COUNTY FAIR SUCCESSFUL

Thousands of visitors traveled to the sea coast town of Del Mar and the 1967 San Diego County Fair during the long twelve day run.

Most of those same thousands appeared to also travel through the R.H.S.ofS.D. display of S.D.&A.E. steam locomotive # 104 and the big wooden observation car #050 "Carriso Gorge".

Visitors were also generous with their donations to the society. The exhibit is not charged for and visitors donate to the kitty box (fare box style) at the rear end of the observation car.....they donated over \$500 to the up keep and maintenance of our equipment which will go for a good cause. Painting and up keep does cost money even when the help is voluntary.

Thanks to all members for their help in staffing the exhibit this year.

STREET CARS

Suggestion: Paint streetcar # 171 up at Perris with some of the money donated during the fair. If volunteers are not available, why not pay a painter to do the job?

Car #54 in Old Town, how about a finish coat on it this summer while the air is dry? Lets finish up this fine old car before the new work starts to deteriorate. Come on..... lets do it or pay someone to do it...NOW!

JULY/AUGUST

SEPTEMBER R.H.S.ofS.D. MEETING=

SEPTEMBER 4th ??? Labor Day night ???

September newsletter will be out before meeting date, if not held on Labor Day it will be the second Monday, Sept. 11th.

Newsletter Late

Sorry, but we had planned a larger newsletter for July/August but illness in the family, heavy work schedule....and normal summer demands have slowed us down.

We will try to have all the summer news in the September issue.

CYRUS K. HOLLIDAY TRIP

We have presently scheduled a trip to Los Angeles on Sunday, AUGUST 27th, 1967. Private car would leave on #75 at 11:30 A.M. and return on #78 at 10:40 P.M.

FARE: \$12.50 roundtrip, includes dinner on car. If you are interested in riding the private car CYRUS K. HOLLIDAY, here is your chance and you don't have to get up early to catch #73 at 7:00 A.M., sleep in and leave town at 11:30 A.M. instead.

Plenty of time for your own sight-seeing in Los Angeles during the afternoon or stay on the car at Los Angeles Passenger Terminal for refreshments, conversation and trains.

Contact Corky Thomson for reservations, limited to about 20 persons, so if you want to go, get your check or reservation in..... make checks payable to the society, if the Aug. 27th date fails to sell, we will set an alternate date in September.

September Newsletter will have that long awaited 1967 membership roster plus all the current railroad news....out about Aug. 30th.
