PREFACE

Teachers, this bicentennial school year should be the best Central High School has ever had. YOU can make it so.

The school day will consist of the hours 8:00 A. M. until 3:30 P. M. This means that you are to be already signed in and in your classroom by 8:00 A. M. This gives you time to get ready for the day before 8:15, when first period class begins. Should you be tardy and anything unusual takes place in your group, any liability resulting from it is yours.

No teacher or staff member is to leave campus without signing out on the register in the main office. Sign in upon your return.

Do not allow students to leave your room unless it is vitally necessary. Fill out the walk pass slip if one must leave. You are responsible and liable for the students under your immediate supervision. Keep them with you.

DO NOT SEND ANY STUDENT OFF CAMPUS FOR ANY REASON.

SIGN IN

WHEN YOU ARRIVE AT SCHOOL, COME BY THE OFFICE AND SIGN IN. DO NOT ASK SOMEONE TO DO IT FOR YOU. CHECK YOUR MAIL BOX. EIGHT (8:00) A. M. IS THE TIME TO BE IN YOUR CLASS ROOM.

RECORDS & REPORTS

The keeping of good, accurate records and turning in correct reports on time is another responsibility of every teacher.

The attendance registers must be kept accurately. Study and go by the instructions in front of the register. Keep this record accurately as it is most important as well as legally significant.

Your class record of each student can be scrutinized by his parents. Be careful that you can justify the grade given. Mid-term and end of quarter report cards go out the fifth school day following the end of that period of time. Grades will go on the mid-term report this year.

Record class absentees daily and accurately. Be sure to have student sign absentee card giving reason for absence immediately upon returning to class or homeroom.

The registers are due in the office the morning after the last day of each month, summarized and balanced.

In any class, if a student is not doing well, it is the teacher's duty to call the parents. If you are unable to make contact, write a note. The office will stamp it and mail it for you. In homeroom and in all classes, be sure to fill out absentee cards fully and correctly.

DISCIPLINE

As the discipline goes-so goes the class. Each teacher has the obligation of disciplining his class. In addition it is also the duty of the teacher to correct the misbehavior of any student at Central High School during the school day or at any school function.

If there is a student discipline problem that the teacher can not handle, it is to be brought to the office. Do not bring petty things such as tidies, gum chewing, or hair combing. Students respect and respond to the teacher who can handle his own problems.

FACULTY MEETINGS

Faculty meetings will be held each Monday immediately after school. This weekly get together is vital to school and faculty cohesion. Teachers should arrange their schedule in order to be present. Appointments, courses, and other conflicts will be expected to be secondary to faculty meetings.

BUS DUTY

Immediately after the dismissal bell rings, our teachers will assume bus duty and supervision - two teachers on the east side of the buildings and two teachers on the west side of the buildings. This duty consist of supervision of loading and unloading buses and all student behavior. Any type of accident or any student behavior beyond the teacher's control will be immediately reported to the office. This duty terminates daily after the last bus has pulled out. It will be rotated with everyone getting the same amount of duty time. Men who are on duty at football games will not have bus duty. A schedule will be put in each teacher's hands. Do not attempt to change this schedule without the approval of the principal.

TEACHER ABSENTEES & SUBSTITUTE TEACHERS

If for some valid reason you are unable to attend school, you are to notify Mrs. Mary Ann Fletcher immediately. Her telephone number is 226-6219. You are not to get the substitute. She will. Any negotiation about substitute will be done with her. You are not to pay the substitute. The Thomas County Board of Education will do this. Always provide lesson plans if humanly possible.

PURCHASE ORDERS

Anything you buy that is to be paid for by school funds of any kind must be accompanied by a purchase order. Purchase orders can be gotten from the secretary. We plan to withhold payment where there is no purchase order.

* MONEY RAISING PROJECTS

All money raising projects must be approved by the Principal. Approval is given on the form provided by the office. Be very careful that all merchandise checked out and money turned in is accounted for. You are responsible.

Keep accurate records on any and all money you handle. The most important of all collections is for school insurance. You could be held liable for your mistake.

MONEY

All monies collected in any way connected with the school will be turned in to the Principal's office.

Envelopes will be provided. Place money in envelope, showing amount, activity, and person to be receipted. Place in office money box between the hours of 8:00 A. M. and 1:00 P. M. The secretary will recount, record, and put receipt in the teacher's mail box.

To expend money, fill out check requisition, and the check will be issued from the county office, through the Central High School office, to you.

Be careful with this money. Upon receipt of it, you are personally responsible.

DUPLICATING

The duplicating machine will be operated from 2:00 P. M. until 3:45 P. M. If you wish material duplicated, they must be in the secretary's hands by 2:00 P. M. prior to the next day's use.

CLUBS : Malone

Clubs will be the week of the second Monday. They meet the planning period in the room of the sponsoring teacher. A club schedule will be given to each teacher before any clubs meet on school time.

The basic schedule works like this: a club whose sponsor has a first period planning would meet first period on second Monday, second Tuesday, etc. The schedule will probably vary each quarter.

No student may belong to more than two clubs. A student should not be an officer in more than one club or class.

Each club on campus must have a constitution on file with Mr. Malone by Christmas or cease to operate. An approved program of work is also expected-giving objectives and planned activities.

Unless a club contributes to the over-all school program and well being of the student body, there would seem to be little reason for its existence.

TELEPHONE CALLS

No person is to make a long distance call from 226-5825, 226-5826, or 226-5827 without the approval of the Principal. This will be done by making out the form Mrs. Fletcher will provide for you. Encourage your students not to use the telephone unless it is of pure necessity. Departments with telephones should be prudent with long distance calls. These phones are not for student use. All student calls will be made from the phone on Mrs. Fletcher's desk. They will be recorded on the form supplied by the secretary.

DETENTION HALL

This project is only for students who are suspended from school.

Instead of a student staying home when suspended this student will report to detention hall.

The detention hall will be held in the large office room adjoining Mrs. Shirley Burns Room 312. Mrs. Dorothy Suber will be in charge.

Students in this program will report to Mrs. Suber immediately upon coming on campus in the morning. They will not associate with other students during the school day, will have no breaks or smoking privileges. They will go to lunch after the other students have eaten and to the bathrooms under supervision of Mrs. Suber.

If a suspended student refuses to report to detention hall, this student is automatically suspended for 10 days. The 10 day automatic suspension also applies when a student is suspended 3 times during a school year.

For each day missed while in detention hall the student must spend 2 days as make up time. Extenuating circumstances will be handled by Mr. Delaney.

Students displaying exemplary conduct in detention hall may get a recommendation from Mrs. Suber to be allowed to make up the work in classes missed. If in Mrs. Suber's judgement, the student is sufficiently repentive for the bad conduct, she may recommend to the Principal that a student be allowed to return to class before the detention time is up. Otherwise, the student receives zeros for each class missed during detention time. For the student the days in detention hall count as absences although these students are counted present on the teacher's attendance register.

High School

August 30, 1976

TO: Parents and Students of Central High School

FROM: W. C. Childs, Principal

REFERENCE: Absentee Policy

The great majority of students who fail have poor attendance records. Our goal is success for all students. Very few students pass who are frequently absent from school. Few fail who attend school regularly.

In an effort to keep students in school, the following absentee policy will be in effect as of August 30, 1976.

1. A student WILL NOT RECEIVE credit for a course if he is absent from a class more than 5 times in a quarter. Two tardies constitute one absentee.
2. If extenuating circumstances exist causing a student to miss more than 5 times, the parents should call Mr. Delaney at 226-7104 between the hours of 8:00 A. M. and 4:00 P. M. Any extended absence due to illness should be reported to Mrs. Rhett Singletary at 226-7102 so that the student can be placed on the home bound program.
3. There will be no written excuses and upon returning the student will sign in with the teacher of each class on a special card giving reason for the absence.
4. School approved programs such as state wide testing, class meetings or approved activities by the administration will not be counted in the 5 absences. Teachers will be notified of such events by the Principal.
5. Any student with perfect class attendance and no tardies will receive 3 extra points on the grade in the class for the quarter.

We ask that parents and students please sign and return this form to the students' homeroom teacher no later than September 3, 1976.
