

HELP!!! HELP!!!

There is plenty of need for society members on several projects.....1- the ceiling is being repaired on observation car 050 at Del Mar.....2- the engine will need some cleaning up before the fair.....3- the streetcar also needs a good clean up before fair time.....4- our streetcar at Ferris is in need of clean up and painting. 5- the Orange Empire Trolley Museum is always in need of help on weekends, many projects for many people.....6- the Mt. Rubidoux Chapter is planning a big work party at 10 A.M. on Sunday the 20th of May. TRACK LAYING!!! along the old California Southern right-of-way. They hope to put down 420 feet of track and need all kinds of help from the work to the brewy. This track will in time connect with the O.E.T. and go on for a short distance past the museum trackage.

Nothing new to report on the Oceanside rail excursion in July. The plan is for a special up the Escondido line. San Diego people will ride to and from Oceanside on regular Santa Fe train and take special from Oceanside up the branch. Sunday, July 15, 1962 is the date, fare will be reasonable and include box lunch. More news in June issue.

Fall trip to Calico is scheduled for Sunday, October 28, 1962 via Santa Fe or Union Pacific. Final decision not in yet as plans with both roads are at present being worked out. If via Santa Fe it will be direct from San Diego, if by Union Pacific, by bus to train connection. U.P. train would originate at East L.A.

BIG RED IS BACK....The former Soo Line car 52 is now the C.K. Holiday, the private car owned by several of our members and other San Diegans. The car was returned from the San Bernardino shops of the Santa Fe after being refurbished in shiny new paint. Car can be inspected at Santa Fe station in San Diego, it is stored on siding by freight house.

ORANGE EMPIRE EXCURSION TO HENET turned out to be a great success and will be repeated on the 12th of May, a Saturday. Trip includes the cut door play "Ramona" and barbecue supper, runs from L.A. via Santa Fe direct to Henet. Write C.E.T. Box 501, Ferris, California.

Minor changes made in "San Diego" schedules for Daylight Savings Time, ??? at 5:15 PM instead of 4:30 PM. See Santa Fe for changes.

MAY SOCIETY MEETING
