And everybody's
beautiful in
their own way

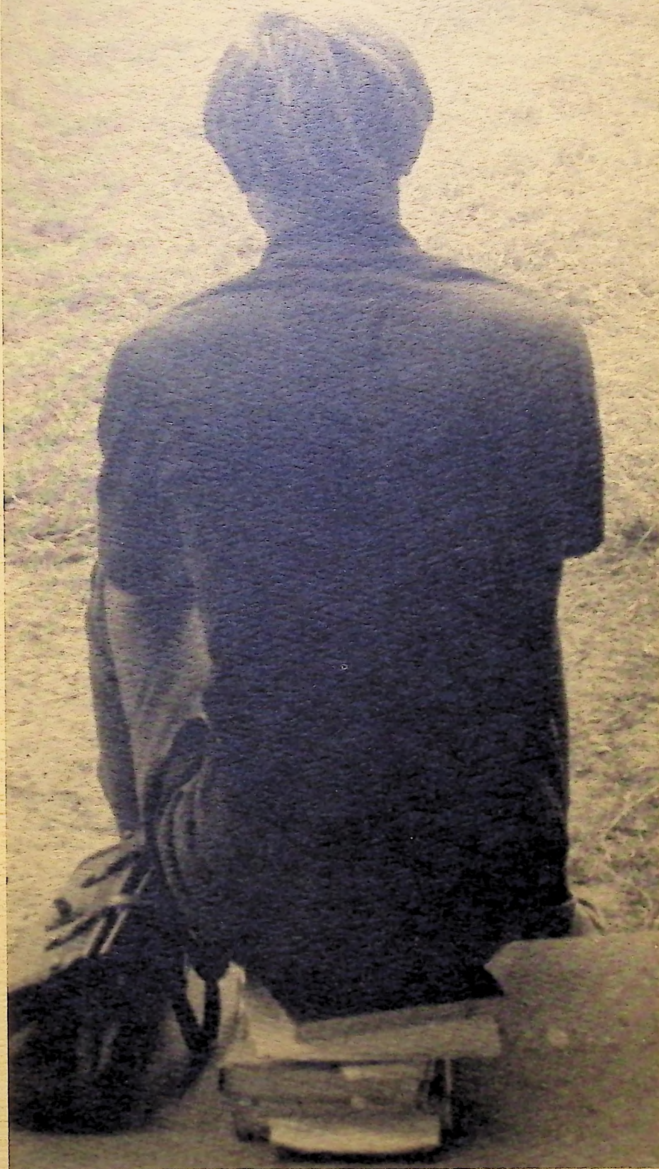

*Under God's

find a way*

THE '70 SEASON

The 1970 football season can be best described as a period of transition. To judge its success at this time cannot be done in a fair or accurate manner. Ascending to perhaps the toughest region (1-AAA) in all of high school football, adjusting to a new and most capable head coach and staff, and consolidating the two county schools - all contributed to the exciting advent of a new era of football at CHS. So, this season's success can be judged only by its results in the coming years - years which we think hold a magnificent destiny for our Yellow Jackets.

In moving up into a tougher brand of competition in Region 1-AAA, the Central Jackettes defeated the majority of their new opponents and made respectable showings against the others. This feat is consistent with the history of girls' basketball at Central; and, from all indications, continued excellence can be expected from Coach Blair and his charges. This is a phase of athletics in which the student body can take particular pride. To the girls: Congratulations on a commendable accomplishment!

While not as successful in terms of victories, the Central Jackets certainly excelled in overall performance. They overcame many obstacles to display a solid defense and a flashy offense. Several times they put them together for some rather remarkable triumphs. At one point, they defeated the top team in the region and gave the others some legitimate scares. Coach Cullens and his staff made the change from 1-A to 1-AAA in a most gratifying fashion. We believe that the boys are on the way up!

In perhaps the most spectacular baseball season ever at Central, the CHS team hit, ran, caught, and scored its way to a third-place finish in its rookie season in 1-AAA South.

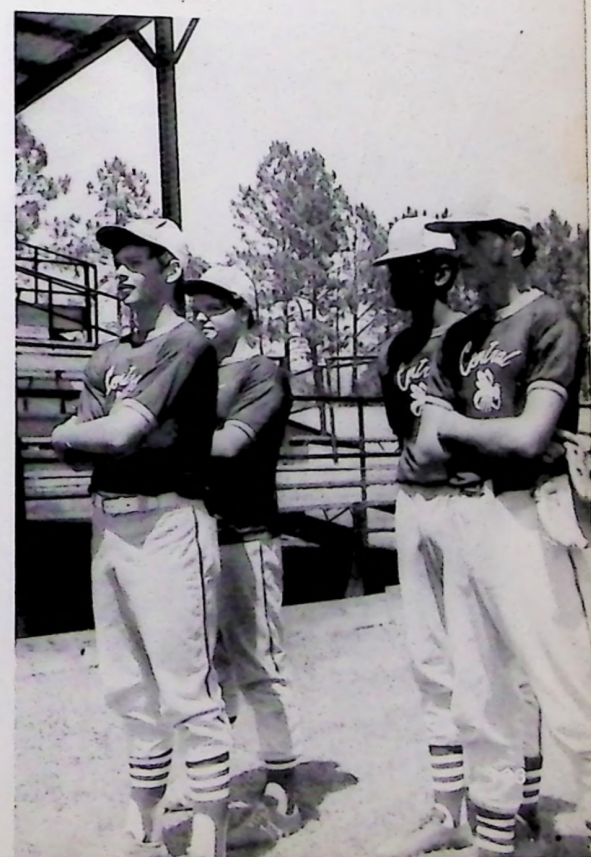

This, we believe, was one of the truly great moments of CHS athletics. Coaches Conner and Williams kept the team in the championship race down to the wire.

In the course of this streak, the Jackets pasted the Thomasville High Bulldogs in both games. This, of course, was a cherished achievement. Another highlight was the CHS defeat of the Valdosta Wildcats, who eventually stole the championship from the grasp of the Jackets.

The athletic year at CHS climaxed with a remarkable accomplishment. Coach Hall's thinclads sprinted their way to Central's first 1-AAA championship, while failing to finish first in only two meets.

It is appropriate that the track team post the first AAA championship. It has been the pride of Central High School for many years. Coach Hall still possesses the ability to stir his charges to lofty heights.

In Central's first year in AAA competition the tracksters broke or tied many long-standing records. The consolidation with Magnolia produced a considerable improvement in all athletics at Central. Track was no exception. Larry Johnson, Noah Swain, and William Johnson reinforced the team's performances along with Central natives Robin McEachin, Johnny Bannister, and Steve Taylor.

all together now

the good side
my friend
And straighten
