who are making a complete tour of Canada in the interests of  
Amateur Gliding and Sailplaning, will give a

### DEMONSTRATION and EXHIBITION OF GLIDING

at REGINA  
(town)

on TUESDAY - JUNE 11  
(date)

at 7-45 AT AIRPORT  
(time)

*This are the  
posters we  
used to  
advertize in  
the local  
towns and cities.  
All expenses  
were carried by  
ourselves.*

The "Canadian Glider Boosters" are en route to Elmira, N.Y., to attend the International Soaring Competitions held at that point and their purpose is to promote Amateur Gliding throughout Canada. If anyone in your locality is interested in forming a Glider Club these experts will gladly assist in the construction of your machine and the methods used in operating a successful club.

See for yourself this skilled exhibition and the flying of the motor-less plane.
