Reunion Picnic

Hillsboro Elementary School

July 18, 1976

The Bohnsack Consolidated School was operated from 1921-1965 with eight grades and high school until 1952, and with only eight grades through 1965. The school was the center of community and social activities for the township, until school reorganization closed it in 1969.

This is the first reunion ever held and has been planned by the Bohnsack Happy Hour Homemakers Club as their bicentennial project. We welcome you to your reunion and hope you will enjoy it. We apologize for any errors or omissions in the following booklet. We did our utmost to locate every member of the school. The classmates listed are those whose questionnaires were returned by May 10.
