Banneker School Promotions.

The attendance, studiousness and scholarship of Banneker at present will bear inspection. The school is growing more prosperous daily. 59 scholars are now enrolled. We cordially invite all friends of education and lovers of the general public good to visit our school. In a religious, moral and intellectual sense of education, our aim is to so mould the thought and clarify the vision of our boys and girls that they may grow to be able, progressive and worthy citizens of our fair republic. Come and see. We fear the unjust, not the just; incompetent judgement, not the competent.

Following is the name and grade of all scholars promoted. Viz: Reuben Brown, Calvin Carter, Ernest Carter, Cornelius Davis and Dora Tolson promoted to the sixth grade.
