And the said defendant by his attorney moves the Court to arrest the Judgment in this Cause - Because said Judgment is given for plaintiffs which it ought to have been given for the defendant in this Cause as appears from the record and proceedings in this Cause -

1. The Court erred in giving Judgment upon the declaration in this Cause against said defendant
2. The Court erred in giving two Judgments in this Cause, one against Isham Squires, and the other in favour of Squires, when the plaintiffs declared against Isham & Squires and for other errors appearing upon the face of the record and proceedings in this Cause
