A FEW REMINDERS

The State Board of Education has set a policy that the length of the school day shall be $5\frac{1}{2}$ hours - exclusive of recess periods and lunch period. This is for every school day of the year, with no exceptions.

The Local Unit meetings are for your professional and personal growth, as a school system and as individuals. They will always be as good or bad, as strong or weak, as stimulating or depressing as you make them by your participation, your support, and your attitude. The local unit officers and the system administration urge you to attend these meetings regularly and to throw your whole-hearted support toward all efforts to make a real profession of teaching. They expect you to do your part and help others to do their parts!!
