SPINSTERS.—We have it from reliable information that the planters of Platte county, Mo., intend to give negro-loving spinsters a benefit on May-day. The plan, as near as we can get it, is, that all white women in this Territory who prefer black to white men for husbands can have an opportunity of making a selection among the wooly-heads to suit themselves. A large turnout of the 'faithful' from Lawrence and Topeka are expected to be present. It will be borne in mind, that every buck negro so selected is to have his freedom, and to accompany his lovely spouse to her cabin.—Who'll say, after this, that the Border Ruffians are not liberal?—Kickapoo Pioneer.
