Last Monday was a very eventful day for our school. The Bookmobile made its first call and two State Patrolmen conducted a question-and-answer type discussion on Safety. This was a great aid; especially to the Safety Patrol club.

The schoolroom has been made more decorative by pupils bringing potted plants as well as many cut flowers.

Lois Klamm and Harold Ferry were visitors at school this week. We wish to take this opportunity to extend an invitation to all patrons to visit the school at any time.

Our thanks to the Line Creek school for the invitation to compete in a softball game Friday afternoon. Our school won, 13 to 5. Maxine Prunty and Joanne Mayse were cheerleaders. We wish to extend a vote of thanks also to James Burrichter for furnishing transportation to the game and to Harold Ferry for the lovely new Official Softball.

ROCKY POINT SCHOOL NOTES

Friday September 27 the Community club met and elected as its officers, President, Mrs. John T. Offutt; Vice-President, Mrs. Earl Snider; Secretary-Treasurer, Mrs. Jewel Witt. The club decided to meet every third Friday of the month. The next meeting will be October 18. The balance in the treasury with the exception of $5 was decided to be used for the purchase of a piano. Theodore Lampe kindly added $10 to the amount, for which we are very grateful.

Height and weights were taken the past week at school. The normals for each pupil were recorded and if any child is more than ten pounds below or above normal, notice will be sent to the parents.

In Art last week children planned and made their "My Papers" notebook. These notebooks will be sent home each month for the parents to look at their child's work. These notebooks will contain the corrected papers handed in by students after they have been checked and returned to them.

Parents are asked to please look over these booklets and sign the front page at the end of each month.

Book reports were given last Friday. All students were required to give one. Most of them were given orally and those given next will be written. Some pupils still do not have their birth certificate registered at the school. Please take care of this as soon as possible.

Those on the Spelling Honor Roll: Georgia May Lawson, Robert Johnson and Dorothy Lawson.
