AN EX REGISTRAR REJECTED.—Two years ago one of the scallawag registrars for this county, was a certian *Dr* Fouts, of Farley, than whom none was more illiberal, vindictive and proscriptive. We learn that he has come to grief. His neighbors charge him with having more negro blood in his veins than the law allows for qualified voters, hence his right to be registered last week was challenged and his name was placed upon the rejected list. Fouts was a fair representative of the class of registrars who controlled registration in this county two years ago. His evil days are upon him.
