CENTRAL HIGH SCHOOL

Thomasville, Georgia

Vol. III

FOREWORD

This, the 1961 edition of VESPA, is the story of a new Central. You, the students of Thomas County, are the characters who have made the story a great one. To many, this was the first year at Central; it was a new experience, exciting, challenging, and a little frightening at first. Others will soon bid fond farewell to the now-familiar corridors of Central, and to the friends, new and old, with whom they have worked, laughed, and quarreled for a season. It has been a memorable year for all, a year filled with happy experiences and new faces. It is the hope of the VESPA staff that this book will serve as a cherished reminder of these happy memories; and that you, the students of Central High, will treasure it always.

A DAY BEGINS

Students approach school slowly for a day's hard work.

Some students' day begins with a visit to Mr. Shelley for his signature.

For those who miss breakfast, Central furnishes a small snack.

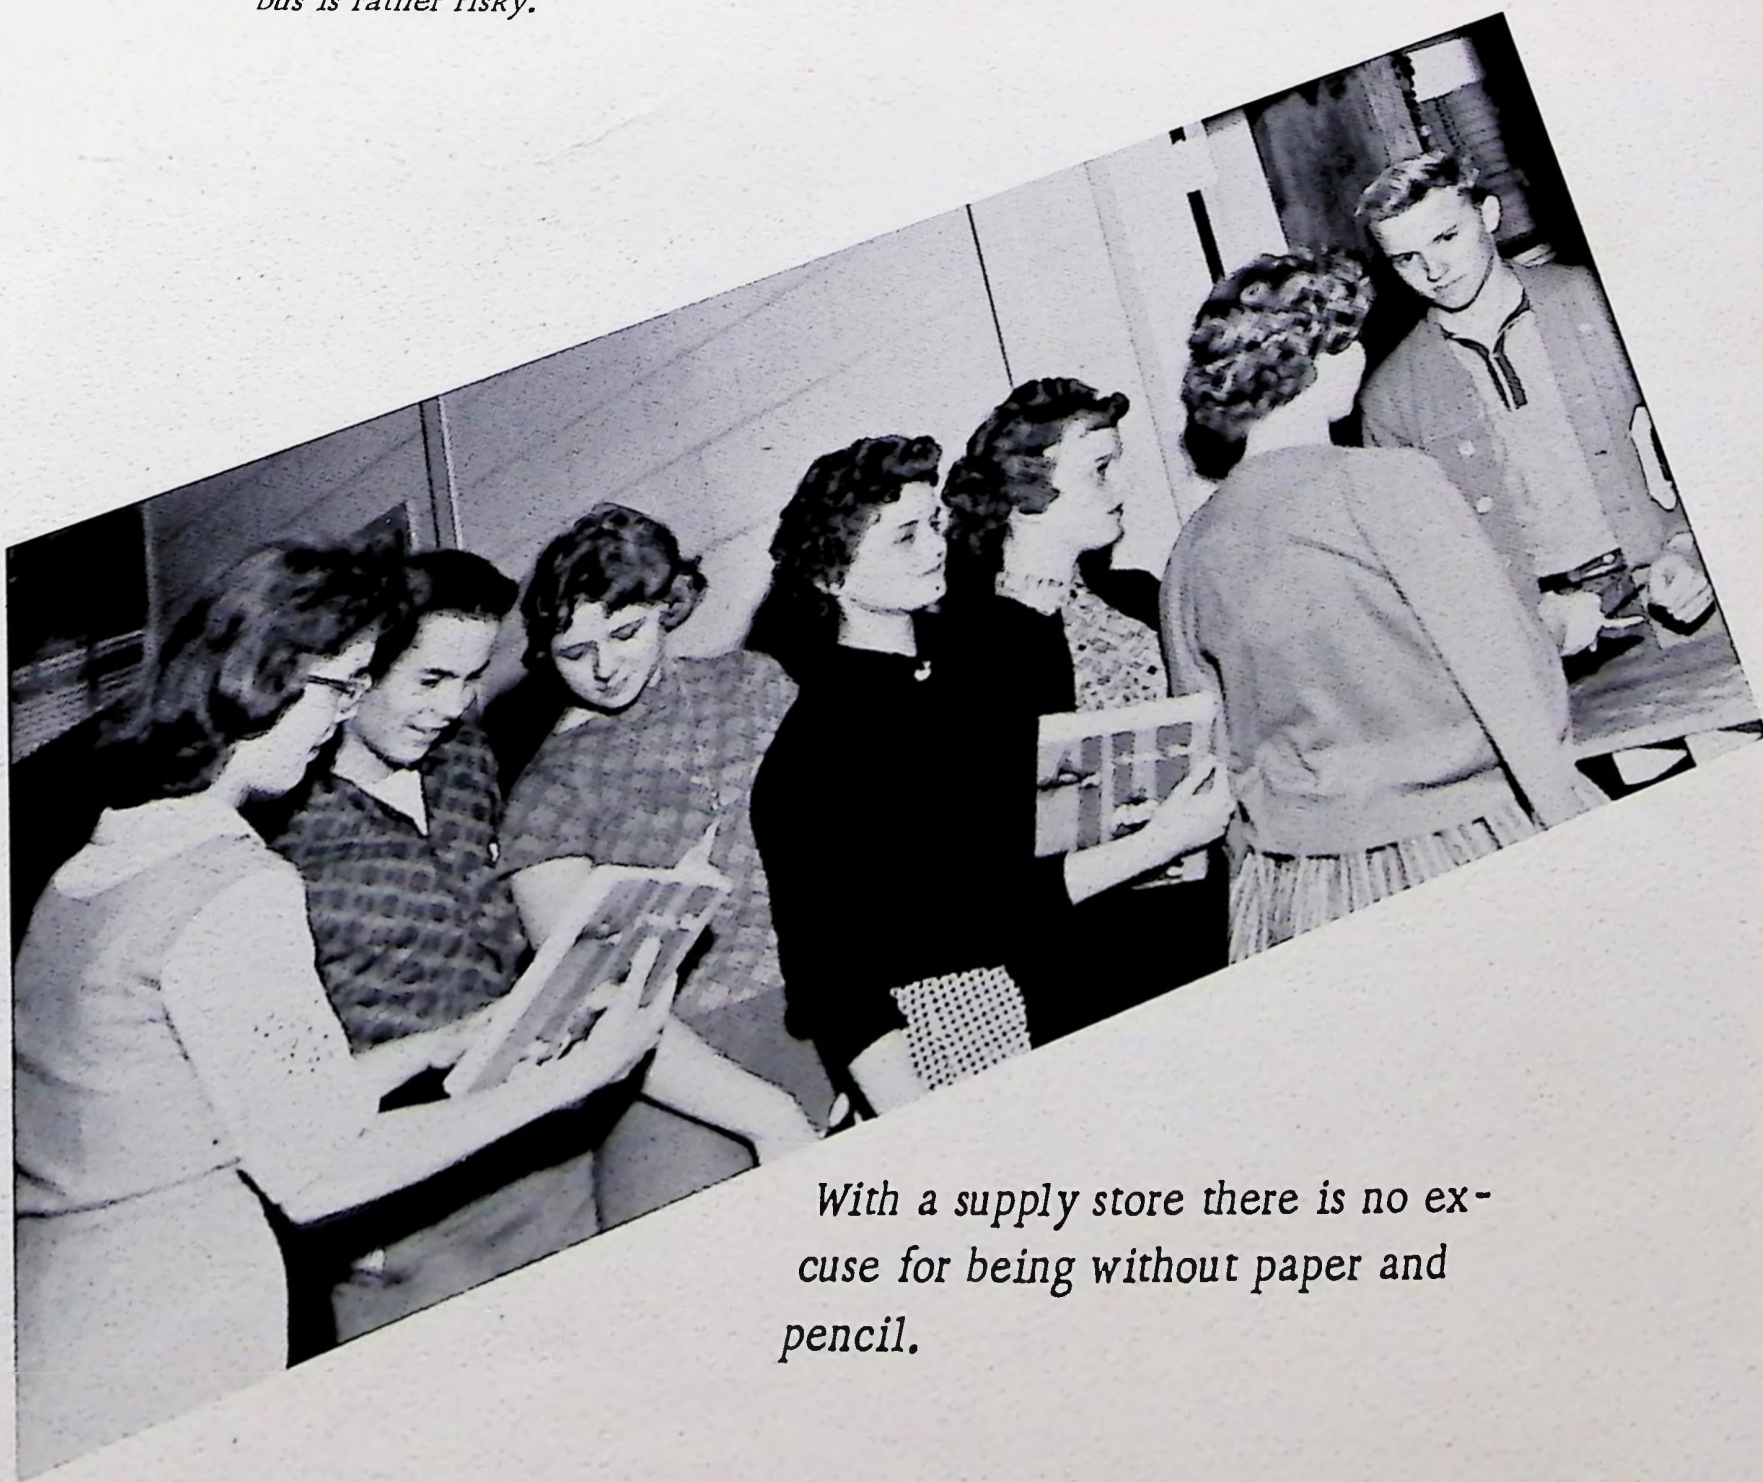

AND ENDS

The rush for the homeward bound bus is rather risky.

It's mass confusion when the bell rings; you can hardly make a left turn.

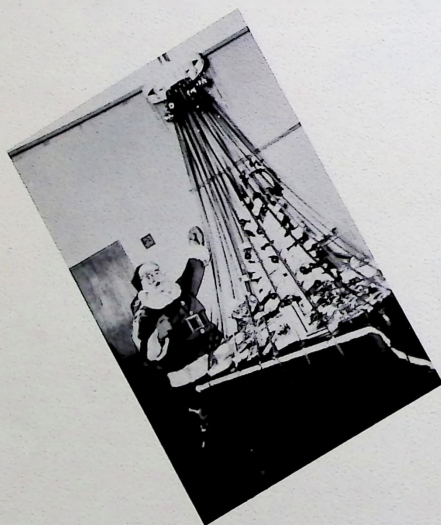

With a supply store there is no excuse for being without paper and pencil.

TIME FOR

Dances after football games, sponsored by the various clubs, were gala affairs.

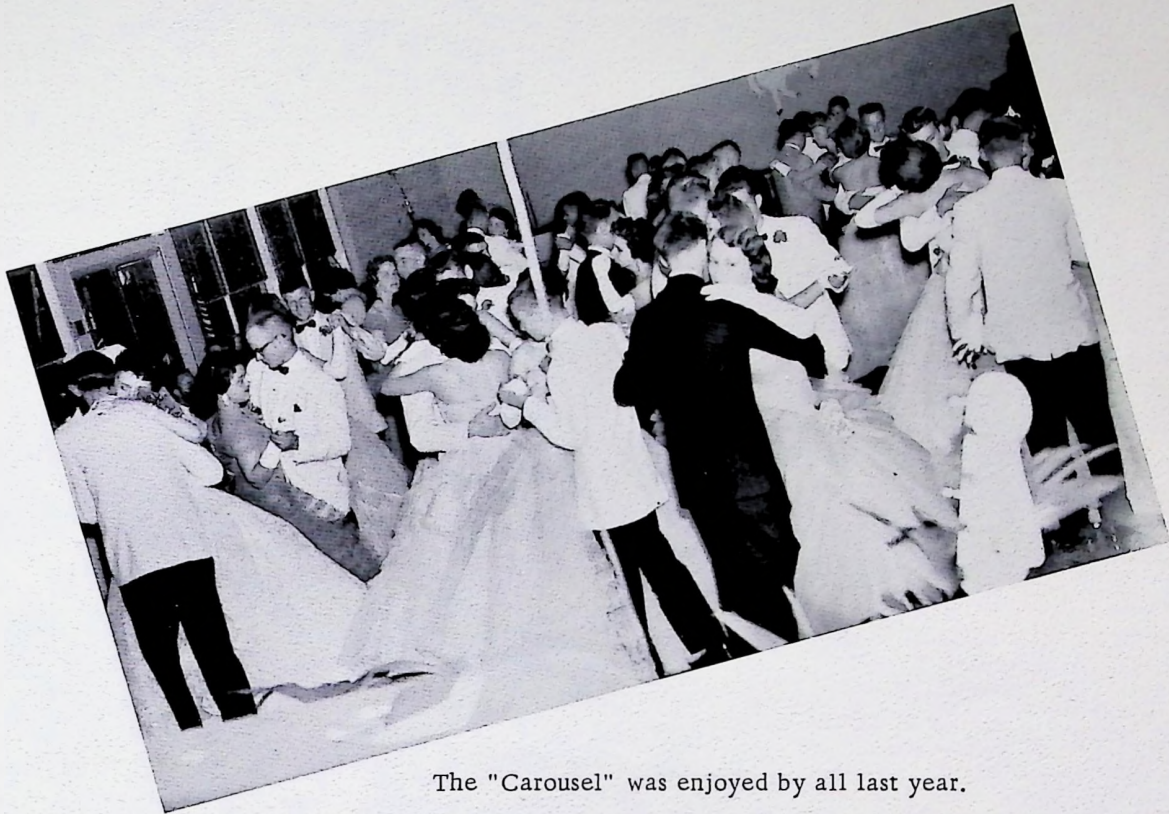

Santa Claus greeted the teachers at their Christmas party.

Even teachers assisted the Tri-Hi-Y by buying programs.

FUN

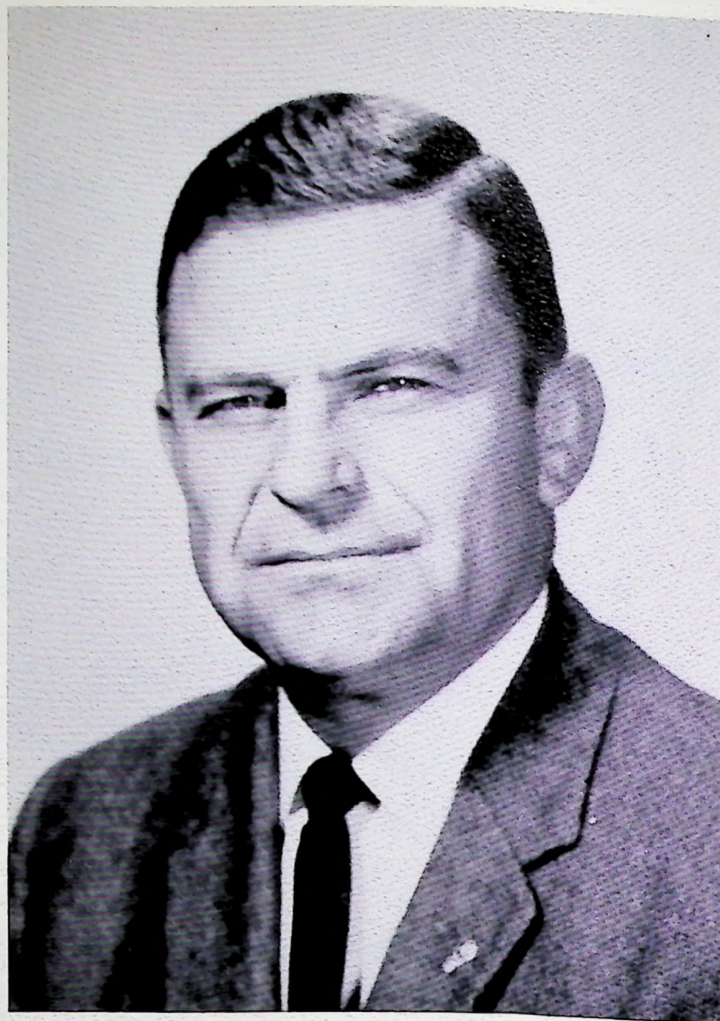

The "Carousel" was enjoyed by all last year.

The Bonfire Pep Rally for our homecoming made it a "hot time in the old school tonight."

DEDICATION

Few men are blessed with the combined virtues of intelligence, good humor, perserverance, and leadership. When all these qualities are found in a single person, the end product can only be a truly dedicated leader. We of Central School are fortunate enough to have such a leader in our midst.

He has watched our school develop from a silent group of empty buildings to a bustling center of learning. Under his constant care and guidance, Central has become a school of which we can be justly proud.

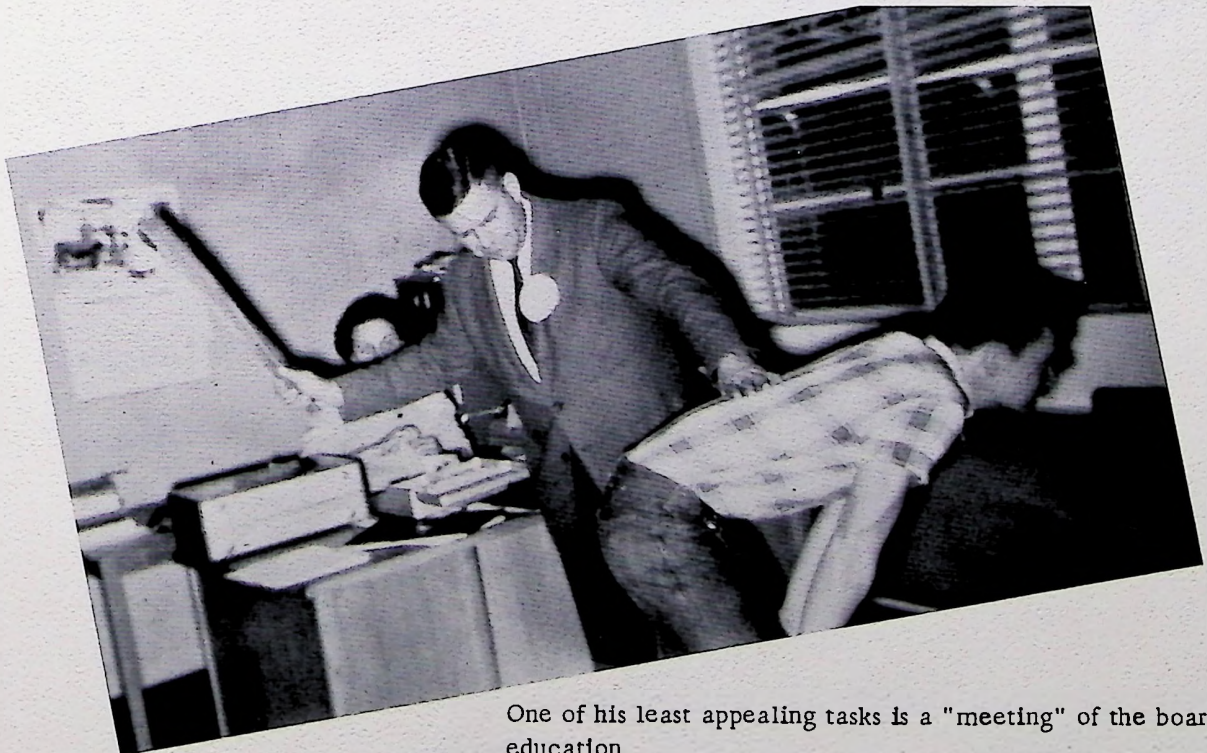

In humble appreciation, then, for his patience, skill, and determination in the organization and operation of Central School, we, the 1961 VESPA staff, dedicate the 1961 edition to our highly-esteemed principal, MR. ERSKINE MILLS.

"May I have your attention, please?"

He spends a spare moment watching our Jackets "buzz around."

One of his least appealing tasks is a "meeting" of the board of education.

To the Class of 1961,

You are a class of very special significance to our school.

For the first time we have a completely consolidated school.

The theme of our 1961 VESPA expresses my feelings exactly.

I hope that each of you shall always have fond memories of
your last year in high school with every look at this VESPA.

May each of you profit from your days at Central and have
the best that life has to offer.

Sincerely,

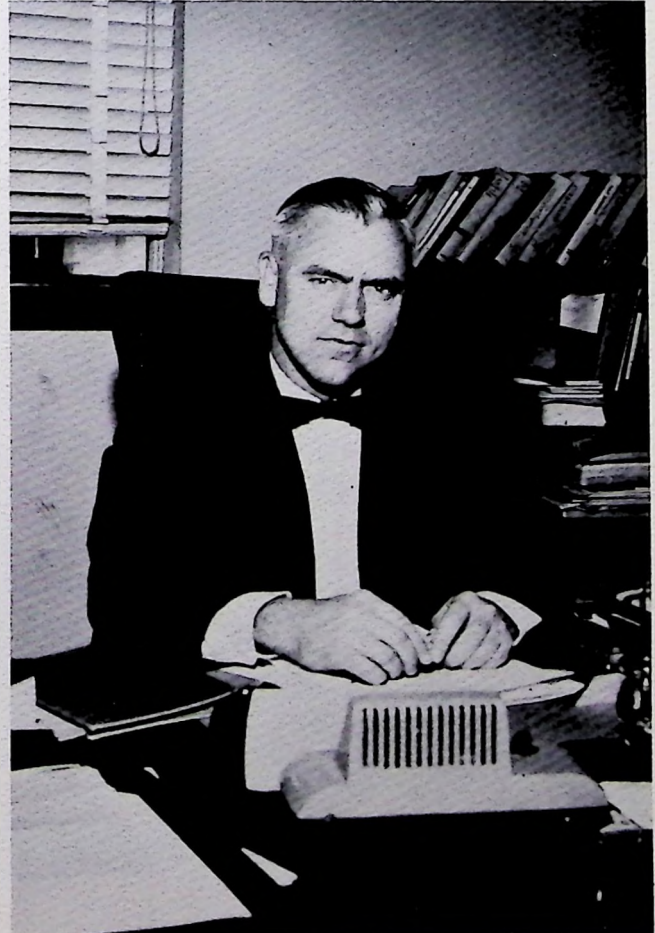

Erskine L. Mills

FACULTY AND CURRICULUM

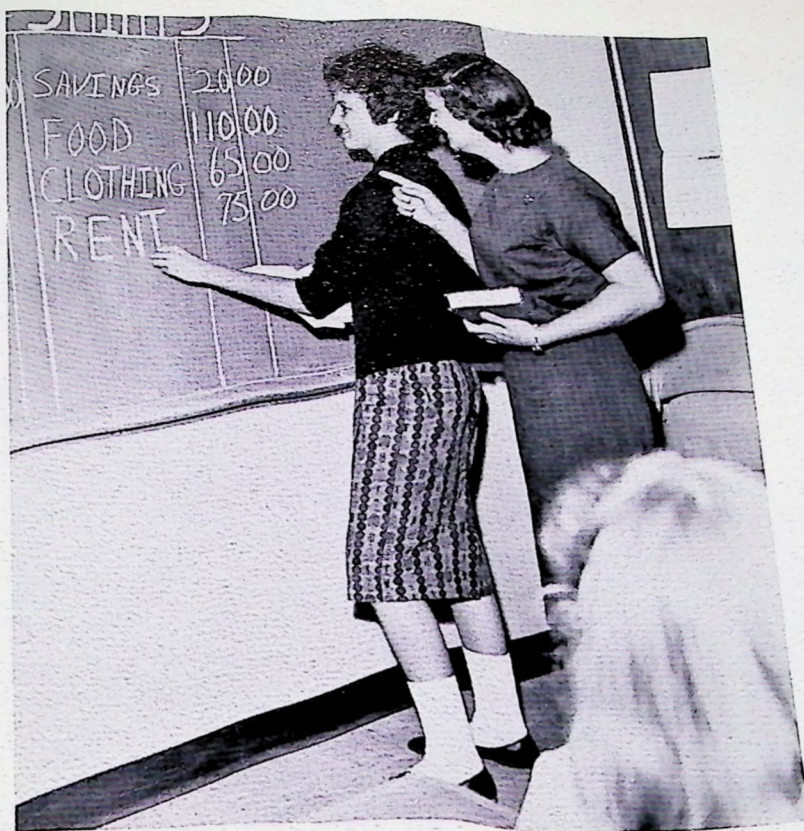

WISE IS THE MAN WHO

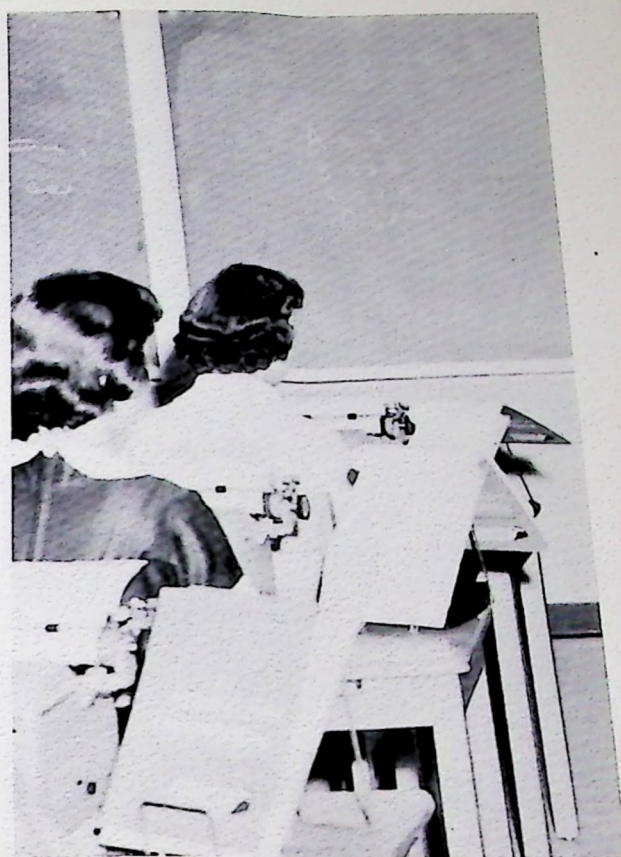

MRS. LOLA STUBBS says that her most outstanding achievement has been the satisfaction of leading a normal, uncomplicated life. Born in North Carolina, she received a B. S. degree from Berry College.

Outstanding both athletically and scholastically at Coolidge High School, MRS. WYNETTE SUBER obtained her degree at Georgia State College for Women.

Balancing the budget in general business can mean problems.

In all fields of work typing is used.

KNOWS HIS OWN ABILITIES

Miniature filing drawers help students in filing.

Now it's practice; later it will be dictation from the boss.

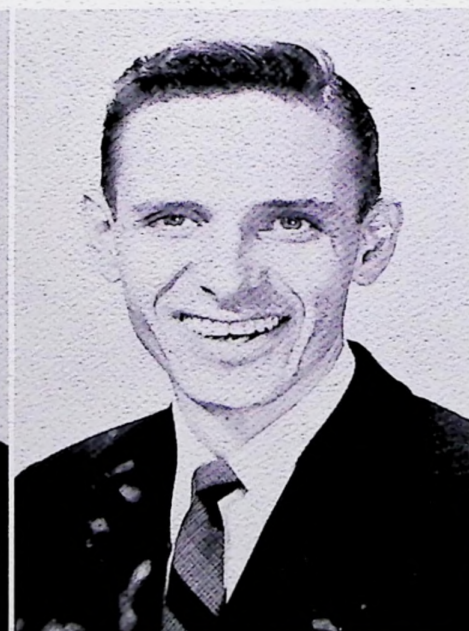

THE GREATEST THING A HUMAN IS TO SEE SOMETHING

Born in South Carolina and graduated from Pelham High School, MRS. KATHERINE BARROW teaches Freshman English. Active in both high school and college athletics, she received her A. B. degree from Valdosta State College.

MISS LAILA CLIFTON, Thomas County's former Teacher of the Year, received an A. B. degree from Tift College. An experienced dramatics coach, she has directed countless plays.

MR. RANDALL COOPER, native of Colquitt County, received an A. B. degree from Berry College. He spent thirteen months on the island of Okinawa while in the army and did graduate work at Georgia Southern College last summer.

SEATED, L-R: Ann Kindred, Bettie Montgomery, Pam Scott. STANDING, L-R: Mr. Moran, Ann Maddox, Vonette Ramsey, Bob Moylan, Shirley NeSmith.

SOUL EVER DOES IN THIS WORLD AND TELL WHAT IT SAW IN A PLAIN WAY

Past yearbook co-editor and head majorette at Mitchell County High, MISS ANNE JACKSON sponsors the cheerleaders. She obtained her higher education at Wesleyan College and the University of Georgia.

MR. JOHN C. MORAN hails from West Virginia. He is the victim of an "itchy foot"; and after traveling extensively and teaching in schools from Dallas, Texas to Eastman, Georgia, he now resides in Thomasville.

Strange sounds emanate from the door of MR. SCOTT MORRIS, JR., our foreign language teacher. He holds A. B. and M. Ed. degrees, has edited a book of poetry, and has been named in "Who's Who in American Education."

Students have fun while they learn by listening to tapes and records in literature.

The parts of the play equal the whole product in speech.

Diagramming sentences is a vital part of any English course.

MRS. DAWN HANCOCK, the teacher whom the Tri-Hi-Y could never get along without, teaches general and refresher math. A former member of Wesleyan College's soccer team, she graduated from Florida State University.

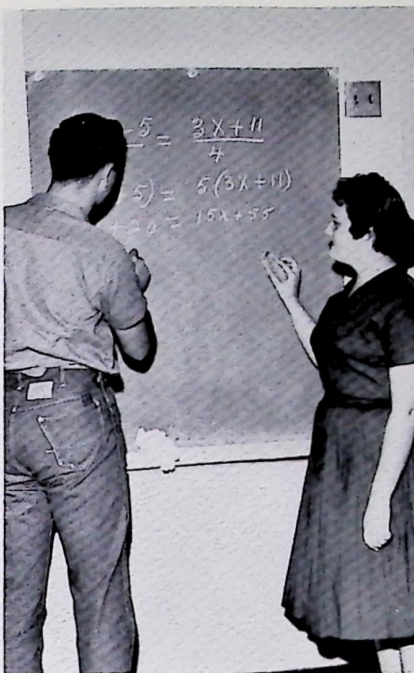

MRS. MARY LEE MARTINDALE, who holds an M. A. degree from Georgia Peabody College for Teachers, is our higher mathematics teacher. Member of a family long active in the Methodist Church, she also takes part in a variety of civic organizations.

THE MAGIC OF NUMBERS . . .

Euclid never had it so good!

The last rung on the ladder
- college algebra.

Advancing to trigonometry.

THE POWER OF THOUGHT

When one sees a worried expression on MISS KATIE RAWLS' face, he can be fairly sure that she is either concerned about her algebra classes or thinking up a new project for the F. T. A. An avid sports fan, she has participated in basketball, swimming, softball, and tennis.

MR. GENE VINSON, of Boston, Georgia, received his A. B. degree from Bob Jones University in Greenville, South Carolina. While a student there he was a member of the Nu Delta Chi Society and participated in basketball and softball.

ALL THAT PHILOSOPHIES HAVE

Student awareness of individual responsibilities in their education is considered by MR. MARVIN BAKER to be one of the greatest needs in high schools today. He spent over a year in Japan after completing his studies at Berry College.

Former spelling champion and state essay winner, MISS BEATRICE GRIFFIN majored in chemistry at Georgia State College for Women and earned her M. Ed. degree in biological science at the University of North Carolina. She favors the building of a biology laboratory designed especially for Central's biology students.

MRS. LENEDRA NESMITH would like to see Central with a rotating schedule for classes so that teachers would not have the same weary students at the end of each day - and vice versa.

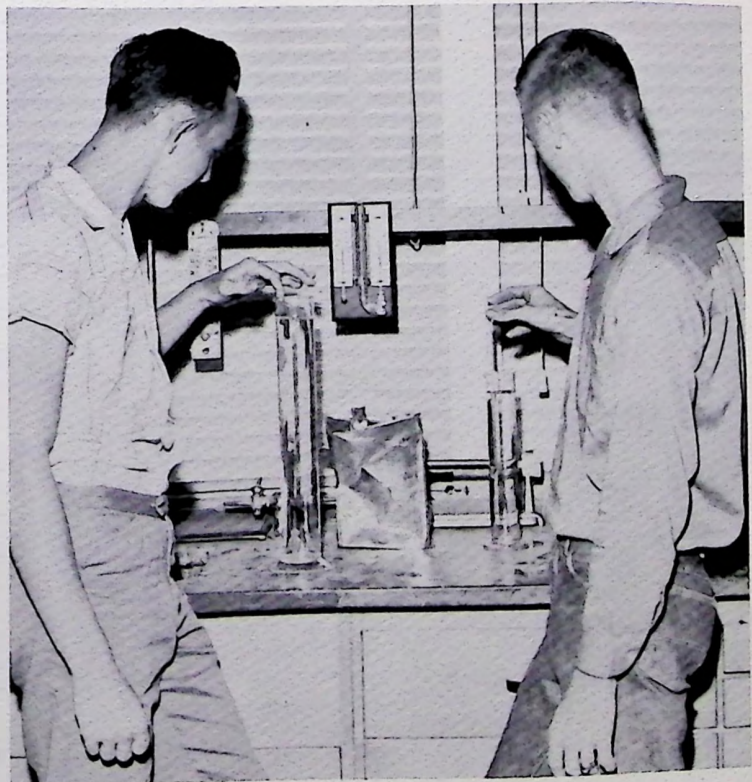

Mrs. NeSmith assists a student in the preparation of oxygen.

SOUGHT, SCIENCE DISCOVERED

MRS. DOROTHY CARROLL is a former member of Moultrie High School's tumbling club and A Cappella choir. She received her B.S. degree from Valdosta State College and has done graduate work at Georgia Southern College.

Great things are being done in physics; cans are even being bent.

MR. JAMES BROXSON, former president of Valdosta State College's Student Government Association, once tried to slip under the tent of a burlesque show at the fairgrounds; his plans were foiled when he discovered that he had sneaked into an old-fashioned revival meeting.

MISS BETTY DORMINY is the brains behind the annual staff. She received her training for this demanding job at Tift College, where she was a member of the annual and newspaper staffs.

MR. JIMMY VOYLES, government teacher, is also a Baptist minister. After spending his high school years in Cairo, where he was active in football and track, Mr. Voyles studied at Mississippi College.

HISTORIES MAKE

MRS. ANNIE WATKINS majored in sociology at Georgia State College for Women, and was a member of Phi Lambda and the Student Government for four years; she would like for Central to have another teachers' lounge for non-smokers.

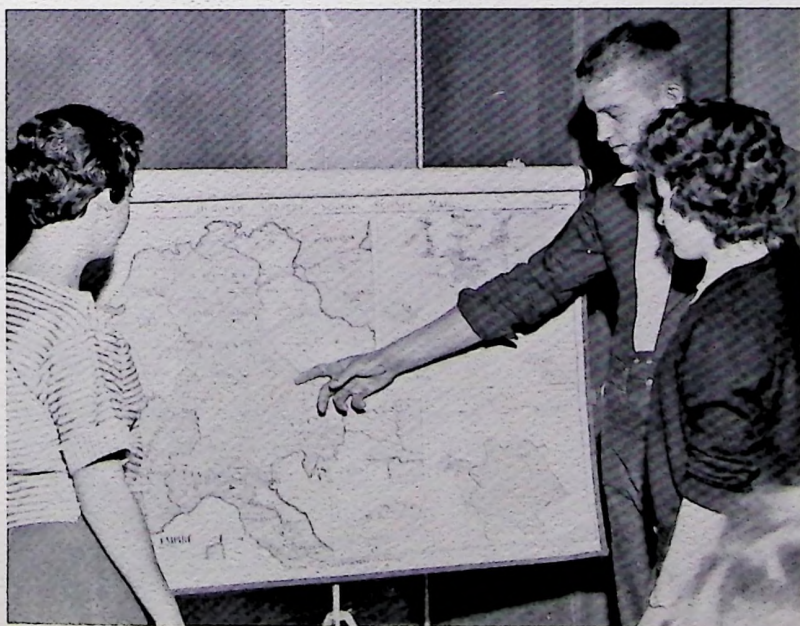

Students contact speaker for government class.

MEN WISE

Films are an interesting part of social studies.

These students correlate geography with history.

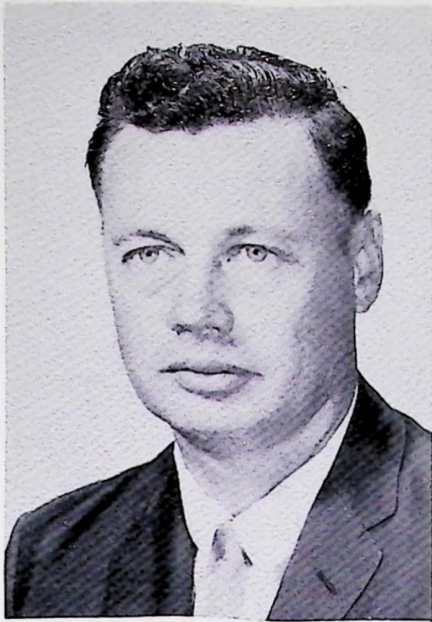

IN ART, ECONOMY IS

MR. ELMO LEE is a veteran of World War II and a graduate of South Georgia College and the University of Georgia. He believes that more work should be done to beautify Central's campus.

MRS. WILLODENE LEE, selected "Best Dancer" at ABAC, received her B. S. degree in home economics from Georgia State College for Women. An enthusiastic home economics teacher, she is especially eager for Central to acquire an auditorium for staging student fashion shows.

MR. ELMO PALMER says he'll breathe a sigh of relief when our gym is completed. A graduate of Sale City High School, he also received a B. S. A. degree from the University of Georgia.

Selected 1960 Woman of the Year of Bacon County, MISS MARTHA SPELL is now teaching Thomas County girls to cook and sew.

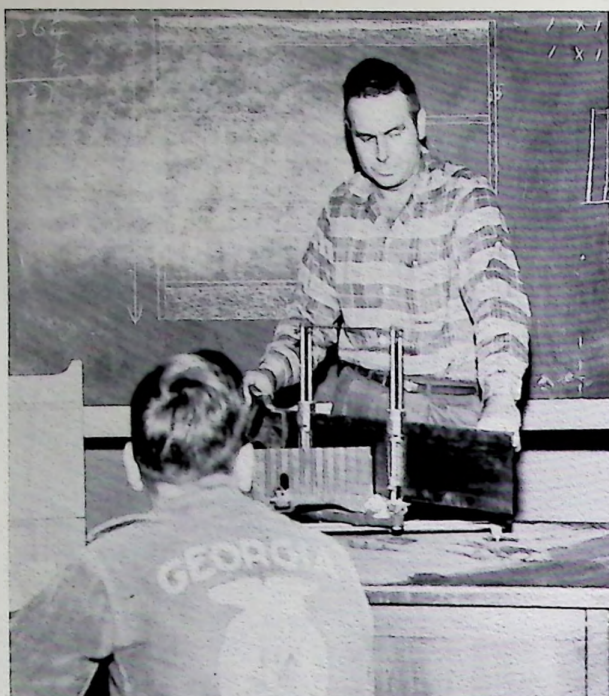

Head of the Thomas County Vocational School is MR. PAUL SEWELL who teaches auto mechanics to Central's mechanically-minded boys.

ALWAYS BEAUTY

Cooking can be fun.

"Be careful to get your saw angle correct."

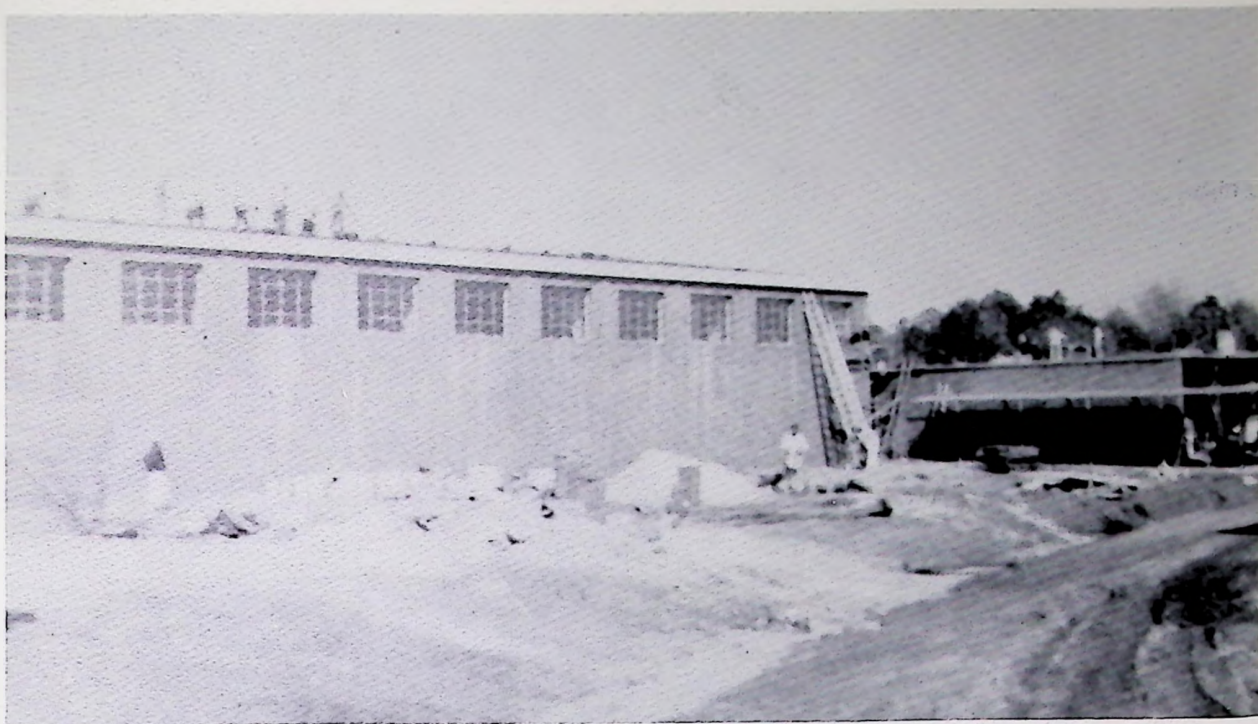

"You know that second lump would be too much."

"Watch what you're doing; you'll get your fingers caught!"

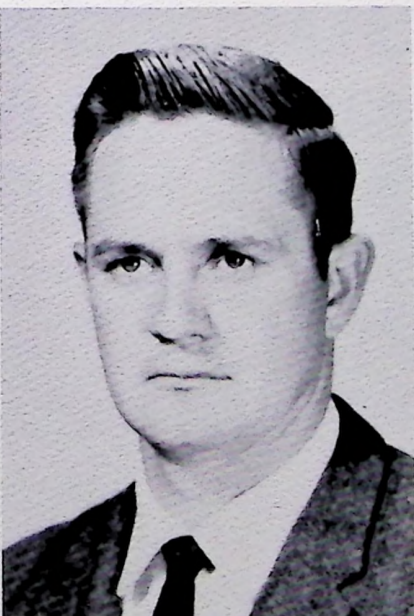

"Make sure that part is in just right."

PHYSICAL ACTIVITY — A BASIC NEED OF ALL HUMAN BEINGS

MR. JERRY ALDERMAN, our "wandering" teacher, wonders which room he'll teach in next. Former President of Piedmont College's Student Association, he was very active in college sports and graduated Magna Cum Laude.

MR. HAROLD COOK, a University of Georgia alumnus, would applaud a more rigid enforcement of rules and regulations at Central and more interest in outside activities.

MR. SHERMAN HALL is a graduate of Ball State Teachers College. He also attended Abraham Baldwin Agricultural College and the University of Georgia and was a member of the Epsilon Pi Tau Honorary Fraternity.

Listening to other people tell their troubles is the job of MR. THAXTON SHELLEY, our guidance counselor. He is a graduate of Georgia Southwestern College and has done graduate work at Georgia Southern College and the University of Georgia.

SELF-UNDERSTANDING IS NECESSARY FOR MAXIMUM ADJUSTMENT

Mr. Shelley's assistant busily makes appointments for student conferences.

Every student is an individual, and every problem is important.

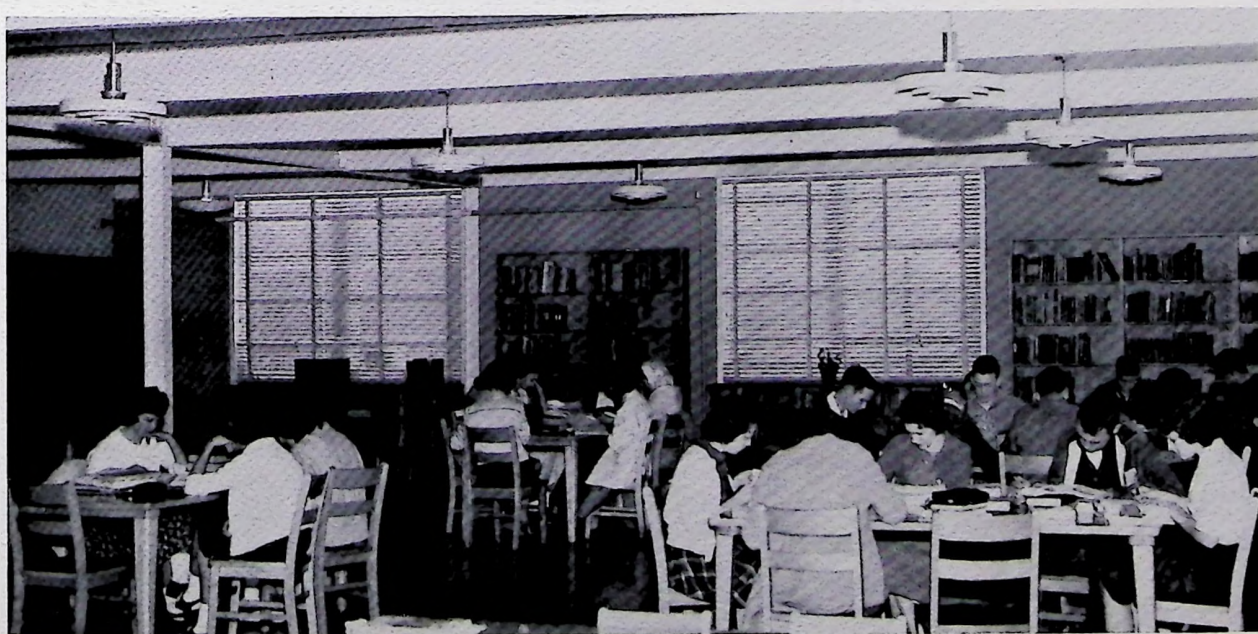

Star basketball guard of the district in her high school days, MRS. HONORINE HIGHSMITH would like to see a journalism class begun at Central. She was awarded a B. S. degree from Valdosta State College.

The librarian helps a student use the card catalog.

READING IS TO THE MIND WHAT EXERCISE IS TO THE BODY.

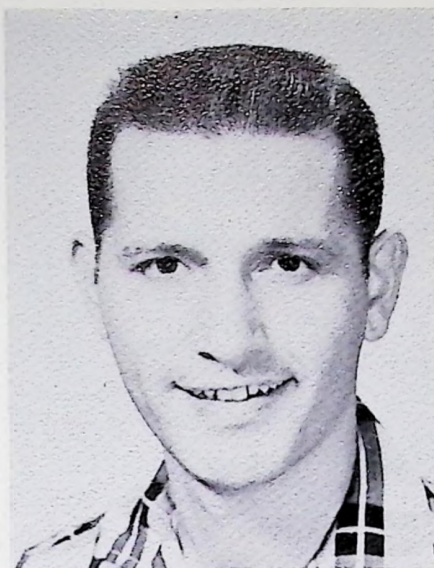

I could willingly waste my time here.

MUSIC IS THE UNIVERSAL

MR. RICHARD REIS dreams of the day when Central will have a well-rounded musical program and a 60-piece marching band. A graduate of F. S. U. and originally from Rhode Island, he was active in no less than six college bands.

Mrs. Burnett willingly helps with a piece of music.

LANGUAGE OF MANKIND

Reading music and just practicing are major parts of band work.

Experienced piano teacher and director of Central High's glee club is MRS. MYRTLE BURNETT, a graduate of Moultrie High School and Valdosta State College. She is an advocate for increased musical facilities at Central.

FIRST ROW, L-R: Lisa Hart, Lewana Sherman, Carroll McDaniel, Marigene Duncan, Carol Johnson, Cheryl Butler, Donald Hall, Carey Lawler. SECOND ROW: Mary Elaine Dekle, Betty Shiver, David Reneau, Clint Driver, Margaret Dillon, Darryl Mayo. THIRD ROW: Joe Powell, Sue Shepard, Margaret Black, Bettie Montgomery, Mr. Reis.

As Mr. Reis always says, "One, two, three, breathe."

All together on the chromatic scale.

1ST GRADE

MRS. DORA GORNITO will never forget the days she spent teaching conversational English in a Japanese elementary school in Tokyo, Japan. She was born and reared in Virginia and completed her education at the University of Virginia in Charlottesville.

1ST GRADE

When asked about the most outstanding happening in her life, MRS. ESTHER KING replied, "The opportunity to work with little children." She was born in Alabama, attended school in Pavo and received her degree from Georgia Teachers' College.

ELEMENTARY FACULTY

1ST GRADE

MRS. VIRGINIA REDDING was once a dyed-in-the-wool tomboy, but now she is a devoted homemaker and mother. After high school she continued her education at Georgia State College for Women and Valdosta State College; she counts as one of her greatest blessings the privilege of teaching young children.

2ND GRADE

MISS JANET COOK's Alma Mater is Valdosta State College where she participated in the activities of the Athletic Club.

2ND GRADE

MRS. LAURA JONES attended Moultrie High School, where she was a member of the Glee Club and basketball team. She later studied at Norman Junior College and Georgia State College for Women.

3RD GRADE

MRS. KATHERINE BULLOCH is interested in developing elementary students' acting ability by presenting plays in the auditorium she hopes Central will soon possess. A graduate of Camilla High School, she studied at Huntingdon College, G. S. C. W., and Valdosta State College.

3RD GRADE

After her graduation from Rebecca High School, MRS. MYRTLE NOLEN continued her studies at Georgia Southwestern College and Valdosta State College. The mother of two children, she would like for Central's elementary school to have an art instructor.

4TH GRADE

One of the happiest days in MRS. BETTY JEAN DUNCAN's life is the day she was initiated into the Phi Theta Kappa at Valdosta State College. A native of Thomas County, she believes that Central needs more water coolers for the lower grades.

4TH GRADE

MRS. ESTHER McLENDON graduated from Boston High School. She then attained her B. S. degree in home economics at Georgia State College for Women and later attended Valdosta State College for elementary certification.

5TH GRADE

MRS. RUTH LAWRENCE rears four children in addition to her duties as fifth grade teacher. She attended Georgia State College for Women.

5TH GRADE

MRS. MARGIE MARTIN of Coolidge received her high school diploma from Pavo High School. She then continued her studies at Abraham Baldwin Agricultural College and Georgia State College for Women where she was awarded a B. S. degree.

6TH GRADE

Life-long resident of Thomasville is MRS. BETTY BARDEN. She took part in various club activities at North Georgia College where she earned a B. S. degree in education.

6TH GRADE

MRS. SARA SCOTT's pet project for Central's improvement is the acquisition of more playground equipment for the elementary grades. She is a graduate of Birdwood College and Tift College.

EXCEPTIONAL CLASS

MISS EUNICE SINGLETARY believes our classrooms would be greatly improved by additional storage space. She is a resident of Ochlocknee and was educated at Georgia State College for Women.

EXCEPTIONAL CLASS

MRS. SARA STANALAND, whose birthplace is Crisp County, studied for her B. S. degree in Elementary Education at Georgia State College for Women.

Students mastered the "Ubangi Stomp" at the Christmas dance.

The Key Club and Rudolph.

Seems our FTA could do a little better than that!

Some people study in the library, and some don't.

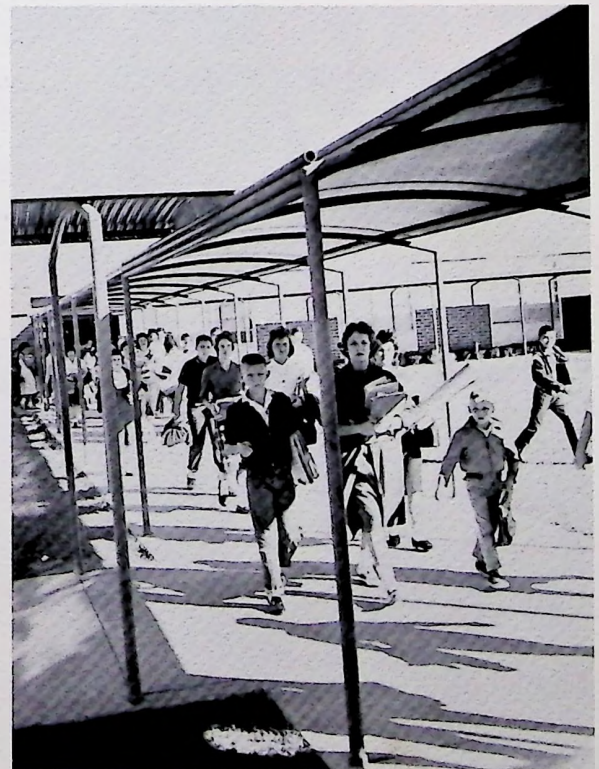

These girls learn that the way to a man's heart is through his stomach.

Bathing beauties?

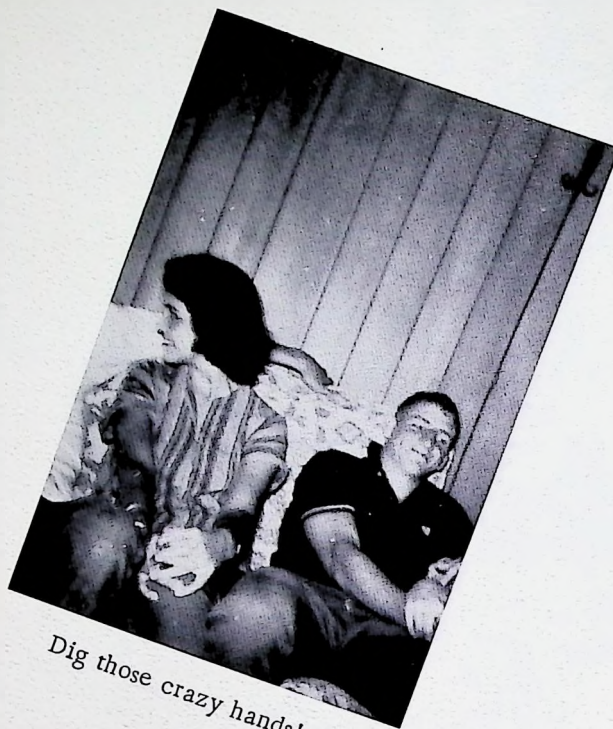

Memories are made of this.

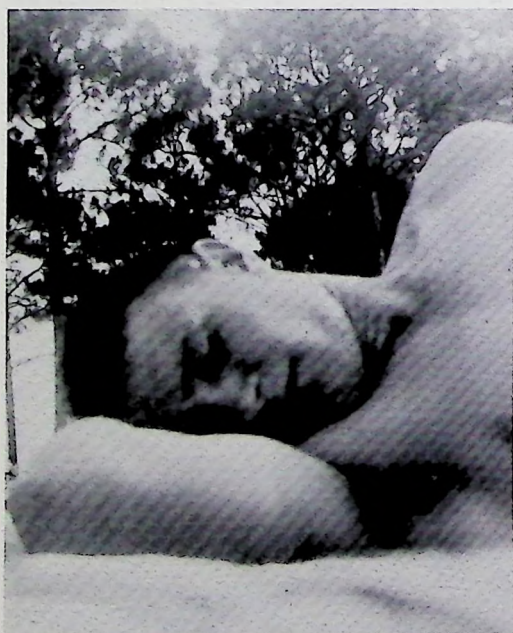

Weary students head for busses.

Misery loves company.

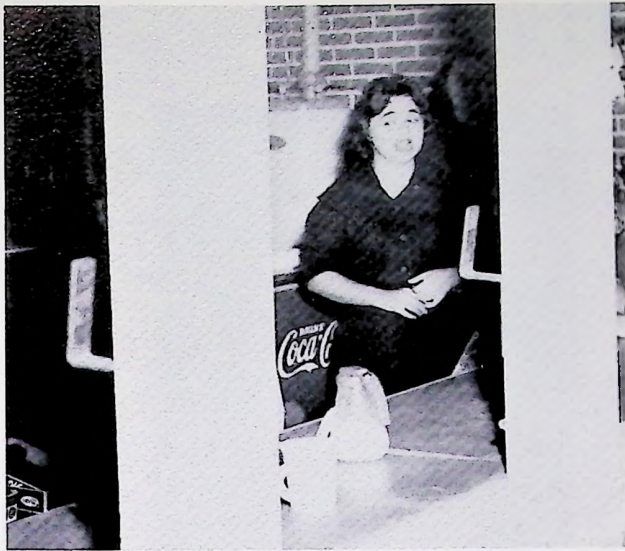

Dig those crazy hands!

Sleeping beauty?

Justice prevails!

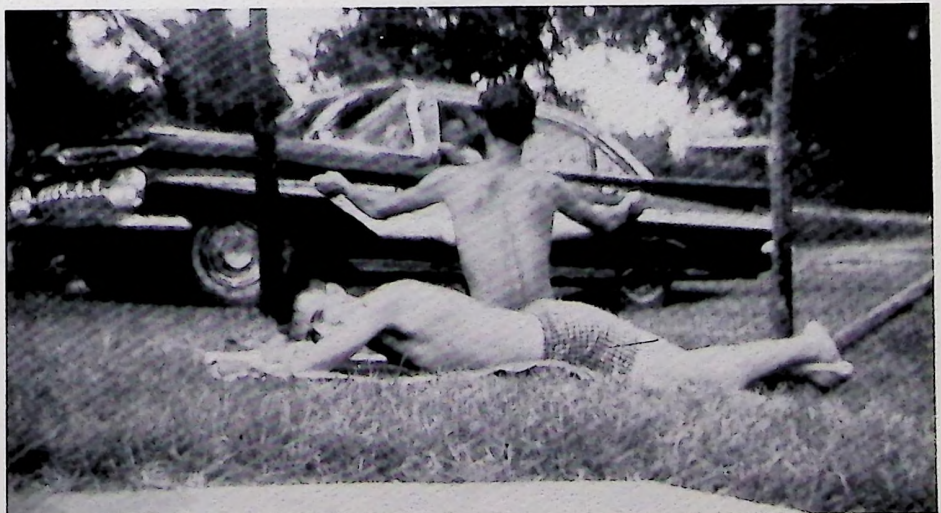

"But we don't have any fried grasshoppers - - -"

Bert had better watch those eyes!

They're riding high.

Hercules meets Tarzan!
