NESMITH shows her lab assistant, Tom Crocker, which materials to use in chemistry experiments.

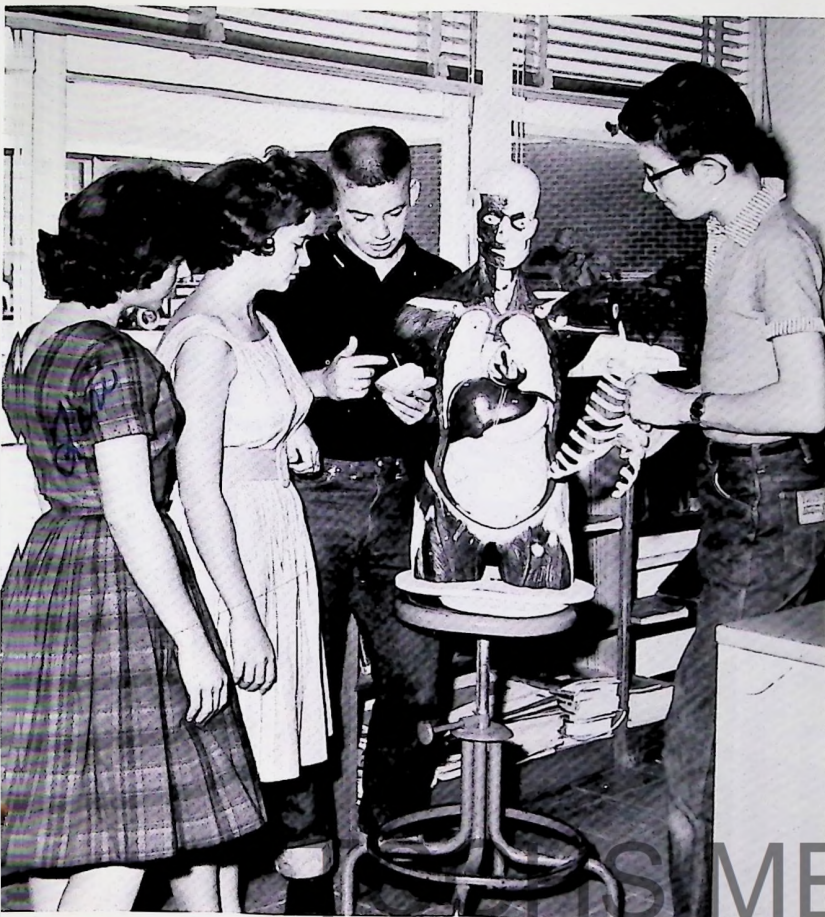

The steps in taking care of an aquarium are explained to biology students, Susie Dickinson, Ann Shelton, and Andy Rudd, by MISS BEATRICE GRIFFIN.

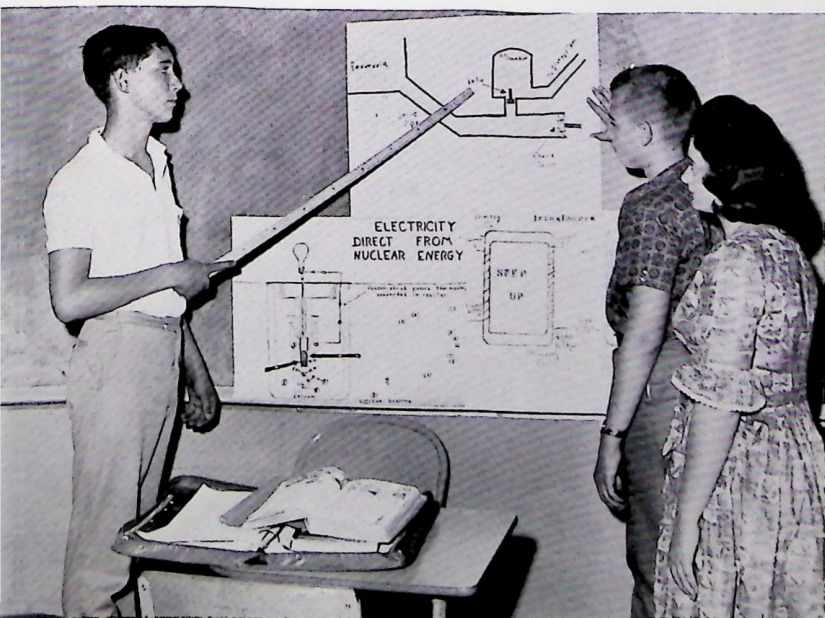

General Science is taught by MR. JERRY ALDERMAN, who doubles as the B. Team football coach and girls' basketball coach.

Science Department

The SCIENCE DEPARTMENT presents the courses in science which are so much a part of our present-day culture that they cannot be ignored by the intelligent, well-educated individual. Before graduation from Central High, each student is required to take a course in general science and biology to meet general education requirements. Additional courses in chemistry and physics make a major educational contribution to these students whose special interests and abilities may lead to specialized study and work in science.

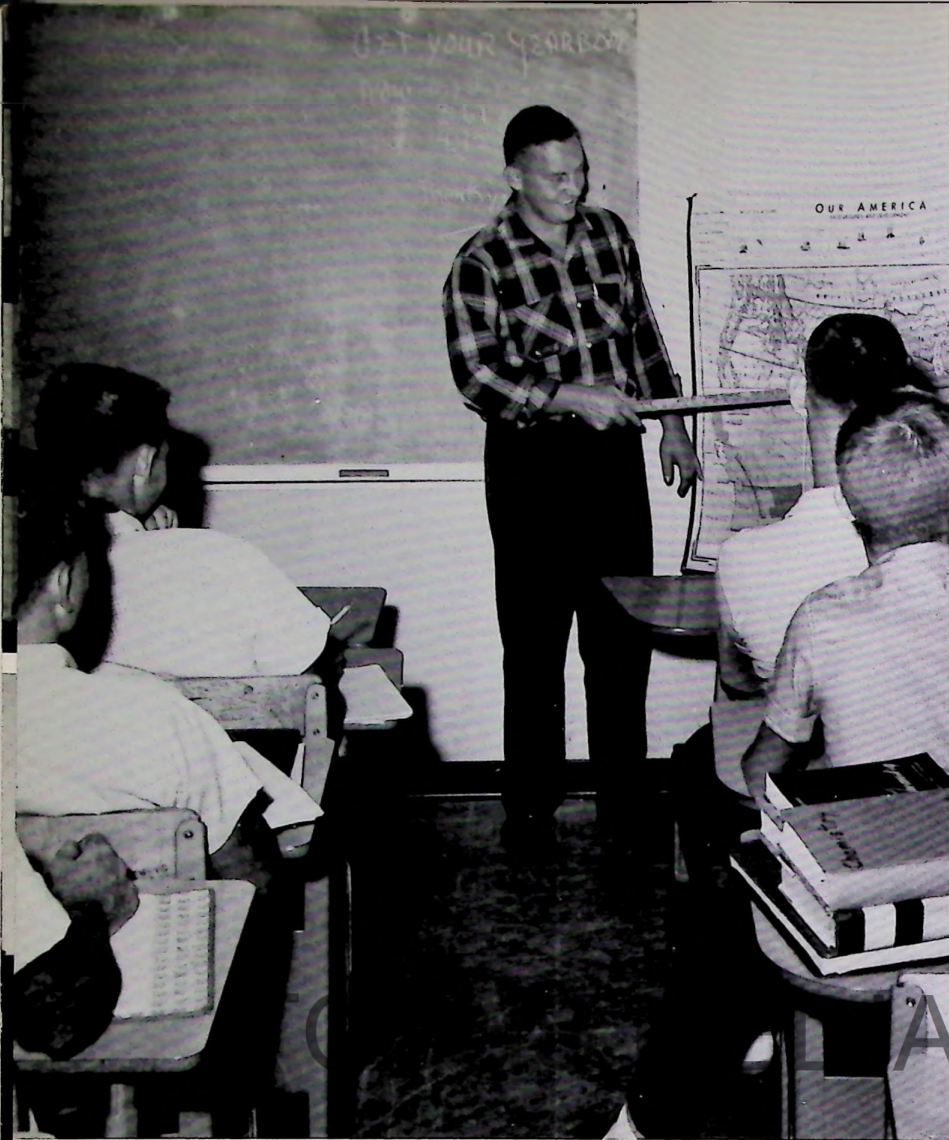

In biology class "Homer" can be taken apart for closer observation of the different parts of the human body.

In general science, posters concerning electricity are studied by Larry Gresham, Dana Plymale, and Becky Johnson.

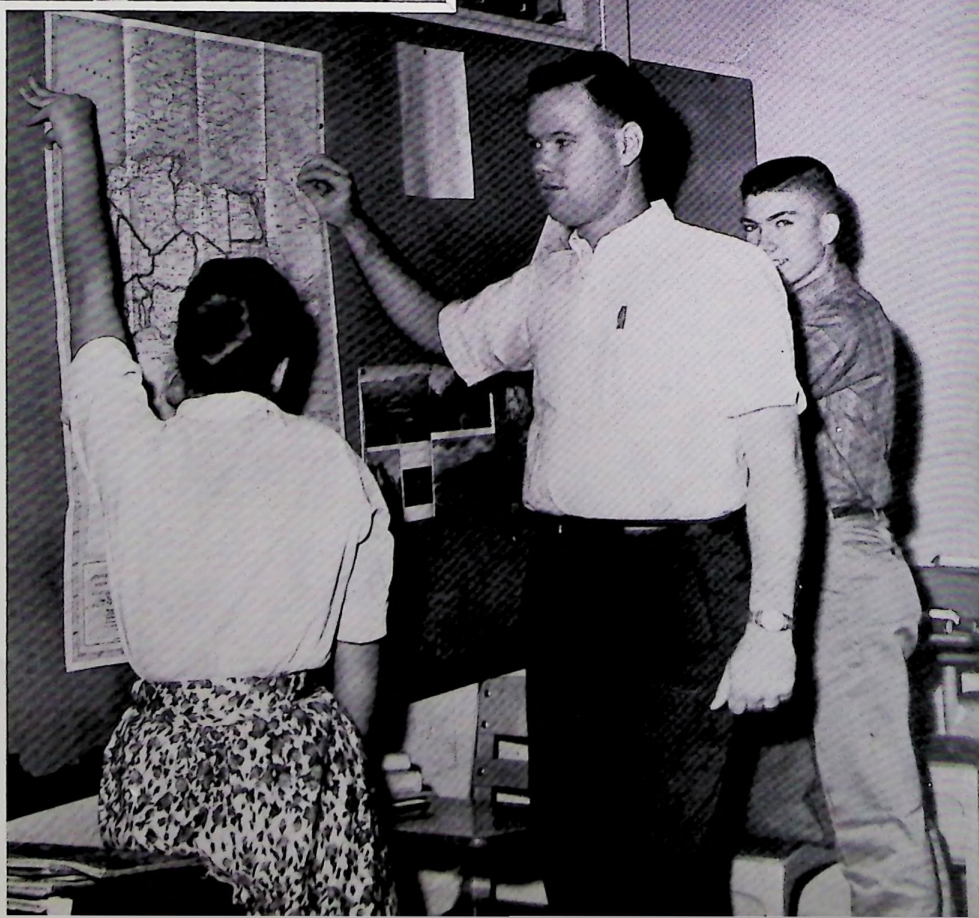

Measuring the flagpole is a project that was undertaken by Tim Crocker, Emmett McEachin, and Thomas Joiner of the physics class.

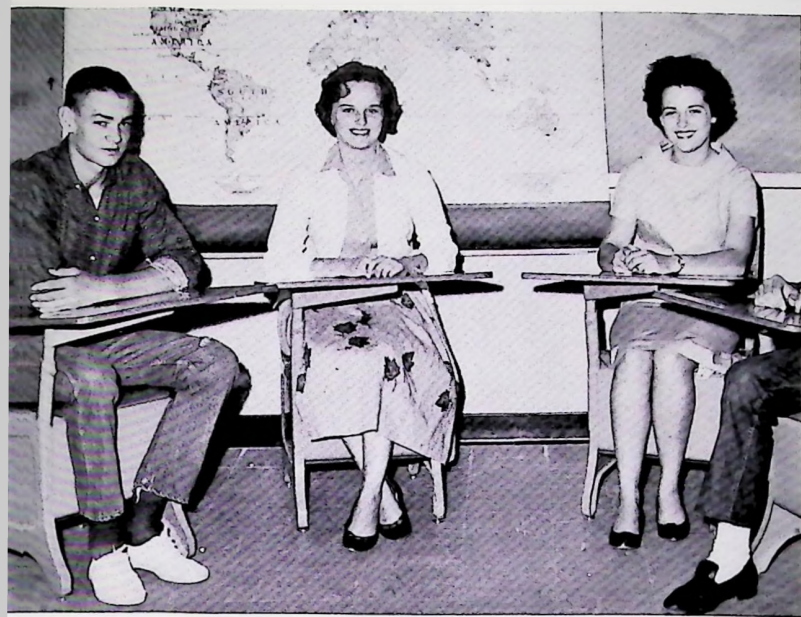

A good knowledge of maps is a basic principle of understanding American history, which is taught by MR. JIMMY VOYLES.

A CENTER

MR. C. C. PHILLIPS helps Jennifer Pierson and Mac Brown arrange a bulletin board to make his civics class more interesting.

Studies Department

Panel discussions add to the understanding of world geography.

The SOCIAL STUDIES DEPARTMENT helps young people learn to carry on the free society they have inherited, to make whatever changes modern conditions demand, and to hand it on to their offsprings better than they received it. Social studies is not a new or separate subject, but comprises a field of the school curriculum wherein the content, findings, and methods of the social sciences (history, geography, economics, political science) are simplified and reorganized for instructional purposes.

A project of the first period world history class was to make and work out crossword puzzles pertaining to events in world history.

MISS BETTY DORMINY, who teaches world history, believes that films are helpful to the students.

The basic principles of sewing are illustrated here by MRS. AUBREY LEE, who teaches Home Economics I and II.

MR. ELMO PALMER, vocational agriculture teacher, checks record books

An attractive bulletin board and two scrapbooks are kept in the hall next to the Home Economics Departments so that everyone can see what has been accomplished by the home economics girls.

MRS. BANNER LEE, who teaches Home Economics I, III, and IV, explains the fine points of pressing a garment to one of her students, Rhys Greene.

Vocational Department

The VOCATIONAL DEPARTMENT consists of homemaking for the girls and vocational agriculture for the boys. The main purpose of vocational education is to foster the development of each individual so that one may achieve the most satisfying life of which one is capable. While accomplishing this aim, it also educates for proficiency in other pursuits closely related to farming and homemaking.

every six weeks to determine the progress of each student.

MR. ELMO LEE has taught John Bulloch and Hugh Oliver that the keeping of record books in vocational agriculture is important.

These boys become skilled at using the various machines in the shop at Central.

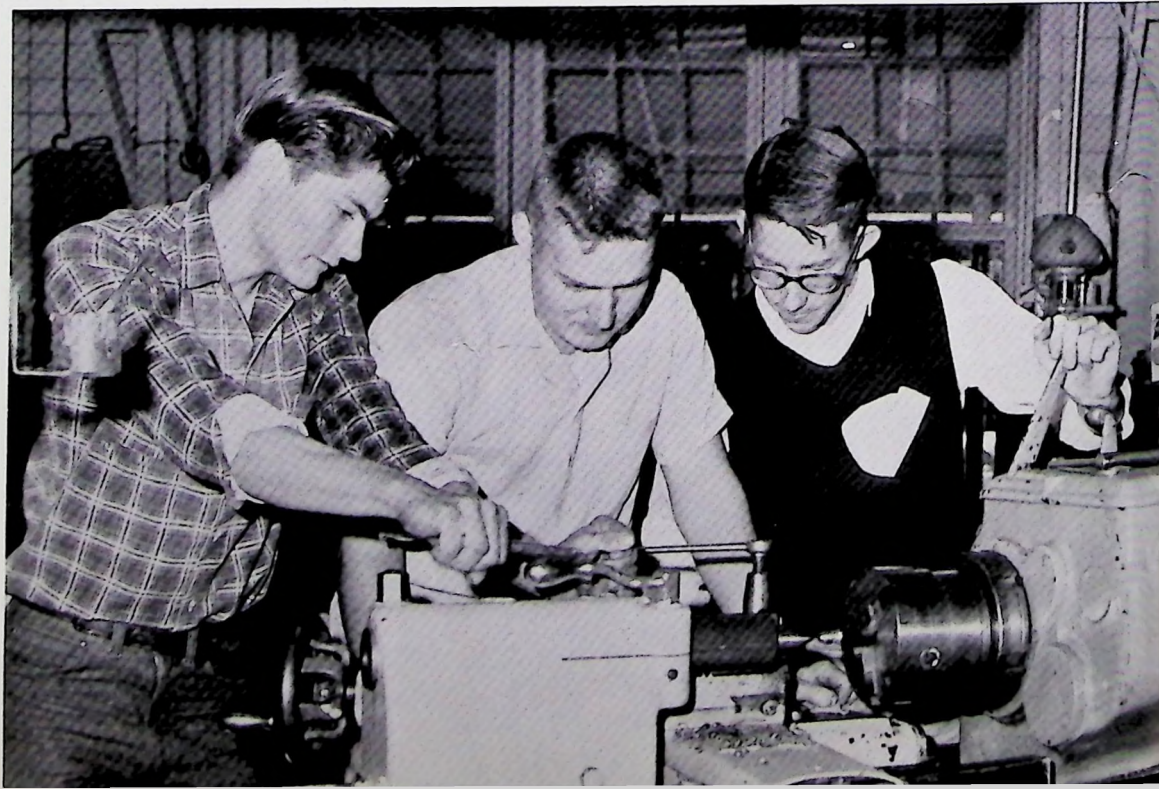

MR. PAUL SEWELL and a student, Johnny Peterman, study a blueprint at the vocational school.

TCCHS MEDIA CENTER

In machine shop, Gwinnett Mills, Jackie Billingsley, and Frank Council learn how to operate complicated machinery.

Vocational School

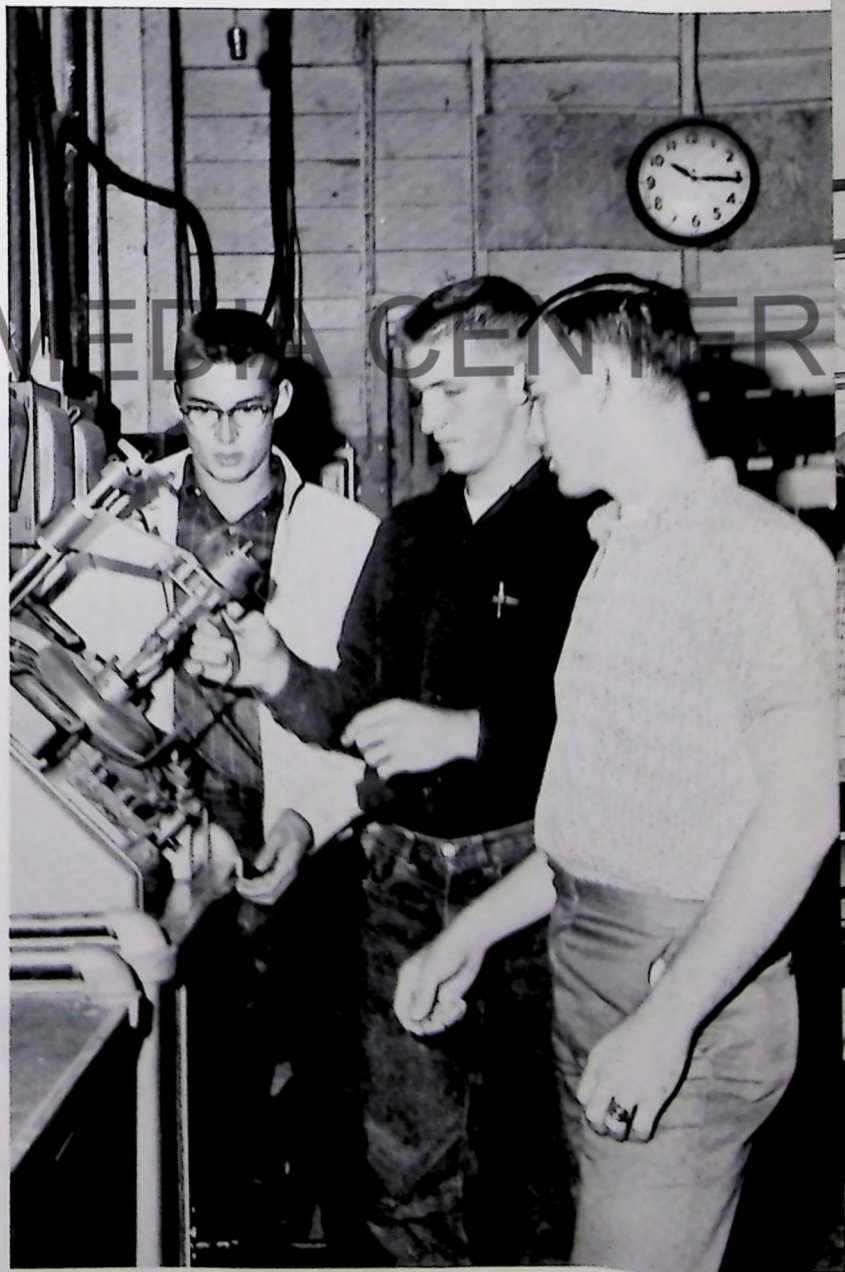

These students are learning the steps in building an air conditioning unit.

These boys learn how each part of an engine works.

THE VOCATIONAL SCHOOL offers courses in machine shop, refrigeration, and auto mechanics to Central students who are interested in obtaining training in one of these trades. The departments are well-equipped with instructional materials. A student may take the required courses offered at Central and choose his electives from courses at the vocational school and get credit toward graduation.

The boys in shop learn the different features of a distributor tester.

Music Department

Rebecca Dorminy learns the value of voice lessons in improving her singing abilities.

The MUSIC DEPARTMENT consists of training in girls' chorus and band. The girls' chorus includes learning the basic fundamentals of singing, plus the practice of sacred, secular, and folk songs. The band students develop skill in playing instruments and drilling. The performing band has around 30 members. There are 101 beginners availing themselves of private instruction.

Marching and drilling are necessary in order to have a good band.

TOOLS MEDIA CENTER

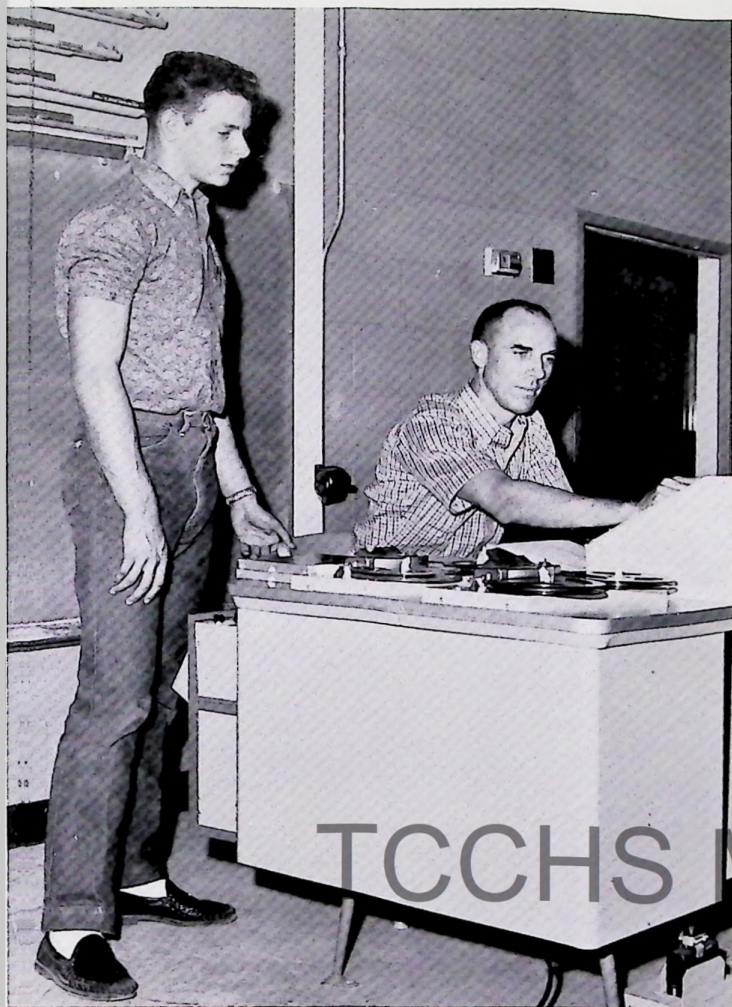

MRS. MYRTLE BURNETT, who teaches music at Central, plays for try-outs for the boys' quartet.

MR. RICHARD REIS is the director of Central's rapidly-growing band.

Foreign Language Department

MR. SCOTT MORRIS, JR., who teaches foreign languages at Central, shows his lab assistant, Kendall Hicks, how to operate the new lab equipment.

Spanish students enjoy looking at articles typical of Spain and her people.

The LANGUAGE DEPARTMENT, offering two years of study in French and Latin and three years of study in Spanish, attempts to develop in the student a broader culture and a deeper social understanding through a knowledge of a foreign language. The students are also familiarized with the history, geography, and literature of another land and people.

Each language student is required to listen to tapes for a certain number of hours each six weeks.

Physical

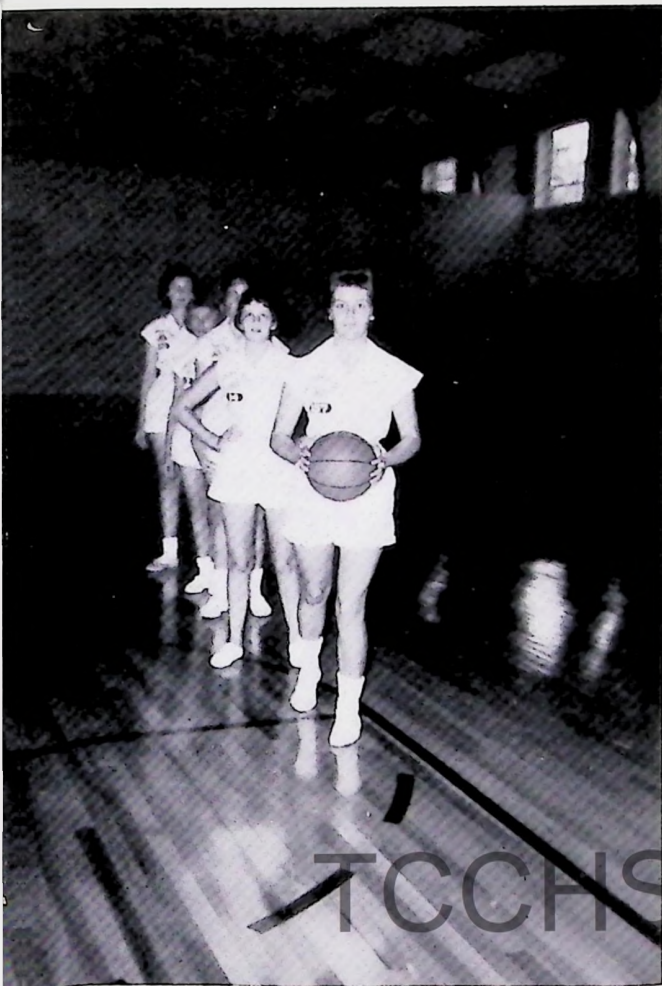

Physical education girls
often play volleyball in
the gym.

TCCHS MEDIA CENTER

MR. SHERMAN HALL is
kept busy teaching girls'
physical education as well
as coaching boys' basket-
ball and track.

Education Department

Basketball is a popular sport among the physical education girls.

The PHYSICAL EDUCATION DEPARTMENT is trying to strengthen the total school program through health, physical education, athletics, and fitness. Activities that promote the mental, physical, and moral development of the individual are provided. The program is designed for groups as well as individuals in grades 7 through 12.

Exercises are given daily to the boys in physical education by COACH JERRY McCLUNG.

Included in Central's physical-fitness program is softball, a favorite sport of the boys in physical education.

Guidance Department

MR. THAXTON SHELLEY, Central's Guidance Counselor, believes that at least two conferences with each student during the year is necessary. He is shown here going over test scores with a senior, Mariah Oliver.

The GUIDANCE DEPARTMENT assists the student in making an objective self-analysis. Maximum adjustment is possible only when the individual has an objective understanding of self and an emotional acceptance of all factors affecting his life. This is what the guidance services of Central hopes to accomplish.

Bulletin boards in the guidance office which are of interest to everyone, are kept up to date by the assistants.

All of the Freshmen are especially eager to set a definite plan for their high school careers.

LOWNDES COUNTY

After taking a week off, the Jackets took on the very highly-rated team in class A competition from Lowndes County. The Jackets not only scored for the first time in the season, but also unleashed the offense which they had in store from the two previous games. Summing the game up briefly, the Jackets couldn't do anything wrong as they grounded the Eagles, 33-6.

CAIRO

Facing Cairo's "I" formation tricked the Jacket defenders' eyes and Larry Green took advantage of this and galloped for over 200 yards against Central. Even this didn't stop the Jackets from making a good impression as they held the Syrupmakers to their lowest score in the short season, 19-7. Central's defense also held the Syrupmakers scoreless in the second half, making some great stands.

SEMINOLE COUNTY

In the opening game of the season, the Jacket offense didn't start to roll until the last few minutes of the final quarter; and by this time it was too late. The Seminole County team was held in check for the whole game by Central's defense except for one play in which the Indians cut loose with a 35 yard pass play which set up the only touchdown as they went on to win, 7-0.

WARE COUNTY

Playing against a very strong team and future runner-ups for the State A Championship, the Jackets put up a very courageous game. Although the Gators won by the score of 20-0, the defense showed up in top form and made a very good impression for the team's first home game.

Woodrow Scott goes for a long gain after receiving pitchout from Emmet McEachin.

WORTH COUNTY

In scoring a 31-0 win over Sylvester, the Jackets stood out both defensively and offensively. The Jackets' rushing and passing gains were the best in the season so far, as they gained 493 yards all totaled. The defense held the Rams to only 130 yards as the Jackets scored their second victory of the season.

IRWIN COUNTY

With two quick touchdowns within the first five minutes, the Jackets were on their way with their third victory of the season. The Indians from Irwin County were on the short side of the final 33-19 score. The Indians' quarterback, Jimmy Mixon, found a flaw in the Jackets' pass defense and completed 11 of 21 passes for 166 yards. While the Indians dominated the air lanes, the Jackets, on the other hand, supplied the usual ground attack for a superb 300 yards and the third win of the season.

TCCHS M...ER

AMERICUS

In the first half of the game, the Panthers clawed the Jackets while scoring three touchdowns to Central's none. Our Jackets weren't about to quit though. They put a grave scare in the hearts of the Panthers as some heads-up defense helped them score the second of two quick touchdowns. The Panthers scored again late in the third period to put the game out of reach. This was the first "big" football game in Central's short history and the Jackets showed up strong and in good fashion.

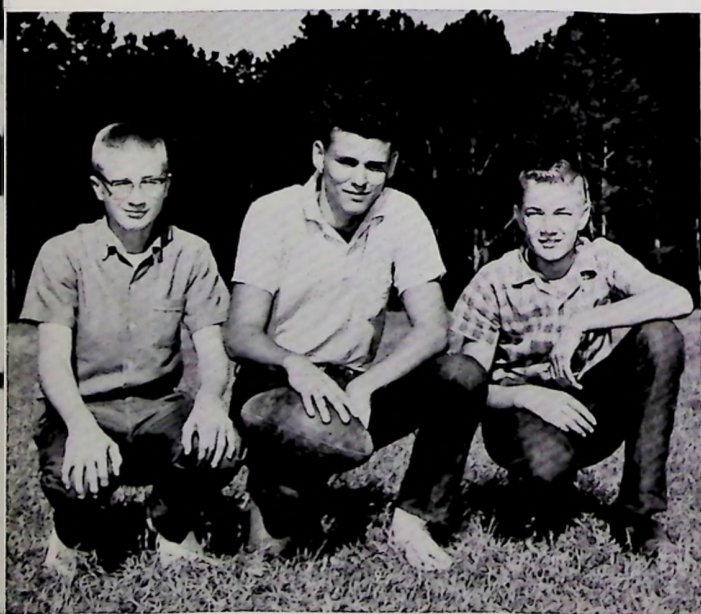

Dell Vick sweeps the right end with help from Ken Beverly.

Emmett McEachin is finally subdued.

PELHAM

The Jackets, trying to get back their winning ways, next faced the upset-minded Hornets of Pelham. This game, the most exciting of the season, was filled with everything including two 55 yard punt returns by Emmett McEachin for one touchdown. (The first was nullified by a penalty.) The game looked like it was going to end in a tie until a great effort by Woodrow Scott gave the ball to Central on the Hornets' 12 yard line. Then with just 14 seconds left Billy "The Toe" Taylor put his foot to the ball from the 17 yard line and kicked the only field goal in Central's history to squeeze out a 17-14 suspense-filled victory.

MANAGERS - L-R: Harry Gornto, Donald Anderson, Clayton Peebles.

COOK COUNTY

In the "battle of the insects," the Hornets from Cook County proved mightier. The Hornet defense stopped all but one Jacket bid for score with the final score being 24-6. The Jacket defense, doing without two key players, held the Hornets to just 7 points in the first half; but Cook ripped through for 17 points in the latter half. It was a loss taken in grief as hope for the school's first winning season went down the drain.

TACKLES

L-R, FRONT: Ken Beverly, Sonny James, Doyle Jones, Bruce Osborne. BACK: Billy Warren, Tommy Horne, Mickey Gibson.

BROOKS COUNTY

Central's second Homecoming was spoiled by a lad named Tommy Youmans who scored the only points in the 7-0 loss in the final game of the season. The Jackets led the Tigers in the statistics department but could only get to the Brooks County 20 yard line as they fumbled there in a drive from the Tigers' 41 yard line. The Jackets were also hurt by the great punting of Youmans who had an average of 41.3 yards. The bright spot of the game was again made by the defensive team of the Jackets as they stopped the Tigers in all but one drive in finishing out a great game and a great season for the Jackets of Central High.

Get in there, Larry!

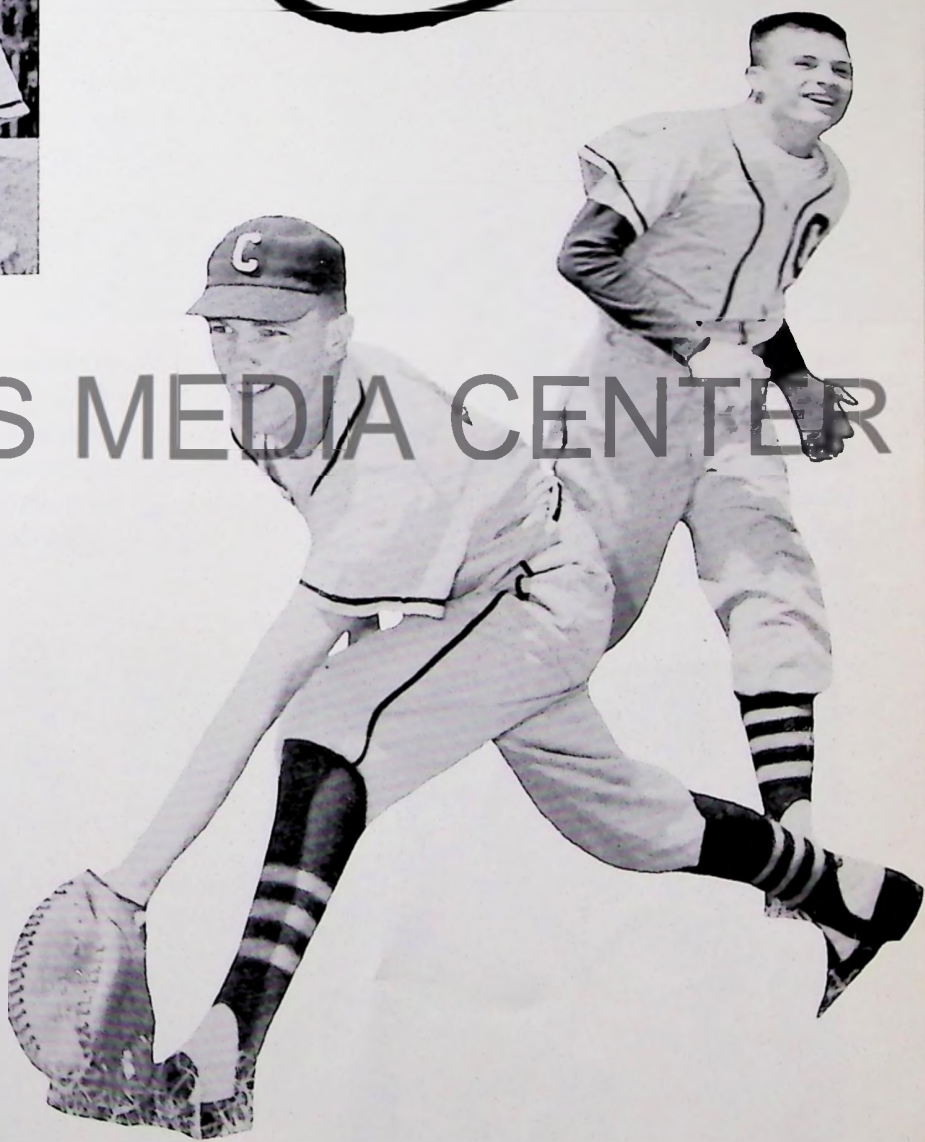

Coach Roberts shows Bobby and Sammy how to bunt.

TCCHS MEDIA CENTER

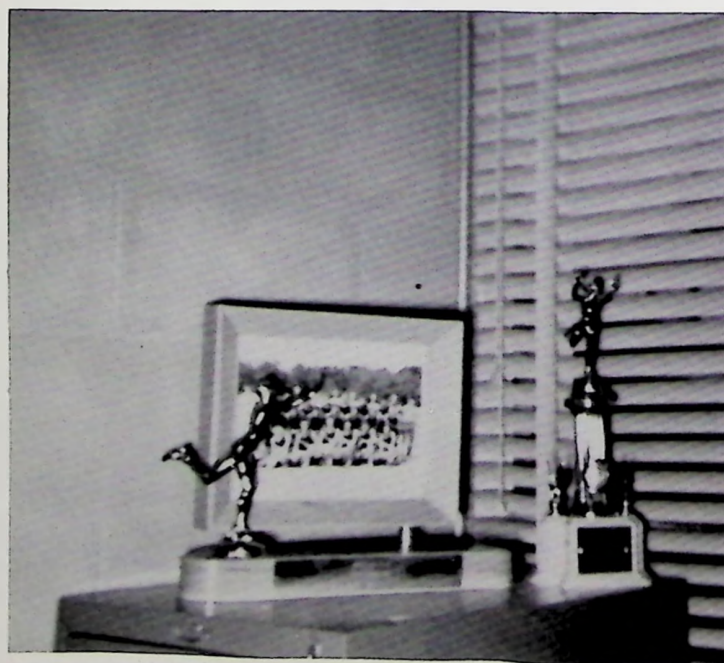

The 1961 Central High baseball team was a success, although the final record was three wins and five losses. The first game was a heartbreaker as Bland Lewis lost a no-hitter. In the next two games, the Jackets fell to the powerful Moultrie and Thomasville teams. They then rebounded by out-slugging Cairo and then taking two games from Brooks County. The double victory enabled the Jackets to meet Americus for the regional title. Americus, later state champs, put cold water on the hot Jackets as they won the two-out-of-three series and thus ended the season for the Jackets.

This year the CHS baseball team plans to be another contender for the region. The team has ten boys returning and a man at every position.

L-R, FRONT: Bobby Parrish, Milton Ganyard, Billy Arrington, Ronald Benton, Kendall Hicks, Donald Anderson, Russ Singletary, Billy Taylor, Jimmy Dollar, James Murphy, Davey Rehberg, Emmett McEachin, Bobby Ginter, Raymond Fletcher, Billy Warren. MIDDLE: Donald Phinazee, Richard Edwards, Dell Vick, Terry Mills, Jerry Brinson, Johnny Reichert, Elgin Freeman, Ronald Phinazee, Robert Tillman, Tony Young, Mike Pilkinton, Kirk Beckham, Daniel Gibson, Gene Sculley. BACK: Jimmy Clanton, Clevis Long, Joe Powell, Edwin Baggett, Donald Stoker, Olan Bryant, Pete DeSantis, Jerry Rollins, Charles Graham, David Owens, Stanley Harrell, Leverne Smith, Mike Bruce, Robert Ganyard, Tommy Ginter, Hugh Oliver, Randy Cox.

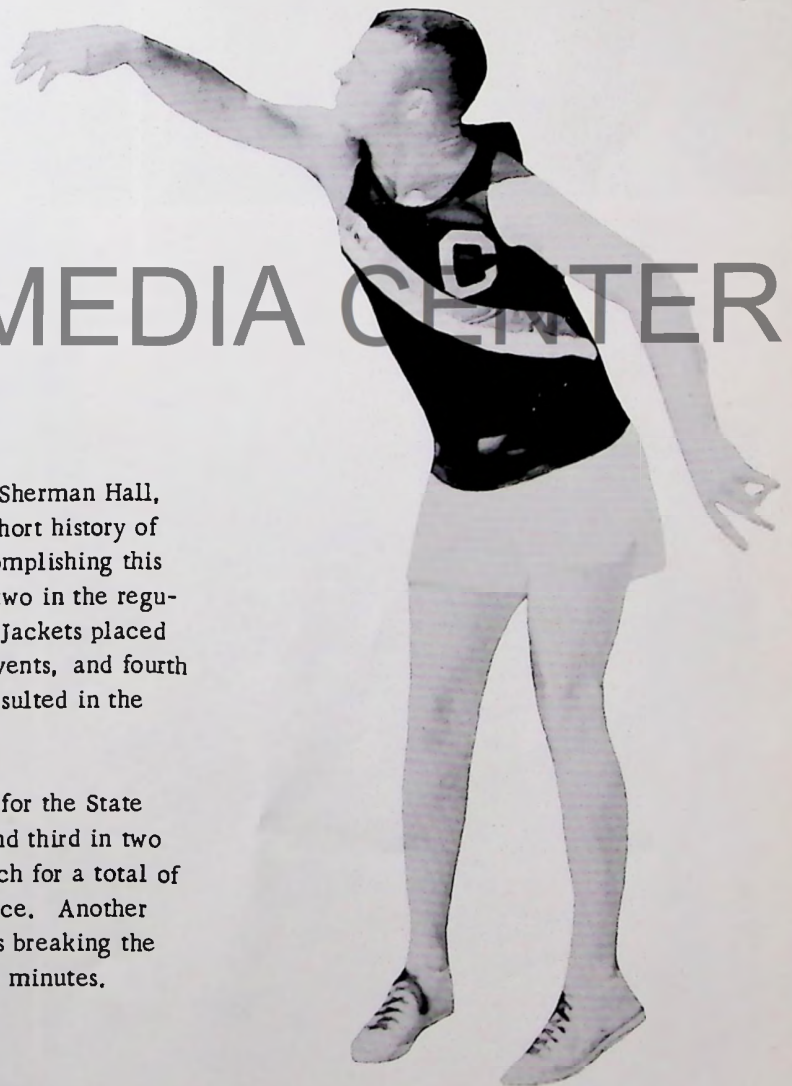

Central has begun a fine collection of trophies.

Leverne Smith goes up and over.

Track 1961

Region 1-A Champs

TCCHS MEDIA CENTER

The 1961 track team, under the guidance of Coach Sherman Hall, had the privilege of being the first athletic team in the short history of Central High to win a trophy for the school. Before accomplishing this feat, however, the Jackets won six track meets and lost two in the regular season. In taking the 1-A Region championship, the Jackets placed first in four events, second in two events, third in five events, and fourth in one event. This was the combination of points that resulted in the winning of the first trophy.

The Jackets then journeyed to Athens on May 12-13 for the State Meet. In Athens the Jackets placed first in two events and third in two events. They also placed fifth and sixth in one event each for a total of thirty-eight points, which was good enough for fourth place. Another note of recognition at the State Meet was Kirk Beckham's breaking the State Region 1-A 880 Yard Run with a record time of two minutes.

1961 STATE MEET DELEGATION

L-R, FRONT: Ronald Benton, Dell Vick, Kirk Beckham, Russ Singletary, Emmett McEachin, Kendall Hicks. BACK: Gene Scully, Donald Anderson, Pete DeSantis, Leverne Smith, David Owens, Stanley Harrell, Daniel Gibson.

The beginning . . .

. . . and the end.

Milton Ganyard finishes final lap.

Kirk Beckham receives the Region 1-A Trophy.

Emmett McEachin easily takes the 440.

Ronald Benton qualifies in the 440.

Coach Hall relays the latest results.

Vespa Farewell

TCCHS MEDIA CENTER

It has taken many hours of planning and working to make this edition of the VESPA possible. The Staff has cooperated with me beautifully in every way. I would like to take this opportunity to give them my heartfelt thanks for their cooperation and for their patience and understanding. My thanks also go to the teachers for excusing students from classes for pictures; to Mr. Tidwell for his patience and for producing such good pictures; and to Mr. Baker of Taylor Publishing Company for his help concerning questions about each shipment. Without each of you, we could not have achieved such a fine yearbook, the '62 VESPA, of which we are justly proud.

In the 1962 VESPA, we of the Annual Staff have tried to recapture the feeling of the "Old South" in all its glory in commemoration of the Civil War. We hope that it will serve as a timely reminder of this period in our nation's history. As we think of the men who died to defend the principles of Democracy, I hope that we shall be made proud of our great heritage that we so often take for granted today.

This year is almost over now and we Seniors will soon be going our separate ways. "May the Spirit of Central be with you all, as the sons of the South advance."

Dear Ronnie,

I have enjoyed very much
being a friend of yours this
year. I am looking forward to
next year. Keep up the good
work in school and you will
be alright. Good luck always,

Your friend,

Bubba

Ronnie,
I surely have
enjoyed knowing you
this year and cutting
up with you!

I hope you'll
enjoy High School
as much as I have!

Best wishes and
good luck to a
real cute boy!

Love ya!
Fay

Ronnie,
It has been a pleasure
knowing you this past
year in school & in 4-H.
Lots of luck always,
Duane
Parramore

I, a real
cute boy, hard
luck - best
wishes in the
future. Love,
Duke

Rennie,
I sure have enjoyed
knowing you this
year. Always take
care of you yo-yo!!!
I hope you'll enjoy
high school as much
as will enjoy
having you here!
your "Kitty Buddy"
Emma Se Smith

Rennie,
It certainly has been
fun these years. You
are a great guy to be
friends with and I will
always remember you.
May God Bless you at
anything you do. May
there be no hardships on
the road of life because
you are much to me. to have
disappointments on your life road.
Best wishes & good luck to
you.

Ronnie,
 I'm really enjoyed
 being in your homeroom
 this year. Best luck always,
 A friend,
 "X-witty"

Ronnie,
 you are not
 if I ever saw one just
 kidding. You are one
 of my favorite cousins.
 just keep that wicked
 look and that wonderful
 personality and you will
 never fail.

Sincerely,
 Tawanna

Best
 to
 you
 of
 luck
 hand
 and
 maybe
 you'll
 get
 to
 this
 year.
 Sincerely,
 Ronny

Lots of
luck in
football

Lovey Cuff (16)

Dear Ronnie,

I want to wish you
the very best of luck
and happiness always. Hope
you make it to the pros.
A friend
Lovey

Best wishes to a
real nice guy. May
you have the best of
luck and happiness
in all you do!

always,
Lizina D.
