

Thomas County Conference

Career
Education

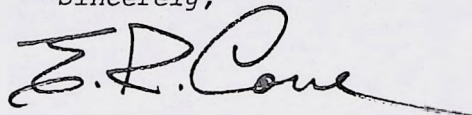

Dear Friends:

We welcome you to this conference
on Career Education.

During this conference you will
learn what Career Education is
and its importance to our schools
and community. You will hear
people who are knowledgeable pre-
sent their views and express the
needs as they see them. You will
also be shown examples of Career
Education in action.

From this conference we expect to
gain from you your ideas and your
support in helping make your
schools more relevant to the needs
of our young people and of our
community. You are encouraged to
participate fully and to give us
your opinions as to how this can
be accomplished.

Sincerely,

E. R. Cone
Superintendent

CHAMBER OF COMMERCE
Thomasville-Thomas Co. Ga.

From the Thomasville-Thomas County Chamber of Commerce we say welcome to Thomasville and Thomas County!

We are glad to have you here to participate in this most unusual and worthwhile Career Education Conference.

Each one attending the conference is to be commended for his or her time and dedication put forth to help solve one of the most pressing problems facing the business community today...and that is the one of preparing the young people of our society to face the reality of the world of work.

To the state education personnel participating and to those on the local scene who have sensed a need for this experience, we say a great big "Thank You"!

May your endeavors be fruitful.

Sincerely,

Clifford S. Campbell, Jr.
President
