NUTRITION AND PARENTING

Program: Nutrition and Parenting

Coordinator: Elaine Matthews, Central High

My purpose in your school system:

Grades K-6:

- Objectives:
- 1) Serve as a resource person for teachers in the classroom.
 - 2) Make available resources and materials to teachers for classroom teaching related to nutrition.
 - 3) Present one program each month on nutrition.
 - 4) Correspond with teacher by folder system.
 - 5) Counsel with students about problems related to nutrition and parenting through referral system.

Grades 7-8:

- Objectives:
- 1) Serve as a resource person for teachers in the classroom.
 - 2) Make available resources and materials to teachers for classroom teaching related to nutrition.
 - 3) Present a short course on nutrition to all students by working through one of the required subjects taught. (2 weeks)
 - 4) Correspond with teacher by folder system.
 - 5) Counsel with students through the referral system.

Grades 9-12:

- Objectives:
- 1) Serve as a resource person for teachers in the classroom.
 - 2) Make available resources and materials to the teachers for classroom teaching related to nutrition.
 - 3) Teacher courses related to nutrition and parenting.
 - 4) Counsel with students through the referral system.

Please feel free to call on me for help in teaching the concepts of nutrition to your classes.
