Population of Missouri--State Census.

The census of Missouri, as taken by the Sheriffs, has been reported, and the table is before us. We compile the following figures:—

White Males	540,280	
White Females	492,055	1,032,225
Slaves		112,032
Free Blacks		4,024
Total population		1,149,139

This is below the number as reported by the United States census, but is important as being the basis of representation in the Legislature.

The counties having over 20,000 population are:—

St. Louis	189,120
Buchanan	25,262
Jackson	22,455
Lafayette	22,002
Boone	20,635

Jackson county has 3 deaf and dumb persons, 1 blind, and 2 insane.

The counties having over 3,000 slaves, are as follows:—

Lafayette	6,985	St. Louis	3,825
Howard	5,923	Cooper	3,800
Saline	5,070	Jackson	3,440
Boone	5,034	Clay	3,342
Callaway	4,790	Platte,	3,296
Pike	4,123	Monroe	3,024

It will be seen that Jackson county is third in population, and ninth in slaves.
