Dear Anne:

This is an early notification to you as a Pioneer Member of The Church of the Red Rocks that we are planning a big year of celebration for 1990 -- our 30th Anniversary! However, in anticipation of that special year, we are also going to recognize all the Pioneer Members this coming Sunday, November 26. This will be the closest Sunday to the original Recognition Sunday, November 27, 1960, when 42 persons made up the first Membership Roll.

If you can be present on Sunday, November 26, it will be our pleasure to recognize you during one of our worship services. We will have the names of all the Pioneer Members printed in our bulletin for that day. If you cannot be present, we will send you a copy of the bulletin.

The 29th year has been an exciting one in which we have seen much growth. The first 29 years have witnessed a tremendous influence in Sedona and the world through The Church of the Red Rocks. And you have played an integral part in the beginnings of our church. But the first 29 years are only a prelude for the future, which is open and ready for us.

With the hope that you will be able to join us on Sunday, November 26, I am,

Sincerely yours,

George A. Ault
