Message from the director

Barney Barnier

There is good news from Fresno! Our turntable has been loaded onto our flatcar, and when the assorted parts are loaded onto the second flatcar, it should soon be on it's way to Campo. We are indebted to the Santa Fe for this marvelous gift and it's transportation, and also to the TrailerTrain corporation for the gift of the two flat cars. We have also requested Santa Fe to donate some used rail now being removed in San Diego, and are awaiting a reply. If this request is granted, we will at last have the needed rail to finish the installation of the east entrance. Tracklayers may apply to Jim Rassmussen!

Mike Reading, Superintendent of the Mechanical Department announces the appointment of DENBY JONES as his Asst. Supt. Congratulations, and good luck. Denby will also continue as Yardmaster, and will assist Mike with the Safety Department.

Student Appreciation Days (correction)

In our last issue we reported that during student appreciation days 800-900 people rode the trains. The hard working people who ran the trains want to point out that 800-900 people *a day* were there. (800 kids in one place can be quite an experience).

Bobbie's vacation

Bobbie will be on vacation from July 13-20. Erika will keep the office open.

Trolley Tours Suspended

Due to congestion caused by new construction, trolley tours have been suspended. They will resume as soon as construction is complete.

Badges

Diana has a new supply of cap badges (Trainman, Brakeman & Conductor) in stock as well as SD&A collar pins

She also has SDRM name badges for sale in the gift shop. Everyone who deals with the public should get one. Stop by and take a look at one, they are quite impressive. Cost is \$5.00..

Getting the Hot Scoop

To get on the Hot Scoop list, call or write Bobbie at the museum office.

Getting into training!

by Dick Ruppert, Director of Volunteer Training

Help recruit! No doubt you are asking from time to time how people can get into training. Tell them, "It's easy!" There's a letter that tells how to get started. People can get the letter at the gift shop at Campo, or they can get copies from the Museum Office (619)-291-9220.

On the Job Training People do not need to wait for the New Member Orientation to begin. They can start on the job training as a trainman or tour guide and work with an experienced Volunteer.

Help Wanted and Thank You's

I could use some help from experienced museum members in a number of areas. If you can help with any of the following call Dick Ruppert 459-2573.

Volunteer Handbook. Another person or so is needed to help *Lew Wolfgang* create an orientation handbook for new museum volunteers.

Volunteer Orientation, Campo. Four or five people are needed to take one Saturday a month and be available to orient newcomers and help them get off to a good start with projects they'll like.

VOLUNTEER OF THE MONTH

DENBY JONES is our Main Man this month. He has on many occasions answered the call for extra work without complaint and with great personal sacrifice of time with his family. He was instrumental in making sure the Peary was ready to go to San Diego for use by MTDB during the opening ceremonies of the Bayside Line. Thanks Again, Denby.

Change of address

The addresses used for the *Hot Scoop* mailing list come from the membership database. If your address changes, all you have to do is to notify the museum office.

Do not, ever mix oil and solvents in a drum. This creates a hazardous waste that cost the museum \$500 to get rid of.
