The confusion and wonder of Life,

To depict on these pages

The golden moments of a year

Our desire is to walk again

The paths of accomplishment,

Activities, spirit, and hope.

Come walk with us -

Mr. Robert Allen

It has been said that one can be "many things to many people." Thus it is with Mr. Robert Allen, one who gives willingly to those who know him something of himself. His sincerity, optimism, enthusiasm and amiability are all reflected in his success as a teacher, advisor, coach and friend.

For many, his influence will be felt more strongly than any during their high school years. For all, his influence will be such that they will value forever the experience of knowing him.

To Mr. Robert Allen we dedicate the 1965 VESPA.

Best wishes
for a fun-filled
summer. Have a prosperous
senior year and future.
R. Allen

THE OLD FIELD AND CENTRAL
by Scott Morris, Jr.

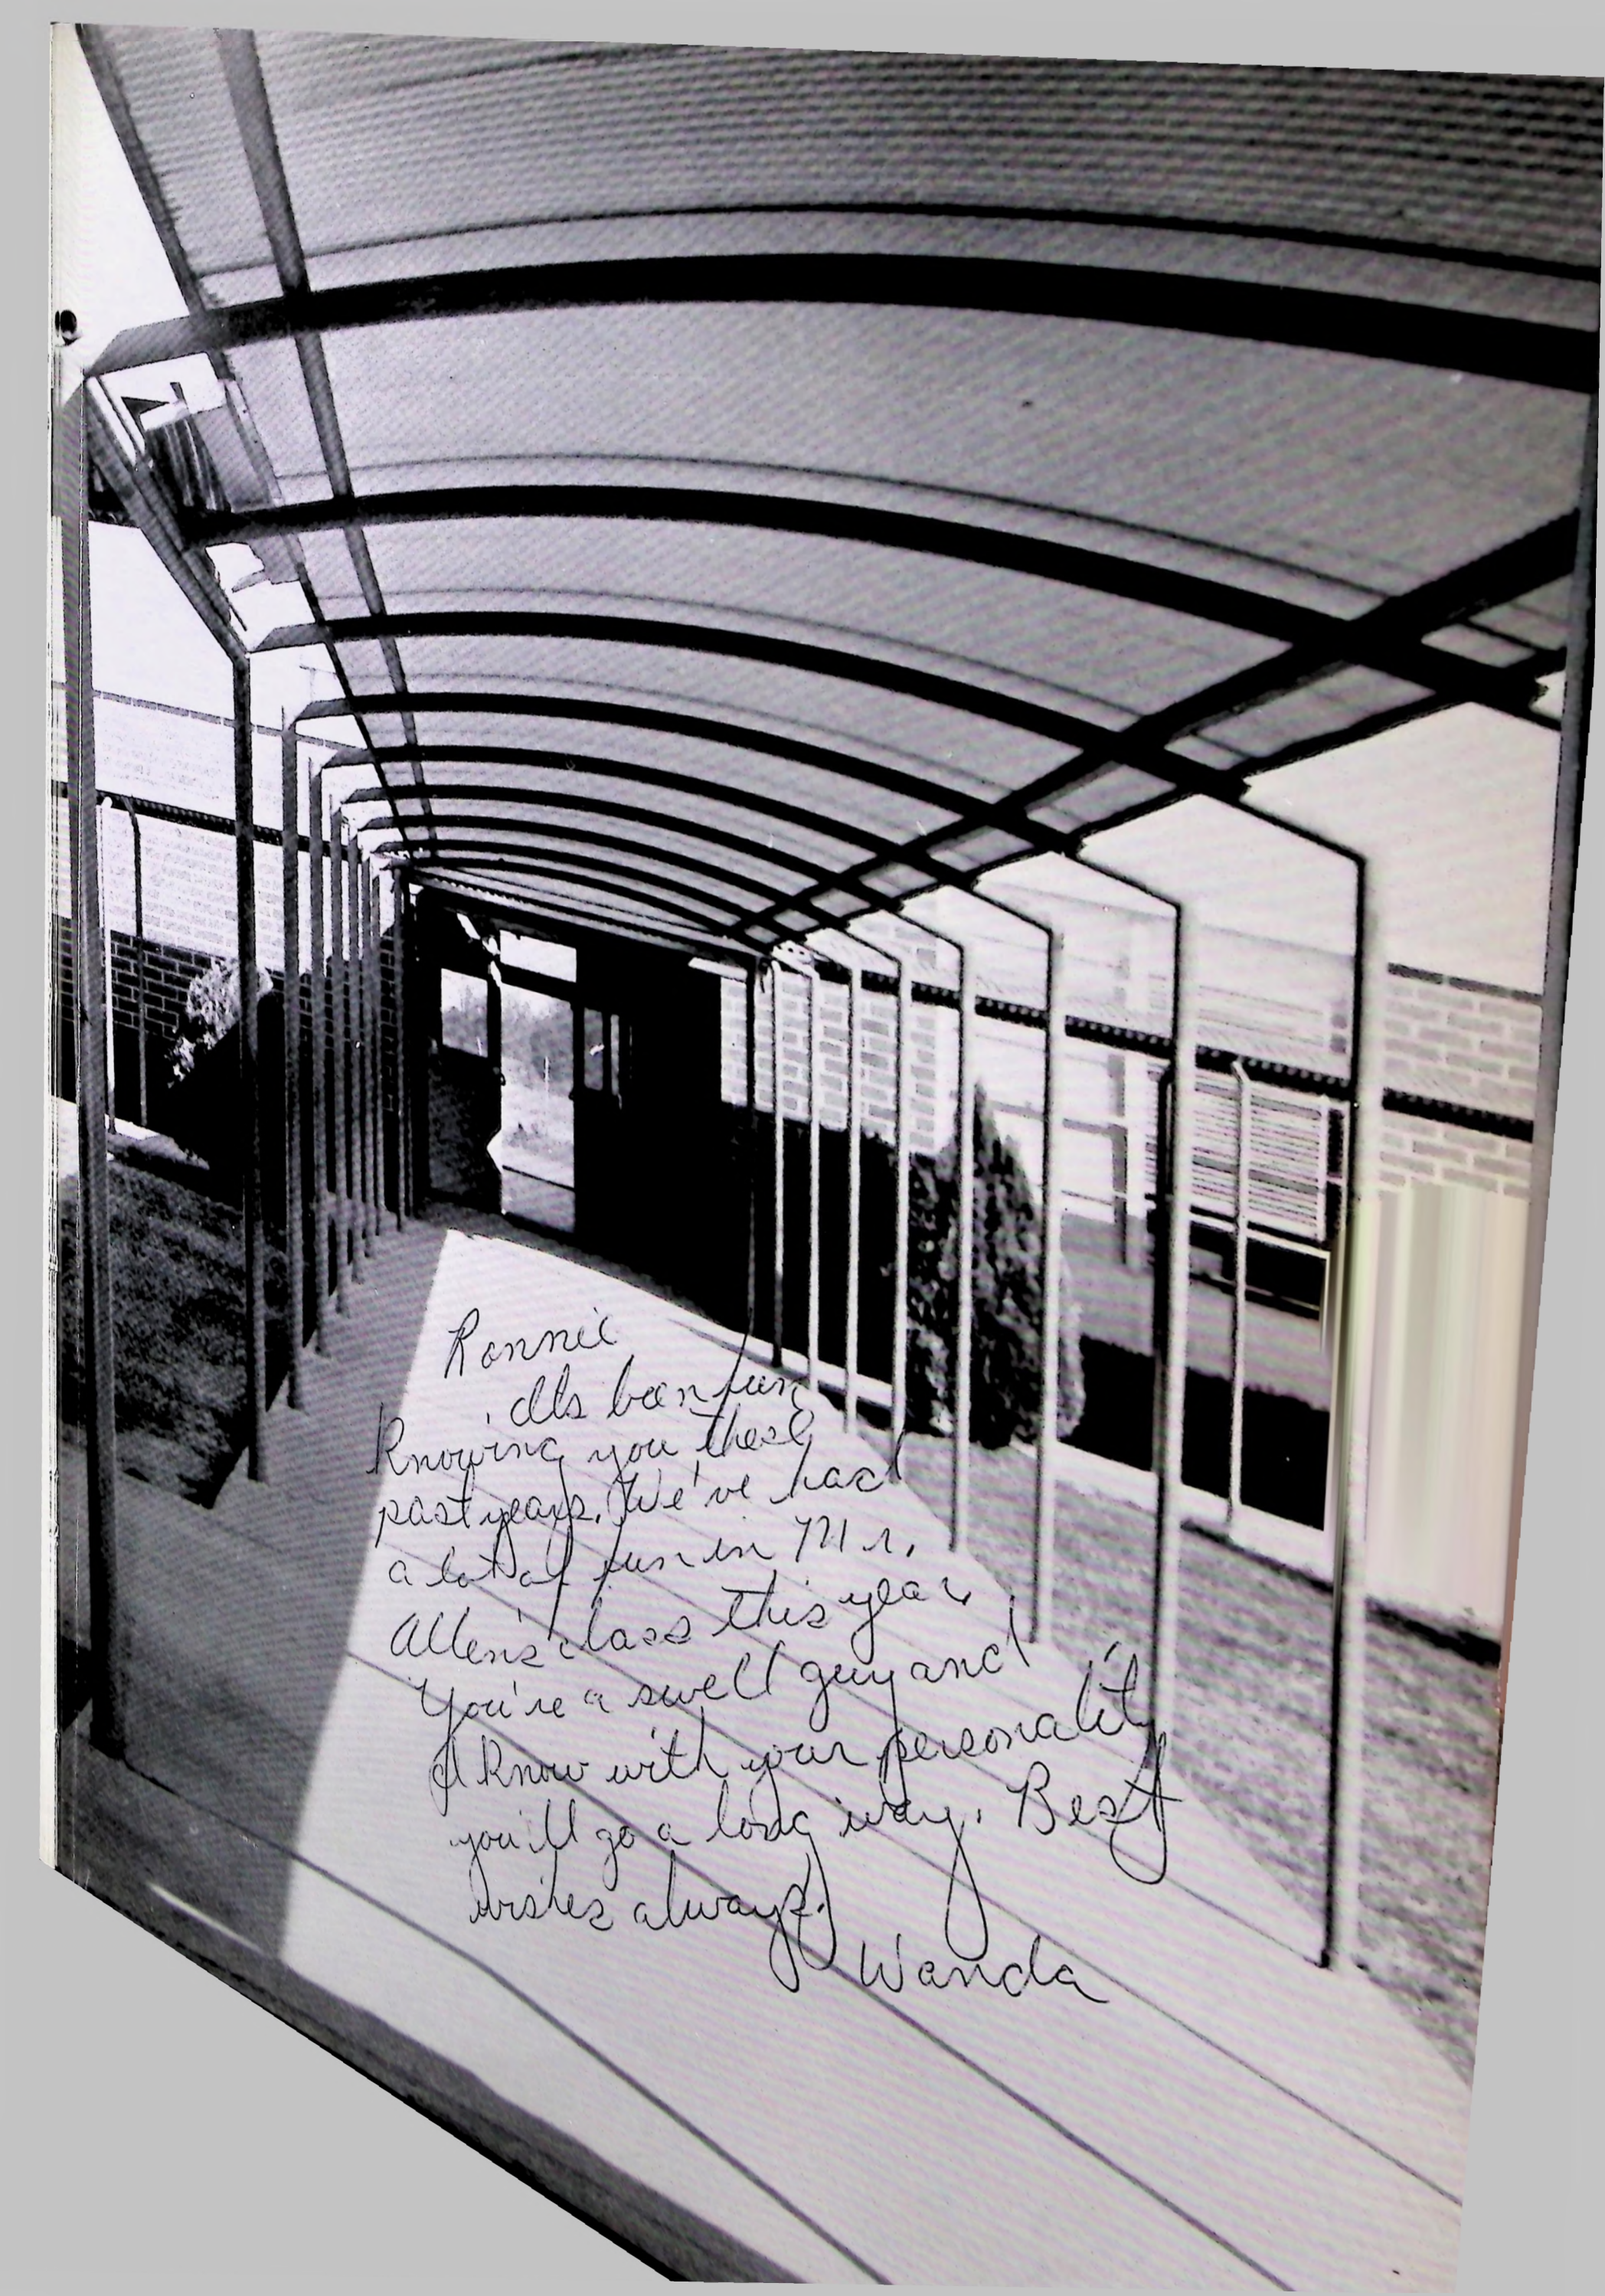

This maze of walks and halls and rooms
Was once a field where cotton blooms
Turned red in mass profusion.
Here once, the corn did sway and bend
Beneath a gentle summer wind
Like birds in mild confusion.

The showers fell in early spring
New life from furrowed soil to bring,
Each year the field renewing.
In days now gone, the farmer's toil
Enriched with sweat this fertile soil
While Nature's gifts pursuing.

No longer cotton, corn or grain
Shall grow upon this field again,
Yet ever there 'll be reaping.
For here does "Central" school so grand,
Now teach the youth of this great land,
Eternal harvests heaping.

Ronnie,
I have enjoyed going
to school with you these
past few years. Best of
luck in the future in every-
thing you undertake.
