Rape.

A negro named Nelson Strang was arrested in this place one day last week and taken to New Market for examination upon the charge of committing a rape upon a white girl named Georgianna McDaniel, aged six years. The result of the examination was the committal of the negro to await the action of the Grand Jury. The evidence, which we have been permitted to examine, disclosed a horrible state of beastiality and lewdness on the part of the mother of the little girl, and is disgusting in the extreme. The little girl, however, is an innocent victim, and both the mother and the negro brute, should be promptly dealt with.
