—"Uncle Davy" Washington, an aged colored minister, well known and highly respected by almost every one in Parkville and vicinity, died at 6:30 o'clock this (Thursday) morning, after an illness of only a few days. He was afflicted with something akin to inflamatory rheumatism. He was a good old man, and his greatest ambition appeared to be to lead his people along the right way. For several years he had been building a church here, gathering a dollar here, a few cents there, working, saving, always striving, he had the building almost completed. The remains will be taken to Stewartsville, Mo., for interment on Friday.
