NEGROES! NEGROES!!

Twenty-Five Likely Negroes for Sale.

WILL sell at Platte City, on the 5th day of March next, twenty-five very likely choice young negroes, boys and girls, from the ages of 12 to 20 years, from the plough boys to the hemp breakers, and from the nurses, house girls and seamstresses, to the cooks, washers and ironers.—The above Negroes have just arrived from Old Virginia, under the best discipline, bought with care, sound and healthy, and titles good. I will sell for cash or a credit of six months with interest from the day of sale, by the purchasers giving bond with approved resident securities.

A rare chance, this, for farmers and others who are in need of valuable servants. I will also sell several good wagons and several good yoke of oxen. I have also, at private sale, about fifty, three and four year old, American raised Mules of fine size, in fine order, mostly broken to work.

G. P. DORRISS.

Platte City, Mo., Feb. 9, 1849.—45-3w
