Though exciting plans have not been completed, we are happy to say that Black & White is again sponsoring the Third Annual New England Backgammon Club Benefit for Boston Symphony Orchestra. This Tournament will be known as the Black & White NEBC Classic. Our event has been announced at previous Black & White Classics and is being talked about in every state of the Union! and Europe and South America too! Therefore, we are enlarging this mailing to cover our membership, special invitees, and players who have requested invitations.

Reservations are pouring in! Exciting News! Indications are that the following Champions will be in attendance for this event as they were last year: Barclay Cooke, Oswald Jacoby, Paul Magriel, Mike Valentine, Gino Scalamandre, Katy Wright, Roger Low, Ellen Jacoby Lee, Gloria Donahue, Jeff Westheimer, Mike Carson, Joe Paskoe, Robert Wilensky and we could go on and on!!

Our goal is to raise as much money as possible for BSO, to make certain that our members are not shut out, and that we are able to plan the very best Tournament possible. We are enclosing an **advance entry form** and kindly request prompt reply.

Our next mailing for the prestigious Black & White NEBC Classic will be limited to those who have not received this advance notice.

Championship Division limited to 100.
Each player will contribute \$200.00 to BSO

Open Division limited to 50.
