Prisoner Returned.

Some two years since last November Alf Buckhardt a colored man ran away from Platte City charged with incest. His whereabouts was unknown until last week when Deputy Sheriff John Dillingham located him at Osawotomie, Kansas. Sheriff Dillingham went to Osowatomie and found his man in a negro cabin in company with five or six other negroes—slipped the handcuffs on his wrists and was out and gone with his prisoner before the inmates of the cabin recovered from their surprise or made any resistance.

Sheriff Dillingham returned with his prisoner last Tuesday morning and safely lodged his man in hotel de Berry where he will get board and lodging until next term of circuit court.
