A Radical paper in Weston, the Border Times, recently reiterated the charges about "bleached negroes" in the South. The Louisville Courier, exposing just such another slanderer as the Border Times man, presents the following table, compiled from the United States census of 1860, which is the latest data that can be obtained for a comparison:

BLACK AND MULATTO POPULATION OF THE UNITED STATES.

Southern States, Ratio of Mulattoes to 100 Negroes.		Northern States, Ratio of Mulattoes to 100 Negroes.	
Alabama	7.24	California	9.04
Arkansas	16.53	Connecticut	30.51
Delaware	9.29	Illinois	85.53
Florida	19.70	Indiana	89.56
Georgia	6.21	Iowa	87.68
Kentucky	17.15	Maine	51.51
Louisiana	14.88	Massachusetts	34.80
Maryland	14.08	Michigan	76.31
Mississippi	7.01	New Hampshire	54.76
Missouri	18.67	New Jersey	18.19
North Carolina	12.06	New York	19.89
South Carolina	4.48	Ohio	29.52
Tennessee	10.88	Pennsylvania	40.01
Texas	15.73	Rhode Island	24.87
Virginia	17.84	Vermont	40.23
		Wisconsin	87.87

We ask all to study the above table, and see who are the real miscegenators, and if the noisy clamor of the radical slanderers is not hushed, they are as devoid of shame and decency as they are of honorable politics.
