FROM: Earl Williams, TCAE President
TO: Thomas County Association of Educators Members
SUBJECT: Educational Legislative Program

Yesterday your officers talked to Dr. Hodges concerning the education proposals in the state of Georgia budget for 1975. This is the preliminary thinking.

- 1. A four per-cent raise in salary April 1, 1975.*
- 2. A two and one-half per-cent raise in salary September 1, 1975.*
- 3. A substantial amount for kindergarten.*
- 4. Sick leave improvement.*
- 5. More teaching materials.*
- 6. Increase in M&O funds.*
- 7. Nothing on retirement.*
- 8. Nothing on health insurance.*

This is not the program the teachers of Thomas County expected. Please contact Rep. Keyton, Sen. Russell, and Rep. Long this week end.
