WURTEMBERGER, FRED (1932 -)
Supervisor 1994 – 1997

Mr. Wurtemberger was elected twice for a period of four years as a Republican. Fred Wurtemberger is a graduate of Rensselaer Polytechnic Institute and majored in civil and environmental engineering. He served on the Town Planning Board for 25 years, including three years as chairman. He also taught part-time at Hudson Valley Community College. Before retiring in 1993, he worked as a design engineer for consulting engineering firms, as a water pollution control engineer for the New York State Department of Health, and as administrator of Rensselaer County Sewer District.

In 1960 he married Mary Ellen Teal. They had one son, Scott.

On behalf of the Sand Lake Kiwanis Club and prior to his service as town supervisor, he received a commitment from the Butler family to donate the land on Gettle Road, now known as the Town of Sand Lake Butler Park

He participated in the following accomplishments during his four years of service:

1. Constructed a Department of Public Works building to house and centralize the functions of the highway and sewer departments at the Springer Road site which is the source of the town's sand and gravel.
2. Completed the installation of impermeable cover over the Town's landfill in response to NYSDEC requirements.
3. Signed a Consent Order with NYSDEC lifting a sewer correction moratorium imposed in November 1993 because of excessive extraneous inflows. Received a State Grant to study and make application for construction of sewers around Crooked Lake and part of Burden Lake.
4. Adopted a written Investment Policy similar to the State Comptroller's model. Earned some \$775,000 over four years.
5. Modified and adopted a new Town Master Plan developed by the previous administration.
6. Adopted a comprehensive Town Code, prepared by General Code Publishers, reflecting current practices and eliminating conflicts and inconsistencies.
7. Enacted a revised Dog Control Ordinance and a new Cell Tower Ordinance.
8. Received an \$864,750 NYSDEC Grant Offer for landfill closure reimbursement. Received State Legislature member item grants totaling \$227,000 for State Police Sub-station construction, municipal center access, sewer extension plans, geographic information system (GIS), and water supply aquifer field testing.
9. Reduced general and highway taxes by an accumulative 12.2% and sewer rent charges by 10%. Left office on December 31, 1997 with account cash balances totaling \$301,426 for operating accounts (general, highway, sewer, lighting) and \$2,979,968 for reserve accounts (tax stabilization, equipment, landfill, municipal center, buildings).

KELLEY, DOUGLAS (1947-)
Supervisor 1980-1988
1998-1999

Douglas Stephen Kelley was born in Troy, NY on July 27, 1947. He received a BS degree in Secondary Education, Social Studies from Western Connecticut College. In May 2004 he received a Masters Degree in Educational Administration from the College of St. Rose. Mr. Kelley served as a teacher and a Department Chairman at Averill Park High School for 15 years. Later he was employed by DNC Services as a management consultant to utility companies. He is married to Nancy Bowman and they have two children, Kristen and Jeff, and are grandparents to Olivia Ann Kelley. Mr. Kelley is a member of the Democratic Party.

1980 - 1988

During Mr. Kelley's administration:

1. The 175th Anniversary Celebration of the Town of Sand Lake was held.
2. Construction of the sewer system was also started and the Town Library was established.
3. The Town police force was disbanded at this time and replaced with the first State Police Satellite Office in the Town.

1998 - 2000

Douglas Kelley was reelected for another term with the following accomplishments:

1. Purchase, renovation and dedication of the former Capital Mutual Insurance Building to serve as a new Town Hall which houses all administrative offices of the Town plus the Library. (The State Police Offices were added later.) The facility was purchased with funds acquired from landfill fees which were established during Mr. Kelley's previous term of office 1986-1988. These fees amounted to over \$4 million in available cash for the town to spend on projects without going into debt.
2. Reapplied and obtained approval for funds and design plans for a Crooked Lake Sewer Extension.

Mr. Kelley's full time job took him to Florida for a temporary assignment. For seven months he commuted weekly and spent at least 3 days at the part time Supervisor's position.
