Student Council, Honor Society, Junior Honor Club, and Block C will have no definite meeting time but as each sponsor and club president announces a meeting. A student may serve as an OFFICER in ONLY TWO CLUBS; however, he may belong to as many clubs as he can actively participate in without making his studies suffer. Also the pupil should sign out with his class instructor before attending the club meeting. Sponsors and club officers are to accept the responsibility for planning the program, activities, and effective use of the allotted time. Each club needs to write (or rewrite) and file a constitution with the school authorities. ALL TEACHERS, PLEASE COOPERATE AND BY NO MEANS PENALIZE THE CLUB MEMBERS FOR CLUB ATTENDANCE.
